Subd. 3. **Disaster account.** (a) After deducting administrative costs as provided in subdivision 2, the commissioner shall set aside each year a sum of money equal to one percent of the remaining money in the county state-aid highway fund to provide for a disaster account; provided that the total amount of money in the disaster account must never exceed two percent of the total sums to be apportioned to the counties. This sum must be used to provide aid to any county encountering disasters or unforeseen events affecting its county state-aid highway system, and resulting in an undue and burdensome financial hardship.

(b) Any county desiring aid by reason of disaster or unforeseen event shall request the aid in the form required by the commissioner. Upon receipt of the request, the commissioner shall appoint a board consisting of two representatives of the counties, who must be either a county engineer or member of a county board, from counties other than the requesting county, and a representative of the commissioner. The board shall investigate the matter and report its findings and recommendations in writing to the commissioner.

(c) Final determination of the amount of aid, if any, to be paid to the county from the disaster account must be made by the commissioner. Upon determining to aid a requesting county, the commissioner shall certify to the commissioner of finance the amount of the aid, and the commissioner of finance shall then issue a warrant in that amount payable to the county treasurer of the county. Money so paid must be expended on the county state-aid highway system in accordance with the rules of the commissioner.

Subd. 3. **Disaster account.** (a) After deducting administrative costs as provided in subdivision 2, the commissioner shall set aside each year a sum of money equal to two percent of the remaining money in the municipal state-aid street fund to provide for a disaster account; provided, that the total amount of money in the disaster account must never exceed three percent of the total sums to be apportioned to the statutory and home rule charter cities having a population of 5,000 or more. The disaster account must be used to provide aid to any city encountering disaster or unforeseen event affecting the municipal state-aid street system of the city, and resulting in an undue and burdensome financial hardship.

(b) Any city desiring aid by reason of disaster or unforeseen event shall request aid in the form required by the commissioner. Upon receipt of the request the commissioner shall appoint a board consisting of two representatives of the cities, who must be either a city engineer or member of the governing body of a city, from cities other than the requesting city, and a representative of the commissioner. The board shall investigate the matter and report its findings and recommendations in writing to the commissioner.

(c) Final determination of the amount of aid, if any, to be paid to the city from the disaster account must be made by the commissioner. Upon determining to aid the city, the commissioner shall certify to the commissioner of finance the amount of aid, and the commissioner of finance shall then issue a warrant in that amount payable to the fiscal officer of the city. Money so paid must be expended on the municipal state-aid street system in accordance with rules of the commissioner.
