256J.01 ESTABLISHING MINNESOTA FAMILY INVESTMENT PROGRAM.

Subdivision 1. **Implementation of Minnesota family investment program (MFIP).** This chapter and chapter 256K may be cited as the Minnesota family investment program (MFIP). MFIP is the statewide implementation of components of the Minnesota family investment plan (MFIP) authorized and formerly codified in section 256.031 and Minnesota family investment plan-Ramsey county (MFIP-R) formerly codified in section 256.047.

Subd. 2. **Implementation of temporary assistance for needy families (TANF).** The Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law Number 104-193, eliminates the entitlement program of aid to families with dependent children (AFDC) and replaces it with block grants to states for temporary assistance for needy families (TANF). TANF provides cash assistance for a limited time to families with children and to pregnant women. Minnesota's TANF assistance will be provided through a statewide expansion of MFIP. The modifications specified in this chapter are necessary to comply with the new federal law and to improve MFIP. Eligible applicants and recipients of AFDC, family general assistance, and food stamps

MINNESOTA STATUTES 2002

will be converted to the MFIP-S program. Effective January 1, 1998, any new application received for family cash assistance will be processed under the rules of this chapter. Case maintenance conversion for existing AFDC and FGA cases to MFIP-S as described in this chapter will begin January 1, 1998, and continue through March 31, 1998.

Subd. 3. Relationship to other statutes and rules. MFIP-S replaces eligibility for families with children and pregnant women under the general assistance program, governed by sections 256D.01 to 256D.21 and Minnesota Rules, parts 9500.1200 to 9500.1270.

Subd. 4. Changes to waivers. The commissioner of human services may negotiate and obtain changes in the federal waivers and terms and conditions contained in MFIP, MFIP-R, and MFIP-S. The commissioner may also terminate federal waivers by directing so in the applicable state plan.

Subd. 5. Compliance system. The commissioner shall administer a compliance system for the state's temporary assistance for needy families (TANF) program, the food stamp program, emergency assistance, general assistance, medical assistance, general assistance medical care, emergency general assistance, Minnesota supplemental aid, preadmission screening, child support program, and alternative care grants under the powers and authorities named in section 256.01, subdivision 2. The purpose of the compliance system is to permit the commissioner to supervise the administration of public assistance programs and to enforce timely and accurate distribution of benefits, completeness of service and efficient and effective program management and operations, to increase uniformity and consistency in the administration and delivery of public assistance programs throughout the state, and to reduce the possibility of sanction and fiscal disallowances for noncompliance with federal regulations and state statutes.

256J.09 APPLYING FOR ASSISTANCE.

Subdivision 1. **Where to apply.** To apply for assistance a person must submit a signed application to the county agency in the county where that person lives.

Subd. 2. **County agency responsibility to provide information.** When a person inquires about assistance, a county agency must:

(1) explain the eligibility requirements of, and how to apply for, diversionary assistance as provided in section 256J.47; emergency assistance as provided in section 256J.48; MFIP as provided in section 256J.10; or any other assistance for which the person may be eligible; and

(2) offer the person brochures developed or approved by the commissioner that describe how to apply for assistance.

Subd. 3. **Submitting the application form.** (a) A county agency must offer, in person or by mail, the application forms prescribed by the commissioner as soon as a person makes a written or oral inquiry. At that time, the county agency must:

(1) inform the person that assistance begins with the date the signed application is received by the county agency or the date all eligibility criteria are met, whichever is later;

(2) inform the person that any delay in submitting the application will reduce the amount of assistance paid for the month of application;

(3) inform a person that the person may submit the application before an interview;

MINNESOTA STATUTES 2002

1305

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.09

(4) explain the information that will be verified during the application process by the county agency as provided in section 256J.32;

(5) inform a person about the county agency's average application processing time and explain how the application will be processed under subdivision 5;

(6) explain how to contact the county agency if a person's application information changes and how to withdraw the application;

(7) inform a person that the next step in the application process is an interview and what a person must do if the application is approved including, but not limited to, attending orientation under section 256J.45 and complying with employment and training services requirements in sections 256J.52 to 256J.55;

(8) explain the child care and transportation services that are available under paragraph (c) to enable caregivers to attend the interview, screening, and orientation; and

(9) identify any language barriers and arrange for translation assistance during appointments, including, but not limited to, screening under subdivision 3a, orientation under section 256J.45, and the initial assessment under section 256J.52.

(b) Upon receipt of a signed application, the county agency must stamp the date of receipt on the face of the application. The county agency must process the application within the time period required under subdivision 5. An applicant may withdraw the application at any time by giving written or oral notice to the county agency. The county agency must issue a written notice confirming the withdrawal. The notice must inform the applicant of the county agency's understanding that the applicant has withdrawn the application and no longer wants to pursue it. When, within ten days of the date of the agency's notice, an applicant informs a county agency, in writing, that the applicant does not wish to withdraw the application, the county agency must reinstate the application and finish processing the application.

(c) Upon a participant's request, the county agency must arrange for transportation and child care or reimburse the participant for transportation and child care expenses necessary to enable participants to attend the screening under subdivision 3a and orientation under section 256J.45.

Subd. 3a. Screening. The county agency, or at county option, the county's employment and training service provider as defined in section 256J.49, must screen each applicant to determine immediate needs and to determine if the applicant may be eligible for:

(1) another program that is not partially funded through the federal temporary assistance to needy families block grant under Title I of Public Law Number 104-193, including the expedited issuance of food stamps under section 256J.28, subdivision 1. If the applicant may be eligible for another program, a county caseworker must provide the appropriate referral to the program;

(2) the diversionary assistance program under section 256J.47; or

(3) the emergency assistance program under section 256J.48.

Subd. 3b. Interview to determine referrals and services. If the applicant is not diverted from applying for MFIP, and if the applicant meets the MFIP eligibility requirements, then a county agency must:

(1) identify an applicant who is under the age of 20 and explain to the applicant the assessment procedures and employment plan requirements for minor parents under section 256J.54;

(2) explain to the applicant the eligibility criteria for an exemption under the family violence provisions in section 256J.52, subdivision 6, and explain what an applicant should do to develop an alternative employment plan;

(3) determine if an applicant qualifies for an exemption under section 256J.56 from employment and training services requirements, explain how a person should report to the county agency any status changes, and explain that an applicant who is exempt may volunteer to participate in employment and training services;

(4) for applicants who are not exempt from the requirement to attend orientation, arrange for an orientation under section 256J.45 and an initial assessment under section 256J.52;

(5) inform an applicant who is not exempt from the requirement to attend orientation that failure to attend the orientation is considered an occurrence of noncompliance with program requirements and will result in an imposition of a sanction under section 256J.46; and

(6) explain how to contact the county agency if an applicant has questions about compliance with program requirements.

Subd. 4. Verification of information on application. A county agency must verify information provided by an applicant as required in section 256J.32.

Subd. 5. Processing applications. Upon receiving an application, a county agency must determine the applicant's eligibility, approve or deny the application, inform the applicant of its decision according to the notice provisions in section 256J.31, and, if eligible, issue the assistance payment to the applicant. When a county agency is unable to process an application within 30 days, the county agency must inform the applicant of the reason for the delay in writing. When an applicant establishes the inability to provide required verification within the 30-day processing period, the county agency may not use the expiration of that period as the basis for denial.

Subd. 6. Invalid reason for delay. A county agency must not delay a decision on eligibility or delay issuing the assistance payment except to establish state residence as provided in section 256J.12 by:

(1) treating the 30-day processing period as a waiting period;

(2) delaying approval or issuance of the assistance payment pending the decision of the county board; or

(3) awaiting the result of a referral to a county agency in another county when the county receiving the application does not believe it is the county of financial responsibility.

Subd. 7. Changes in residence during application. The requirements in subdivisions 5 and 6 apply without regard to the length of time that an applicant remains, or intends to remain, a resident of the county in which the application is made. When an applicant leaves the county where application was made but remains in the state, section 256J.75 applies and the county agency may request additional information from the applicant about changes in circumstances related to the move.

Subd. 8. Additional applications. Until a county agency issues notice of approval or denial, additional applications submitted by an applicant are void. However, an application for monthly assistance and an application for emergency assistance or emergency general assistance may exist concurrently. More than one application for monthly assistance, emergency assistance, or emergency general assistance may exist concurrently when the county agency decisions on one or more earlier applications have been appealed to the commissioner, and the applicant asserts that a change in circumstances has occurred that would allow eligibility. A county agency must require additional application forms or supplemental forms as prescribed by the commissioner when a payee's name changes, or when a caregiver requests the addition of another person to the assistance unit.

Subd. 9. Addendum to an existing application. (a) An addendum to an existing application must be used to add persons to an assistance unit regardless of whether the persons being added are required to be in the assistance unit. When a person is added by addendum to an assistance unit, eligibility for that person begins on the first of the month the addendum was filed except as provided in section 256J.74, subdivision 2, clause (1).

(b) An overpayment must be determined when a change in household composition is not reported within the deadlines in section 256J.30, subdivision 9. Any overpayment must be calculated from the month of the change including the needs, income, and assets of any individual who is required to be included in the assistance unit under

section 256J.24, subdivision 2. Individuals not included in the assistance unit who are identified in section 256J.37, subdivisions 1 to 2, must have their income and assets considered when determining the amount of the overpayment.

Subd. 10. Applicants who do not meet eligibility requirements for MFIP-S. When an applicant is not eligible for MFIP-S because the applicant does not meet eligibility requirements, the county agency must determine whether the applicant is eligible for food stamps, medical assistance, diversionary assistance, or has a need for emergency assistance when the applicant meets the eligibility requirements for those programs.

256J.10 MFIP-S ELIGIBILITY REQUIREMENTS.

To be eligible for MFIP-S, applicants must meet the general eligibility requirements in sections 256J.11 to 256J.15, the property limitations in section 256J.20, and the income limitations in section 256J.21.

256J.11 CITIZENSHIP.

Subdivision 1. General citizenship requirements. (a) To be eligible for MFIP, a member of the assistance unit must be a citizen of the United States, a qualified noncitizen as defined in section 256J.08, or a noncitizen who is otherwise residing lawfully in the United States.

(b) A qualified noncitizen who entered the United States on or after August 22, 1996, is eligible for MFIP. However, TANF dollars cannot be used to fund the MFIP benefits for an individual under this paragraph for a period of five years after the date of entry unless the qualified noncitizen meets one of the following criteria:

(1) was admitted to the United States as a refugee under United States Code, title 8, section 1157;

(2) was granted asylum under United States Code, title 8, section 1158;

(3) was granted withholding of deportation under the United States Code, title 8, section 1253(h);

(4) is a veteran of the United States Armed Forces with an honorable discharge for a reason other than noncitizen status, or is a spouse or unmarried minor dependent child of the same; or

(5) is an individual on active duty in the United States Armed Forces, other than for training, or is a spouse or unmarried minor dependent child of the same.

(c) A person who is not a qualified noncitizen but who is otherwise residing lawfully in the United States is eligible for MFIP. However, TANF dollars cannot be used to fund the MFIP benefits for an individual under this paragraph.

(d) For purposes of this subdivision, a nonimmigrant in one or more of the classes listed in United States Code, title 8, section 1101(a)(15), or an undocumented immigrant who resides in the United States without the approval or acquiescence of the Immigration and Naturalization Service, is not eligible for MFIP-S.

Subd. 2. Noncitizens; food portion. State dollars shall fund the food portion of a noncitizen's MFIP benefits when federal food stamp dollars cannot be used to fund those benefits. The assistance provided under this subdivision, which is designated as a supplement to replace lost benefits under the federal food stamp program, must be disregarded as income in all programs that do not count food stamps as income where the commissioner has the authority to make the income disregard determination for the program.

Subd. 3. Benefits funded with state money. Legal adult noncitizens who have resided in the country for four years or more as a lawful permanent resident, whose benefits are funded entirely with state money, and who are under 70 years of age, must, as a condition of eligibility:

MINNESOTA STATUTES 2002

- (1) be enrolled in a literacy class, English as a second language class, or a citizen class;
- (2) be applying for admission to a literacy class, English as a second language class, and is on a waiting list;
- (3) be in the process of applying for a waiver from the Immigration and Naturalization Service of the English language or civics requirements of the citizenship test;

- (5) have been denied citizenship due to a failure to pass the test after two attempts or because of an inability to understand the rights and responsibilities of becoming a United States citizen, as documented by the Immigration and Naturalization Service or the county.

If the county social service agency determines that a legal noncitizen subject to the requirements of this subdivision will require more than one year of English language training, then the requirements of clause (1) or (2) shall be imposed after the legal noncitizen has resided in the country for three years. Individuals who reside in a facility licensed under chapter 144A, 144D, 245A, or 256I are exempt from the requirements of this subdivision.

256J.12 MINNESOTA RESIDENCE.

Subdivision 1. **Simple residency.** To be eligible for MFIP, an assistance unit must have established residency in this state which means the assistance unit is present in the state and intends to remain here. A person who lives in this state and who entered this state with a job commitment or to seek employment in this state, whether or not that person is currently employed, meets the criteria in this subdivision.

Subd. 1a. **30-day residency requirement.** An assistance unit is considered to have established residency in this state only when a child or caregiver has resided in this state for at least 30 consecutive days with the intention of making the person's home here and not for any temporary purpose. The birth of a child in Minnesota to a member of the assistance unit does not automatically establish the residency in this state under this subdivision of the other members of the assistance unit. Time spent in a shelter for battered women shall count toward satisfying the 30-day residency requirement.

Subd. 2. **Exceptions.** (a) A county shall waive the 30-day residency requirement where unusual hardship would result from denial of assistance.

(b) For purposes of this section, unusual hardship means an assistance unit:

- (1) is without alternative shelter; or
- (2) is without available resources for food.

(c) For purposes of this subdivision, the following definitions apply (1) "metropolitan statistical area" is as defined by the U.S. Census Bureau; (2) "alternative shelter" includes any shelter that is located within the metropolitan statistical area containing the county and for which the family is eligible, provided the assistance unit does not have to travel more than 20 miles to reach the shelter and has access to transportation to the shelter. Clause (2) does not apply to counties in the Minneapolis-St. Paul metropolitan statistical area.

(d) Applicants are considered to meet the residency requirement under subdivision 1a if they once resided in Minnesota and:

- (1) joined the United States armed services, returned to Minnesota within 30 days of leaving the armed services, and intend to remain in Minnesota; or

MINNESOTA STATUTES 2002

1309

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.13

(2) left to attend school in another state, paid nonresident tuition or Minnesota tuition rates under a reciprocity agreement, and returned to Minnesota within 30 days of graduation with the intent to remain in Minnesota.

(e) The 30-day residence requirement is met when:

(1) a minor child or a minor caregiver moves from another state to the residence of a relative caregiver; and

(2) the relative caregiver has resided in Minnesota for at least 30 consecutive days and:

(i) the minor caregiver applies for and receives MFIP; or

(ii) the relative caregiver applies for assistance for the minor child but does not choose to be a member of the MFIP assistance unit.

Subd. 2a. **Migrant workers.** Migrant workers, as defined in section 256J.08, and their immediate families are exempt from the requirements of subdivisions 1 and 1a, provided the migrant worker provides verification that the migrant family worked in this state within the last 12 months and earned at least \$1,000 in gross wages during the time the migrant worker worked in this state.

Subd. 3. [Repealed, 1Sp2001 c 9 art 10 s 67]

Subd. 4. **Severability clause.** If any subdivision in this section is enjoined from implementation or found unconstitutional by any court of competent jurisdiction, the remaining subdivisions shall remain valid and shall be given full effect.

256J.13 MINOR CHILD IN ASSISTANCE UNIT; PHYSICAL PRESENCE.

Subdivision 1. **Minor child or pregnant woman.** The assistance unit must include at least one minor child or a pregnant woman. If a minor child is a recipient of Supplemental Security Income or Minnesota supplemental aid, the assistance unit is eligible for MFIP-S, but the needs of the minor child receiving Supplemental Security Income or Minnesota supplemental aid must not be taken into account when the county agency determines the amount of the assistance payment to be paid to the assistance unit.

Subd. 2. **Physical presence.** A minor child and a caregiver must live together except as provided in the following paragraphs.

(a) The physical presence requirement is met when a minor child is required to live away from the caregiver's home to meet the need for educational curricula that cannot be met by, but is approved by, the local public school district, the home is maintained for the minor child's return during periodic school vacations, and the caregiver continues to maintain responsibility for the support and care of the minor child.

(b) The physical presence requirement is met when an applicant caregiver or applicant minor child is away from the home due to illness or hospitalization, when the home is maintained for the return of the absent family member, the absence is not expected to last more than six months beyond the month of departure, and the conditions of clause (1), (2), or (3) apply:

(1) when the minor child and caregiver lived together immediately prior to the absence, the caregiver continues to maintain responsibility for the support and care of the minor child, and the absence is reported at the time of application;

(2) when the pregnant mother is hospitalized or out of the home due to the pregnancy; or

(3) when the newborn child and mother are hospitalized at the time of birth.

(c) The absence of a caregiver or minor child does not affect eligibility for the month of departure when the caregiver or minor child received assistance for that month and lived together immediately prior to the absence. Eligibility also exists in the following month when the absence ends on or before the tenth day of that month. A

temporary absence of a caregiver or a minor child which continues beyond the month of departure must not affect eligibility when the home is maintained for the return of the absent family member, the caregiver continues to maintain responsibility for the support and care of the minor child, and one of clauses (1) to (7) applies:

(1) a participant caregiver or participant child is absent due to illness or hospitalization, and the absence is expected to last no more than six months beyond the month of departure;

(2) a participant child is out of the home due to placement in foster care as defined in section 260B.007, subdivision 7, and 260C.007, subdivision 15, when the placement will not be paid under title IV-E of the Social Security Act; and when the absence is expected to last no more than six months beyond the month of departure;

(3) a participant minor child is out of the home for a vacation; the vacation is not with an absent parent, and the absence is expected to last no more than two months beyond the month of departure;

(4) a participant minor child is out of the home due to a visit or vacation with an absent parent, the home of the minor child remains with the caregiver, the absence meets the conditions of this paragraph and the absence is expected to last no more than two months beyond the month of departure;

(5) a participant caregiver is out of the home due to a death or illness of a relative, incarceration, training, or employment search and suitable arrangements have been made for the care of the minor child, or a participant minor child is out of the home due to incarceration, and the absence is expected to last no more than two months beyond the month of departure;

(6) a participant caregiver and a participant minor child are both absent from Minnesota due to a situation described in clause (5), except for incarceration, and the absence is expected to last no more than one month beyond the month of the departure; or

(7) a participant minor child has run away from home, and another person has not made application for that minor child, assistance must continue for no more than two months following the month of departure.

256J.14 ELIGIBILITY FOR PARENTING OR PREGNANT MINORS.

(a) The definitions in this paragraph only apply to this subdivision.

(1) "Household of a parent, legal guardian, or other adult relative" means the place of residence of:

(i) a natural or adoptive parent;

(ii) a legal guardian according to appointment or acceptance under section 260C.325, 525.615, or 525.6165, and related laws;

(iii) a caregiver as defined in section 256J.08, subdivision 11; or

(iv) an appropriate adult relative designated by a county agency.

(2) "Adult-supervised supportive living arrangement" means a private family setting which assumes responsibility for the care and control of the minor parent and minor child, or other living arrangement, not including a public institution, licensed by the commissioner of human services which ensures that the minor parent receives adult supervision and supportive services, such as counseling, guidance, independent living skills training, or supervision.

(b) A minor parent and the minor child who is in the care of the minor parent must reside in the household of a parent, legal guardian, other adult relative, or in an adult-supervised supportive living arrangement in order to receive MFIP unless:

(1) the minor parent has no living parent, other adult relative, or legal guardian whose whereabouts is known;

(2) no living parent, other adult relative, or legal guardian of the minor parent allows the minor parent to live in the parent's, other adult relative's, or legal guardian's home;

(3) the minor parent lived apart from the minor parent's own parent or legal guardian for a period of at least one year before either the birth of the minor child or the minor parent's application for MFIP;

(4) the physical or emotional health or safety of the minor parent or minor child would be jeopardized if the minor parent and the minor child resided in the same residence with the minor parent's parent, other adult relative, or legal guardian; or

(5) an adult supervised supportive living arrangement is not available for the minor parent and child in the county in which the minor parent and child currently reside. If an adult supervised supportive living arrangement becomes available within the county, the minor parent and child must reside in that arrangement.

(c) The county agency shall inform minor applicants both orally and in writing about the eligibility requirements, their rights and obligations under the MFIP program, and any other applicable orientation information. The county must advise the minor of the possible exemptions and specifically ask whether one or more of these exemptions is applicable. If the minor alleges one or more of these exemptions, then the county must assist the minor in obtaining the necessary verifications to determine whether or not these exemptions apply.

(d) If the county worker has reason to suspect that the physical or emotional health or safety of the minor parent or minor child would be jeopardized if they resided with the minor parent's parent, other adult relative, or legal guardian, then the county worker must make a referral to child protective services to determine if paragraph (b), clause (4), applies. A new determination by the county worker is not necessary if one has been made within the last six months, unless there has been a significant change in circumstances which justifies a new referral and determination.

(e) If a minor parent is not living with a parent, legal guardian, or other adult relative due to paragraph (b), clause (1), (2), or (4), the minor parent must reside, when possible, in a living arrangement that meets the standards of paragraph (a), clause (2).

(f) Regardless of living arrangement, MFIP must be paid, when possible, in the form of a protective payment on behalf of the minor parent and minor child according to section 256J.39, subdivisions 2 to 4.

History: 1997 c 85 art 1 s 10; 1998 c 407 art 6 s 39; 1999 c 139 art 4 s 2; 1999 c 245 art 6 s 18

256J.15 OTHER ELIGIBILITY CONDITIONS.

Subdivision 1. **Eligibility when there is shared, court ordered, and other custody arrangements.** The language of a court order that specifies joint legal or physical custody does not preclude a determination that a parent is absent. Absence must be determined based on the actual facts of the absence according to paragraphs (a) to (c).

(a) When a minor child spends time in each of the parents' homes within a payment month, the minor child's home shall be considered the home in which the majority of the minor child's time is spent. When this time is exactly equal within a payment month, or when the parents alternately live in the minor child's home within a payment month, the minor child's home shall be with that parent who is applying for MFIP-S, unless the minor child's needs for the full payment month have already been met through the provision of assistance to the other parent for that month.

(b) When the physical custody of a minor child alternates between parents for periods of at least one payment month, each parent shall be eligible for assistance for any full payment months the minor child's home is with that parent, except under the conditions in paragraph (c).

(c) When a minor child's home is with one parent for the majority of time in each month for at least nine consecutive calendar months, and that minor child visits or

vacations with the other parent under section 256J.13, the minor child's home remains with the first parent even when the stay with the second parent is for all or the majority of the months in the period of the temporary absence.

Subd. 2. **Eligibility during labor disputes.** To receive assistance when a member of an assistance unit is on strike, or when an individual identified under section 256J.37, subdivisions 1 to 2, whose income and assets must be considered when determining the unit's eligibility is on strike, the assistance unit must have been receiving MFIP-S or have been eligible for MFIP-S on the day before the strike.

The county agency must count the striker's prestrike earnings as current earnings. A significant change cannot be invoked when a member of an assistance unit, or an individual identified under section 256J.37, subdivisions 1 to 2, is on strike. A member of an assistance unit, or an individual identified under section 256J.37, subdivisions 1 to 2, is not considered a striker when that person is not in the bargaining unit that voted for the strike and does not cross the picket line for fear of personal injury.

256J.20 PROPERTY LIMITATIONS.

Subdivision 1. **Property ownership provisions.** The county agency must apply paragraphs (a) to (d) to real and personal property. The county agency must use the equity value of legally available real and personal property, except property excluded in subdivisions 2 and 3, to determine whether an applicant or participant is eligible for assistance.

(a) When real or personal property is jointly owned by two or more persons, the county agency shall assume that each person owns an equal share, except that either person owns the entire sum of a joint personal checking or savings account. When an applicant or participant documents greater or lesser ownership, the county agency must use that greater or lesser share to determine the equity value held by the applicant or participant. Other types of ownership must be evaluated according to law.

