(3) the person was convicted of a predatory crime as defined in section 609.108, and the offender was sentenced as a patterned sex offender or the court found on its

own motion or that of the prosecutor that the crime was part of a predatory pattern of behavior that had criminal sexual conduct as its goal: or

(4) the person was convicted of or adjudicated delinquent for, including pursuant to a court martial, violating a law of the United States, including the Uniform Code of Military Justice, similar to the offenses described in clause (1), (2), or (3).

(b) A person also shall register under this section if:

(1) the person was convicted of or adjudicated delinquent in another state for an offense that would be a violation of a law described in paragraph (a) if committed in this state;

(2) the person enters the state to reside, or to work or attend school; and

(3) ten years have not elapsed since the person was released from confinement or, if the person was not confined, since the person was convicted of or adjudicated delinquent for the offense that triggers registration; unless the person is subject to lifetime registration, in which case the person must register for life regardless of when the person was released from confinement, convicted, or adjudicated delinquent.

For purposes of this paragraph:

(i) "school" includes any public or private educational institution, including any secondary school, trade or professional institution, or institution of higher education, that the person is enrolled in on a full-time or part-time basis; and

[For text of subd 2, see M.S.2000]

Subd. 3. Registration procedure. (a) A person required to register under this section shall register with the corrections agent as soon as the agent is assigned to the person. If the person does not have an assigned corrections agent or is unable to locate the assigned corrections agent, the person shall register with the law enforcement agency that has jurisdiction in the area of the person's residence.

(b) At least five days before the person starts living at a new primary address, including living in another state, the person shall give written notice of the new primary living address to the assigned corrections agent or to the law enforcement authority with which the person currently is registered. If the person will be living in a new state and that state has a registration requirement, the person shall also give written notice of the new address to the designated registration agency in the new state. The corrections agent or law enforcement authority shall, within two business days after receipt of this information, forward it to the bureau of criminal apprehension. The bureau of criminal apprehension shall, if it has not already been done, notify the law

enforcement authority having primary jurisdiction in the community where the person will live of the new address. If the person is leaving the state, the bureau of criminal apprehension shall notify the registration authority in the new state of the new address. If the person's obligation to register arose under subdivision 1, paragraph (b), the person's registration requirements under this section terminate when the person begins living in the new state.

(c) A person required to register under subdivision 1, paragraph (b), because the person is working or attending school in Minnesota shall register with the law enforcement agency that has jurisdiction in the area where the person works or attends school. In addition to other information required by this section, the person shall provide the address of the school or of the location where the person is employed. A person must comply with this paragraph within five days of beginning employment or school. A person's obligation to register under this paragraph terminates when the person is no longer working or attending school in Minnesota.

(d) A person required to register under this section who works or attends school outside of Minnesota shall register as a predatory offender in the state where the person works or attends school. The person's corrections agent, or if the person does not have an assigned corrections agent, the law enforcement authority that has jurisdiction in the area of the person's residence shall notify the person of this requirement.

[For text of subd 4, see M.S.2000]

Subd. 4a. Information required to be provided. (a) A person required to register under this section shall provide to the corrections agent or law enforcement authority the following information:

- (6) the year, model, make, license plate number, and color of all motor vehicles owned or regularly driven by the person. "Motor vehicle" has the meaning given "vehicle" in section 169.01, subdivision 2.

(b) The person shall report to the agent or authority the information required to be provided under paragraph (a), clauses (2) to (6), within five days of the date the clause becomes applicable. If because of a change in circumstances a clause no longer applies to previously reported information, the person shall immediately inform the agent or authority that the information is no longer valid.

[For text of subd 5, see M.S.2000]

Subd. 6. Registration period. (a) Notwithstanding the provisions of section 609.165, subdivision 1, and except as provided in paragraphs (b), (c), and (d), a person required to register under this section shall continue to comply with this section until ten years have elapsed since the person initially registered in connection with the offense, or until the probation, supervised release, or conditional release period expires, whichever occurs later. For a person required to register under this section who is committed under section 253B.18 or 253B.185, the ten-year registration period does not include the period of commitment.

(b) If a person required to register under this section fails to register following a change in residence, the commissioner of public safety may require the person to continue to register for an additional period of five years. This five-year period is added to the end of the offender's registration period.

