(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others, less the amount used to claim the credit allowed under section 290.0674, not to exceed \$1,625 for each qualifying child in grades kindergarten to 6 and \$2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and transportation of each qualifying child in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363. For the purposes of this clause, "tuition" includes fees or tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause, "textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. For purposes of the subtraction provided by this clause, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code;

This subtraction applies only for taxable years beginning after December 31, 1999, and before January 1, 2001. If an individual's subtraction under this clause exceeds the individual's taxable income, the excess may be carried forward to taxable years beginning after December 31, 2000, and before January 1, 2002;

(5) income as provided under section 290.0802;

(6) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491;

(11) for taxable years beginning before January 1, 2008, the amount of the federal small ethanol producer credit allowed under section 40(a)(3) of the Internal Revenue Code which is included in gross income under section 87 of the Internal Revenue Code; and

(12) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit.

290.06 RATES OF TAX; CREDITS.

[For text of subd 1, see M.S.2000]

Subd. 2c. Schedules of rates for individuals, estates, and trusts. (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

- (1) On the first \$25,680, 5.35 percent;
- (2) On all over \$25,680, but not over \$102,030, 7.05 percent;
- (3) On all over \$102,030, 7.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$17,570, 5.35 percent;
- (2) On all over \$17,570, but not over \$57,710, 7.05 percent;
- (3) On all over \$57,710, 7.85 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$21,630, 5.35 percent;
- (2) On all over \$21,630, but not over \$86,910, 7.05 percent;
- (3) On all over \$86,910, 7.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by the additions required under section 290.01, subdivision 19a, clauses (1) and (6), and reduced by the Minnesota assignable portion of the subtraction for United States

government interest under section 290.01, subdivision 19b, clause (1), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code of 1986, increased by the amounts specified in section 290.01, subdivision 19a, clauses (1) and (6), and reduced by the amounts specified in section 290.01, subdivision 19b, clause (1).

[For text of subs 2d and 10, see M.S.2000]

Subd. 22. Credit for taxes paid to another state. (a) A taxpayer who is liable for taxes on or measured by net income to another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, clause (2), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income; as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.01, subdivision 19a, clause (1), and the subtraction allowed by section 290.01, subdivision 19b, clause (1), to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state by the taxpayer's Minnesota taxable income.

(d) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter, nor shall the allowance of the credit reduce the taxes paid under this chapter to an amount less than what would be assessed if such income amount was excluded from taxable net income.

(e) In the case of the tax assessed on a lump sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump sum distribution defined in section 290.032, subdivision 1, includes lump sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net

income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income.

- (i) For the purposes of this subdivision, "another state":
 - (1) includes:
 - (i) the District of Columbia; and
 - (ii) a province or territory of Canada; but
 - (2) excludes Puerto Rico and the several territories organized by Congress.
- (j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.
- (k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

[For text of subd 22a, see M.S.2000]

Subd. 23. Refund of contributions to political parties and candidates. (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to a political party. The maximum refund for an individual must not exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the chair or treasurer of the party unit, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner no sooner than January 1 of the calendar year in which the contribution was made and no later than April 15 of the calendar year following the calendar year in which the contribution was made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution was made must include interest at the rate specified in section 270.76.

(b) No refund is allowed under this subdivision for a contribution to a candidate unless the candidate:

- (1) has signed an agreement to limit campaign expenditures as provided in section 10A.322;
- (2) is seeking an office for which voluntary spending limits are specified in section 10A.25; and
- (3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditures of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major party" or "minor party" includes the aggregate of that party's organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by each August 1 a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

(h) For a taxpayer who files a claim for refund via the Internet or other electronic means, the commissioner may accept the number on the official receipt as documentation that a contribution was made rather than the actual receipt as required by paragraph (a).

290.0679 ASSIGNMENT OF REFUND.

Subdivision 1. Definitions. (a) "Qualifying taxpayer" means a resident who has a child in kindergarten through grade 12 in the current tax year and who met the income requirements under section 290.0674, subdivision 2, for receiving the education credit in the tax year preceding the assignment of the taxpayer's refund.