(b) Real or personal property owned by the applicant or participant must be presumed legally available to the applicant or participant unless the applicant or participant documents that the property is not legally available to the applicant or participant. When real or personal property is not legally available, its equity value must not be applied against the limits of subdivisions 2 and 3.

(c) An applicant must disclose whether the applicant has transferred real or personal property valued in excess of the property limits in subdivisions 2 and 3 for which reasonable compensation was not received within one year prior to application. A participant must disclose all transfers of property valued in excess of these limits, according to the reporting requirements in section 256J.30, subdivision 9. When a transfer of real or personal property without reasonable compensation has occurred:

(1) the person who transferred the property must provide the property's description, information needed to determine the property's equity value, the names of the persons who received the property, and the circumstances of and reasons for the transfer; and

(2) when the transferred property can be reasonably reacquired, or when reasonable compensation can be secured, the property is presumed legally available to the applicant or participant.

(d) A participant may build the equity value of real and personal property to the limits in subdivisions 2 and 3.

Subd. 2. **Real property limitations.** Ownership of real property by an applicant or participant is subject to the limitations in paragraphs (a) and (b).

(a) A county agency shall exclude the homestead of an applicant or participant according to clauses (1) to (5):

(1) an applicant or participant who is purchasing real property through a contract for deed and using that property as a home is considered the owner of real property;

MINNESOTA STATUTES 2002

1313

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.20

(2) the total amount of land that can be excluded under this subdivision is limited to surrounding property which is not separated from the home by intervening property owned by others. Additional property must be assessed as to its legal and actual availability according to subdivision 1;

(3) when real property that has been used as a home by a participant is sold, the county agency must treat the cash proceeds from the sale as excluded property for six months when the participant intends to reinvest the proceeds in another home and maintains those proceeds, unused for other purposes, in a separate account;

(4) when the homestead is jointly owned, but the client does not reside in it because of legal separation, pending divorce, or battering or abuse by the spouse or partner, the homestead is excluded; and

(5) the homestead shall continue to be excluded if it is temporarily unoccupied due to employment, illness, or as the result of compliance with a county-approved employability plan. The education, training, or job search must be within the state, but can be outside the immediate geographic area. A homestead temporarily unoccupied because it is not habitable due to a casualty or natural disaster is excluded. The homestead is excluded during periods only if the client intends to return to it.

(b) The equity value of real property that is not excluded under paragraph (a) and which is legally available must be applied against the limits in subdivision 3. When the equity value of the real property exceeds the limits under subdivision 3, the applicant or participant may qualify to receive assistance when the applicant or participant continues to make a good faith effort to sell the property and signs a legally binding agreement to repay the amount of assistance, less child support collected by the agency. Repayment must be made within five working days after the property is sold. Repayment to the county agency must be in the amount of assistance received or the proceeds of the sale, whichever is less.

Subd. 3. Other property limitations. To be eligible for MFIP, the equity value of all nonexcluded real and personal property of the assistance unit must not exceed \$2,000 for applicants and \$5,000 for ongoing participants. The value of assets in clauses (1) to (19) must be excluded when determining the equity value of real and personal property:

(1) a licensed vehicle up to a loan value of less than or equal to \$7,500. The county agency shall apply any excess loan value as if it were equity value to the asset limit described in this section. If the assistance unit owns more than one licensed vehicle, the county agency shall determine the vehicle with the highest loan value and count only the loan value over \$7,500, excluding: (i) the value of one vehicle per physically disabled person when the vehicle is needed to transport the disabled unit member; this exclusion does not apply to mentally disabled people; (ii) the value of special equipment for a handicapped member of the assistance unit; and (iii) any vehicle used for long-distance travel, other than daily commuting, for the employment of a unit member.

The county agency shall count the loan value of all other vehicles and apply this amount as if it were equity value to the asset limit described in this section. To establish the loan value of vehicles, a county agency must use the N.A.D.A. Official Used Car Guide, Midwest Edition, for newer model cars. When a vehicle is not listed in the guidebook, or when the applicant or participant disputes the loan value listed in the guidebook as unreasonable given the condition of the particular vehicle, the county agency may require the applicant or participant document the loan value by securing a written statement from a motor vehicle dealer licensed under section 168.27, stating the amount that the dealer would pay to purchase the vehicle. The county agency shall reimburse the applicant or participant for the cost of a written statement that documents a lower loan value;

(2) the value of life insurance policies for members of the assistance unit;

(3) one burial plot per member of an assistance unit;

(4) the value of personal property needed to produce earned income, including tools, implements, farm animals, inventory, business loans, business checking and

MINNESOTA STATUTES 2002

savings accounts used at least annually and used exclusively for the operation of a self-employment business, and any motor vehicles if at least 50 percent of the vehicle's use is to produce income and if the vehicles are essential for the self-employment business;

(5) the value of personal property not otherwise specified which is commonly used by household members in day-to-day living such as clothing, necessary household furniture, equipment, and other basic maintenance items essential for daily living;

(6) the value of real and personal property owned by a recipient of Supplemental Security Income or Minnesota supplemental aid;

(7) the value of corrective payments, but only for the month in which the payment is received and for the following month;

(8) a mobile home or other vehicle used by an applicant or participant as the applicant's or participant's home;

(9) money in a separate escrow account that is needed to pay real estate taxes or insurance and that is used for this purpose;

(10) money held in escrow to cover employee FICA, employee tax withholding, sales tax withholding, employee worker compensation, business insurance, property rental, property taxes, and other costs that are paid at least annually, but less often than monthly;

(11) monthly assistance, emergency assistance, and diversionary payments for the current month's needs;

(12) the value of school loans, grants, or scholarships for the period they are intended to cover;

(13) payments listed in section 256J.21, subdivision 2, clause (9), which are held in escrow for a period not to exceed three months to replace or repair personal or real property;

(14) income received in a budget month through the end of the payment month;

(15) savings from earned income of a minor child or a minor parent that are set aside in a separate account designated specifically for future education or employment costs;

(16) the federal earned income credit, Minnesota working family credit, state and federal income tax refunds, state homeowners and renters credits under chapter 290A, property tax rebates and other federal or state tax rebates in the month received and the following month;

(17) payments excluded under federal law as long as those payments are held in a separate account from any nonexcluded funds;

(18) the assets of children ineligible to receive MFIP benefits because foster care or adoption assistance payments are made on their behalf; and

(19) the assets of persons whose income is excluded under section 256J.21, subdivision 2, clause (43).

256J.21 INCOME LIMITATIONS.

Subdivision 1. **Income inclusions.** To determine MFIP-S eligibility, the county agency must evaluate income received by members of an assistance unit, or by other persons whose income is considered available to the assistance unit, and only count income that is available to the member of the assistance unit. Income is available if the individual has legal access to the income. All payments, unless specifically excluded in subdivision 2, must be counted as income.

Subd. 2. **Income exclusions.** The following must be excluded in determining a family's available income:

(5) loans, regardless of purpose, from public or private lending institutions, governmental lending institutions, or governmental agencies;

(6) loans from private individuals, regardless of purpose, provided an applicant or participant documents that the lender expects repayment;

(44) payments made to children eligible for relative custody assistance under section 257.85;

(45) vendor payments for goods and services made on behalf of a client unless the client has the option of receiving the payment in cash; and

(46) the principal portion of a contract for deed payment.

Subd. 3. **Initial income test.** The county agency shall determine initial eligibility by considering all earned and unearned income that is not excluded under subdivision 2. To be eligible for MFIP, the assistance unit's countable income minus the disregards in paragraphs (a) and (b) must be below the transitional standard of assistance according to section 256J.24 for that size assistance unit:

(a) The initial eligibility determination must disregard the following items:

(1) the employment disregard is 18 percent of the gross earned income whether or not the member is working full time or part time;

(2) dependent care costs must be deducted from gross earned income for the actual amount paid for dependent care up to a maximum of \$200 per month for each child less than two years of age, and \$175 per month for each child two years of age and older under this chapter and chapter 119B;

(3) all payments made according to a court order for spousal support or the support of children not living in the assistance unit's household shall be disregarded from the income of the person with the legal obligation to pay support, provided that, if there has been a change in the financial circumstances of the person with the legal obligation to pay support since the support order was entered, the person with the legal obligation to pay support has petitioned for a modification of the support order; and

(4) an allocation for the unmet need of an ineligible spouse or an ineligible child under the age of 21 for whom the caregiver is financially responsible and who lives with the caregiver according to section 256J.36.

(b) Notwithstanding paragraph (a), when determining initial eligibility for applicant units when at least one member has received work first or MFIP in this state within four months of the most recent application for MFIP, apply the disregard as defined in section 256J.08, subdivision 24, for all unit members.

After initial eligibility is established, the assistance payment calculation is based on the monthly income test.

Subd. 4. **Monthly income test and determination of assistance payment.** The county agency shall determine ongoing eligibility and the assistance payment amount according to the monthly income test. To be eligible for MFIP, the result of the computations in paragraphs (a) to (e) must be at least \$1.

(a) Apply an income disregard as defined in section 256J.08, subdivision 24, to gross earnings and subtract this amount from the family wage level. If the difference is equal to or greater than the MFIP standard of need, the assistance payment is equal to the MFIP standard of need. If the difference is less than the MFIP standard of need, the assistance payment is equal to the difference. The employment disregard in this paragraph must be deducted every month there is earned income.

(b) All payments made according to a court order for spousal support or the support of children not living in the assistance unit's household must be disregarded from the income of the person with the legal obligation to pay support, provided that, if there has been a change in the financial circumstances of the person with the legal obligation to pay support since the support order was entered, the person with the legal obligation to pay support has petitioned for a modification of the court order.

(c) An allocation for the unmet need of an ineligible spouse or an ineligible child under the age of 21 for whom the caregiver is financially responsible and who lives with the caregiver must be made according to section 256J.36.

(d) Subtract unearned income dollar for dollar from the MFIP standard of need to determine the assistance payment amount.

(e) When income is both earned and unearned, the amount of the assistance payment must be determined by first treating gross earned income as specified in paragraph (a). After determining the amount of the assistance payment under paragraph (a), unearned income must be subtracted from that amount dollar for dollar to determine the assistance payment amount.

(f) When the monthly income is greater than the MFIP standard of need after deductions and the income will only exceed the standard for one month, the county agency must suspend the assistance payment for the payment month.

Subd. 5. Distribution of income. The income of all members of the assistance unit must be counted. Income may also be deemed from ineligible persons to the assistance unit. Income must be attributed to the person who earns it or to the assistance unit according to paragraphs (a) to (c).

(a) Funds distributed from a trust, whether from the principal holdings or sale of trust property or from the interest and other earnings of the trust holdings, must be considered income when the income is legally available to an applicant or participant. Trusts are presumed legally available unless an applicant or participant can document that the trust is not legally available.

(b) Income from jointly owned property must be divided equally among property owners unless the terms of ownership provide for a different distribution.

(c) Deductions are not allowed from the gross income of a financially responsible household member or by the members of an assistance unit to meet a current or prior debt.

256J.24 FAMILY COMPOSITION; ASSISTANCE STANDARDS; EXIT LEVEL.

Subdivision 1. MFIP-S assistance unit. An MFIP-S assistance unit is either a group of individuals with at least one minor child who live together whose needs, assets, and income are considered together and who receive MFIP-S assistance, or a pregnant woman and her spouse who receive MFIP-S assistance.

Individuals identified in subdivision 2 must be included in the MFIP-S assistance unit. Individuals identified in subdivision 3 are ineligible to receive MFIP-S. Individuals identified in subdivision 4 may be included in the assistance unit at their option. Individuals not included in the assistance unit who are identified in section 256J.37, subdivisions 1 to 2, must have their income and assets considered when determining eligibility and benefits for an MFIP-S assistance unit. All assistance unit members, whether mandatory or elective, who live together and for whom one caregiver or two caregivers apply must be included in a single assistance unit.

Subd. 2. Mandatory assistance unit composition. Except for minor caregivers and their children who must be in a separate assistance unit from the other persons in the household, when the following individuals live together, they must be included in the assistance unit:

- (1) a minor child, including a pregnant minor;
- (2) the minor child's minor siblings, minor half-siblings, and minor step-siblings;
- (3) the minor child's natural parents, adoptive parents, and stepparents; and
- (4) the spouse of a pregnant woman.

A minor child must have a caregiver for the child to be included in the assistance unit.

Subd. 3. Individuals who must be excluded from an assistance unit. (a) The following individuals who are part of the assistance unit determined under subdivision 2 are ineligible to receive MFIP:

- (1) individuals receiving Supplemental Security Income or Minnesota supplemental aid;
- (2) individuals disqualified from the food stamp program or MFIP, until the disqualification ends;
- (3) children on whose behalf federal, state or local foster care payments are made, except as provided in sections 256J.13, subdivision 2, and 256J.74, subdivision 2; and
- (4) children receiving ongoing monthly adoption assistance payments under section 259.67.

MINNESOTA STATUTES 2002

1319

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.24

(b) The exclusion of a person under this subdivision does not alter the mandatory assistance unit composition.

Subd. 4. **Individuals who may elect to be included in the assistance unit.** (a) The minor child's eligible caregiver may choose to be in the assistance unit, if the caregiver is not required to be in the assistance unit under subdivision 2. If the eligible caregiver chooses to be in the assistance unit, that person's spouse must also be in the unit.

(b) Any minor child not related as a sibling, stepsibling, or adopted sibling to the minor child in the unit, but for whom there is an eligible caregiver may elect to be in the unit.

(c) A foster care provider of a minor child who is receiving federal, state, or local foster care maintenance payments may elect to receive MFIP-S if the provider meets the definition of caregiver under section 256J.08, subdivision 11. If the provider chooses to receive MFIP-S, the spouse of the provider must also be included in the assistance unit with the provider. The provider and spouse are eligible for assistance even if the only minor child living in the provider's home is receiving foster care maintenance payments.

(d) The adult caregiver or caregivers of a minor parent are eligible to be a separate assistance unit from the minor parent and the minor parent's child when:

(1) the adult caregiver or caregivers have no other minor children in the household;

(2) the minor parent and the minor parent's child are living together with the adult caregiver or caregivers; and

(3) the minor parent and the minor parent's child receive MFIP-S, or would be eligible to receive MFIP-S, if they were not receiving SSI benefits.

Subd. 5. **MFIP-S transitional standard.** The following table represents the MFIP-S transitional standard table when all members of the assistance unit are eligible for both food and cash assistance.

Number of Eligible People	Standard
1	\$351
2	\$609
3	\$763
4	\$903
5	\$1,025
6	\$1,165
7	\$1,273
8	\$1,403
9	\$1,530
10	\$1,653
over 10	add \$121 per additional member.

The commissioner shall annually publish in the State Register the transitional standard for an assistance unit sizes 1 to 10.

Subd. 5a. **Food portion of MFIP-S transitional standard.** The commissioner shall adjust the food portion of the MFIP-S transitional standard by October 1 each year beginning October 1998 to reflect the cost-of-living adjustments to the Food Stamp Program. The commissioner shall annually publish in the State Register the transitional standard for an assistance unit of sizes one to ten.

Subd. 6. **Application of assistance standards.** The standards apply to the number of eligible persons in the assistance unit.

Subd. 7. **Family wage level standard.** The family wage level standard is 110 percent of the transitional standard under subdivision 5 and is the standard used when there is earned income in the assistance unit. As specified in section 256J.21, earned income is subtracted from the family wage level to determine the amount of the assistance

MINNESOTA STATUTES 2002

payment. Not including the family wage level standard, assistance payments may not exceed the MFIP standard of need for the assistance unit.

Subd. 8. **Assistance paid to eligible assistance units.** Except for assistance units where a nonparental caregiver is not included in the grant, payments for shelter up to the amount of the cash portion of MFIP benefits for which the assistance unit is eligible shall be vendor paid for as many months as the assistance unit is eligible or six months, whichever comes first. The residual amount of the grant after vendor payment, if any, must be paid to the MFIP caregiver.

Subd. 9. **Shared household standard; MFIP.** (a) Except as prohibited in paragraph (b), the county agency must use the shared household standard when the household includes one or more unrelated members, as that term is defined in section 256J.08, subdivision 86a. The county agency must use the shared household standard, unless a member of the assistance unit is a victim of family violence and has an alternative employment plan, regardless of the number of unrelated members in the household.

(b) The county agency must not use the shared household standard when all unrelated members are one of the following:

(1) a recipient of public assistance benefits, including food stamps, Supplemental Security Income, adoption assistance, relative custody assistance, or foster care payments;

(2) a roomer or boarder, or a person to whom the assistance unit is paying room or board;

(3) a minor child under the age of 18;

(4) a minor caregiver living with the minor caregiver's parents or in an approved supervised living arrangement;

(5) a caregiver who is not the parent of the minor child in the assistance unit; or

(6) an individual who provides child care to a child in the MFIP assistance unit.

(c) The shared household standard must be discontinued if it is not approved by the United States Department of Agriculture under the MFIP waiver.

Subd. 10. **MFIP exit level.** The commissioner shall adjust the MFIP earned income disregard to ensure that most participants do not lose eligibility for MFIP until their income reaches at least 120 percent of the federal poverty guidelines in effect in October of each fiscal year. The adjustment to the disregard shall be based on a household size of three, and the resulting earned income disregard percentage must be applied to all household sizes. The adjustment under this subdivision must be implemented at the same time as the October food stamp cost-of-living adjustment is reflected in the food portion of MFIP transitional standard as required under subdivision 5a.

256J.26 PERSONS INELIGIBLE; VENDOR PAYMENTS.

Subdivision 1. **Person convicted of drug offenses.** (a) Applicants or participants who have been convicted of a drug offense committed after July 1, 1997, may, if otherwise eligible, receive MFIP benefits subject to the following conditions:

(1) Benefits for the entire assistance unit must be paid in vendor form for shelter and utilities during any time the applicant is part of the assistance unit.

(2) The convicted applicant or participant shall be subject to random drug testing as a condition of continued eligibility and following any positive test for an illegal controlled substance is subject to the following sanctions:

(i) for failing a drug test the first time, the residual amount of the participant's grant after making vendor payments for shelter and utility costs, if any, must be reduced by an amount equal to 30 percent of the MFIP standard of need for an assistance unit of the same size. When a sanction under this subdivision is in effect, the

job counselor must attempt to meet with the person face-to-face. During the face-to-face meeting, the job counselor must explain the consequences of a subsequent drug test failure and inform the participant of the right to appeal the sanction under section 256J.40. If a face-to-face meeting is not possible, the county agency must send the participant a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face meeting; or

(ii) for failing a drug test two times, the participant is permanently disqualified from receiving MFIP assistance, both the cash and food portions. The assistance unit's MFIP grant must be reduced by the amount which would have otherwise been made available to the disqualified participant. Disqualification under this item does not make a participant ineligible for food stamps. Before a disqualification under this provision is imposed, the job counselor must attempt to meet with the participant face-to-face. During the face-to-face meeting, the job counselor must identify other resources that may be available to the participant to meet the needs of the family and inform the participant of the right to appeal the disqualification under section 256J.40. If a face-to-face meeting is not possible, the county agency must send the participant a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face meeting.

(3) A participant who fails a drug test the first time and is under a sanction due to other MFIP program requirements is considered to have more than one occurrence of noncompliance and is subject to the applicable level of sanction as specified under section 256J.46, subdivision 1, paragraph (d).

(b) Applicants requesting only food stamps or participants receiving only food stamps, who have been convicted of a drug offense that occurred after July 1, 1997, may, if otherwise eligible, receive food stamps if the convicted applicant or participant is subject to random drug testing as a condition of continued eligibility. Following a positive test for an illegal controlled substance, the applicant is subject to the following sanctions:

(1) for failing a drug test the first time, food stamps shall be reduced by an amount equal to 30 percent of the applicable food stamp allotment. When a sanction under this clause is in effect, a job counselor must attempt to meet with the person face-to-face. During the face-to-face meeting, a job counselor must explain the consequences of a subsequent drug test failure and inform the participant of the right to appeal the sanction under section 256J.40. If a face-to-face meeting is not possible, a county agency must send the participant a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face meeting; and

(2) for failing a drug test two times, the participant is permanently disqualified from receiving food stamps. Before a disqualification under this provision is imposed, a job counselor must attempt to meet with the participant face-to-face. During the face-to-face meeting, the job counselor must identify other resources that may be available to the participant to meet the needs of the family and inform the participant of the right to appeal the disqualification under section 256J.40. If a face-to-face meeting is not possible, a county agency must send the participant a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5, and must include the information required in the face-to-face meeting.

(c) For the purposes of this subdivision, "drug offense" means an offense that occurred after July 1, 1997, of sections 152.021 to 152.025, 152.0261, or 152.096. Drug offense also means a conviction in another jurisdiction of the possession, use, or distribution of a controlled substance, or conspiracy to commit any of these offenses, if the offense occurred after July 1, 1997, and the conviction is a felony offense in that jurisdiction, or in the case of New Jersey, a high misdemeanor.

Subd. 2. **Parole violators.** An individual violating a condition of probation or parole or supervised release imposed under federal law or the law of any state is disqualified from receiving MFIP.

Subd. 3. **Fleeing felons.** An individual who is fleeing to avoid prosecution, or custody, or confinement after conviction for a crime that is a felony under the laws of the jurisdiction from which the individual flees, or in the case of New Jersey, is a high misdemeanor, is disqualified from receiving MFIP.

Subd. 4. **Denial of assistance for ten years to a person found to have fraudulently misrepresented residency.** An individual who is convicted in federal or state court of having made a fraudulent statement or representation with respect to the place of residence of the individual in order to receive assistance simultaneously from two or more states is disqualified from receiving MFIP for ten years beginning on the date of the conviction.

256J.28 PROVISIONS RELATED SPECIFICALLY TO FOOD STAMP ASSISTANCE.

Subdivision 1. **Expedited issuance of food stamp assistance.** The following households are entitled to expedited issuance of food stamp assistance:

- (1) households with less than \$150 in monthly gross income provided their liquid assets do not exceed \$100;
- (2) migrant or seasonal farm worker households who are destitute as defined in Code of Federal Regulations, title 7, subtitle B, chapter 2, subchapter C, part 273, section 273.10, paragraph (e)(3), provided their liquid assets do not exceed \$100; and
- (3) eligible households whose combined monthly gross income and liquid resources are less than the household's monthly rent or mortgage and utilities.

For any month an individual receives expedited Food Stamp Program benefits, the individual is not eligible for the MFIP-S food portion of assistance.

Subd. 2. **Food stamps for household members not in the assistance unit.** (a) For household members who purchase and prepare food with the MFIP-S assistance unit but are not part of the assistance unit, the county agency must determine a separate food stamp benefit based on regulations agreed upon with the United States Department of Agriculture.

(b) Fair hearing requirements for persons who receive food stamps under this subdivision are governed by section 256.045, and Code of Federal Regulations, title 7, subtitle B, chapter II, part 273, section 273.15.

Subd. 3. **Income disregard for certain programs, food assistance portion of assistance payment.** The portion of the MFIP-S assistance payment that is designated by the commissioner as the food assistance portion of the assistance payment must be disregarded as income in the following programs:

- (1) housing subsidy programs;
 - (2) low-income home energy assistance program;
 - (3) Supplemental Security Income, when determining interim assistance amount;
- and
- (4) other programs that do not count food stamps as income.

For the purposes of this subdivision, the food assistance portion of the assistance payment means a predetermined portion of the MFIP-S assistance payment that may be received in point-of-purchase sites or as food stamps. The predetermined portion of the assistance payment will vary by family profile, which is based on family size.

Subd. 4. [Repealed, 1998 c 407 art 6 s 118]

Subd. 5. **Food stamps for persons residing in a battered woman's shelter.** Members of an MFIP-S assistance unit residing in a battered woman's shelter may receive food stamps or the food portion twice in a month if the unit that initially received the food stamps or food portion included the alleged abuser.

256J.30 APPLICANT AND PARTICIPANT REQUIREMENTS AND RESPONSIBILITIES.