(c) If a person required to register under this section is subsequently incarcerated following a revocation of probation, supervised release, or conditional release for that offense, or a conviction for any new offense, the person shall continue to register until ten years have elapsed since the person was last released from incarceration or until the person's probation, supervised release, or conditional release period expires, whichever occurs later.

(d) A person shall continue to comply with this section for the life of that person:

(1) if the person is convicted of or adjudicated delinquent for any offense for which registration is required under subdivision 1, or any offense from another state or any federal offense similar to the offenses described in subdivision 1, and the person has a prior conviction or adjudication for an offense for which registration was required under subdivision 1, or an offense from another state or a federal offense similar to an offense described in subdivision 1;

(2) if the person is required to register based upon a conviction or delinquency adjudication for an offense under section 609.185, clause (2), or a similar statute from another state or the United States;

(3) if the person is required to register based upon a conviction for an offense under section 609.342, subdivision 1, paragraph (a), (c), (d), (e), (f), or (h); 609.343, subdivision 1, paragraph (a), (c), (d), (e), (f), or (h); 609.344, subdivision 1, paragraph (a), (c), or (g); or 609.345, subdivision 1, paragraph (a), (c), or (g); or a statute from another state or the United States similar to the offenses described in this clause; or

(4) if the person is required to register under subdivision 1, paragraph (c), following commitment pursuant to a court commitment under section 253B.185 or a similar law of another state or the United States.

243.51 UNITED STATES PRISONERS; PRISONERS FROM OTHER STATES.

Subdivision 1. **Contracting with other states and federal government.** The commissioner of corrections is hereby authorized to contract with agencies and bureaus of the United States and with the proper officials of other states or a county of this state for the custody, care, subsistence, education, treatment and training of persons convicted of criminal offenses constituting felonies in the courts of this state, the United States, or other states of the United States. Such contracts shall provide for reimbursing the state of Minnesota for all costs or other expenses involved, and, to the extent possible, require payment to the department of corrections of a per diem amount that is substantially equal to or greater than the per diem for the cost of housing Minnesota inmates at the same facility. This per diem cost shall be based on the assumption that the facility is at or near capacity. Any prisoner transferred to the state of Minnesota pursuant to this subdivision shall be subject to the terms and conditions of the prisoner's original sentence as if the prisoner were serving the same within the confines

of the state in which the conviction and sentence was had or in the custody of the United States. Nothing herein shall deprive such inmate of the right to parole or the rights to legal process in the courts of this state.

Subd. 2. Transfer of inmates to federal government. The commissioner of corrections may transfer to the custody of the United States attorney general any inmate of a Minnesota correctional facility whose presence is seriously detrimental to the internal discipline and well-being of the facility, or whose personal safety cannot be reasonably secured therein or in any other state facility, provided the attorney general of the United States accept such transfer. Such transfer shall be accomplished in the manner prescribed by United States Code, title 18, section 5003, and acts amendatory thereof, and the commissioner of corrections may execute such contracts as therein provided. The reimbursement of the federal government for all costs and expenses incurred for the care, custody, subsistence, education, treatment, and training of such transferee shall be paid from the appropriation for the operation of the Minnesota correctional facility from which the inmate was transferred.

The chief executive officer of the transferring facility shall attach to such contract a duly certified copy of the warrant of commitment under which such inmate is held, together with copies of such other commitment papers as are required by section 243.49, and such other data relating to the character and condition of such inmates as the officer may deem necessary or may be required by the federal prison authorities. Such copy of the warrant of commitment and accompanying papers shall constitute sufficient authority for the United States to hold such inmate on behalf of the state of Minnesota.

Any inmate so transferred under this subdivision shall be subject to the terms and conditions of the inmate's original sentence as if the inmate were serving the same within the confines of the facility from which transferred. Nothing herein contained shall deprive such inmate of the right to parole or the rights to legal process in the courts of this state.

Subd. 3. Temporary detention. The commissioner of corrections is authorized to contract with agencies and bureaus of the United States and with the appropriate officials of any other state or county of this state for the temporary detention of any person in custody pursuant to any process issued under the authority of the United States, other states of the United States, or the district courts of this state. The contract shall provide for reimbursement to the state of Minnesota for all costs and expenses involved, and, to the extent possible, require payment to the department of corrections of a per diem amount that is substantially equal to or greater than the per diem for the cost of housing Minnesota inmates at the same facility. This per diem cost shall be based on the assumption that the facility is at or near capacity.