(b) "Education credit" means the credit allowed under section 290.0674.

(c) "Refund" means an individual income tax refund.

(d) "Financial institution" means a state or federally chartered bank, savings bank, savings association, or credit union.

(e) "Qualifying organization" means a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code.

(f) "Assignee" means a financial institution or qualifying organization that is entitled to receive payment of a refund assigned under this section.

Subd. 2. Conditions for assignment. A qualifying taxpayer may assign all or part of an anticipated refund for the current and future taxable years to a financial institution or a qualifying organization. A financial institution or qualifying organization accepting assignment must pay the amount secured by the assignment to a third-party vendor. The commissioner of children, families, and learning shall provide a list of categories of products and services that qualify for the education credit to financial institutions and qualifying organizations. A financial institution or qualifying organization that accepts assignments under this section must verify as part of the assignment documentation that the product or service to be provided by the third-party vendor qualifies for the education credit. The amount assigned for the current and future taxable years may not exceed the maximum allowable education credit for the current taxable year. Both the taxpayer and spouse must consent to the assignment of a refund from a joint return.

Subd. 3. Consent for disclosure. When the taxpayer applies to the financial institution or the qualifying organization for a loan to be secured by the assignment under subdivision 2, the taxpayer must sign a written consent on a form prescribed by the commissioner. The consent must authorize the commissioner to disclose to the financial institution or qualifying organization the total amount of state taxes owed or revenue recapture claims filed under chapter 270A against the taxpayer, and the total amount of outstanding assignments made by the taxpayer under this section. For a refund from a joint return, the consent must also authorize the disclosure of taxes,

revenue recapture claims, and assignments relating to the taxpayer's spouse, and must be signed by the spouse. The financial institution or qualifying organization may request that the taxpayer provide a copy of the taxpayer's previous year's income tax return, if any, and may assist the taxpayer in requesting a copy of the previous year's return from the commissioner.

Subd. 4. **Consumer disclosure.** (a) A third-party vendor that receives payment of the amount secured by an assignment must comply with the requirements of this subdivision.

(b) The third-party vendor must disclose to the taxpayer, in plain language:

(1) the cost of each product or service for which the third-party vendor separately charges the taxpayer;

(2) any fees charged to the taxpayer for tax preparation services; and

(3) for qualifying low-income taxpayers, information on the availability of free tax preparation services.

(c) The third-party vendor must provide to the taxpayer executed copies of any documents signed by the taxpayer.

Subd. 5. **Filing of assignment.** The commissioner shall prescribe the form of and manner for filing an assignment of a refund under this section.

Subd. 6. **Effect of assignment.** The taxpayer may not revoke an assignment after it has been filed. The assignee must notify the commissioner if the loan secured by the assignment has been paid in full, in which case the assignment is canceled. An assignment is in effect until the amount assigned is refunded in full to the assignee, or until the assignee cancels the assignment.

Subd. 7. **Payment of refund.** When a refund assigned under this section is issued by the commissioner, the proceeds of the refund, as defined in subdivision 1, paragraph (c), must be distributed in the following order:

(1) to satisfy any delinquent tax obligations of the taxpayer which are owed to the commissioner;

(2) to claimant agencies to satisfy any revenue recapture claims filed against the taxpayer, in the order of priority of the claims set forth in section 270A.10;

(3) to assignees to satisfy assignments under this section, based on the order in time in which the commissioner received the assignments; and

(4) to the taxpayer.

Subd. 8. **Legal action.** If there is a dispute between the taxpayer and the assignee after the commissioner has remitted the taxpayer's refund to the assignee, the taxpayer's only remedy is to bring an action against the assignee in court to recover the refund. The action must be brought within two years after the commissioner remits the refund to the assignee. The commissioner may not be a party to the proceeding.

Subd. 9. **Assignments private data.** Information regarding assignments under this section is classified as private data on individuals.