Subdivision 1. **Applicant reporting requirements.** An applicant must provide information on an application form and supplemental forms about the applicant's circumstances which affect MFIP-S eligibility or the assistance payment. An applicant must report changes identified in subdivision 9 while the application is pending. When an applicant does not accurately report information on an application, both an overpayment and a referral for a fraud investigation may result. When an applicant does not provide information or documentation, the receipt of the assistance payment may be delayed or the application may be denied depending on the type of information required and its effect on eligibility.

Subd. 2. **Requirement to apply for other benefits.** An applicant or participant must apply for, accept if eligible, and follow through with appealing any denials of eligibility for benefits from other programs for which the applicant or participant is potentially eligible and which would, if received, offset assistance payments. An applicant's or participant's failure to complete application for these benefits without good cause results in denial or termination of assistance. Good cause for failure to apply for these benefits is allowed when circumstances beyond the control of the applicant or participant prevent the applicant or participant from making an application.

Subd. 3. **Responsibility to inquire.** An applicant or participant who does not know or is unsure whether a given change in circumstances will affect the applicant's or participant's MFIP-S eligibility or assistance payment must contact the county agency for information.

Subd. 4. **Participant's completion of recertification of eligibility form.** A participant must complete forms prescribed by the commissioner which are required for recertification of eligibility according to section 256J.32, subdivision 6.

Subd. 5. **Monthly MFIP-S household reports.** Each assistance unit with a member who has earned income or a recent work history, and each assistance unit that has income deemed to it from a financially responsible person must complete a monthly MFIP-S household report form. "Recent work history" means the individual received earned income in the report month or any of the previous three calendar months even if the earnings are excluded. To be complete, the MFIP-S household report form must be signed and dated by the caregivers no earlier than the last day of the reporting period. All questions required to determine assistance payment eligibility must be answered, and documentation of earned income must be included.

Subd. 6. [Repealed, 1999 c 245 art 6 s 89]

Subd. 7. **Due date of MFIP household report form.** An MFIP household report form must be received by the county agency by the eighth calendar day of the month following the reporting period covered by the form. When the eighth calendar day of the month falls on a weekend or holiday, the MFIP household report form must be received by the county agency the first working day that follows the eighth calendar day.

Subd. 8. **Late MFIP household report forms.** Paragraphs (a) to (d) apply to the reporting requirements in subdivision 7.

(a) When the county agency receives an incomplete MFIP household report form, the county agency must immediately return the incomplete form and clearly state what the caregiver must do for the form to be complete.

(b) The automated eligibility system must send a notice of proposed termination of assistance to the assistance unit if a complete MFIP household report form is not received by a county agency. The automated notice must be mailed to the caregiver by approximately the 16th of the month. When a caregiver submits an incomplete form on or after the date a notice of proposed termination has been sent, the termination is valid unless the caregiver submits a complete form before the end of the month.

(c) An assistance unit required to submit an MFIP household report form is considered to have continued its application for assistance if a complete MFIP

household report form is received within a calendar month after the month in which the form was due and assistance shall be paid for the period beginning with the first day of that calendar month.

(d) A county agency must allow good cause exemptions from the reporting requirements under subdivisions 5 and 6 when any of the following factors cause a caregiver to fail to provide the county agency with a completed MFIP household report form before the end of the month in which the form is due:

- (1) an employer delays completion of employment verification;
- (2) a county agency does not help a caregiver complete the MFIP household report form when the caregiver asks for help;
- (3) a caregiver does not receive an MFIP household report form due to mistake on the part of the department or the county agency or due to a reported change in address;
- (4) a caregiver is ill, or physically or mentally incapacitated; or
- (5) some other circumstance occurs that a caregiver could not avoid with reasonable care which prevents the caregiver from providing a completed MFIP household report form before the end of the month in which the form is due.

Subd. 9. Changes that must be reported. A caregiver must report the changes or anticipated changes specified in clauses (1) to (17) within ten days of the date they occur, at the time of the periodic recertification of eligibility under section 256J.32, subdivision 6, or within eight calendar days of a reporting period as in subdivision 5 or 6, whichever occurs first. A caregiver must report other changes at the time of the periodic recertification of eligibility under section 256J.32, subdivision 6, or at the end of a reporting period under subdivision 5 or 6, as applicable. A caregiver must make these reports in writing to the county agency. When a county agency could have reduced or terminated assistance for one or more payment months if a delay in reporting a change specified under clauses (1) to (16) had not occurred, the county agency must determine whether a timely notice under section 256J.31, subdivision 4, could have been issued on the day that the change occurred. When a timely notice could have been issued, each month's overpayment subsequent to that notice must be considered a client error overpayment under section 256J.38. Calculation of overpayments for late reporting under clause (17) is specified in section 256J.09, subdivision 9. Changes in circumstances which must be reported within ten days must also be reported on the MFIP household report form for the reporting period in which those changes occurred. Within ten days, a caregiver must report:

- (1) a change in initial employment;
- (2) a change in initial receipt of unearned income;
- (3) a recurring change in unearned income;
- (4) a nonrecurring change of unearned income that exceeds \$30;
- (5) the receipt of a lump sum;
- (6) an increase in assets that may cause the assistance unit to exceed asset limits;
- (7) a change in the physical or mental status of an incapacitated member of the assistance unit if the physical or mental status is the basis of exemption from an MFIP employment services program;
- (8) a change in employment status;
- (9) information affecting an exception under section 256J.24, subdivision 9;
- (10) a change in health insurance coverage;
- (11) the marriage or divorce of an assistance unit member;
- (12) the death of a parent, minor child, or financially responsible person;
- (13) a change in address or living quarters of the assistance unit;
- (14) the sale, purchase, or other transfer of property;
- (15) a change in school attendance of a custodial parent or an employed child;

(16) filing a lawsuit, a workers' compensation claim, or a monetary claim against a third party; and

(17) a change in household composition, including births, returns to and departures from the home of assistance unit members and financially responsible persons, or a change in the custody of a minor child.

Subd. 10. Cooperation with health care benefits. (a) The caregiver of a minor child must cooperate with the county agency to identify and provide information to assist the county agency in pursuing third-party liability for medical services.

(b) A caregiver must assign to the department any rights to health insurance policy benefits the caregiver has during the period of MFIP-S eligibility.

(c) A caregiver must identify any third party who may be liable for care and services available under the medical assistance program on behalf of the applicant or participant and all other assistance unit members.

(d) When a participant refuses to identify any third party who may be liable for care and services, the recipient must be sanctioned as provided in section 256J.46, subdivision 1. The recipient is also ineligible for medical assistance until the recipient cooperates with the requirements of this subdivision.

Subd. 11. Requirement to assign support and maintenance rights. An assistance unit is ineligible for MFIP-S unless the caregiver assigns all rights to child support and spousal maintenance benefits according to section 256.741.

Subd. 12. Requirement to provide social security numbers. Each member of the assistance unit must provide the member's social security number to the county agency, except for members in the assistance unit who are qualified noncitizens who are victims of domestic violence as defined under section 256J.08, subdivision 73, clause (7). When a social security number is not provided to the county agency for verification, this requirement is satisfied when each member of the assistance unit cooperates with the procedures for verification of numbers, issuance of duplicate cards, and issuance of new numbers which have been established jointly between the Social Security Administration and the commissioner.

Subd. 2. Right to authorized representative. An applicant or participant has the right to designate an authorized representative to act on the applicant's or participant's behalf. An applicant or participant has the right to be assisted or represented by an authorized representative in eligibility determinations, recertification, conciliation conferences, the fair hearing process, and any other contacts with the county agency or the department. When a county agency determines that it is necessary for a person to assist an applicant or participant, the county agency must designate a staff member to assist the applicant or participant. Upon a request from an applicant or participant, a county agency must provide addresses and telephone numbers of organizations that provide legal services at low cost or no cost to low-income persons.

Subd. 3. Right of applicant to notice. A county agency must notify an applicant of the disposition of the applicant's application. The notice must be in writing and on forms prescribed by the commissioner. The county agency must mail the notice to the last known mailing address provided by the applicant. When an application is denied, the county agency must notify the applicant in writing of the reasons for the denial, of the right to appeal, and of the right to reapply for assistance.

Subd. 4. Participant's right to notice. A county agency must give a participant written notice of all adverse actions affecting the participant including payment reductions, suspensions, terminations, and use of protective, vendor, or two-party

MINNESOTA STATUTES 2002

payments. The notice of adverse action must be on a form prescribed or approved by the commissioner, must be understandable at a seventh grade reading level, and must be mailed to the last known mailing address provided by the participant. A notice written in English must include the department of human services language block and must be sent to every applicable participant. The county agency must state on the notice of adverse action the action it intends to take, the reasons for the action, the participant's right to appeal the action, the conditions under which assistance can be continued pending an appeal decision, and the related consequences of the action.

Subd. 5. Mailing of notice. The notice of adverse action shall be issued according to paragraphs (a) to (d).

(a) A notice of adverse action must be mailed at least ten days before the effective date of the adverse action, except as provided in paragraphs (b) to (d).

(b) A notice of adverse action must be mailed no later than four working days before the end of the month when the county agency:

(1) is informed of the death of the only caregiver or payee in an assistance unit;
(2) receives a signed statement from the caregiver that assistance is no longer wanted;

(3) has factual information to reduce, suspend, or terminate assistance based on the failure to timely report changes;

(4) verifies that a member of the assistance unit has entered a regional treatment center or a licensed residential facility for medical or psychological treatment or rehabilitation;

(5) verifies that a member of an assistance unit has been removed from the home as a result of a judicial determination or placed in foster care, and the provisions of section 256J.13, subdivision 2, paragraph (c), clause (2), do not apply; or

(6) cannot locate a caregiver.

(c) A notice of adverse action must be mailed for a payment month when the caregiver makes a written request for closure before the first of that payment month.

(d) A notice of adverse action must be mailed before the effective date of the adverse action when the county agency receives the caregiver's signed and completed MFIP household report form or recertification form that includes information that requires payment reduction, suspension, or termination.

Subd. 6. Appeal rights. An applicant, participant, or former participant has the right to request a fair hearing when aggrieved by an action or inaction of a county agency. A request for a fair hearing and rights pending a fair hearing are set as specified in section 256J.40.

Subd. 7. Case records available. A county agency must make financial case records available to the participant or former participant as soon as possible but no later than the fifth business day following the date of the request. When the participant or former participant asks for photocopies of material from the financial case record, the county agency must provide one copy of each page at no cost.

Subd. 8. Right to manage affairs. Except for protective payment provisions authorized under section 256J.39, participants have the right to manage their own affairs.

Subd. 9. Right to protection. Minor caregivers have the right to protection. The county agency must refer a minor caregiver to the social service unit within 30 days of the date the application is approved. The social service unit must assist the caregiver who is less than 18 years of age to develop a plan as specified in section 256J.54.

Subd. 10. Protection from garnishment. MFIP-S grants or earnings of a caregiver shall be protected from garnishment. This protection for earnings shall extend for a period of six months from the date of termination from MFIP-S.

Subd. 11. Responsibility to retain case records. The county agency must retain financial case records and employment and training service records for MFIP-S cases according to chapter 13.

Subd. 12. **Right to discontinue cash assistance.** A participant who is not in vendor payment status may discontinue receipt of the cash assistance portion of the MFIP assistance grant and retain eligibility for child care assistance under section 119B.05. For the months a participant chooses to discontinue the receipt of the cash portion of the MFIP grant, the assistance unit accrues months of eligibility to be applied toward eligibility for child care under section 119B.05.

This cooperation must include, but is not limited to, the sharing of MFIP-S duties including initial screening, orientation, assessments, and provision of employment and training services. The county agency shall encourage tribal governments to assume duties related to MFIP-S and shall work cooperatively with tribes that have assumed responsibility for a portion of the MFIP-S program to expand tribal responsibilities, if that expansion is requested by the tribe.

256J.32 DOCUMENTING, VERIFYING, AND RECERTIFYING ELIGIBILITY.

Subdivision 1. **Verification of information.** A county agency must only require verification of information necessary to determine MFIP-S eligibility and the amount of the assistance payment.

Subd. 2. **Documentation.** The applicant or participant must document the information required under subdivisions 4 to 6 or authorize the county agency to verify the information. The applicant or participant has the burden of providing documentary evidence to verify eligibility. The county agency shall assist the applicant or participant in obtaining required documents when the applicant or participant is unable to do so. When an applicant or participant and the county agency are unable to obtain documents needed to verify information, the county agency may accept an affidavit from an applicant or participant as sufficient documentation.

Subd. 3. **Contacting third parties.** A county agency must not request information about an applicant or participant that is not of public record from a source other than county agencies, the department, or the United States Department of Health and Human Services without the person's prior written consent. An applicant's signature on an application form constitutes consent for contact with the sources specified on the application. A county agency may use a single consent form to contact a group of similar sources, such as banks or insurance agencies, but the sources to be contacted must be identified by the county agency prior to requesting an applicant's consent.

Subd. 4. **Factors to be verified.** The county agency shall verify the following at application:

- (1) identity of adults;
- (2) presence of the minor child in the home, if questionable;
- (3) relationship of a minor child to caregivers in the assistance unit;

Subd. 5. [Repealed, 1998 c 407 art 6 s 118]

Subd. 5a. **Inconsistent information.** When the county agency verifies inconsistent information under subdivision 4, clause (16), or 6, clause (4), the reason for verifying the information must be documented in the financial case record.

Subd. 6. **Recertification.** The county agency shall recertify eligibility in an annual face-to-face interview with the participant and verify the following:

- (1) presence of the minor child in the home, if questionable;
- (2) income, unless excluded, including self-employment expenses used as a deduction or deposits or withdrawals from business accounts;

256J.33 PROSPECTIVE AND RETROSPECTIVE DETERMINATION OF MFIP ELIGIBILITY.

Subdivision 1. **Determination of eligibility.** A county agency must determine MFIP eligibility prospectively for a payment month based on retrospectively assessing income and the county agency's best estimate of the circumstances that will exist in the payment month.

Except as described in section 256J.34, subdivision 1, when prospective eligibility exists, a county agency must calculate the amount of the assistance payment using retrospective budgeting. To determine MFIP eligibility and the assistance payment amount, a county agency must apply countable income, described in section 256J.37,

MINNESOTA STATUTES 2002

1329

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.34

subdivisions 3 to 10, received by members of an assistance unit or by other persons whose income is counted for the assistance unit, described under sections 256J.21 and 256J.37, subdivisions 1 to 2.

This income must be applied to the MFIP standard of need or family wage level subject to this section and sections 256J.34 to 256J.36. Income received in a calendar month and not otherwise excluded under section 256J.21, subdivision 2, must be applied to the needs of an assistance unit.

Subd. 2. Prospective eligibility. A county agency must determine whether the eligibility requirements that pertain to an assistance unit, including those in sections 256J.11 to 256J.15 and 256J.20, will be met prospectively for the payment month. Except for the provisions in section 256J.34, subdivision 1, the income test will be applied retrospectively.

Subd. 3. Retrospective eligibility. After the first two months of MFIP eligibility, a county agency must continue to determine whether an assistance unit is prospectively eligible for the payment month by looking at all factors other than income and then determine whether the assistance unit is retrospectively income eligible by applying the monthly income test to the income from the budget month. When the monthly income test is not satisfied, the assistance payment must be suspended when ineligibility exists for one month or ended when ineligibility exists for more than one month.

Subd. 4. Monthly income test. A county agency must apply the monthly income test retrospectively for each month of MFIP eligibility. An assistance unit is not eligible when the countable income equals or exceeds the MFIP standard of need or the family wage level for the assistance unit. The income applied against the monthly income test must include:

(1) gross earned income from employment, prior to mandatory payroll deductions, voluntary payroll deductions, wage authorizations, and after the disregards in section 256J.21, subdivision 4, and the allocations in section 256J.36, unless the employment income is specifically excluded under section 256J.21, subdivision 2;

(2) gross earned income from self-employment less deductions for self-employment expenses in section 256J.37, subdivision 5, but prior to any reductions for personal or business state and federal income taxes, personal FICA, personal health and life insurance, and after the disregards in section 256J.21, subdivision 4, and the allocations in section 256J.36;

(3) unearned income after deductions for allowable expenses in section 256J.37, subdivision 9, and allocations in section 256J.36, unless the income has been specifically excluded in section 256J.21, subdivision 2;

(4) gross earned income from employment as determined under clause (1) which is received by a member of an assistance unit who is a minor child or minor caregiver and less than a half-time student;

(5) child support and spousal support received by an assistance unit;

(6) the income of a parent when that parent is not included in the assistance unit;

(7) the income of an eligible relative and spouse who seek to be included in the assistance unit; and

(8) the unearned income of a minor child included in the assistance unit.

Subd. 5. When to terminate assistance. When an assistance unit is ineligible for MFIP assistance for two consecutive months, the county agency must terminate MFIP assistance.

256J.34 CALCULATING PAYMENTS; SIGNIFICANT CHANGE; INCOME AVERAGING.

Subdivision 1. Prospective budgeting. A county agency must use prospective budgeting to calculate the assistance payment amount for the first two months for an applicant who has not received assistance in this state for at least one payment month

preceding the first month of payment under a current application. Notwithstanding subdivision 3, paragraph (a), clause (2), a county agency must use prospective budgeting for the first two months for a person who applies to be added to an assistance unit. Prospective budgeting is not subject to overpayments or underpayments unless fraud is determined under section 256.98.

(a) The county agency must apply the income received or anticipated in the first month of MFIP eligibility against the need of the first month. The county agency must apply the income received or anticipated in the second month against the need of the second month.

(b) When the assistance payment for any part of the first two months is based on anticipated income, the county agency must base the initial assistance payment amount on the information available at the time the initial assistance payment is made.

(c) The county agency must determine the assistance payment amount for the first two months of MFIP eligibility by budgeting both recurring and nonrecurring income for those two months.

Subd. 2. Retrospective budgeting. The county agency must use retrospective budgeting to calculate the monthly assistance payment amount after the payment for the first two months has been made under subdivision 1.

Subd. 3. Additional uses of retrospective budgeting. Notwithstanding subdivision 1, the county agency must use retrospective budgeting to calculate the monthly assistance payment amount for the first two months under paragraphs (a) and (b).

(a) The county agency must use retrospective budgeting to determine the amount of the assistance payment in the first two months of MFIP eligibility:

(1) when an assistance unit applies for assistance for the same month for which assistance has been interrupted, the interruption in eligibility is less than one payment month, the assistance payment for the preceding month was issued in this state, and the assistance payment for the immediately preceding month was determined retrospectively; or

(2) when a person applies in order to be added to an assistance unit, that assistance unit has received assistance in this state for at least the two preceding months, and that person has been living with and has been financially responsible for one or more members of that assistance unit for at least the two preceding months.

(b) Except as provided in clauses (1) to (4), the county agency must use retrospective budgeting and apply income received in the budget month by an assistance unit and by a financially responsible household member who is not included in the assistance unit against the MFIP standard of need or family wage level to determine the assistance payment to be issued for the payment month.

(1) When a source of income ends prior to the third payment month, that income is not considered in calculating the assistance payment for that month. When a source of income ends prior to the fourth payment month, that income is not considered when determining the assistance payment for that month.

(2) When a member of an assistance unit or a financially responsible household member leaves the household of the assistance unit, the income of that departed household member is not budgeted retrospectively for any full payment month in which that household member does not live with that household and is not included in the assistance unit.

(3) When an individual is removed from an assistance unit because the individual is no longer a minor child, the income of that individual is not budgeted retrospectively for payment months in which that individual is not a member of the assistance unit, except that income of an ineligible child in the household must continue to be budgeted retrospectively against the child's needs when the parent or parents of that child request allocation of their income against any unmet needs of that ineligible child.

(4) When a person ceases to have financial responsibility for one or more members of an assistance unit, the income of that person is not budgeted retrospective-

ly for the payment months which follow the month in which financial responsibility ends.

Subd. 4. **Significant change in gross income.** The county agency must recalculate the assistance payment when an assistance unit experiences a significant change, as defined in section 256J.08, resulting in a reduction in the gross income received in the payment month from the gross income received in the budget month. The county agency must issue a supplemental assistance payment based on the county agency's best estimate of the assistance unit's income and circumstances for the payment month. Supplemental assistance payments that result from significant changes are limited to two in a 12-month period regardless of the reason for the change. Notwithstanding any other statute or rule of law, supplementary assistance payments shall not be made when the significant change in income is the result of receipt of a lump sum, receipt of an extra paycheck, business fluctuation in self-employment income, or an assistance unit member's participation in a strike or other labor action.

256J.35 AMOUNT OF ASSISTANCE PAYMENT.

Except as provided in paragraphs (a) to (c), the amount of an assistance payment is equal to the difference between the MFIP standard of need or the Minnesota family wage level in section 256J.24 and countable income.

(a) When MFIP eligibility exists for the month of application, the amount of the assistance payment for the month of application must be prorated from the date of application or the date all other eligibility factors are met for that applicant, whichever is later. This provision applies when an applicant loses at least one day of MFIP eligibility.

(b) MFIP overpayments to an assistance unit must be recouped according to section 256J.38, subdivision 4.

(c) An initial assistance payment must not be made to an applicant who is not eligible on the date payment is made.

256J.36 ALLOCATION FOR UNMET NEED OF OTHER HOUSEHOLD MEMBERS.

Except as prohibited in paragraphs (a) and (b), an allocation of income is allowed from the caregiver's income to meet the unmet need of an ineligible spouse or an ineligible child under the age of 21 for whom the caregiver is financially responsible who also lives with the caregiver. That allocation is allowed in an amount up to the difference between the MFIP standard of need for the assistance unit when that ineligible person is included in the assistance unit and the MFIP standard of need for the assistance unit when the ineligible person is not included in the assistance unit. These allocations must be deducted from the caregiver's counted earnings and from unearned income subject to paragraphs (a) and (b).

(a) Income of a minor child in the assistance unit must not be allocated to meet the need of an ineligible person, including the child's parent, even when that parent is the payee of the child's income.

(b) Income of a caregiver must not be allocated to meet the needs of a disqualified person.

History: 1997 c 85 art 1 s 25; 1998 c 407 art 6 s 70; 1999 c 245 art 6 s 43

256J.37 TREATMENT OF INCOME AND LUMP SUMS.

Subdivision 1. **Deemed income from ineligible household members.** Unless otherwise provided under subdivision 1a or 1b, the income of ineligible household members must be deemed after allowing the following disregards:

(1) the first 18 percent of the ineligible family member's gross earned income;

(2) amounts the ineligible person actually paid to individuals not living in the same household but whom the ineligible person claims or could claim as dependents for determining federal personal income tax liability;

(3) all payments made by the ineligible person according to a court order for spousal support or the support of children not living in the assistance unit's household, provided that, if there has been a change in the financial circumstances of the ineligible person since the support order was entered, the ineligible person has petitioned for a modification of the support order; and

(4) an amount for the needs of the ineligible person and other persons who live in the household but are not included in the assistance unit and are or could be claimed by an ineligible person as dependents for determining federal personal income tax liability. This amount is equal to the difference between the MFIP standard of need when the ineligible person is included in the assistance unit and the MFIP standard of need when the ineligible person is not included in the assistance unit.

Subd. 1a. Deemed income from disqualified members. The income of disqualified members must be deemed after allowing the following disregards:

(1) the first 18 percent of the disqualified member's gross earned income;

(2) amounts the disqualified member actually paid to individuals not living in the same household but whom the disqualified member claims or could claim as dependents for determining federal personal income tax liability;

(3) all payments made by the disqualified member according to a court order for spousal support or the support of children not living in the assistance unit's household, provided that, if there has been a change in the financial circumstances of the disqualified member's legal obligation to pay support since the support order was entered, the disqualified member has petitioned for a modification of the support order; and

(4) an amount for the needs of other persons who live in the household but are not included in the assistance unit and are or could be claimed by the disqualified member as dependents for determining federal personal income tax liability. This amount is equal to the difference between the MFIP standard of need when the ineligible person is included in the assistance unit and the MFIP standard of need when the ineligible person is not included in the assistance unit. An amount shall not be allowed for the needs of a disqualified member.

Subd. 1b. Deemed income from parents of minor caregivers. In households where minor caregivers live with a parent or parents who do not receive MFIP-S, the income of the parents must be deemed after allowing the following disregards:

(1) income of the parents equal to 200 percent of the federal poverty guideline for a family size not including the minor parent and the minor parent's child in the household according to section 256J.21, subdivision 2, clause (43);

(2) 18 percent of the parents' gross earned income;

(3) amounts the parents actually paid to individuals not living in the same household but whom the parents claim or could claim as dependents for determining federal personal income tax liability; and

(4) all payments made by parents according to a court order for spousal support or the support of children not living in the parent's household, provided that, if there has been a change in the financial circumstances of the parent's legal obligation to pay support since the support order was entered, the parents have petitioned for a modification of the support order.

Subd. 2. Deemed income and assets of sponsor of noncitizens. (a) If a noncitizen applies for or receives MFIP, the county must deem the income and assets of the noncitizen's sponsor and the sponsor's spouse as provided in this paragraph and paragraph (b) or (c), whichever is applicable. The deemed income of a sponsor and the sponsor's spouse is considered unearned income of the noncitizen. The deemed assets of a sponsor and the sponsor's spouse are considered available assets of the noncitizen.

MINNESOTA STATUTES 2002

1333

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.37

(b) The income and assets of a sponsor who signed an affidavit of support under title IV, sections 421, 422, and 423, of Public Law Number 104-193, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, and the income and assets of the sponsor's spouse, must be deemed to the noncitizen to the extent required by those sections of Public Law Number 104-193.

(c) The income and assets of a sponsor and the sponsor's spouse to whom the provisions of paragraph (b) do not apply must be deemed to the noncitizen to the full extent allowed under title V, section 5505, of Public Law Number 105-33, the Balanced Budget Act of 1997.

Subd. 3. Earned income of wage, salary, and contractual employees. The county agency must include gross earned income less any disregards in the initial and monthly income test. Gross earned income received by persons employed on a contractual basis must be prorated over the period covered by the contract even when payments are received over a lesser period of time.

Subd. 4. Self-employment. Self-employed individuals are those who are responsible for their own work schedule and do not have coverage under an employer's liability insurance or workers' compensation. Self-employed individuals generally work for themselves rather than an employer. However, individuals employed in some types of services may be self-employed even if they have an employer or work out of another's business location. For example, real estate sales people, individuals who work for commission sales, manufacturer's representatives, and independent contractors may be self-employed. Self-employed individuals may or may not have FICA deducted from the check issued to them by an employer or another party.

Self-employed individuals may own a business singularly or in partnership. Individuals operating more than one self-employment business may use the loss from one business to offset self-employment income from another business. A loss from a self-employment business may not offset income earned under subdivision 3.

Subd. 5. Self-employment earnings. The county agency must determine self-employment income according to the following:

(a) Subtract allowable business expenses from total gross receipts. Allowable business expenses include:

- (1) interest on mortgages and loans;
- (2) employee wages, except for persons who are part of the assistance unit or whose income is deemed to the participant;
- (3) FICA funds paid on employees' wages, payment of employee workers' compensation, and unemployment benefits;
- (4) livestock and veterinary or breeding fees;
- (5) raw material;
- (6) seed and fertilizer;
- (7) maintenance and repairs that are not capital expenditures;
- (8) tax return preparation fees;
- (9) license fees, professional fees, franchise fees, and professional dues;
- (10) tools and supplies that are not capital expenditures;
- (11) fuel and transportation expenses other than fuel costs covered by the flat rate transportation deduction;
- (12) advertising costs;
- (13) meals eaten when required to be away from the local work site;
- (14) property expenses such as rent, insurance, taxes, and utilities;
- (15) postage;
- (16) purchase cost of inventory at time of sale;
- (17) loss from another self-employment business;
- (18) attorney fees allowed by the Internal Revenue Service; and

MINNESOTA STATUTES 2002

(19) tuition for classes necessary to maintain or improve job skills or required by law to maintain job status or salary as allowed by the Internal Revenue Service.

(b) The county agency shall not allow a deduction for the following expenses:

(1) purchases of capital assets;

(2) payments on the principals of loans for capital assets;

(3) depreciation;

(4) amortization;

(5) the wholesale costs of items purchased, processed, or manufactured which are unsold inventory;

(6) transportation costs that exceed the maximum standard mileage rate allowed for use of a personal car in the Internal Revenue Code;

(7) costs, in any amount, for mileage between an applicant's or participant's home and place of employment;

(8) salaries and other employment deductions made for members of an assistance unit or persons who live in the household for whom an employer is legally responsible;

(9) monthly expenses in excess of \$71 for each roomer;

(10) monthly expenses in excess of the Thrifty Food Plan amount for one person for each boarder. For purposes of this clause and clause (11), "Thrifty Food Plan" has the meaning given it in Code of Federal Regulations;

(11) monthly expenses in excess of the roomer rate plus the Thrifty Food Plan amount for one person for each roomer-boarder. If there is more than one boarder or roomer-boarder, use the total number of boarders as the unit size to determine the Thrifty Food Plan amount;

(12) an amount greater than actual expenses or two percent of the estimated market value on a county tax assessment form, whichever is greater, as a deduction for upkeep and repair against rental income;

(13) expenses not allowed by the Internal Revenue Code;

(14) expenses in excess of 60 percent of gross receipts for in-home child care unless a higher amount can be documented; and

(15) expenses that are reimbursed under the child and adult care food program as authorized under the National School Lunch Act, United States Code, title 42.

Subd. 6. Self-employment budget period. The self-employment budget period begins in the month of application or in the first month of self-employment. Gross receipts must be budgeted in the month received. Expenses must be budgeted against gross receipts in the month the expenses are paid, except for paragraphs (a) to (c).

(a) The purchase cost of inventory items, including materials which are processed or manufactured, must be deducted as an expense at the time payment is received for the sale of the inventory items.

(b) A 12-month rolling average based on clauses (1) to (3) must be used to budget monthly income.

(1) For a business in operation for at least 12 months, the county agency shall use the average monthly self-employment income from the most current income tax report for the 12 months before the month of application. The county agency shall determine a new monthly average by adding in the actual self-employment income and expenses from the previous month and dropping the first month from the averaging period.

(2) For a business in operation for less than 12 months, the county agency shall compute the average for the number of months the business has been in operation to determine a monthly average. When data are available for 12 or more months, average monthly self-employment income is determined under clause (1).

(3) If the business undergoes a major change, the county agency shall compute a new rolling average beginning with the first month of the major change. For the purpose of this clause, major change means a change that affects the nature and scale of the business and is not merely the result of normal business fluctuations.

MINNESOTA STATUTES 2002

1335

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.37

(c) For seasonal self-employment, the caregiver may choose whether to use actual income in the month of receipt and expenses in the month incurred or the rolling average method of computation. The choice must be made once per year at the time of application or recertification. For the purpose of this paragraph, seasonal means working six or less months per year.

Subd. 7. **Farm income.** Farm income is the difference between gross receipts and operating expenses. The county agency must not allow a deduction for expenses listed in subdivision 5, paragraph (b). Gross receipts include sales, rents, subsidies, soil conservation payments, production derived from livestock, and income from home-produced food.

Subd. 8. **Rental income.** The county agency must treat income from rental property as earned or unearned income. Income from rental property is unearned income unless the assistance unit spends an average of ten hours per week on maintenance or management of the property. When the owner spends more than ten hours per week on maintenance or repairs, the earnings are considered self-employment earnings. An amount must be deducted for upkeep and repairs, as specified in subdivision 5, paragraph (b), clause (12), real estate taxes, insurance, utilities, and interest on principal payments. When the applicant or participant lives on the rental property, expenses for upkeep, taxes, insurance, utilities, and interest must be divided by the number of rooms to determine expense per room and expenses deducted must be deducted only for the number of rooms rented.

Subd. 9. **Unearned income.** (a) The county agency must apply unearned income to the MFIP standard of need. When determining the amount of unearned income, the county agency must deduct the costs necessary to secure payments of unearned income. These costs include legal fees, medical fees, and mandatory deductions such as federal and state income taxes.

(b) Effective July 1, 2003, the county agency shall count \$100 of the value of public and assisted rental subsidies provided through the Department of Housing and Urban Development (HUD) as unearned income. The full amount of the subsidy must be counted as unearned income when the subsidy is less than \$100.

(c) The provisions of paragraph (b) shall not apply to MFIP participants who are exempt from the employment and training services component because they are:

(i) individuals who are age 60 or older;

(ii) individuals who are suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment; or

(iii) caregivers whose presence in the home is required because of the professionally certified illness or incapacity of another member in the assistance unit, a relative in the household, or a foster child in the household.

(d) The provisions of paragraph (b) shall not apply to an MFIP assistance unit where the parental caregiver receives supplemental security income.

Subd. 10. **Treatment of lump sums.** (a) The county agency must treat lump-sum payments as earned or unearned income. If the lump-sum payment is included in the category of income identified in subdivision 9, it must be treated as unearned income. A lump sum is counted as income in the month received and budgeted either prospectively or retrospectively depending on the budget cycle at the time of receipt. When an individual receives a lump-sum payment, that lump sum must be combined with all other earned and unearned income received in the same budget month, and it must be applied according to paragraphs (a) to (c). A lump sum may not be carried over into subsequent months. Any funds that remain in the third month after the month of receipt are counted in the asset limit.

(b) For a lump sum received by an applicant during the first two months, prospective budgeting is used to determine the payment and the lump sum must be combined with other earned or unearned income received and budgeted in that prospective month.

MINNESOTA STATUTES 2002

(c) For a lump sum received by a participant after the first two months of MFIP eligibility, the lump sum must be combined with other income received in that budget month, and the combined amount must be applied retrospectively against the applicable payment month.

(d) When a lump sum, combined with other income under paragraphs (b) and (c), is less than the MFIP standard of need for the appropriate payment month, the assistance payment must be reduced according to the amount of the countable income. When the countable income is greater than the MFIP standard or family wage level, the assistance payment must be suspended for the payment month.

256J.38 CORRECTION OF OVERPAYMENTS AND UNDERPAYMENTS.

Subdivision 1. **Scope of overpayment.** When a participant or former participant receives an overpayment due to agency, client, or ATM error, or due to assistance received while an appeal is pending and the participant or former participant is determined ineligible for assistance or for less assistance than was received, the county agency must recoup or recover the overpayment using the following methods:

- (1) reconstruct each affected budget month and corresponding payment month;
- (2) use the policies and procedures that were in effect for the payment month; and
- (3) do not allow employment disregards in section 256J.21, subdivision 3 or 4, in the calculation of the overpayment when the unit has not reported within two calendar months following the end of the month in which the income was received.

Subd. 2. **Notice of overpayment.** When a county agency discovers that a participant or former participant has received an overpayment for one or more months, the county agency must notify the participant or former participant of the overpayment in writing. A notice of overpayment must specify the reason for the overpayment, the authority for citing the overpayment, the time period in which the overpayment occurred, the amount of the overpayment, and the participant's or former participant's right to appeal. No limit applies to the period in which the county agency is required to recoup or recover an overpayment according to subdivisions 3 and 4.

Subd. 3. **Recovering overpayments from former participants.** A county agency must initiate efforts to recover overpayments paid to a former participant. Adults and minor caregivers of an assistance unit at the time an overpayment occurs, whether receiving assistance or not, are jointly and individually liable for repayment of the overpayment. The county agency must request repayment from the former participants. When an agreement for repayment is not completed within six months of the date of discovery or when there is a default on an agreement for repayment after six months, the county agency must initiate recovery consistent with chapter 270A, or section 541.05. When a person has been convicted of fraud under section 256.98, recovery must be sought regardless of the amount of overpayment. When an overpayment is less than \$35, and is not the result of a fraud conviction under section 256.98, the county agency must not seek recovery under this subdivision. The county agency must retain information about all overpayments regardless of the amount. When an adult or minor caregiver reapplies for assistance, the overpayment must be recouped under subdivision 4.

Subd. 4. **Recouping overpayments from participants.** A participant may voluntarily repay, in part or in full, an overpayment even if assistance is reduced under this subdivision, until the total amount of the overpayment is repaid. When an overpayment occurs due to fraud, the county agency must recover ten percent of the applicable standard or the amount of the monthly assistance payment, whichever is less. When a nonfraud overpayment occurs, the county agency must recover three percent of the MFIP standard of need or the amount of the monthly assistance payment, whichever is less.

Subd. 5. **Recovering automatic teller machine errors.** For recipients receiving benefits via electronic benefit transfer, if the overpayment is a result of an ATM dispensing funds in error to the recipient, the agency may recover the ATM error by immediately withdrawing funds from the recipient's electronic benefit transfer account, up to the amount of the error.

Subd. 6. **Scope of underpayments.** A county agency must issue a corrective payment for underpayments made to a participant or to a person who would be a participant if an agency or client error causing the underpayment had not occurred. The county agency must issue the corrective payment according to subdivision 8.

Subd. 7. **Identifying the underpayment.** An underpayment may be identified by a county agency, by a participant, by a former participant, or by a person who would be a participant except for agency or client error.

Subd. 8. **Issuing corrective payments.** A county agency must correct an underpayment within seven calendar days after the underpayment has been identified, by adding the corrective payment amount to the monthly assistance payment of the participant or by issuing a separate payment to a participant or former participant, or by reducing an existing overpayment balance. When an underpayment occurs in a payment month and is not identified until the next payment month or later, the county agency must first subtract the underpayment from any overpayment balance before issuing the corrective payment. The county agency must not apply an underpayment in a current payment month against an overpayment balance. When an underpayment in the current payment month is identified, the corrective payment must be issued within seven calendar days after the underpayment is identified.

Subd. 9. **Appeals.** A participant may appeal an underpayment, an overpayment, and a reduction in an assistance payment made to recoup the overpayment under subdivision 4. The participant's appeal of each issue must be timely under section 256.045. When an appeal based on the notice issued under subdivision 2 is not timely, the fact or the amount of that overpayment must not be considered as a part of a later appeal, including an appeal of a reduction in an assistance payment to recoup that overpayment.

256J.39 PAYMENT PROVISIONS; VENDOR PAYMENTS.

Subdivision 1. **Payment policy.** The following policies apply to monthly assistance payments and corrective payments:

(1) Grant payments may be issued in the form of warrants immediately redeemable in cash, electronic benefits transfer, or by direct deposit into the recipient's account in a financial institution.

(2) The commissioner shall mail assistance payment checks to the address where a caregiver lives unless the county agency approves an alternate arrangement.

(3) The commissioner shall mail monthly assistance payment checks within time to allow postal service delivery to occur no later than the first day of each month. Monthly assistance payment checks must be dated the first day of the month. The commissioner shall issue electronic benefits transfer payments so that caregivers have access to the payments no later than the first of the month.

(4) The commissioner shall issue replacement checks promptly, but no later than seven calendar days after the provisions of sections 16A.46; 256.01, subdivision 11; and 471.415 have been met.

(5) The commissioner, with the advance approval of the commissioner of finance, may issue cash assistance grant payments up to three days before the first day of each month, including three days before the start of each state fiscal year. Of the money appropriated for cash assistance grant payments for each fiscal year, up to three percent of the annual state appropriation is available to the commissioner in the previous fiscal year. If that amount is insufficient for the costs incurred, an additional

MINNESOTA STATUTES 2002

amount of the appropriation as needed may be transferred with the advance approval of the commissioner of finance.

Subd. 2. **Protective and vendor payments.** Alternatives to paying assistance directly to a participant may be used when:

(1) a county agency determines that a vendor payment is the most effective way to resolve an emergency situation pertaining to basic needs;

(2) a caregiver makes a written request to the county agency asking that part or all of the assistance payment be issued by protective or vendor payments for shelter and utility service only. The caregiver may withdraw this request in writing at any time;

(3) the vendor payment is part of a sanction under section 256J.46;

(4) the vendor payment is required under section 256J.24, subdivision 8, or 256J.26;

(5) protective payments are required for minor parents under section 256J.14; or

(6) a caregiver has exhibited a continuing pattern of mismanaging funds as determined by the county agency.

The director of a county agency, or the director's designee, must approve a proposal for protective or vendor payment for money mismanagement when there is a pattern of mismanagement under clause (6). During the time a protective or vendor payment is being made, the county agency must provide services designed to alleviate the causes of the mismanagement.

The continuing need for and method of payment must be documented and reviewed every 12 months. The director of a county agency or the director's designee must approve the continuation of protective or vendor payments. When it appears that the need for protective or vendor payments will continue or is likely to continue beyond two years because the county agency's efforts have not resulted in sufficiently improved use of assistance on behalf of the minor child, judicial appointment of a legal guardian or other legal representative must be sought by the county agency.

Subd. 3. **Choosing payees for protective or vendor payments.** A county agency shall consult with a caregiver regarding the selection of the form of payment, the selection of a protective payee, and the distribution of the assistance payment to meet the various costs incurred by the assistance unit. When choosing a protective payee, the county agency shall notify the caregiver of a consultation date. If the caregiver fails to respond to the county agency's request for consultation by the effective date on the notice, the county agency must choose a protective payee for that payment month and subsequent payment months until the caregiver responds to the agency's request for consultation. The county agency must notify the caregiver of the right to appeal the determination that a protective or vendor payment should be made or continued and to appeal the selection of the payee. If a county agency is not able to find another protective payee, a county agency staff member may serve as a protective payee. The following persons may not serve as protective payees: a member of the county board of commissioners; the county agency staff member determining financial eligibility for the family; special investigative or resource staff; the staff member handling accounting or fiscal processes related to the participant; or a landlord, grocer, or other vendor dealing directly with the participant.

Subd. 4. **Discontinuing protective or vendor payments.** A county agency shall discontinue protective or vendor payments in two years or in the month following the county agency's failure to grant six-month approval to a money management plan, whichever occurs first. At least once every 12 months, a county agency shall review the performance of a protective payee acting under subdivision 2, clause (3), to determine whether a new payee should be selected. When a participant complains about the performance of a protective payee, a review shall occur within 30 calendar days.

256J.395 VENDOR PAYMENT OF SHELTER COSTS AND UTILITIES.

Subdivision 1. **Vendor payment.** (a) Effective July 1, 1997, when a county is required to provide assistance to a participant in vendor form for shelter costs and utilities under this chapter, or chapter 256, 256D, or 256K, the cost of utilities for a given family may be assumed to be:

(1) the average of the actual monthly cost of utilities for that family for the prior 12 months at the family's current residence, if applicable;

(2) the monthly plan amount, if any, set by the local utilities for that family at the family's current residence; or

(3) the estimated monthly utility costs for the dwelling in which the family currently resides.

(b) For purposes of this section, "utility" means any of the following: municipal water and sewer service; electric, gas, or heating fuel service; or wood, if that is the heating source.

(c) In any instance where a vendor payment for rent is directed to a landlord not legally entitled to the payment, the county social services agency shall immediately institute proceedings to collect the amount of the vendored rent payment, which shall be considered a debt under section 270A.03, subdivision 5.

Subd. 2. **Vendor payment notification.** (a) When a county agency is required to provide assistance to a participant in vendor payment form for shelter costs or utilities under subdivision 1, and the participant does not give the agency the information needed to pay the vendor, the county agency shall notify the participant of the intent to terminate assistance by mail at least ten days before the effective date of the adverse action.

(b) The notice of action shall include a request for information about:

(1) the amount of the participant's shelter costs or utilities;

(2) the due date of the shelter costs or utilities; and

(3) the name and address of the landlord, contract for deed holder, mortgage company, and utility vendor.

(c) If the participant fails to provide the requested information by the effective date of the adverse action, the county must terminate the MFIP-S grant. If the applicant or participant verifies they do not have shelter costs or utility obligations, the county shall not terminate assistance if the assistance unit is otherwise eligible.

Subd. 3. **Discontinuing vendor payments due to dispute with landlord.** The county agency shall discontinue vendor payments for shelter costs imposed under this chapter when the vendor payment interferes with the participant's right to withhold rent due to a dispute with the participant's landlord in accordance with federal, state, or local housing laws.

256J.396 SUPPORT FROM PARENTS OF MINOR CAREGIVERS LIVING APART.

Subdivision 1. **General provisions.** A minor caregiver and the minor's dependent child living outside of the home of the adult parent must meet the criteria in section 256J.14, to be eligible for assistance in the MFIP-S program. A parent who lives outside the home of a minor child who is an unemancipated minor caregiver of an assistance unit is financially responsible for that minor caregiver unless the parent is a recipient of public assistance, SSI, MSA, medical assistance, general assistance, or general assistance medical care, and a court order does not otherwise provide a support obligation.

Subd. 2. **Amount of support payment.** The amount of support to be paid by a parent, except a parent specified in subdivision 4, must be determined according to paragraphs (a) to (f).

(a) A minor caregiver must provide information required by the county agency to identify the whereabouts of the minor caregiver's absent parent or parents.

MINNESOTA STATUTES 2002

(b) A county agency must notify an absent parent of the parent's legal responsibility to support a minor caregiver and shall request that the absent parent provide the following:

- (1) the amount of the parent's earned and unearned income for the previous tax year;
- (2) the amount of the parent's earned and unearned income for the current month;
- (3) the number and names of dependents who are claimed or could be claimed by the parent on federal income tax forms;
- (4) the amount of annual medical bills paid by the parent;
- (5) the amount of annual housing costs paid by the parent;
- (6) the costs for utilities and repairs to the home which are paid by the parent; and
- (7) the amount of annual educational costs for family members paid by the parent.

(c) When a parent of a minor caregiver does not provide the information requested under paragraph (b), the county agency must refer the matter to the county attorney. Assistance to the minor caregiver must not be denied, delayed, reduced, or ended because of the lack of cooperation of the minor caregiver's parent.

(d) When the information requested under paragraph (b) is received by a county agency, the county agency must compare the parent's income against the scale set forth below using the conditions and procedures specified in paragraph (e).

Size of Family	Federal Poverty Guideline
1	\$ 9,288
2	12,432
3	15,576
4	18,720
5	21,864

For each additional family member add \$3,144.

(e) The parent's income is the parent's gross earned income plus unearned income, determined by the methods in section 256J.21. To determine family size, each person claimed or who could be claimed by a parent as a dependent on federal income tax forms, exclusive of the minor caregiver, must be included. A deduction from income must be allowed for the amount that medical, educational, and housing costs together exceed 30 percent of the parent's income. When the amount of income, after the allowable deduction, exceeds the annual income level in paragraph (d), a parent is liable to pay one-third of the excess for the annual support of the minor caregiver. These payments must be paid monthly to the minor caregiver or to the county agency on behalf of the minor caregiver.

(f) A county agency must notify the parents of the minor caregiver that they are liable for the amount of support determined by the county agency as specified in paragraph (e). When the support payment is received by the minor caregiver, it must be treated as unearned income of the assistance unit. When the support payment is not received, or a lesser amount is received in any payment month, the county agency must refer the matter to the county attorney.

Subd. 3. Reviews. A county agency must review financial responsibility every 12 months until minor caregivers reach the age of 18 or are otherwise emancipated. When a parent reports a change in circumstances, the county agency must review the required amount of payment within ten calendar days.

Subd. 4. Parents under court order for support. A parent who is required under an existing court order issued under some other authority in state or federal law to pay child support for a minor caregiver is subject to the conditions of that order in lieu of the requirements and contribution levels in subdivision 2.

256J.40 FAIR HEARINGS.

Caregivers receiving a notice of intent to sanction or a notice of adverse action that includes a sanction, reduction in benefits, suspension of benefits, denial of benefits, or termination of benefits may request a fair hearing. A request for a fair hearing must be submitted in writing to the county agency or to the commissioner and must be mailed within 30 days after a participant or former participant receives written notice of the agency's action or within 90 days when a participant or former participant shows good cause for not submitting the request within 30 days. A former participant who receives a notice of adverse action due to an overpayment may appeal the adverse action according to the requirements in this section. Issues that may be appealed are:

- (1) the amount of the assistance payment;
- (2) a suspension, reduction, denial, or termination of assistance;
- (3) the basis for an overpayment, the calculated amount of an overpayment, and the level of recoupment;
- (4) the eligibility for an assistance payment; and
- (5) the use of protective or vendor payments under section 256J.39, subdivision 2, clauses (1) to (3).