History: 1Sp2001 c 5 art 9 s 12

NOTE: This section, as added by Laws 2001, First Special Session chapter 5, article 9, section 12, is effective for assignment of refunds filed with the commissioner after December 31, 2001. The time period for filing assignments expires December 31, 2003, but assignments filed on or before that date remain in effect until satisfied or canceled. (3) for depletion allowances computed under section 613A(c) of the Internal Revenue Code, with respect to each property (as defined in section 614 of the Internal Revenue Code), to the extent not included in federal alternative minimum taxable income, the excess of the deduction for depletion allowable under section 611 of the Internal Revenue Code for the taxable year over the adjusted basis of the property at the end of the taxable year (determined without regard to the depletion deduction for the taxable year);

(4) to the extent not included in federal alternative minimum taxable income, the amount of the tax preference for intangible drilling cost under section 57(a)(2) of the Internal Revenue Code determined without regard to subparagraph (E); and

(5) to the extent not included in federal alternative minimum taxable income, the amount of interest income as provided by section 290.01, subdivision 19a, clause (1); less the sum of the amounts determined under the following:

(1) interest income as defined in section 290.01, subdivision 19b, clause (1);

(2) an overpayment of state income tax as provided by section 290.01, subdivision 19b, clause (2), to the extent included in federal alternative minimum taxable income;

(3) the amount of investment interest paid or accrued within the taxable year on indebtedness to the extent that the amount does not exceed net investment income, as defined in section 163(d)(4) of the Internal Revenue Code. Interest does not include amounts deducted in computing federal adjusted gross income; and

(4) amounts subtracted from federal taxable income as provided by section 290.01, subdivision 19b, clause (4).

In the case of an estate or trust, alternative minimum taxable income must be computed as provided in section 59(c) of the Internal Revenue Code.

(c) "Tentative minimum tax" equals 6.4 percent of alternative minimum taxable income after subtracting the exemption amount determined under subdivision 3.

290.0921 CORPORATE ALTERNATIVE MINIMUM TAX AFTER 1989.

Subdivision 1. **Tax imposed.** In addition to the taxes computed under this chapter without regard to this section, the franchise tax imposed on corporations includes a tax equal to the excess, if any, for the taxable year of:

- (1) 5.8 percent of Minnesota alternative minimum taxable income; over
- (2) the tax imposed under section 290.06, subdivision 1, without regard to this section.

Subd. 2. **Definitions.** (a) For purposes of this section, the following terms have the meanings given them.

(b) "Alternative minimum taxable net income" is alternative minimum taxable income,

- (1) less the exemption amount, and
- (2) apportioned or allocated to Minnesota under section 290.17, 290.191, or 290.20.

(c) The "exemption amount" is \$40,000, reduced, but not below zero, by 25 percent of the excess of alternative minimum taxable income over \$150,000.

(d) "Minnesota alternative minimum taxable income" is alternative minimum taxable net income, less the deductions for alternative tax net operating loss under subdivision 4; charitable contributions under subdivision 5; and dividends received under subdivision 6. The sum of the deductions under this paragraph may not exceed 90 percent of alternative minimum taxable net income. This limitation does not apply to a deduction for dividends paid to or received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code.

Subd. 3. **Alternative minimum taxable income.** "Alternative minimum taxable income" is Minnesota net income as defined in section 290.01, subdivision 19, and includes the adjustments and tax preference items in sections 56, 57, 58, and 59(d), (e), (f), and (h) of the Internal Revenue Code. If a corporation files a separate company Minnesota tax return, the minimum tax must be computed on a separate company basis. If a corporation is part of a tax group filing a unitary return, the minimum tax must be computed on a unitary basis. The following adjustments must be made.

(1) For purposes of the depreciation adjustments under section 56(a)(1) and 56(g)(4)(A) of the Internal Revenue Code, the basis for depreciable property placed in service in a taxable year beginning before January 1, 1990, is the adjusted basis for federal income tax purposes, including any modification made in a taxable year under section 290.01, subdivision 19e, or Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c).