A county agency must not reduce, suspend, or terminate payment when an aggrieved participant requests a fair hearing prior to the effective date of the adverse action or within ten days of the mailing of the notice of adverse action, whichever is later, unless the participant requests in writing not to receive continued assistance pending a hearing decision. Assistance issued pending a fair hearing is subject to recovery under section 256J.38 when as a result of the fair hearing decision the participant is determined ineligible for assistance or the amount of the assistance received. A county agency may increase or reduce an assistance payment while an appeal is pending when the circumstances of the participant change and are not related to the issue on appeal. The commissioner's order is binding on a county agency. No additional notice is required to enforce the commissioner's order.

A county agency shall reimburse appellants for reasonable and necessary expenses of attendance at the hearing, such as child care and transportation costs and for the transportation expenses of the appellant's witnesses and representatives to and from the hearing. Reasonable and necessary expenses do not include legal fees. Fair hearings must be conducted at a reasonable time and date by an impartial referee employed by the department. The hearing may be conducted by telephone or at a site that is readily accessible to persons with disabilities.

The appellant may introduce new or additional evidence relevant to the issues on appeal. Recommendations of the appeals referee and decisions of the commissioner must be based on evidence in the hearing record and are not limited to a review of the county agency action.

256J.415 NOTICE OF TIME LIMIT 12 MONTHS PRIOR TO 60-MONTH TIME LIMIT EXPIRING.

The county agency shall mail a notice to each assistance unit when the assistance unit has 12 months of TANF assistance remaining and each month thereafter until the 60-month limit has expired. The notice must be developed by the commissioner of human services and must contain information about the 60-month limit, the number of months the participant has remaining, the hardship extension policy, and any other information that the commissioner deems pertinent to an assistance unit nearing the 60-month limit.

256J.42 60-MONTH TIME LIMIT; EXEMPTIONS.

Subdivision 1. **Time limit.** (a) Except as otherwise provided for in this section, an assistance unit in which any adult caregiver has received 60 months of cash assistance

MINNESOTA STATUTES 2002

funded in whole or in part by the TANF block grant in this or any other state or United States territory, or from a tribal TANF program, MFIP, the AFDC program formerly codified in sections 256.72 to 256.87, or the family general assistance program formerly codified in sections 256D.01 to 256D.23, funded in whole or in part by state appropriations, is ineligible to receive MFIP. Any cash assistance funded with TANF dollars in this or any other state or United States territory, or from a tribal TANF program, or MFIP assistance funded in whole or in part by state appropriations, that was received by the unit on or after the date TANF was implemented, including any assistance received in states or United States territories of prior residence, counts toward the 60-month limitation. The 60-month limit applies to a minor caregiver except under subdivision 5. The 60-month time period does not need to be consecutive months for this provision to apply.

(b) The months before July 1998 in which individuals received assistance as part of the field trials as an MFIP, MFIP-R, or MFIP or MFIP-R comparison group family are not included in the 60-month time limit.

Subd. 2. [Repealed by amendment, 1998 c 407 art 6 s 79]

Subd. 3. **Adults living in Indian country.** In determining the number of months for which an adult has received assistance under MFIP-S, the county agency must disregard any month during which the adult lived in Indian country if during the month at least 50 percent of the adults living in Indian country were not employed.

Subd. 4. **Victims of family violence.** Any cash assistance received by an assistance unit in a month when a caregiver complied with a safety plan or after October 1, 2001, complied or is complying with an alternative employment plan under section 256J.49, subdivision 1a, does not count toward the 60-month limitation on assistance.

Subd. 5. **Exemption for certain families.** (a) Any cash assistance received by an assistance unit does not count toward the 60-month limit on assistance during a month in which the caregiver is in the category in section 256J.56, paragraph (a), clause (1).

(b) From July 1, 1997, until the date MFIP is operative in the caregiver's county of financial responsibility, any cash assistance received by a caregiver who is complying with Minnesota Statutes 1996, section 256.73, subdivision 5a, and Minnesota Statutes 1998, section 256.736, if applicable, does not count toward the 60-month limit on assistance. Thereafter, any cash assistance received by a minor caregiver who is complying with the requirements of sections 256J.14 and 256J.54, if applicable, does not count towards the 60-month limit on assistance.

(c) Any diversionary assistance or emergency assistance received does not count toward the 60-month limit.

(d) Any cash assistance received by an 18- or 19-year-old caregiver who is complying with the requirements of section 256J.54 does not count toward the 60-month limit.

Subd. 6. **Case review.** (a) Within 180 days, but not less than 60 days, before the end of the participant's 60th month on assistance, the county agency or job counselor must review the participant's case to determine if the employment plan is still appropriate or if the participant is exempt under section 256J.56 from the employment and training services component, and attempt to meet with the participant face-to-face.

(b) During the face-to-face meeting, a county agency or the job counselor must:

(1) inform the participant how many months of counted assistance the participant has accrued and when the participant is expected to reach the 60th month;

(2) explain the hardship extension criteria under section 256J.425 and what the participant should do if the participant thinks a hardship extension applies;

(3) identify other resources that may be available to the participant to meet the needs of the family; and

(4) inform the participant of the right to appeal the case closure under section 256J.40.

(c) If a face-to-face meeting is not possible, the county agency must send the participant a notice of adverse action as provided in section 256J.31, subdivisions 4 and 5.

(d) Before a participant's case is closed under this section, the county must ensure that:

(1) the case has been reviewed by the job counselor's supervisor or the review team designated in the county's approved local service unit plan to determine if the criteria for a hardship extension, if requested, were applied appropriately; and

(2) the county agency or the job counselor attempted to meet with the participant face-to-face.

256J.425 HARDSHIP EXTENSIONS.

Subdivision 1. **Eligibility.** To be eligible for a hardship extension, a participant in an assistance unit subject to the time limit under section 256J.42, subdivision 1, in which any participant has received 60 counted months of assistance, must be in compliance in the month the participant is applying for the extension. For purposes of determining eligibility for a hardship extension, a participant is in compliance in any month that the participant has not been sanctioned.

Subd. 1a. **Review.** If a county grants a hardship extension under this section, a county agency shall review the case every six or 12 months, whichever is appropriate based on the participant's circumstances and the extension category.

Subd. 2. **Ill or incapacitated.** (a) An assistance unit subject to the time limit in section 256J.42, subdivision 1, in which any participant has received 60 counted months of assistance, is eligible to receive months of assistance under a hardship extension if the participant belongs to any of the following groups:

(1) participants who are suffering from a professionally certified illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment and who are following the treatment recommendations of the health-care provider certifying the illness, injury, or incapacity;

(2) participants whose presence in the home is required as a caregiver because of a professionally certified illness or incapacity of another member in the assistance unit, a relative in the household, or a foster child in the household and the illness or incapacity is expected to continue for more than 30 days; or

(3) caregivers with a child or an adult in the household who meets the disability or medical criteria for home care services under section 256B.0627, subdivision 1, paragraph (c), or a home and community-based waiver services program under chapter 256B, or meets the criteria for severe emotional disturbance under section 245.4871, subdivision 6, or for serious and persistent mental illness under section 245.462, subdivision 20, paragraph (c). Caregivers in this category are presumed to be prevented from obtaining or retaining employment.

(b) An assistance unit receiving assistance under a hardship extension under this subdivision may continue to receive assistance as long as the participant meets the criteria in paragraph (a), clause (1), (2), or (3).

Subd. 3. **Hard-to-employ participants.** An assistance unit subject to the time limit in section 256J.42, subdivision 1, in which any participant has received 60 counted months of assistance, is eligible to receive months of assistance under a hardship extension if the participant belongs to any of the following groups:

(1) a person who is diagnosed by a licensed physician, psychological practitioner, or other qualified professional, as mentally retarded or mentally ill, and that condition prevents the person from obtaining or retaining unsubsidized employment;

(2) a person who:

MINNESOTA STATUTES 2002

(i) has been assessed by a vocational specialist or the county agency to be unemployable for purposes of this subdivision; or

(ii) has an IQ below 80 who has been assessed by a vocational specialist or a county agency to be employable, but not at a level that makes the participant eligible for an extension under subdivision 4 or, in the case of a non-English-speaking person for whom it is not possible to provide a determination due to language barriers or absence of culturally appropriate assessment tools, is determined by a qualified professional to have an IQ below 80. A person is considered employable if positions of employment in the local labor market exist, regardless of the current availability of openings for those positions, that the person is capable of performing;

(3) a person who is determined by the county agency to be learning disabled or, in the case of a non-English-speaking person for whom it is not possible to provide a medical diagnosis due to language barriers or absence of culturally appropriate assessment tools, is determined by a qualified professional to have a learning disability. If a rehabilitation plan for the person is developed or approved by the county agency, the plan must be incorporated into the employment plan. However, a rehabilitation plan does not replace the requirement to develop and comply with an employment plan under section 256J.52. For purposes of this section, "learning disabled" means the applicant or recipient has a disorder in one or more of the psychological processes involved in perceiving, understanding, or using concepts through verbal language or nonverbal means. The disability must severely limit the applicant or recipient in obtaining, performing, or maintaining suitable employment. Learning disabled does not include learning problems that are primarily the result of visual, hearing, or motor handicaps; mental retardation; emotional disturbance; or due to environmental, cultural, or economic disadvantage; or

(4) a person who is a victim of family violence as defined in section 256J.49, subdivision 2, and who is participating in an alternative employment plan under section 256J.49, subdivision 1a.

Subd. 4. Employed participants. (a) An assistance unit subject to the time limit under section 256J.42, subdivision 1, in which any participant has received 60 months of assistance, is eligible to receive assistance under a hardship extension if the participant belongs to:

(1) a one-parent assistance unit in which the participant is participating in work activities for at least 30 hours per week, of which an average of at least 25 hours per week every month are spent participating in employment;

(2) a two-parent assistance unit in which the participants are participating in work activities for at least 55 hours per week, of which an average of at least 45 hours per week every month are spent participating in employment; or

(3) an assistance unit in which a participant is participating in employment for fewer hours than those specified in clause (1), and the participant submits verification from a health care provider, in a form acceptable to the commissioner, stating that the number of hours the participant may work is limited due to illness or disability, as long as the participant is participating in employment for at least the number of hours specified by the health care provider. The participant must be following the treatment recommendations of the health care provider providing the verification. The commissioner shall develop a form to be completed and signed by the health care provider, documenting the diagnosis and any additional information necessary to document the functional limitations of the participant that limit work hours. If the participant is part of a two-parent assistance unit, the other parent must be treated as a one-parent assistance unit for purposes of meeting the work requirements under this subdivision.

(b) For purposes of this section, employment means:

(1) unsubsidized employment under section 256J.49, subdivision 13, clause (1);

(2) subsidized employment under section 256J.49, subdivision 13, clause (2);

(3) on-the-job training under section 256J.49, subdivision 13, clause (4);

(4) an apprenticeship under section 256J.49, subdivision 13, clause (19);

MINNESOTA STATUTES 2002

1345

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.425

(5) supported work. For purposes of this section, "supported work" means services supporting a participant on the job which include, but are not limited to, supervision, job coaching, and subsidized wages;

(6) a combination of (1) to (5); or

(7) child care under section 256J.49, subdivision 13, clause (25), if it is in combination with paid employment.

(c) If a participant is complying with a child protection plan under chapter 260C, the number of hours required under the child protection plan count toward the number of hours required under this subdivision.

(d) The county shall provide the opportunity for subsidized employment to participants needing that type of employment within available appropriations.

(e) To be eligible for a hardship extension for employed participants under this subdivision, a participant in a one-parent assistance unit or both parents in a two-parent assistance unit must be in compliance for at least ten out of the 12 months immediately preceding the participant's 61st month on assistance. If only one parent in a two-parent assistance unit fails to be in compliance ten out of the 12 months immediately preceding the participant's 61st month, the county shall give the assistance unit the option of disqualifying the noncompliant parent. If the noncompliant participant is disqualified, the assistance unit must be treated as a one-parent assistance unit for the purposes of meeting the work requirements under this subdivision and the assistance unit's MFIP grant shall be calculated using the shared household standard under section 256J.08, subdivision 82a.

(f) The employment plan developed under section 256J.52, subdivision 5, for participants under this subdivision must contain the number of hours specified in paragraph (a) related to employment and work activities. The job counselor and the participant must sign the employment plan to indicate agreement between the job counselor and the participant on the contents of the plan.

(g) Participants who fail to meet the requirements in paragraph (a), without good cause under section 256J.57, shall be sanctioned or permanently disqualified under subdivision 6. Good cause may only be granted for that portion of the month for which the good cause reason applies. Participants must meet all remaining requirements in the approved employment plan or be subject to sanction or permanent disqualification.

(h) If the noncompliance with an employment plan is due to the involuntary loss of employment, the participant is exempt from the hourly employment requirement under this subdivision for one month. Participants must meet all remaining requirements in the approved employment plan or be subject to sanction or permanent disqualification. This exemption is available to one-parent assistance units two times in a 12-month period, and two-parent assistance units, two times per parent in a 12-month period.

(i) This subdivision expires on June 30, 2004.

Subd. 4a. **Hardship extension pending documentation.** If the documentation needed to determine if a participant is eligible for a hardship extension under subdivision 2 or 3 is not available by the 60th month, the county agency may extend the participant pending receipt of the documentation if the county believes the participant is likely to qualify for a hardship extension and the participant is cooperating with efforts to obtain the documentation. If the participant is found to be not eligible for an extension, the participant may be responsible for an overpayment.

Subd. 5. **Accrual of certain exempt months.** (a) A participant who received TANF assistance that counted towards the federal 60-month time limit while the participant was exempt under section 256J.56, paragraph (a), clause (7), from employment and training services requirements and who is no longer eligible for assistance under a hardship extension under subdivision 2, paragraph (a), clause (3), is eligible for assistance under a hardship extension for a period of time equal to the number of months that were counted toward the federal 60-month time limit while the participant was exempt under section 256J.56, paragraph (a), clause (7), from the employment and training services requirements.

(b) A participant who received TANF assistance that counted towards the federal 60-month time limit while the participant met the state time limit exemption criteria under section 256J.42, subdivision 4 or 5, is eligible for assistance under a hardship extension for a period of time equal to the number of months that were counted toward the federal 60-month time limit while the participant met the state time limit exemption criteria under section 256J.42, subdivision 5.

(c) A participant who received TANF assistance that counted towards the federal 60-month time limit while the participant was exempt under section 256J.56, paragraph (a), clause (3), from employment and training services requirements, who demonstrates at the time of the case review required under section 256J.42, subdivision 6, that the participant met the exemption criteria under section 256J.56, paragraph (a), clause (7), during one or more months the participant was exempt under section 256J.56, paragraph (a), clause (3), before or after July 1, 2002, is eligible for assistance under a hardship extension for a period of time equal to the number of months that were counted toward the federal 60-month time limit during the time the participant met the criteria under section 256J.56, paragraph (a), clause (7). At the time of the case review, a county agency must explain to the participant the basis for receiving a hardship extension based on the accrual of exempt months. The participant must provide documentation necessary to enable the county agency to determine whether the participant is eligible to receive a hardship extension based on the accrual of exempt months or authorize a county agency to verify the information.

Subd. 6. Sanctions for extended cases. (a) If one or both participants in an assistance unit receiving assistance under subdivision 3 or 4 are not in compliance with the employment and training service requirements in sections 256J.52 to 256J.55, the sanctions under this subdivision apply. For a first occurrence of noncompliance, an assistance unit must be sanctioned under section 256J.46, subdivision 1, paragraph (d), clause (1). For a second or third occurrence of noncompliance, the assistance unit must be sanctioned under section 256J.46, subdivision 1, paragraph (d), clause (2). For a fourth occurrence of noncompliance, the assistance unit is disqualified from MFIP. If a participant is determined to be out of compliance, the participant may claim a good cause exception under section 256J.57, however, the participant may not claim an exemption under section 256J.56.

(b) If both participants in a two-parent assistance unit are out of compliance at the same time, it is considered one occurrence of noncompliance.

Subd. 7. Status of disqualified participants. (a) An assistance unit that is disqualified under subdivision 6, paragraph (a), may be approved for MFIP if the participant complies with MFIP program requirements and demonstrates compliance for up to one month. No assistance shall be paid during this period.

(b) An assistance unit that is disqualified under subdivision 6, paragraph (a), and that reappplies under paragraph (a) is subject to sanction under section 256J.46, subdivision 1, paragraph (d), clause (1), for a first occurrence of noncompliance. A subsequent occurrence of noncompliance results in a permanent disqualification.

(c) If one participant in a two-parent assistance unit receiving assistance under a hardship extension under subdivision 3 or 4 is determined to be out of compliance with the employment and training services requirements under sections 256J.52 to 256J.55, the county shall give the assistance unit the option of disqualifying the noncompliant participant from MFIP. In that case, the assistance unit shall be treated as a one-parent assistance unit for the purposes of meeting the work requirements under subdivision 4 and the assistance unit's MFIP grant shall be calculated using the shared household standard under section 256J.08, subdivision 82a. An applicant who is disqualified from receiving assistance under this paragraph may reapply under paragraph (a). If a participant is disqualified from MFIP under this subdivision a second time, the participant is permanently disqualified from MFIP.

(d) Prior to a disqualification under this subdivision, a county agency must review the participant's case to determine if the employment plan is still appropriate and attempt to meet with the participant face-to-face. If a face-to-face meeting is not

conducted, the county agency must send the participant a notice of adverse action as provided in section 256J.31. During the face-to-face meeting, the county agency must:

(1) determine whether the continued noncompliance can be explained and mitigated by providing a needed preemployment activity, as defined in section 256J.49, subdivision 13, clause (16), or services under a local intervention grant for self-sufficiency under section 256J.625;

(2) determine whether the participant qualifies for a good cause exception under section 256J.57;

(3) inform the participant of the participant's sanction status and explain the consequences of continuing noncompliance;

(4) identify other resources that may be available to the participant to meet the needs of the family; and

(5) inform the participant of the right to appeal under section 256J.40.

Subd. 8. County extension request. A county may make a request to the commissioner of human services, and the commissioner may grant, an extension for a category of participants that are not extended under section 256J.425, provided the new category of participants is consistent with the existing extension policy in which an extension is provided to participants whose MFIP requirements conflict with other statutory requirements or obligations. By January 15 of each year, the commissioner must report to the chairs and ranking minority members of the senate and house committees having jurisdiction over health and human services the extensions that were granted under this section during the previous calendar year. The legislature must act in order for the extensions to continue. If the legislature fails to act by the end of the legislative session in which the extensions were reported, the extensions granted under this section during the previous calendar year expire on June 30 of that year.

256J.45 ORIENTATION.

Subdivision 1. County agency to provide orientation. A county agency must provide a face-to-face orientation to each MFIP caregiver unless the caregiver is:

(1) a single parent, or one parent in a two-parent family, employed at least 35 hours per week; or

(2) a second parent in a two-parent family who is employed for 20 or more hours per week provided the first parent is employed at least 35 hours per week.

The county agency must inform caregivers who are not exempt under clause (1) or (2) that failure to attend the orientation is considered an occurrence of noncompliance with program requirements, and will result in the imposition of a sanction under section 256J.46. If the client complies with the orientation requirement prior to the first day of the month in which the grant reduction is proposed to occur, the orientation sanction shall be lifted.

Subd. 1a. Pregnant and parenting minors. Pregnant and parenting minors who are complying with the provisions of section 256J.54 are exempt from the requirement under subdivision 1, however, the county agency must provide information to the minor as required under section 256J.14.

Subd. 2. General information. The MFIP orientation must consist of a presentation that informs caregivers of:

(1) the necessity to obtain immediate employment;

(2) the work incentives under MFIP, including the availability of the federal earned income tax credit and the Minnesota working family tax credit;

(3) the requirement to comply with the employment plan and other requirements of the employment and training services component of MFIP, including a description of the range of work and training activities that are allowable under MFIP to meet the individual needs of participants;

(4) the consequences for failing to comply with the employment plan and other program requirements, and that the county agency may not impose a sanction when failure to comply is due to the unavailability of child care or other circumstances where the participant has good cause under subdivision 3;

(5) the rights, responsibilities, and obligations of participants;

(6) the types and locations of child care services available through the county agency;

(7) the availability and the benefits of the early childhood health and developmental screening under sections 121A.16 to 121A.19; 123B.02, subdivision 16; and 123B.10;

(8) the caregiver's eligibility for transition year child care assistance under section 119B.05;

(9) the caregiver's eligibility for extended medical assistance when the caregiver loses eligibility for MFIP due to increased earnings or increased child or spousal support;

(10) the caregiver's option to choose an employment and training provider and information about each provider, including but not limited to, services offered, program components, job placement rates, job placement wages, and job retention rates;

(11) the caregiver's option to request approval of an education and training plan according to section 256J.52;

(12) the work study programs available under the higher education system; and

(13) effective October 1, 2001, information about the 60-month time limit exemption and waivers of regular employment and training requirements for family violence victims and referral information about shelters and programs for victims of family violence.

Subd. 3. Good cause exemptions for not attending orientation. (a) The county agency shall not impose the sanction under section 256J.46 if it determines that the participant has good cause for failing to attend orientation. Good cause exists when:

(1) appropriate child care is not available;

(2) the participant is ill or injured;

(3) a family member is ill and needs care by the participant that prevents the participant from attending orientation. For a caregiver with a child or adult in the household who meets the disability or medical criteria for home care services under section 256B.0627, subdivision 1, paragraph (c) or a home and community-based waiver services program under chapter 256B, or meets the criteria for severe emotional disturbance under section 245.4871, subdivision 6, or for serious and persistent mental illness under section 245.462, subdivision 20, paragraph (c), good cause also exists when an interruption in the provision of those services occurs which prevents the participant from attending orientation;

(4) the caregiver is unable to secure necessary transportation;

(5) the caregiver is in an emergency situation that prevents orientation attendance;

(6) the orientation conflicts with the caregiver's work, training, or school schedule;

or

(7) the caregiver documents other verifiable impediments to orientation attendance beyond the caregiver's control.

(b) Counties must work with clients to provide child care and transportation necessary to ensure a caregiver has every opportunity to attend orientation.

256J.46 SANCTIONS.

Subdivision 1. **Participants not complying with program requirements.** (a) A participant who fails without good cause to comply with the requirements of this chapter, and who is not subject to a sanction under subdivision 2, shall be subject to a sanction as provided in this subdivision. Prior to the imposition of a sanction, a county agency shall provide a notice of intent to sanction under section 256J.57, subdivision 2, and, when applicable, a notice of adverse action as provided in section 256J.31.

(b) A participant who fails to comply with an alternative employment plan must have the plan reviewed by a person trained in domestic violence and a job counselor or the county agency to determine if components of the alternative employment plan are still appropriate. If the activities are no longer appropriate, the plan must be revised with a person trained in domestic violence and approved by a job counselor or the county agency. A participant who fails to comply with a plan that is determined not to need revision will lose their exemption and be required to comply with regular employment services activities.

(c) A sanction under this subdivision becomes effective the month following the month in which a required notice is given. A sanction must not be imposed when a participant comes into compliance with the requirements for orientation under section 256J.45 or third-party liability for medical services under section 256J.30, subdivision 10, prior to the effective date of the sanction. A sanction must not be imposed when a participant comes into compliance with the requirements for employment and training services under sections 256J.49 to 256J.55 ten days prior to the effective date of the sanction. For purposes of this subdivision, each month that a participant fails to comply with a requirement of this chapter shall be considered a separate occurrence of noncompliance. A participant who has had one or more sanctions imposed must remain in compliance with the provisions of this chapter for six months in order for a subsequent occurrence of noncompliance to be considered a first occurrence.

(d) Sanctions for noncompliance shall be imposed as follows:

(1) For the first occurrence of noncompliance by a participant in an assistance unit, the assistance unit's grant shall be reduced by ten percent of the MFIP standard of need for an assistance unit of the same size with the residual grant paid to the participant. The reduction in the grant amount must be in effect for a minimum of one month and shall be removed in the month following the month that the participant returns to compliance.

(2) For a second or subsequent occurrence of noncompliance by a participant in an assistance unit, or when each of the participants in a two-parent assistance unit have a first occurrence of noncompliance at the same time, the assistance unit's shelter costs shall be vendor paid up to the amount of the cash portion of the MFIP grant for which the assistance unit is eligible. At county option, the assistance unit's utilities may also be vendor paid up to the amount of the cash portion of the MFIP grant remaining after vendor payment of the assistance unit's shelter costs. The residual amount of the grant after vendor payment, if any, must be reduced by an amount equal to 30 percent of the MFIP standard of need for an assistance unit of the same size before the residual grant is paid to the assistance unit. The reduction in the grant amount must be in effect for a minimum of one month and shall be removed in the month following the month that the participant in a one-parent assistance unit returns to compliance. In a two-parent assistance unit, the grant reduction must be in effect for a minimum of one month and shall be removed in the month following the month both participants return to compliance. The vendor payment of shelter costs and, if applicable, utilities shall be removed six months after the month in which the participant or participants return to compliance. If an assistance unit is sanctioned under this clause, the participant's case file must be reviewed as required under paragraph (e).

(e) When a sanction under paragraph (d), clause (2), is in effect, the county agency must review the participant's case to determine if the employment plan is still appropriate and attempt to meet with the participant face-to-face. The participant may bring an advocate to the face-to-face meeting. If a face-to-face meeting is not

MINNESOTA STATUTES 2002

conducted, the county agency must send the participant a written notice that includes the information required under clause.(1).

(1) During the face-to-face meeting, the county agency must:

(i) determine whether the continued noncompliance can be explained and mitigated by providing a needed preemployment activity, as defined in section 256J.49, subdivision 13, clause (16), or services under a local intervention grant for self-sufficiency under section 256J.625;

(ii) determine whether the participant qualifies for a good cause exception under section 256J.57;

(iii) determine whether the participant qualifies for an exemption under section 256J.56;

(iv) determine whether the participant qualifies for an exemption from regular employment services requirements for victims of family violence under section 256J.52, subdivision 6;

(v) inform the participant of the participant's sanction status and explain the consequences of continuing noncompliance;

(vi) identify other resources that may be available to the participant to meet the needs of the family; and

(vii) inform the participant of the right to appeal under section 256J.40.

(2) If the lack of an identified activity can explain the noncompliance, the county must work with the participant to provide the identified activity, and the county must restore the participant's grant amount to the full amount for which the assistance unit is eligible. The grant must be restored retroactively to the first day of the month in which the participant was found to lack preemployment activities or to qualify for an exemption under section 256J.56, a good cause exception under section 256J.57, or an exemption for victims of family violence under section 256J.52, subdivision 6.

(3) If the participant is found to qualify for a good cause exception or an exemption, the county must restore the participant's grant to the full amount for which the assistance unit is eligible.

Subd. 1a. [Repealed, 1Sp2001 c 9 art 10 s 67]

Subd. 2. **Sanctions for refusal to cooperate with support requirements.** The grant of an MFIP caregiver who refuses to cooperate, as determined by the child support enforcement agency, with support requirements under section 256.741, shall be subject to sanction as specified in this subdivision. The assistance unit's grant must be reduced by 25 percent of the applicable MFIP standard of need. The residual amount of the grant, if any, must be paid to the caregiver. A sanction under this subdivision becomes effective the first month following the month in which a required notice is given. A sanction must not be imposed when a caregiver comes into compliance with the requirements under section 256.741 prior to the effective date of the sanction. The sanction shall be removed in the month following the month that the caregiver cooperates with the support requirements. Each month that an MFIP caregiver fails to comply with the requirements of section 256.741 must be considered a separate occurrence of noncompliance. An MFIP caregiver who has had one or more sanctions imposed must remain in compliance with the requirements of section 256.741 for six months in order for a subsequent sanction to be considered a first occurrence.

Subd. 2a. **Dual sanctions.**-(a) Notwithstanding the provisions of subdivisions 1 and 2, for a participant subject to a sanction for refusal to comply with child support requirements under subdivision 2 and subject to a concurrent sanction for refusal to cooperate with other program requirements under subdivision 1, sanctions shall be imposed in the manner prescribed in this subdivision.

A participant who has had one or more sanctions imposed under this subdivision must remain in compliance with the provisions of this chapter for six months in order for a subsequent occurrence of noncompliance to be considered a first occurrence. Any vendor payment of shelter costs or utilities under this subdivision must remain in effect

for six months after the month in which the participant is no longer subject to sanction under subdivision 1.

(b) If the participant was subject to sanction for:

(i) noncompliance under subdivision 1 before being subject to sanction for noncooperation under subdivision 2; or

(ii) noncooperation under subdivision 2 before being subject to sanction for noncompliance under subdivision 1, the participant is considered to have a second occurrence of noncompliance and shall be sanctioned as provided in subdivision 1, paragraph (d), clause (2). Each subsequent occurrence of noncompliance shall be considered one additional occurrence and shall be subject to the applicable level of sanction under subdivision 1, paragraph (d), or section 256J.462. The requirement that the county conduct a review as specified in subdivision 1, paragraph (e), remains in effect.

(c) A participant who first becomes subject to sanction under both subdivisions 1 and 2 in the same month is subject to sanction as follows:

(i) in the first month of noncompliance and noncooperation, the participant's grant must be reduced by 25 percent of the applicable MFIP standard of need, with any residual amount paid to the participant;

(ii) in the second and subsequent months of noncompliance and noncooperation, the participant shall be subject to the applicable level of sanction under subdivision 1, paragraph (d), or section 256J.462.

The requirement that the county conduct a review as specified in subdivision 1, paragraph (e), remains in effect.

(d) A participant remains subject to sanction under subdivision 2 if the participant:

(i) returns to compliance and is no longer subject to sanction under subdivision 1 or section 256J.462; or

(ii) has the sanction under subdivision 1, paragraph (d), or section 256J.462 removed upon completion of the review under subdivision 1, paragraph (e).

A participant remains subject to the applicable level of sanction under subdivision 1, paragraph (d), or section 256J.462 if the participant cooperates and is no longer subject to sanction under subdivision 2.

256J.462 SANCTIONS; COUNTY OPTIONS.

Subdivision 1. **County sanction policy plan.** In addition to the sanctions under section 256J.46, a county agency may annually modify sanctions for noncompliant MFIP participants by implementing one of the sanction options under this section for a sixth or subsequent occurrence of noncompliance.

Subd. 2. **Procedure.** (a) If a county modifies sanctions for noncompliant participants, a county agency must develop and submit to the commissioner, by April 15, a proposed sanction policy plan that describes the sanctions imposed for each occurrence of noncompliance. A county agency must include the sanction policy plan as part of its local service unit plan under section 268.88.

(b) A county agency must send a written notice to MFIP participants at least 60 days before a county implements a modification of its sanction policy under this section. The county must also send a notice of adverse action prior to implementing a sanction under subdivision 3.

(c) For the purpose of applying sanctions under this section, only occurrences of noncompliance that occur after the effective date of the sanctions implemented under this section shall be considered. If the participant is in 30 percent sanction in the month the sanction takes effect, that month counts as the first occurrence for purposes of applying the sanctions under this section, but the sanction shall remain at 30 percent for that month.

(d) If an assistance unit that is in sanction status moves to a county that has adopted more severe sanctions than the assistance unit's previous county of residence, the participant shall be subject to the level of sanction that was imposed in the previous county of residence for the first six months of residence in the new county or until the participant comes into compliance, whichever occurs earlier.

(e) If both participants in a two-parent assistance unit are out of compliance at the same time, it is considered one occurrence of noncompliance.

Subd. 3. Sanction options. A county agency may modify its sanction policy by implementing one of the following sanctions for a sixth or subsequent occurrence of noncompliance:

(a) The county agency may vendor pay the assistance unit's shelter or utility costs, or both costs, up to the amount of the cash portion of the MFIP grant for which the assistance unit is eligible. The residual amount of the grant after vendor payment, if any, shall be reduced to zero. The sanction must be in effect for a minimum of one month and shall be removed the month following the month in which the participant returns to compliance. In a two-parent assistance unit, the sanction must be in effect for a minimum of one month and shall be removed the month following the month in which both participants return to compliance. The vendor payment of shelter or utility costs, or both, shall be removed six months after the month in which the participant returns to compliance.

(b) The county agency may disqualify an assistance unit from receiving MFIP, both the cash and food portions. This disqualification must be in effect for one full month. Disqualification under this paragraph does not make a participant automatically ineligible for food stamps. The county shall determine eligibility for food stamps and assist the participant in applying for food stamps, if eligible.

Subd. 4. Case review. Before a sanction under this section is imposed, a county agency shall conduct the case review required under section 256J.46, subdivision 1, paragraph (e).

Subd. 5. Eligibility after disqualification due to noncompliance. In the sanction policy plan under subdivision 2, a county may propose restrictions on assistance units that reapply for MFIP after disqualification for noncompliance under subdivision 3, paragraph (b). Such restrictions may not include permanent disqualification for noncompliance. Any restrictions must be limited to the first six months of MFIP eligibility following reapplication, provided that the participant complies with work requirements for the entire six months. Such restrictions may include:

(1) requiring participants to comply with work requirements for a period not to exceed one month before the assistance unit could regain MFIP eligibility;

(2) requiring that reapplying assistance units remain in ten percent sanction for six months; and

(3) changing the policy for subsequent sanctions for noncompliance to shorten the time frame before disqualification.

Subd. 6. Sanction policy review. The commissioner may review a county's sanction policies and practices if the county has a high or low sanction rate as compared to other counties or a high sanction rate for certain hard-to-serve participants. The commissioner shall require a county agency to complete corrective actions to remedy identified agency errors or misapplications of policy and may suspend a county's authority to impose sanction options under this section until the corrective actions are taken.

256J.47 DIVERSIONARY ASSISTANCE PROGRAM.

Subdivision 1. Eligibility. A family is eligible to receive diversionary assistance once every 12 months if:

(1) a family member has resided in this state for at least 30 days;

(2) the caregiver provides verification that the caregiver has either experienced an unexpected occurrence that makes it impossible to retain or obtain employment or the caregiver has a temporary loss of income, which is not due to refusing to accept or terminating suitable employment as defined in section 256J.49, without good cause under section 256J.57, resulting in an emergency;

(3) the caregiver is at risk of MFIP-S eligibility if diversionary assistance is not provided and household income is below 200 percent of the federal poverty guidelines; and

(4) the diversionary assistance will resolve the emergency and divert the family from applying for MFIP-S.

For purposes of this section, diversionary assistance means a onetime lump-sum payment to an individual or third-party vendor to prevent long-term receipt of public assistance.

Subd. 2. County agency duties. County agencies shall:

(1) thoroughly explain to the caregiver the consequences of receiving diversionary assistance, specifically the resulting period of ineligibility under subdivision 4 for other assistance programs; and

(2) determine eligibility for diversionary assistance within five working days of the receipt of the verification that substantiates eligibility or ineligibility. Verification means client declaration and the best determination of the county agency.

Subd. 3. Maximum amount of assistance. The maximum amount of diversionary assistance that may be provided to a family is equal to the amount of the MFIP-S transitional standard for the same family size and composition for four months. The assistance provided under this program must be based on the immediate needs of the family. Counties must strive to provide the most cost-effective solution to the onetime emergency. Diversionary assistance is not cost effective if the family's anticipated income added to the diversion payment will not be sufficient to cover the family's immediate needs for the period of ineligibility under subdivision 4, beginning with the month of application, or another emergency can reasonably be anticipated within the period of ineligibility.

Subd. 4. Ineligibility for MFIP; emergency assistance; and emergency general assistance. Upon receipt of diversionary assistance, the family is ineligible for MFIP, emergency assistance, and emergency general assistance for a period of time. To determine the period of ineligibility, the county shall use the following formula: regardless of household changes, the county agency must calculate the number of days of ineligibility by dividing the diversionary assistance issued by the MFIP standard of need a family of the same size and composition would have received under MFIP multiplied by 30, truncating the result. The ineligibility period begins the date the diversionary assistance is issued.

Subd. 5. Diversionary assistance grant; funding. The commissioner shall distribute diversionary assistance grants to counties. The commissioner may use federal block grant funding or state funding for the grants.

History: 1997 c 85 art 1 s 37; 1998 c 407 art 6 s 87; 1999 c 245 art 6 s 58; 2000 c 488 art 10 s 15

256J.48 EMERGENCY ASSISTANCE (EA).

Subdivision 1. Emergency financial assistance. County human service agencies shall grant emergency financial assistance to any needy pregnant woman or needy family with a child under the age of 21 who is or was within six months prior to application living with an eligible caregiver relative specified in section 256J.08.

Except for ongoing special diets, emergency assistance is available to a family during one 30-day period in a consecutive 12-month period. A county shall issue assistance for needs that accrue before that 30-day period only when it is necessary to resolve emergencies arising or continuing during the 30-day period of eligibility. When emergency needs continue, a county may issue assistance for up to 30 days beyond the

MINNESOTA STATUTES 2002

initial 30-day period of eligibility, but only when assistance is authorized during the initial period.

Subd. 1a. **Processing emergency applications.** Within seven days of receiving the application, or sooner if the immediacy and severity of the situation warrants it, families must be notified in writing whether their application was approved, denied, or pending.

Subd. 2. **Eligibility.** Notwithstanding other eligibility provisions of this chapter, any family without resources immediately available to meet emergency needs identified in subdivision 3 shall be eligible for an emergency grant under the following conditions:

- (1) a family member has resided in this state for at least 30 days;
- (2) the family is without resources immediately available to meet emergency needs;
- (3) assistance is necessary to avoid destitution or provide emergency shelter arrangements;
- (4) the family's destitution or need for shelter or utilities did not arise because the assistance unit is under sanction, the caregiver is disqualified, or the child or relative caregiver refused without good cause under section 256J.57 to accept employment or training for employment in this state or another state; and
- (5) at least one child or pregnant woman in the emergency assistance unit meets MFIP citizenship requirements in section 256J.11.

Subd. 3. **Emergency needs.** Emergency needs are limited to the following:

(a) **Rent.** A county agency may deny assistance to prevent eviction from rented or leased shelter of an otherwise eligible applicant when the county agency determines that an applicant's anticipated income will not cover continued payment for shelter, subject to conditions in clauses (1) to (3):

(1) a county agency must not deny assistance when an applicant can document that the applicant is unable to locate habitable shelter, unless the county agency can document that one or more habitable shelters are available in the community that will result in at least a 20 percent reduction in monthly expense for shelter and that this shelter will be cost-effective for the applicant;

(2) when no alternative shelter can be identified by either the applicant or the county agency, the county agency shall not deny assistance because anticipated income will not cover rental obligation; and

(3) when cost-effective alternative shelter is identified, the county agency shall issue assistance for moving expenses as provided in paragraph (e).

(b) **Definitions.** For purposes of paragraph (a), the following definitions apply (1) "metropolitan statistical area" is as defined by the United States Census Bureau; (2) "alternative shelter" includes any shelter that is located within the metropolitan statistical area containing the county and for which the applicant is eligible, provided the applicant does not have to travel more than 20 miles to reach the shelter and has access to transportation to the shelter. Clause (2) does not apply to counties in the Minneapolis-St. Paul metropolitan statistical area.

(c) **Mortgage and contract for deed arrearages.** A county agency shall issue assistance for mortgage or contract for deed arrearages on behalf of an otherwise eligible applicant according to clauses (1) to (4):

(1) assistance for arrearages must be issued only when a home is owned, occupied, and maintained by the applicant;

(2) assistance for arrearages must be issued only when no subsequent foreclosure action is expected within the 12 months following the issuance;

(3) assistance for arrearages must be issued only when an applicant has been refused refinancing through a bank or other lending institution and the amount payable, when combined with any payments made by the applicant, will be accepted by the creditor as full payment of the arrearage;

(4) costs paid by a family which are counted toward the payment requirements in this clause are: principal and interest payments on mortgages or contracts for deed,

balloon payments, homeowner's insurance payments, manufactured home lot rental payments, and tax or special assessment payments related to the homestead. Costs which are not counted include closing costs related to the sale or purchase of real property.

To be eligible for assistance for costs specified in clause (4) which are outstanding at the time of foreclosure, an applicant must have paid at least 40 percent of the family's gross income toward these costs in the month of application and the 11-month period immediately preceding the month of application.

When an applicant is eligible under clause (4), a county agency shall issue assistance up to a maximum of four times the MFIP standard of need for a comparable assistance unit.

(d) **Damage or utility deposits.** A county agency shall issue assistance for damage or utility deposits when necessary to alleviate the emergency. The county may require that assistance paid in the form of a damage deposit, less any amount retained by the landlord to remedy a tenant's default in payment of rent or other funds due to the landlord under a rental agreement, or to restore the premises to the condition at the commencement of the tenancy, ordinary wear and tear excepted, be returned to the county when the individual vacates the premises or be paid to the recipient's new landlord as a vendor payment. The county may require that assistance paid in the form of a utility deposit less any amount retained to satisfy outstanding utility costs be returned to the county when the person vacates the premises, or be paid for the person's new housing unit as a vendor payment. The vendor payment of returned funds shall not be considered a new use of emergency assistance.

(e) **Moving expenses.** A county agency shall issue assistance for expenses incurred when a family must move to a different shelter according to clauses (1) to (4):

(1) moving expenses include the cost to transport personal property belonging to a family, the cost for utility connection, and the cost for securing different shelter;

(2) moving expenses must be paid only when the county agency determines that a move is cost-effective;

(3) moving expenses must be paid at the request of an applicant, but only when destitution or threatened destitution exists; and

(4) moving expenses must be paid when a county agency denies assistance to prevent an eviction because the county agency has determined that an applicant's anticipated income will not cover continued shelter obligation in paragraph (a).

(f) **Home repairs.** A county agency shall pay for repairs to the roof, foundation, wiring, heating system, chimney, and water and sewer system of a home that is owned and lived in by an applicant.

The applicant shall document, and the county agency shall verify the need for and method of repair.

The payment must be cost-effective in relation to the overall condition of the home and in relation to the cost and availability of alternative housing.

(g) **Utility costs.** Assistance for utility costs must be made when an otherwise eligible family has had a termination or is threatened with a termination of municipal water and sewer service, electric, gas or heating fuel service, refuse removal service, or lacks wood when that is the heating source, subject to the conditions in clauses (1) and (2):

(1) a county agency must not issue assistance unless the county agency receives confirmation from the utility provider that assistance combined with payment by the applicant will continue or restore the utility; and

(2) a county agency shall not issue assistance for utility costs unless a family paid at least eight percent of the family's gross income toward utility costs due during the preceding 12 months.

Clauses (1) and (2) must not be construed to prevent the issuance of assistance when a county agency must take immediate and temporary action necessary to protect the life or health of a child.

(h) **Special diets.** Effective January 1, 1998, a county shall pay for special diets or dietary items for MFIP participants. Persons receiving emergency assistance funds for special diets or dietary items are also eligible to receive emergency assistance for shelter and utility emergencies, if otherwise eligible. The need for special diets or dietary items must be prescribed by a licensed physician. Costs for special diets shall be determined as percentages of the allotment for a one-person household under the Thrifty Food Plan as defined by the United States Department of Agriculture. The types of diets and the percentages of the Thrifty Food Plan that are covered are as follows:

- (1) high protein diet, at least 80 grams daily, 25 percent of Thrifty Food Plan;
- (2) controlled protein diet, 40 to 60 grams and requires special products, 100 percent of Thrifty Food Plan;
- (3) controlled protein diet, less than 40 grams and requires special products, 125 percent of Thrifty Food Plan;
- (4) low cholesterol diet, 25 percent of Thrifty Food Plan;
- (5) high residue diet, 20 percent of Thrifty Food Plan;
- (6) pregnancy and lactation diet, 35 percent of Thrifty Food Plan;
- (7) gluten-free diet, 25 percent of Thrifty Food Plan;
- (8) lactose-free diet, 25 percent of Thrifty Food Plan;
- (9) antidumping diet, 15 percent of Thrifty Food Plan;
- (10) hypoglycemic diet, 15 percent of Thrifty Food Plan; or
- (11) ketogenic diet, 25 percent of Thrifty Food Plan.

Subd. 4. **Vendor payments for shelter or utility costs.** An ongoing MFIP-S grant may, at county board option, be in the form of vendor payments if application for emergency assistance is for shelter or utility costs.

256J.49 EMPLOYMENT AND TRAINING SERVICES; DEFINITIONS.

Subdivision 1. **Scope.** The terms used in sections 256J.50 to 256J.72 have the meanings given them in this section.

Subd. 1a. **Alternative employment plan.** "Alternative employment plan" means a plan that is based on an individualized assessment of need and is developed with a person trained in domestic violence and approved by the county or a job counselor. The plan may address safety, legal or emotional issues, and other demands on the family as a result of the family violence. The information in section 256J.515, clauses (1) to (8), must be included as part of the development of the alternative employment plan. The primary goal of an alternative employment plan is to ensure the safety of the caregiver and children. To the extent it is consistent with ensuring safety, an alternative employment plan shall also include activities that are designed to lead to self-sufficiency. An activity is inconsistent with ensuring safety if, in the opinion of a person trained in domestic violence, the activity would endanger the safety of the participant or children. An alternative employment plan may not automatically include a provision that requires a participant to obtain an order for protection or to attend counseling.

Subd. 2. **Family violence.** "Family violence" means:

- (1) physical acts that result, or threaten to result in, physical injury to an individual;
- (2) sexual abuse;
- (3) sexual activity involving a minor child;
- (4) being forced as the caregiver of a minor child to engage in nonconsensual sexual acts or activities;
- (5) threats of, or attempts at, physical or sexual abuse;
- (6) mental abuse; or

- (7) neglect or deprivation of medical care.

Claims of family violence must be documented by the applicant or participant providing a sworn statement, which is supported by collateral documentation. Collateral documentation may consist of any one of the following:

- (1) police, government agency, or court records;
- (2) a statement from a battered woman's shelter staff with knowledge of circumstances or credible evidence that supports the sworn statement;
- (3) a statement from a sexual assault or domestic violence advocate with knowledge of the circumstances or credible evidence that supports a sworn statement;

256J.50 COUNTY DUTIES.

Subdivision 1. **Employment and training services component of MFIP.** (a) By January 1, 1998, each county must develop and implement an employment and training services component of MFIP which is designed to put participants on the most direct path to unsubsidized employment. Participation in these services is mandatory for all MFIP caregivers, unless the caregiver is exempt under section 256J.56.

(b) A county must provide employment and training services under sections 256J.515 to 256J.74 within 30 days after the caregiver's participation becomes mandatory under subdivision 5 or within 30 days of receipt of a request for services from a caregiver who under section 256J.42 is no longer eligible to receive MFIP but whose income is below 120 percent of the federal poverty guidelines for a family of the same size. The request must be made within 12 months of the date the caregivers' MFIP case was closed.

Subd. 2. **Pilot programs.** In counties selected for the work first or work focused pilot programs, first-time applicants for assistance must meet the requirements of those programs in place of the requirements of the MFIP-S program. A county may, at its option, discontinue a work first or work focused pilot program.

Subd. 3. **Transitional rule; MFIP or MFIP-R participant.** A caregiver who was enrolled in MFIP or MFIP-R on the date the county implements the employment and training services component of MFIP-S and was making satisfactory progress toward the objectives specified in the caregiver's employment plan, may continue with the existing employment plan for up to two years with the approval of a job counselor. The job counselor may require changes to the plan in order to be consistent with this two-year time limit.

Subd. 3a. **Transitional rule; STRIDE, ACCESS.** (a) A county agency that is not a participant in the MFIP or MFIP-R field trials formerly codified in sections 256.031 to 256.0361 shall not enroll a recipient into project STRIDE or ACCESS after the date that MFIP is implemented in the county.

(b) A caregiver who:

(i) was enrolled in project STRIDE or ACCESS continuously since March 1, 1997;

(ii) is not a part of an MFIP or MFIP-R comparison group; and

(iii) who is making satisfactory progress toward the objectives specified in the caregiver's employment plan, may, with the approval of the job counselor, continue with the existing employment plan for up to two years after the caregiver is enrolled in MFIP. For purposes of the federal participation standards, the activities in the caregiver's employment plan are work activities, as that term is defined in section 256J.49, subdivision 13.

(c) Notwithstanding contrary provisions of section 256.736, the employability plan of a caregiver who is enrolled in project STRIDE or ACCESS on or after July 1, 1997, must meet the requirements of section 256J.53.