For taxable years beginning after December 31, 2000, the amount of any remaining modification made under section 290.01, subdivision 19e, or Minnesota Statutes 1986, section 290.09, subdivision 7, paragraph (c), not previously deducted is a depreciation allowance in the first taxable year after December 31, 2000.

(2) The alternative tax net operating loss deduction under sections 56(a)(4) and 56(d) of the Internal Revenue Code does not apply.

(3) The special rule for certain dividends under section 56(g)(4)(C)(ii) of the Internal Revenue Code does not apply.

(4) The special rule for dividends from section 936 companies under section 56(g)(4)(C)(iii) does not apply.

(5) The tax preference for depletion under section 57(a)(1) of the Internal Revenue Code does not apply.

(6) The tax preference for intangible drilling costs under section 57(a)(2) of the Internal Revenue Code must be calculated without regard to subparagraph (E) and the subtraction under section 290.01, subdivision 19d, clause (4).

(7) The tax preference for tax exempt interest under section 57(a)(5) of the Internal Revenue Code does not apply.

(8) The tax preference for charitable contributions of appreciated property under section 57(a)(6) of the Internal Revenue Code does not apply.

(9) For purposes of calculating the tax preference for accelerated depreciation or amortization on certain property placed in service before January 1, 1987, under section 57(a)(7) of the Internal Revenue Code, the deduction allowable for the taxable year is the deduction allowed under section 290.01, subdivision 19e.

For taxable years beginning after December 31, 2000, the amount of any remaining modification made under section 290.01, subdivision 19e, not previously deducted is a depreciation or amortization allowance in the first taxable year after December 31, 2000.

(10) For purposes of calculating the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code, the term "alternative minimum taxable income" as it is used in section 56(g) of the Internal Revenue Code, means alternative minimum taxable income as defined in this subdivision, determined without regard to the adjustment for adjusted current earnings in section 56(g) of the Internal Revenue Code.

(11) For purposes of determining the amount of adjusted current earnings under section 56(g)(3) of the Internal Revenue Code, no adjustment shall be made under section 56(g)(4) of the Internal Revenue Code with respect to (i) the amount of foreign dividend gross-up subtracted as provided in section 290.01, subdivision 19d, clause (1), (ii) the amount of refunds of income, excise, or franchise taxes subtracted as provided in section 290.01, subdivision 19d, clause (10), or (iii) the amount of royalties, fees or other like income subtracted as provided in section 290.01, subdivision 19d, clause (11).

Items of tax preference must not be reduced below zero as a result of the modifications in this subdivision.

Subd. 6. Dividends received. (a) A deduction is allowed from alternative minimum taxable net income equal to the deduction for dividends received under section 290.21, subdivision 4, for purposes of calculating taxable income under section 290.01, subdivision 29.

(b) The amount of the deduction must not exceed 90 percent of alternative minimum taxable net income. This limitation does not apply to dividends paid to or received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code.

290.17 GROSS INCOME, ALLOCATION TO STATE.

Subdivision 1. **Scope of allocation rules.** (a) The income of resident individuals is not subject to allocation outside this state. The allocation rules apply to nonresident individuals, estates, trusts, nonresident partners of partnerships, nonresident shareholders of corporations treated as "S" corporations under section 290.9725, and all corporations not having such an election in effect. If a partnership or corporation would not otherwise be subject to the allocation rules, but conducts a trade or business that is part of a unitary business involving another legal entity that is subject to the allocation rules, the partnership or corporation is subject to the allocation rules.

(b) Expenses, losses, and other deductions (referred to collectively in this paragraph as "deductions") must be allocated along with the item or class of gross income to which they are definitely related for purposes of assignment under this section or apportionment under section 290.191, 290.20, or 290.36. Deductions not definitely related to any item or class of gross income are assigned to the taxpayer's domicile.

(c) In the case of an individual who is a resident for only part of a taxable year, the individual's income, gains, losses, and deductions from the distributive share of a partnership, S corporation, trust, or estate are not subject to allocation outside this state to the extent of the distributive share multiplied by a ratio, the numerator of

which is the number of days the individual was a resident of this state during the tax year of the partnership, S corporation, trust, or estate, and the denominator of which is the number of days in the taxable year of the partnership, S corporation, trust, or estate.