Subd. 4. **Service providing agencies.** Unless the provisions of subdivision 8 apply, a county must select at least two employment and training service providers. A county may opt to provide services on its own as one of these providers.

Subd. 5. **Participation requirements for all cases.** (a) For two-parent cases, participation is required concurrent with the receipt of MFIP cash assistance.

For single-parent cases, participation is required concurrent with the receipt of MFIP cash assistance for all counties except Blue Earth and Nicollet, effective July 1, 2000, and is required for Blue Earth and Nicollet counties effective January 1, 2001. For Blue Earth and Nicollet counties only, from July 1, 2000 to December 31, 2000,

MINNESOTA STATUTES 2002

mandatory participation for single-parent cases must be required within six months of eligibility for cash assistance.

(b) Beginning January 1, 1998, with the exception of caregivers required to attend high school under the provisions of section 256J.54, subdivision 5, MFIP caregivers, upon completion of the secondary assessment, must develop an employment plan and participate in work activities.

(c) Upon completion of the secondary assessment:

(1) In single-parent families with no children under six years of age, the job counselor and the caregiver must develop an employment plan that includes 20 to 35 hours per week of work activities for the period January 1, 1998, to September 30, 1998; 25 to 35 hours of work activities per week in federal fiscal year 1999; and 30 to 35 hours per week of work activities in federal fiscal year 2000 and thereafter.

(2) In single-parent families with a child under six years of age, the job counselor and the caregiver must develop an employment plan that includes 20 to 35 hours per week of work activities.

(3) In two-parent families, the job counselor and the caregivers must develop employment plans which result in a combined total of at least 55 hours per week of work activities.

Subd. 6. Explanatory materials required. The county must:

(1) explain to applicants and recipients and provide explanatory materials regarding the relationship between the 60-month time limit on assistance funded with TANF dollars and the receipt of various benefits, including cash assistance, food stamps, medical assistance, and child care assistance; and

(2) provide assistance to applicants and recipients to enable them to minimize the use of their 60 allowable months of TANF-funded assistance.

Subd. 7. Local service unit plan. (a) Each local or county service unit shall prepare and submit a plan as specified in section 268.88.

(b) The plan must include a description of how projects funded under the local intervention grants for self-sufficiency in section 256J.625, subdivisions 2 and 3, operate in the local service unit, including:

(1) the target populations of hard-to-employ participants, working participants in need of job retention and wage advancement services, and caregivers who, within the last 12 months, have been determined under section 256J.42 to no longer be eligible to receive MFIP and whose income is below 120 percent of the federal poverty guidelines for a family of the same size, with a description of how individual participant needs will be met;

(2) services that will be provided which may include paid work experience, enhanced mental health services, outreach to sanctioned families and to caregivers who, within the last 12 months, have been determined under section 256J.42 to no longer be eligible to receive MFIP but whose income is below 120 percent of the federal poverty guidelines for a family of the same size, child care for social services, child care transition year set-aside, homeless and housing advocacy, and transportation;

(3) projected expenditures by activity;

(4) anticipated program outcomes including the anticipated impact the intervention efforts will have on performance measures under section 256J.751 and on reducing the number of MFIP participants expected to reach their 60-month time limit; and

(5) a description of services that are provided or will be provided to MFIP participants affected by chemical dependency, mental health issues, learning disabilities, or family violence.

Each plan must demonstrate how the county or tribe is working within its organization and with other organizations in the community to serve hard-to-employ populations, including how organizations in the community were engaged in planning for use of these funds, services other entities will provide under the plan, and whether multicounty or regional strategies are being implemented as part of this plan.

(c) Activities and expenditures in the plan must enhance or supplement MFIP activities without supplanting existing activities and expenditures. However, this paragraph does not require a county to maintain either:

(1) its current provision of child care assistance to MFIP families through the expenditure of county resources under chapter 256E for social services child care assistance if funds are appropriated by another law for an MFIP social services child care pool;

(2) its current provision of transition-year child care assistance through the expenditure of county resources if funds are appropriated by another law for this purpose; or

(3) its current provision of intensive ESL programs through the expenditure of county resources if funds are appropriated by another law for intensive ESL grants.

(d) The plan required under this subdivision must be approved before the local or county service unit is eligible to receive funds under section 256J.625, subdivisions 2 and 3.

Subd. 8. County duty to ensure employment and training choices for participants.

Each county, or group of counties working cooperatively, shall make available to participants the choice of at least two employment and training service providers as defined under section 256J.49, subdivision 4, except in counties utilizing workforce centers that use multiple employment and training services, offer multiple services options under a collaborative effort and can document that participants have choice among employment and training services designed to meet specialized needs.

Subd. 9. Exception; financial hardship. Notwithstanding subdivision 8, a county that explains in the plan required under subdivision 7 that the provision of alternative employment and training service providers would result in financial hardship for the county is not required to make available more than one employment and training provider.

Subd. 10. Required notification to victims of family violence. County agencies and their contractors must provide universal notification to all applicants and recipients of MFIP that:

(1) referrals to counseling and supportive services are available for victims of family violence;

(2) nonpermanent resident battered individuals married to United States citizens or permanent residents may be eligible to petition for permanent residency under the federal Violence Against Women Act, and that referrals to appropriate legal services are available;

(3) victims of family violence are exempt from the 60-month limit on assistance while the individual is complying with an approved safety plan or, after October 1, 2001, an alternative employment plan, as defined in section 256J.49, subdivision 1a; and

(4) victims of family violence may choose to have regular work requirements waived while the individual is complying with an alternative employment plan as defined in section 256J.49, subdivision 1a.

If an alternative plan is denied, the county or a job counselor must provide reasons why the plan is not approved and document how the denial of the plan does not interfere with the safety of the participant or children.

Notification must be in writing and orally at the time of application and recertification, when the individual is referred to the title IV-D child support agency, and at the beginning of any job training or work placement assistance program.

Subd. 11. Coordination. The county agency and the county agency's employment and training providers must consult and coordinate with other providers of employment and training services to identify existing resources, in order to prevent duplication of services, to assure that other programs' services are available to enable participants to achieve self-sufficiency, and to assure that costs for these other services for which participants are eligible are not incurred by MFIP-S. At a minimum, the county agency

and its providers must coordinate with Jobs Training and Partnership Act providers and with any other relevant employment, training, and education programs in the county.

Subd. 12. **Access to persons trained in domestic violence.** In a county where there is no staff person who is trained in domestic violence, as that term is defined in section 256J.08, subdivision 67a, the county must work with the nearest organization that is designated as providing services to victims of domestic violence to develop a process, which ensures that domestic violence victims have access to a person trained in domestic violence.

256J.51 EMPLOYMENT AND TRAINING SERVICE PROVIDER; ALTERNATE APPROVAL PROCESS.

Subdivision 1. **Provider application.** An employment and training service provider that is not included in a county's plan under section 256J.50, subdivision 7, because the county has demonstrated financial hardship under subdivision 9 of that section, may appeal its exclusion to the commissioner of economic security under this section.

Subd. 2. **Appeal; alternate approval.** (a) An employment and training service provider that is not included by a county agency in the plan under section 256J.50, subdivision 7, and that meets the criteria in paragraph (b), may appeal its exclusion to the commissioner of economic security, and may request alternative approval by the commissioner of economic security to provide services in the county.

(b) An employment and training services provider that is requesting alternative approval must demonstrate to the commissioner that the provider meets the standards specified in section 268.871, subdivision 1, paragraph (b), except that the provider's past experience may be in services and programs similar to those specified in section 268.871, subdivision 1, paragraph (b).

Subd. 3. **Commissioner's review.** (a) The commissioner must act on a request for alternative approval under this section within 30 days of the receipt of the request. If after reviewing the provider's request, and the county's plan submitted under section 256J.50, subdivision 7, the commissioner determines that the provider meets the criteria under subdivision 2, paragraph (b), and that approval of the provider would not cause financial hardship to the county, the county must submit a revised plan under subdivision 4 that includes the approved provider.

(b) If the commissioner determines that the approval of the provider would cause financial hardship to the county, the commissioner must notify the provider and the county of this determination. The alternate approval process under this section shall be closed to other requests for alternate approval to provide employment and training services in the county for up to 12 months from the date that the commissioner makes a determination under this paragraph.

Subd. 4. **Revised plan required.** The commissioner of economic security must notify the county agency when the commissioner grants an alternative approval to an employment and training service provider under subdivision 2. Upon receipt of the notice, the county agency must submit a revised plan under section 256J.50, subdivision 7, that includes the approved provider. The county has 90 days from the receipt of the commissioner's notice to submit the revised plan.

Subd. 5. **Review not required.** Notwithstanding subdivision 3, once a county meets the requirements of section 256J.50, subdivision 8, the commissioner may, but is not required to, act on a request by an employment and training services provider for alternative approval in that county.

256J.515 OVERVIEW OF EMPLOYMENT AND TRAINING SERVICES.

During the first meeting with participants, job counselors must ensure that an overview of employment and training services is provided that:

- (1) stresses the necessity and opportunity of immediate employment;
- (2) outlines the job search resources offered;
- (3) outlines education or training opportunities available;
- (4) describes the range of work activities, including activities under section 256J.49, subdivision 13, clause (18), that are allowable under MFIP to meet the individual needs of participants;
- (5) explains the requirements to comply with an employment plan;
- (6) explains the consequences for failing to comply;
- (7) explains the services that are available to support job search and work and education; and
- (8) provides referral information about shelters and programs for victims of family violence, the time limit exemption, and waivers of regular employment and training requirements for family violence victims.

Failure to attend the overview of employment and training services without good cause results in the imposition of a sanction under section 256J.46.

Effective October 1, 2001, a participant who has an alternative employment plan under section 256J.52, subdivision 6, as defined in section 256J.49, subdivision 1a, or who is in the process of developing such a plan, is exempt from the requirement to attend the overview.

History: 1997 c 85 art 1 s 42; 1998 c 407 art 6 s 94; 1999 c 245 art 6 s 62; 1Sp2001 c 9 art 10 s 42; 2002 c 379 art 1 s 113

256J.52 ASSESSMENTS; PLANS.

Subdivision 1. **Application limited to certain participants.** This section applies to participants receiving MFIP assistance who are not exempt under section 256J.56, and to caregivers who volunteer for employment and training services.

Subd. 2. **Initial assessment.** (a) The job counselor must, with the cooperation of the participant, assess the participant's ability to obtain and retain employment. This initial assessment must include a review of the participant's education level, prior employment or work experience, transferable work skills, and existing job markets.

(b) In assessing the participant, the job counselor must determine if the participant needs refresher courses for professional certification or licensure, in which case, the job search plan under subdivision 3 must include the courses necessary to obtain the certification or licensure, in addition to other work activities, provided the combination of the courses and other work activities are at least for 40 hours per week.

(c) If a participant can demonstrate to the satisfaction of the county agency that lack of proficiency in English is a barrier to obtaining suitable employment, the job counselor must include participation in an intensive English as a second language program if available or otherwise a regular English as a second language program in the individual's employment plan under subdivision 5. Lack of proficiency in English is not necessarily a barrier to employment.

(d) The job counselor may approve an education or training plan, and postpone the job search requirement, if the participant has a proposal for an education program which:

- (1) can be completed within 24 months; and
- (2) meets the criteria of section 256J.53, subdivisions 1, 2, 3, and 5.

(e) A participant who, at the time of the initial assessment, presents a plan that includes farming as a self-employed work activity must have an employment plan developed under subdivision 5 that includes the farming as an approved work activity.

Subd. 3. **Job search; job search support plan.** (a) If, after the initial assessment, the job counselor determines that the participant possesses sufficient skills that the participant is likely to succeed in obtaining suitable employment, the participant must conduct job search for a period of up to eight weeks, for at least 30 hours per week. The participant must accept any offer of suitable employment. Upon agreement by the

job counselor and the participant, a job search support plan may limit a job search to jobs that are consistent with the participant's employment goal. The job counselor and participant must develop a job search support plan which specifies, at a minimum: whether the job search is to be supervised or unsupervised; support services that will be provided while the participant conducts job search activities; the courses necessary to obtain certification or licensure, if applicable, and after obtaining the license or certificate, the client must comply with subdivision 5; and how frequently the participant must report to the job counselor on the status of the participant's job search activities. The job search support plan must also specify that the participant fulfill no more than half of the required hours of job search through attending adult basic education or English as a second language classes, if one or both of those activities are approved by the job counselor.

(b) During the eight-week job search period, either the job counselor or the participant may request a review of the participant's job search plan and progress towards obtaining suitable employment. If a review is requested by the participant, the job counselor must concur that the review is appropriate for the participant at that time. If a review is conducted, the job counselor may make a determination to conduct a secondary assessment prior to the conclusion of the job search.

(c) Failure to conduct the required job search, to accept any offer of suitable employment, to develop or comply with a job search support plan, or voluntarily quitting suitable employment without good cause results in the imposition of a sanction under section 256J.46. If at the end of eight weeks the participant has not obtained suitable employment, the job counselor must conduct a secondary assessment of the participant under subdivision 3.

(d) In order for an English as a second language (ESL) class to be an approved work activity, a participant must be at or below a spoken language proficiency level of SPL5 or its equivalent, as measured by a nationally recognized test. A participant may not be approved for more than a total of 24 months of ESL activities while participating in the employment and training services component of MFIP. In approving ESL as a work activity, the job counselor must give preference to enrollment in an intensive ESL program, if one is available, over a regular ESL program. If an intensive ESL program is approved, the restriction in paragraph (a) that no more than half of the required hours of job search is fulfilled through attending ESL classes does not apply.

Subd. 4. **Secondary assessment.** (a) The job counselor must conduct a secondary assessment for those participants who:

(1) in the judgment of the job counselor, have barriers to obtaining employment that will not be overcome with a job search support plan under subdivision 3;

(2) have completed eight weeks of job search under subdivision 3 without obtaining suitable employment;

(3) have not received a secondary assessment, are working at least 20 hours per week, and the participant, job counselor, or county agency requests a secondary assessment; or

(4) have an existing job search plan or employment plan developed for another program or are already involved in training or education activities under section 256J.55, subdivision 5.

(b) In the secondary assessment the job counselor must evaluate the participant's skills and prior work experience, family circumstances, interests and abilities, need for preemployment activities, supportive or educational services, and the extent of any barriers to employment. Failure to complete a secondary assessment shall result in the imposition of a sanction as specified in sections 256J.46 and 256J.57. The job counselor must use the information gathered through the secondary assessment to develop an employment plan under subdivision 5.

(c) The job counselor may require the participant to complete a professional chemical use assessment to be performed according to the rules adopted under section 254A.03, subdivision 3, including provisions in the administrative rules which recognize

the cultural background of the participant, or a professional psychological assessment as a component of the secondary assessment, when the job counselor has a reasonable belief, based on objective evidence, that a participant's ability to obtain and retain suitable employment is impaired by a medical condition. The job counselor may ensure that appropriate services, including child care assistance and transportation, are available to the participant to meet needs identified by the assessment. Data gathered as part of a professional assessment must be classified and disclosed according to the provisions in section 13.46.

(d) The provider shall make available to participants information regarding additional vendors or resources which provide employment and training services that may be available to the participant under a plan developed under this section. At a minimum, the provider must make available information on the following resources: business and higher education partnerships operated under the Minnesota job skills partnership, community and technical colleges, adult basic education programs, and services offered by vocational rehabilitation programs. The information must include a brief summary of services provided and related performance indicators. Performance indicators must include, but are not limited to, the average time to complete program offerings, placement rates, entry and average wages, and retention rates. To be included in the information given to participants, a vendor or resource must provide counties with relevant information in the format required by the county.

Subd. 5. Employment plan; contents. (a) Based on the secondary assessment under subdivision 4, the job counselor and the participant must develop an employment plan for the participant that includes specific activities that are tied to an employment goal and a plan for long-term self-sufficiency, and that is designed to move the participant along the most direct path to unsubsidized employment. The employment plan must list the specific steps that will be taken to obtain employment and a timetable for completion of each of the steps. Upon agreement by the job counselor and the participant, the employment plan may limit a job search to jobs that are consistent with the participant's employment goal.

(b) As part of the development of the participant's employment plan, the participant shall have the option of selecting from among the vendors or resources that the job counselor determines will be effective in supplying one or more of the services necessary to meet the employment goals specified in the participant's plan. In compiling the list of vendors and resources that the job counselor determines would be effective in meeting the participant's employment goals, the job counselor must determine that adequate financial resources are available for the vendors or resources ultimately selected by the participant.

(c) In order for an English as a second language (ESL) class to be an approved work activity, a participant must be at or below a spoken language proficiency level of SPL5 or its equivalent, as measured by a nationally recognized test. A participant may not be approved for more than a total of 24 months of ESL activities while participating in the employment and training services component of MFIP. In approving ESL as a work activity, the job counselor must give preference to enrollment in an intensive ESL program, if one is available, over a regular ESL program.

(d) The job counselor and the participant must sign the developed plan to indicate agreement between the job counselor and the participant on the contents of the plan.

Subd. 5a. Basic education activities in plan. Participants with low skills in reading or mathematics who are proficient only at or below an eighth-grade level must be allowed to include basic education activities in a job search support plan or an employment plan, whichever is applicable.

Subd. 6. Alternative employment plan and family violence waiver provisions. Participants who have a safety plan under section 256J.49, subdivision 11, prior to October 1, 2001, will have that plan converted to an alternative employment plan upon their plan renewal date. An alternative employment plan must be reviewed at the end of the first six months to determine if the activities contained in the alternative employment plan are still appropriate. It is the responsibility of the county or a job

counselor to contact the participant and notify the participant that the plan is up for review and document whether the participant wishes to renew the plan. If the participant does not wish to renew the plan, or if the participant fails to respond after reasonable efforts to contact the participant are made by the county or a job counselor, the participant must participate in regular employment services activities. If the participant requests renewal of the plan or if there is a dispute over whether the plan is still appropriate, the participant must receive the assistance of a person trained in domestic violence. If the person trained in domestic violence recommends that the activities are still appropriate, the county or a job counselor must renew the alternative employment plan or provide written reasons why the plan is not approved and document how denial of the plan renewal does not interfere with the safety of the participant or children. If the person trained in domestic violence recommends that the activities are no longer appropriate, the plan must be revised with the assistance of a person trained in domestic violence. The county or a job counselor must approve the revised plan or provide written reasons why the plan is not approved and document how denial of the plan renewal does not interfere with the safety of the participant or children. After the first six months reviews may take place quarterly. During the time a participant is cooperating with the development or revision of an alternative employment plan, the participant is not subject to a sanction for noncompliance with regular employment services activities.

Subd. 7. Revision of plan. If the employee has lost or quit a job with good cause, the job counselor must ascertain the reason for the job loss and work with the participant to amend the job search support plan or employment plan, whichever is in effect, as necessary to address the problem. If a job search support plan is in effect, the participant, county agency, or job counselor may request a secondary assessment at this time.

Subd. 8. Administrative support for postemployment education and training. After a caregiver receiving MFIP-S has been employed for six consecutive months, during which time the caregiver works on average more than 20 hours per week, the caregiver's job counselor shall inform the caregiver that the caregiver may request a secondary assessment described in subdivision 4 and shall provide information about:

- (1) part-time education and training options available to the caregiver; and
- (2) child care and transportation resources available to support postemployment education and training.

Subd. 9. Training concurrent with employment. An MFIP caregiver who is meeting the minimum hourly work participation requirements under the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 through employment must be allowed to meet any additional MFIP-S hourly work participation requirements through training or education that meets the requirements of section 256J.53.

256J.53 POST-SECONDARY EDUCATION; LIMITATIONS ON APPROVAL, JOB SEARCH REQUIREMENT.

Subdivision 1. Length of program. In order for a post-secondary education or training program to be approved work activity as defined in section 256J.49, subdivision 13, clause (18), it must be a program lasting 24 months or less, and the participant must meet the requirements of subdivisions 2 and 3.

Subd. 2. Documentation supporting program. In order for a post-secondary education or training program to be an approved activity in a participant's employment plan, the participant or the employment and training service provider must provide documentation that:

- (1) the participant's employment plan identifies specific goals that can only be met with the additional education or training;

- (2) there are suitable employment opportunities that require the specific education or training in the area in which the participant resides or is willing to reside;
- (3) the education or training will result in significantly higher wages for the participant than the participant could earn without the education or training;
- (4) the participant can meet the requirements for admission into the program; and
- (5) there is a reasonable expectation that the participant will complete the training program based on such factors as the participant's MFIP-S assessment, previous education, training, and work history; current motivation; and changes in previous circumstances.

Subd. 3. **Satisfactory progress required.** In order for a post-secondary education or training program to be an approved activity in a participant's employment plan, the participant must maintain satisfactory progress in the program. "Satisfactory progress" in an education or training program means (1) the participant remains in good standing while the participant is enrolled in the program, as defined by the education or training institution, or (2) the participant makes satisfactory progress as the term is defined in the participant's employment plan.

Subd. 4. [Repealed, 1Sp2001 c 9 art 10 s 67]

Subd. 5. **Job search after completion of work activity.** If a participant's employment plan includes a post-secondary educational or training program, the plan must include an anticipated completion date for those activities. At the time the education or training is completed, the participant must participate in job search. If, after three months of job search, the participant does not find a job that is consistent with the participant's employment goal, the participant must accept any offer of suitable employment.

256J.54 MINOR PARENTS; EMPLOYMENT PLAN.

Subdivision 1. **Assessment of educational progress and needs.** The county agency must document the educational level of each MFIP-S caregiver who is under the age of 20 and determine if the caregiver has obtained a high school diploma or its equivalent. If the caregiver has not obtained a high school diploma or its equivalent, and is not exempt from the requirement to attend school under subdivision 5, the county agency must complete an individual assessment for the caregiver. The assessment must be performed as soon as possible but within 30 days of determining MFIP-S eligibility for the caregiver. The assessment must provide an initial examination of the caregiver's educational progress and needs, literacy level, child care and supportive service needs, family circumstances, skills, and work experience. In the case of a caregiver under the age of 18, the assessment must also consider the results of either the caregiver's or the caregiver's minor child's child and teen checkup under Minnesota Rules, parts 9505.0275 and 9505.1693 to 9505.1748, if available, and the effect of a child's development and educational needs on the caregiver's ability to participate in the program. The county agency must advise the caregiver that the caregiver's first goal must be to complete an appropriate educational option if one is identified for the caregiver through the assessment and, in consultation with educational agencies, must review the various school completion options with the caregiver and assist in selecting the most appropriate option.

Subd. 2. **Responsibility for assessment and employment plan.** For caregivers who are under age 18 without a high school diploma or its equivalent, the assessment under subdivision 1 and the employment plan under subdivision 3 must be completed by the social services agency under section 257.33. For caregivers who are age 18 or 19 without a high school diploma or its equivalent, the assessment under subdivision 1 and the employment plan under subdivision 3 must be completed by the job counselor or, at county option, by the social services agency under section 257.33. Upon reaching age 18 or 19 a caregiver who received social services under section 257.33 and is without a high school diploma or its equivalent has the option to choose whether to continue receiving services under the caregiver's plan from the social services agency or to utilize

MINNESOTA STATUTES 2002

an MFIP employment and training service provider. The social services agency or the job counselor shall consult with representatives of educational agencies that are required to assist in developing educational plans under section 124D.331.

Subd. 3. **Educational option developed.** If the job counselor or county social services agency identifies an appropriate educational option for a caregiver under the age of 20 without a high school diploma or its equivalent, the job counselor or agency must develop an employment plan which reflects the identified option. The plan must specify that participation in an educational activity is required, what school or educational program is most appropriate, the services that will be provided, the activities the caregiver will take part in, including child care and supportive services, the consequences to the caregiver for failing to participate or comply with the specified requirements, and the right to appeal any adverse action. The employment plan must, to the extent possible, reflect the preferences of the caregiver.

Subd. 4. **No appropriate educational option.** If the job counselor determines that there is no appropriate educational option for a caregiver who is age 18 or 19 without a high school diploma or its equivalent, the job counselor must develop an employment plan, as defined in section 256J.49, subdivision 5, for the caregiver. If the county social services agency determines that school attendance is not appropriate for a caregiver under age 18 without a high school diploma or its equivalent, the county agency shall refer the caregiver to social services for services as provided in section 257.33.