[For text of subds 2 and 3, see M.S.2000]

Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to business income subject to subdivision 5, income of an insurance company, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which result in a flow of value between them. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a sole proprietorship, a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business. Unity is also presumed when business activities or operations are of mutual benefit, dependent upon or contributory to one another, either individually or as a group.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership is not deemed to exist when a corporation is involved unless that corporation is a member of a group of two or more business entities and more than 50 percent of the voting stock of each member of the group is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group. For this purpose, the term "voting stock" shall include membership interests of mutual insurance holding companies formed under section 60A.077.

(f) The net income and apportionment factors under section 290.191 or 290.20 of foreign corporations and other foreign entities which are part of a unitary business shall not be included in the net income or the apportionment factors of the unitary business. A foreign corporation or other foreign entity which is required to file a return under this chapter shall file on a separate return basis. The net income and apportionment factors under section 290.191 or 290.20 of foreign operating corporations shall not be included in the net income or the apportionment factors of the unitary business except as provided in paragraph (g).

(g) The adjusted net income of a foreign operating corporation shall be deemed to be paid as a dividend on the last day of its taxable year to each shareholder thereof, in proportion to each shareholder's ownership, with which such corporation is engaged in a unitary business. Such deemed dividend shall be treated as a dividend under section 290.21, subdivision 4.

Dividends actually paid by a foreign operating corporation to a corporate shareholder which is a member of the same unitary business as the foreign operating corporation shall be eliminated from the net income of the unitary business in preparing a combined report for the unitary business. The adjusted net income of a foreign operating corporation shall be its net income adjusted as follows:

(1) any taxes paid or accrued to a foreign country, the commonwealth of Puerto Rico, or a United States possession or political subdivision of any of the foregoing shall be a deduction; and

(2) the subtraction from federal taxable income for payments received from foreign corporations or foreign operating corporations under section 290.01, subdivision 19d, clause (10), shall not be allowed.

If a foreign operating corporation incurs a net loss, neither income nor deduction from that corporation shall be included in determining the net income of the unitary business.

(h) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of domestic corporations or other domestic entities other than foreign operating corporations that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that foreign corporations or other foreign entities might be included in the unitary business.

(i) Deductions for expenses, interest, or taxes otherwise allowable under this chapter that are connected with or allocable against dividends, deemed dividends described in paragraph (g), or royalties, fees, or other like income described in section 290.01, subdivision 19d, clause (10), shall not be disallowed.

(j) Each corporation or other entity, except a sole proprietorship, that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph (h) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph (h) in the denominators of the apportionment formula.

(k) If a corporation has been divested from a unitary business and is included in a combined report for a fractional part of the common accounting period of the combined report:

(1) its income includable in the combined report is its income incurred for that part of the year determined by proration or separate accounting; and

(2) its sales, property, and payroll included in the apportionment formula must be prorated or accounted for separately.

290.191 APPORTIONMENT OF NET INCOME.

[For text of subd 1, see M.S.2000]

Subd. 2. Apportionment formula of general application. Except for those trades or businesses required to use a different formula under subdivision 3 or section 290.36, and for those trades or businesses that receive permission to use some other method under section 290.20 or under subdivision 4, a trade or business required to apportion its net income must apportion its income to this state on the basis of the percentage obtained by taking the sum of:

(1) 75 percent of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) 12.5 percent of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) 12.5 percent of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

Subd. 4. (a)(1) Eighty percent of dividends received by a corporation during the taxable year from another corporation, in which the recipient owns 20 percent or more of the stock, by vote and value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom; and

(2)(i) The remaining 20 percent of dividends if the dividends received are the stock in an affiliated company transferred in an overall plan of reorganization and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989; or

(ii) The remaining 20 percent of dividends if the dividends are received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989, or is deducted under an election under section 243(b) of the Internal Revenue Code.

(b) Seventy percent of dividends received by a corporation during the taxable year from another corporation in which the recipient owns less than 20 percent of the stock, by vote or value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of income and gain therefrom.

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) of the Internal Revenue Code.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law Number 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report

under section 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code.

(f) If one or more of the members of the unitary group whose income is included on the combined report received a dividend, the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of: (1) 100 percent of the dividends received by members of the group; (2) the percentage allowed pursuant to paragraph (a) or (b); and (3) the percentage of the taxpayer's business income apportionable to this state for the taxable year under section 290.191 or 290.20.

290.92 TAX WITHHELD AT SOURCE UPON WAGES; OTHER PAYMENTS.

[For text of subs 1 to 22, see M.S.2000]

Subd. 23. **Withholding by employer of delinquent taxes.** (1) The commissioner may, within five years after the date of assessment of the tax, or if a lien has been filed under section 270.69, within the statutory period for enforcement of the lien, give notice to any employer deriving income which has a taxable situs in this state regardless of whether the income is exempt from taxation, that an employee of that employer is delinquent in a certain amount with respect to any state taxes, including penalties, interest, and costs. The commissioner can proceed under this subdivision only if the tax is uncontested or if the time for appeal of the tax has expired. The commissioner shall not proceed under this subdivision until the expiration of 30 days after mailing to the taxpayer, at the taxpayer's last known address, a written notice of (a) the amount of taxes, interest, and penalties due from the taxpayer and demand for their payment, and (b) the commissioner's intention to require additional withholding by the taxpayer's employer pursuant to this subdivision. The effect of the notice shall expire one year after it has been mailed to the taxpayer provided that the notice may be renewed by mailing a new notice which is in accordance with this subdivision. The renewed notice shall have the effect of reinstating the priority of the original claim. The notice to the taxpayer shall be in substantially the same form as that provided in section 571.72. The notice shall further inform the taxpayer of the wage exemptions contained in section 550.37, subdivision 14. If no statement of exemption is received by the commissioner within 30 days from the mailing of the notice, the commissioner may proceed under this subdivision. The notice to the taxpayer's employer may be served by mail or by

delivery by an employee of the department of revenue and shall be in substantially the same form as provided in section 571.75. Upon receipt of notice, the employer shall withhold from compensation due or to become due to the employee, the total amount shown by the notice, subject to the provisions of section 571.922. The employer shall continue to withhold each pay period until the notice is released by the commissioner under section 270.709. Upon receipt of notice by the employer, the claim of the state of Minnesota shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and the employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown by the notice plus accrued interest has been withheld.

The "compensation due" any employee is defined in accordance with the provisions of section 571.921. The maximum withholding allowed under this subdivision for any one pay period shall be decreased by any amounts payable pursuant to a garnishment action with respect to which the employer was served prior to being served with the notice of delinquency and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the department of the amounts and the facts relating to such assignments within ten days after the service of the notice of delinquency on the form provided by the department of revenue as noted in this subdivision.

(2) If the employee ceases to be employed by the employer before the full amount set forth in a notice of delinquency plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge any employee by reason of the fact that the commissioner has proceeded under this subdivision. If an employer discharges an employee in violation of this provision, the employee shall have the same remedy as provided in section 571.927, subdivision 2.

(3) Within ten days after the expiration of such pay period, the employer shall remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during each pay period under this subdivision.

(4) Clauses (1), (2), and (3), except provisions imposing a liability on the employer for failure to withhold or remit, shall apply to cases in which the employer is the United States or any instrumentality thereof or this state or any municipality or other subordinate unit thereof.

(5) The commissioner shall refund to the employee excess amounts withheld from the employee under this subdivision. If any excess results from payments by the employer because of willful failure to withhold or remit as prescribed in clause (3), the excess attributable to the employer's payment shall be refunded to the employer.

(6) Employers required to withhold delinquent taxes, penalties, interest, and costs under this subdivision shall not be required to compute any additional interest, costs or other charges to be withheld.

(7) The collection remedy provided to the commissioner by this subdivision shall have the same legal effect as if it were a levy made pursuant to section 270.70.