Subd. 5. **School attendance required.** (a) Notwithstanding the provisions of section 256J.56, minor parents, or 18- or 19-year-old parents without a high school diploma or its equivalent must attend school unless:

(1) transportation services needed to enable the caregiver to attend school are not available;

(2) appropriate child care services needed to enable the caregiver to attend school are not available;

(3) the caregiver is ill or incapacitated seriously enough to prevent attendance at school; or

(4) the caregiver is needed in the home because of the illness or incapacity of another member of the household. This includes a caregiver of a child who is younger than six weeks of age.

(b) The caregiver must be enrolled in a secondary school and meeting the school's attendance requirements. The county, social service agency, or job counselor must verify at least once per quarter that the caregiver is meeting the school's attendance requirements. An enrolled caregiver is considered to be meeting the attendance requirements when the school is not in regular session, including during holiday and summer breaks.

256J.55 PARTICIPANT REQUIREMENTS, RIGHTS, AND EXPECTATIONS.

Subdivision 1. **Compliance with job search or employment plan; suitable employment.** (a) Each MFIP-S participant must comply with the terms of the participant's job search support plan or employment plan. When the participant has completed the steps listed in the employment plan, the participant must comply with section 256J.53, subdivision 5, if applicable, and then the participant must not refuse any offer of suitable employment. The participant may choose to accept an offer of suitable employment before the participant has completed the steps of the employment plan.

(b) For a participant under the age of 20 who is without a high school diploma or general educational development diploma, the requirement to comply with the terms of the employment plan means the participant must meet the requirements of section 256J.54.

(c) Failure to develop or comply with a job search support plan or an employment plan, or quitting suitable employment without good cause, shall result in the imposition of a sanction as specified in sections 256J.46 and 256J.57.

Subd. 2. Duty to report. The participant must inform the job counselor within three working days regarding any changes related to the participant's employment status.

Subd. 3. Move to a different county. MFIP-S applicants or recipients who move to a different county in Minnesota and are required to participate in employment and training services are subject to the requirements of the destination county. An employment plan that was developed in the county of origin may be continued in the destination county if both the destination county and the participant agree to do so.

Subd. 4. Choice of provider. MFIP caregivers must be able to choose from at least two employment and training service providers, unless the county has demonstrated to the commissioner that the provision of multiple employment and training service providers would result in financial hardship for the county, or the county is utilizing a workforce center as specified in section 256J.50, subdivision 8. Both parents in a two-parent family must choose the same employment and training service provider unless a special need, such as bilingual services, is identified but not available through one service provider.

Subd. 5. Option to utilize existing plan. With job counselor approval, if a participant is already complying with a job search support or employment plan that was developed for a different program or is already involved in education or training activities, the participant may continue that plan or activity if the plan meets, or is modified to meet, the requirements of sections 256J.52 to 256J.57, and if the participant is concurrently employed and the combination of the hours spent in education or training and employment meets the hourly participation requirements. The participant is not required to be employed if the number of hours per week the participant is in education or training meets the hourly work participation requirements.

256J.56 EMPLOYMENT AND TRAINING SERVICES COMPONENT; EXEMPTIONS.

(a) An MFIP participant is exempt from the requirements of sections 256J.52 to 256J.55 if the participant belongs to any of the following groups:

- (1) participants who are age 60 or older;
- (2) participants who are suffering from a professionally certified permanent or temporary illness, injury, or incapacity which is expected to continue for more than 30 days and which prevents the person from obtaining or retaining employment. Persons in this category with a temporary illness, injury, or incapacity must be reevaluated at least quarterly;
- (3) participants whose presence in the home is required as a caregiver because of a professionally certified illness or incapacity of another member in the assistance unit, a relative in the household, or a foster child in the household and the illness or incapacity is expected to continue for more than 30 days;
- (4) women who are pregnant, if the pregnancy has resulted in a professionally certified incapacity that prevents the woman from obtaining or retaining employment;
- (5) caregivers of a child under the age of one year who personally provide full-time care for the child. This exemption may be used for only 12 months in a lifetime. In two-parent households, only one parent or other relative may qualify for this exemption;
- (6) participants experiencing a personal or family crisis that makes them incapable of participating in the program, as determined by the county agency. If the participant does not agree with the county agency's determination, the participant may seek professional certification, as defined in section 256J.08, that the participant is incapable of participating in the program.

MINNESOTA STATUTES 2002

Persons in this exemption category must be reevaluated every 60 days. A personal or family crisis related to family violence, as determined by the county or a job counselor with the assistance of a person trained in domestic violence, should not result in an exemption, but should be addressed through the development or revision of an alternative employment plan under section 256J.52, subdivision 6; or

(7) caregivers with a child or an adult in the household who meets the disability or medical criteria for home care services under section 256B.0627, subdivision 1, paragraph (c), or a home and community-based waiver services program under chapter 256B, or meets the criteria for severe emotional disturbance under section 245.4871, subdivision 6, or for serious and persistent mental illness under section 245.462, subdivision 20, paragraph (c). Caregivers in this exemption category are presumed to be prevented from obtaining or retaining employment.

A caregiver who is exempt under clause (5) must enroll in and attend an early childhood and family education class, a parenting class, or some similar activity, if available, during the period of time the caregiver is exempt under this section. Notwithstanding section 256J.46, failure to attend the required activity shall not result in the imposition of a sanction.

(b) The county agency must provide employment and training services to MFIP participants who are exempt under this section, but who volunteer to participate. Exempt volunteers may request approval for any work activity under section 256J.49, subdivision 13. The hourly participation requirements for nonexempt participants under section 256J.50, subdivision 5, do not apply to exempt participants who volunteer to participate.

256J.57 GOOD CAUSE; FAILURE TO COMPLY; NOTICE; CONCILIATION CONFERENCE.

Subdivision 1. **Good cause for failure to comply.** The county agency shall not impose the sanction under section 256J.46 if it determines that the participant has good cause for failing to comply with the requirements of sections 256J.52 to 256J.55. Good cause exists when:

- (1) appropriate child care is not available;
- (2) the job does not meet the definition of suitable employment;
- (3) the participant is ill or injured;
- (4) a member of the assistance unit, a relative in the household, or a foster child in the household is ill and needs care by the participant that prevents the participant from complying with the job search support plan or employment plan;
- (5) the parental caregiver is unable to secure necessary transportation;
- (6) the parental caregiver is in an emergency situation that prevents compliance with the job search support plan or employment plan;
- (7) the schedule of compliance with the job search support plan or employment plan conflicts with judicial proceedings;
- (8) a mandatory MFIP meeting is scheduled during a time that conflicts with a judicial proceeding or a meeting related to a juvenile court matter, or a participant's work schedule;
- (9) the parental caregiver is already participating in acceptable work activities;
- (10) the employment plan requires an educational program for a caregiver under age 20, but the educational program is not available;
- (11) activities identified in the job search support plan or employment plan are not available;
- (12) the parental caregiver is willing to accept suitable employment, but suitable employment is not available; or

1371

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.62

(13) the parental caregiver documents other verifiable impediments to compliance with the job search support plan or employment plan beyond the parental caregiver's control.

The job counselor shall work with the participant to reschedule mandatory meetings for individuals who fall under clauses (1), (3), (4), (5), (6), (7), and (8).

Subd. 2. Notice of intent to sanction. (a) When a participant fails without good cause to comply with the requirements of sections 256J.52 to 256J.55, the job counselor or the county agency must provide a notice of intent to sanction to the participant specifying the program requirements that were not complied with, informing the participant that the county agency will impose the sanctions specified in section 256J.46, and informing the participant of the opportunity to request a conciliation conference as specified in paragraph (b). The notice must also state that the participant's continuing noncompliance with the specified requirements will result in additional sanctions under section 256J.46, without the need for additional notices or conciliation conferences under this subdivision. The notice, written in English, must include the department of human services language block, and must be sent to every applicable participant. If the participant does not request a conciliation conference within ten calendar days of the mailing of the notice of intent to sanction, the job counselor must notify the county agency that the assistance payment should be reduced. The county must then send a notice of adverse action to the participant informing the participant of the sanction that will be imposed, the reasons for the sanction, the effective date of the sanction, and the participant's right to have a fair hearing under section 256J.40.

(b) The participant may request a conciliation conference by sending a written request, by making a telephone request, or by making an in-person request. The request must be received within ten calendar days of the date the county agency mailed the ten-day notice of intent to sanction. If a timely request for a conciliation is received, the county agency's service provider must conduct the conference within five days of the request. The job counselor's supervisor, or a designee of the supervisor, must review the outcome of the conciliation conference. If the conciliation conference resolves the noncompliance, the job counselor must promptly inform the county agency and request withdrawal of the sanction notice.

(c) Upon receiving a sanction notice, the participant may request a fair hearing under section 256J.40, without exercising the option of a conciliation conference. In such cases, the county agency shall not require the participant to engage in a conciliation conference prior to the fair hearing.

(d) If the participant requests a fair hearing or a conciliation conference, sanctions will not be imposed until there is a determination of noncompliance. Sanctions must be imposed as provided in section 256J.46.

The requirements must include summary information necessary for state agencies and the legislature to evaluate the effectiveness of the services.

256J.62 ALLOCATION OF COUNTY EMPLOYMENT AND TRAINING SERVICES BLOCK GRANT.

Subdivision 1. Allocation. Money appropriated for MFIP employment and training services must be allocated to counties and eligible tribal providers as specified in this section.

MINNESOTA STATUTES 2002

Subd. 2. [Repealed; 1999 c 245 art 6 s 89]

Subd. 2a. **Caseload-based funds allocation.** Effective for state fiscal year 2000, and for all subsequent years, money shall be allocated to counties and eligible tribal providers based on their average number of MFIP cases as a proportion of the statewide total number of MFIP cases:

(1) the average number of cases must be based upon counts of MFIP or tribal TANF cases as of March 31, June 30, September 30, and December 31 of the previous calendar year, less the number of child only cases and cases where all the caregivers are age 60 or over. Two-parent cases, with the exception of those with a caregiver age 60 or over, will be multiplied by a factor of two;

(2) the MFIP or tribal TANF case count for each eligible tribal provider shall be based upon the number of MFIP or tribal TANF cases who are enrolled in, or are eligible for enrollment in the tribe; and the case must be an active MFIP case; and the case members must reside within the tribal program's service delivery area; and

(3) MFIP or tribal TANF cases counted for determining allocations to tribal providers shall be removed from the case counts of the respective counties where they reside to prevent duplicate counts.

Subd. 3. [Repealed; 1999 c 245 art 6 s 89]

Subd. 4. **Administrative activities limit.** No more than 15 percent of the money allocated under this section may be used for administrative activities.

Subd. 5. [Repealed; 1999 c 159 s 154; 1999 c 245 art 6 s 89]

Subd. 6. **Bilingual employment and training services to refugees.** Funds appropriated to cover the costs of bilingual employment and training services to refugees shall be allocated to county agencies based on the county's proportion of the total statewide number of MFIP refugee cases in the previous fiscal year. Counties with less than one percent of the statewide number of MFIP refugee cases shall not receive an allocation of bilingual employment and training services funds.

Subd. 7. **Work literacy language programs.** Funds appropriated to cover the costs of work literacy language programs to non-English-speaking recipients shall be allocated to county agencies based on the county's proportion of the total statewide number of MFIP cases in the previous fiscal year where the lack of English is a barrier to employment. Counties with less than two percent of the statewide number of MFIP cases where the lack of English is a barrier to employment shall not receive an allocation of the work literacy language program funds.

Subd. 8. **Reallocation.** The commissioner of human services shall review county agency expenditures of MFIP employment and training services funds at the end of the third quarter of the first year of the biennium and each quarter after that and may reallocate unencumbered or unexpended money appropriated under this section to those county agencies that can demonstrate a need for additional money.

Subd. 9. **Continuation of certain services.** At the request of the participant, the county may continue to provide case management, counseling, or other support services to a participant:

- (a) who has achieved the employment goal; or
- (b) who under section 256J.42 is no longer eligible to receive MFIP.

These services may be provided for up to 12 months following termination of the participant's eligibility for MFIP.

256J.625 LOCAL INTERVENTION GRANTS FOR SELF-SUFFICIENCY.

Subdivision 1. **Establishment; guaranteed minimum allocation.** (a) The commissioner shall make grants under this subdivision to assist county and tribal TANF programs to more effectively serve hard-to-employ MFIP participants and participants who, within the last 12 months, have been determined under section 256J.42 to no longer be eligible to receive MFIP but whose income is below 120 percent of the

MINNESOTA STATUTES 2002

1373

MINNESOTA FAMILY INVESTMENT PROGRAM 256J.625

federal poverty guidelines for a family of the same size. Funds appropriated for local intervention grants for self-sufficiency must be allocated first in amounts equal to the guaranteed minimum in paragraph (b), and second according to the provisions of subdivision 2. Any remaining funds must be allocated according to the formula in subdivision 3. Counties or tribes must have an approved local service unit plan under section 256J.50, subdivision 7, paragraph (b), in order to receive and expend funds under subdivisions 2 and 3.

(b) Each county or tribal program shall receive a guaranteed minimum annual allocation of \$25,000.

Subd. 2. Set-aside funds. (a) Of the funds appropriated for grants under this section, after the allocation in subdivision 1, paragraph (b), is made, 20 percent of the remaining funds each year shall be retained by the commissioner and awarded to counties or tribes whose approved plans demonstrate additional need based on their identification of hard-to-employ families, working participants in need of job retention and wage advancement services, and participants who, within the last 12 months, have been determined under section 256J.42 to no longer be eligible to receive MFIP but whose income is below 120 percent of the federal poverty guidelines for a family of the same size, strong anticipated outcomes for families and an effective plan for monitoring performance, or, use of a multicounty, multi-entity or regional approach to serve hard-to-employ families, working participants in need of job retention and wage advancement services, and participants who, within the last 12 months, have been determined under section 256J.42 to no longer be eligible to receive MFIP but whose income is below 120 percent of the federal poverty guidelines for a family of the same size, who are identified as a target population to be served in the plan submitted under section 256J.50, subdivision 7, paragraph (b). In distributing funds under this paragraph, the commissioner must achieve a geographic balance. The commissioner may award funds under this paragraph to other public, private, or nonprofit entities to deliver services in a county or region where the entity or entities submit a plan that demonstrates a strong capability to fulfill the terms of the plan and where the plan shows an innovative or multi-entity approach.

(b) For fiscal year 2001 only, of the funds available under this subdivision the commissioner must allocate funding in the amounts specified in article 1, section 2, subdivision 7, for an intensive intervention transitional employment training project and for nontraditional career assistance and training programs. These allocations must occur before any set-aside funds are allocated under paragraph (a).

Subd. 2a. Alternative distribution formula. (a) By January 31, 2001, the commissioner of human services must develop and present to the appropriate legislative committees a distribution formula that is an alternative to the formula allocation specified in subdivision 3. The proposed distribution formula must target hard-to-employ MFIP participants, and it must include an incentive-based component that is designed to encourage county and tribal programs to effectively serve hard-to-employ participants. The commissioner's proposal must also be designed to be implemented for fiscal years 2002 and 2003 in place of the formula allocation specified in subdivision 3.

(b) Notwithstanding the provisions of subdivision 2, paragraph (a), if the commissioner does not develop a proposed formula as required in paragraph (a), the set-aside funds for fiscal years 2002 and 2003 that the commissioner would otherwise distribute under subdivision 2, paragraph (a), must not be distributed under that provision. Funds available under subdivision 2, paragraph (a), must instead be allocated in equal amounts to each county and tribal program in fiscal years 2002 and 2003.

Subd. 3. Formula allocation. Funds remaining after the allocations in subdivisions 1 and 2 must be allocated as follows:

(1) 85 percent shall be allocated in proportion to each county's and tribal TANF program's one-parent MFIP cases that have received MFIP assistance for at least 25 months, as sampled on December 31 of the previous calendar year, excluding cases where all caregivers are age 60 or over.

(2) 15 percent shall be allocated to each county's and tribal TANF program's two-parent MFIP cases that have received MFIP assistance for at least 25 months, as sampled on December 31 of the previous calendar year, excluding cases where all caregivers are age 60 or over.

Subd. 4. **Use of funds.** (a) A county or tribal program may use funds allocated under this subdivision to provide services to MFIP participants who are hard-to-employ and their families. Services provided must be intended to reduce the number of MFIP participants who are expected to reach the 60-month time limit under section 256J.42. Counties, tribes, and other entities receiving funds under subdivision 2 or 3 must submit semiannual progress reports to the commissioner which detail program outcomes.

(b) Funds allocated under this section may not be used to provide benefits that are defined as "assistance" in Code of Federal Regulations, title 45, section 260.31, to an assistance unit that is only receiving the food portion of MFIP benefits or under section 256J.42 is no longer eligible to receive MFIP.

(c) A county may use funds allocated under this section for that part of the match for federal access to jobs transportation funds that is TANF-eligible. A county may also use funds allocated under this section to enhance transportation choices for eligible recipients up to 150 percent of the federal poverty guidelines.

Subd. 5. **Sunset.** The grant program under this section sunsets on June 30, 2003.

256J.645 INDIAN TRIBE MFIP EMPLOYMENT SERVICES.

Subdivision 1. **Authorization to enter into agreements.** Effective July 1, 1997, the commissioner may enter into agreements with federally recognized Indian tribes with a reservation in the state to provide MFIP employment services to members of the Indian tribe and to other caregivers who are a part of the tribal member's MFIP assistance unit. For purposes of this section, "Indian tribe" means a tribe, band, nation, or other federally recognized group or community of Indians. The commissioner may also enter into an agreement with a consortium of Indian tribes providing the governing body of each Indian tribe in the consortium complies with the provisions of this section.

Subd. 2. **Tribal requirements.** The Indian tribe must:

(1) agree to fulfill the responsibilities provided under the employment services component of MFIP regarding operation of MFIP employment services, as designated by the commissioner;

(2) operate its employment services program within a geographic service area not to exceed the counties within which a border of the reservation falls;

(3) operate its program in conformity with section 13.46 and any applicable federal regulations in the use of data about MFIP recipients;

(4) coordinate operation of its program with the county agency, Workforce Investment Act programs, and other support services or employment-related programs in the counties in which the tribal unit's program operates;

(5) provide financial and program participant activity record keeping and reporting in the manner and using the forms and procedures specified by the commissioner and permit inspection of its program and records by representatives of the state; and

(6) have the Indian tribe's employment service provider certified by the commissioner of economic security, or approved by the county.

Subd. 3. **Funding.** If the commissioner and an Indian tribe are parties to an agreement under this subdivision, the agreement shall annually provide to the Indian tribe the funding allocated in section 256J.62, subdivisions 1 and 2a.

Subd. 4. **County agency requirement.** Indian tribal members receiving MFIP benefits and residing in the service area of an Indian tribe operating employment

services under an agreement with the commissioner must be referred by county agencies in the service area to the Indian tribe for employment services.

256J.65 THE SELF-EMPLOYMENT INVESTMENT DEMONSTRATION PROGRAM (SEID).

(a) A caregiver who enrolls and participates in the SEID program as specified in section 268.95, may, at county option, be exempted from other employment and training participation requirements for a period of up to 24 months, except for the school attendance requirements as specified in section 256J.54.

(b) The following income and resource considerations apply to SEID participants:

(1) an unencumbered cash reserve fund, composed of proceeds from a SEID business, is not counted against the grant if those funds are reinvested in the business and the value of the business does not exceed \$3,000. The value of the business is determined by deducting outstanding encumbrances from retained business profit; and

(2) the purchase of capital equipment and durable goods of an amount up to \$3,000 during a 24-month project period is allowed as a business expense.

(c) SEID participants with a county-approved employment plan are also eligible for employment and training services, including child care and transportation.

256J.655 NONTRADITIONAL CAREER ASSISTANCE AND TRAINING.

With the approval of the job counselor, a participant may enroll and participate in a nontraditional career assistance and training (NCAT) program under section 256K.30. An MFIP recipient participating in an NCAT program with the approval of the job counselor is also eligible for employment and training services, including child care and transportation.

256J.66 ON-THE-JOB TRAINING.

Subdivision 1. **Establishing the on-the-job training program.** (a) County agencies may develop on-the-job training programs for MFIP-S caregivers who are participating in employment and training services. A county agency that chooses to provide on-the-job training may make payments to employers for on-the-job training costs that, during the period of the training, must not exceed 50 percent of the wages paid by the employer to the participant. The payments are deemed to be in compensation for the extraordinary costs associated with training participants under this section and in compensation for the costs associated with the lower productivity of the participants during training.

(b) Provision of an on-the-job training program under the Job Training Partnership Act, in and of itself, does not qualify as an on-the-job training program under this section.

(c) Participants in on-the-job training shall be compensated by the employer at the same rates, including periodic increases, as similarly situated employees or trainees and in accordance with applicable law, but in no event less than the federal or applicable state minimum wage, whichever is higher.

Subd. 2. **Training and placement.** (a) County agencies shall limit the length of training based on the complexity of the job and the caregiver's previous experience and training. Placement in an on-the-job training position with an employer is for the purpose of training and employment with the same employer who has agreed to retain the person upon satisfactory completion of training.

(b) Placement of any participant in an on-the-job training position must be compatible with the participant's assessment and employment plan under section 256J.52.

History: 1997 c 85 art 1 s 53

256J.67 COMMUNITY WORK EXPERIENCE.

Subdivision 1. **Establishing the community work experience program.** To the extent of available resources, each county agency may establish and operate a work experience component for MFIP-S caregivers who are participating in employment and training services. This option for county agencies supersedes the requirement in section 402(a)(1)(B)(iv) of the Social Security Act that caregivers who have received assistance for two months and who are not exempt from work requirements must participate in a work experience program. The purpose of the work experience component is to enhance the caregiver's employability and self-sufficiency and to provide meaningful, productive work activities. The county shall use this program for an individual after exhausting all other employment opportunities. The county agency shall not require a caregiver to participate in the community work experience program unless the caregiver has been given an opportunity to participate in other work activities.

Subd. 2. **Commissioner's duties.** The commissioner shall assist counties in the design and implementation of these components.

Subd. 3. **Employment options.** (a) Work sites developed under this section are limited to projects that serve a useful public service such as: health, social service, environmental protection, education, urban and rural development and redevelopment, welfare, recreation, public facilities, public safety, community service, services to aged or disabled citizens, and child care. To the extent possible, the prior training, skills, and experience of a caregiver must be considered in making appropriate work experience assignments.

(b) Structured, supervised volunteer work with an agency or organization, which is monitored by the county service provider, may, with the approval of the county agency, be used as a work experience placement.

(c) As a condition of placing a caregiver in a program under this section, the county agency shall first provide the caregiver the opportunity:

(1) for placement in suitable subsidized or unsubsidized employment through participation in a job search; or

(2) for placement in suitable employment through participation in on-the-job training, if such employment is available.

Subd. 4. **Employment plan.** (a) The caretaker's employment plan must include the length of time needed in the work experience program, the need to continue job-seeking activities while participating in work experience, and the caregiver's employment goals.

(b) After each six months of a caregiver's participation in a work experience job placement, and at the conclusion of each work experience assignment under this section, the county agency shall reassess and revise, as appropriate, the caregiver's employment plan.

(c) A caregiver may claim good cause under section 256J.57, subdivision 1, for failure to cooperate with a work experience job placement.

(d) The county agency shall limit the maximum number of hours any participant may work under this section to the amount of the MFIP standard of need divided by the federal or applicable state minimum wage, whichever is higher. After a participant has been assigned to a position for nine months, the participant may not continue in that assignment unless the maximum number of hours a participant works is no greater than the amount of the MFIP standard of need divided by the rate of pay for individuals employed in the same or similar occupations by the same employer at the

same site. This limit does not apply if it would prevent a participant from counting toward the federal work participation rate.

256J.68 INJURY PROTECTION FOR WORK EXPERIENCE PARTICIPANTS.

Subdivision 1. **Applicability.** (a) This section must be used to determine payment of any claims resulting from an alleged injury or death of a person participating in a county or a tribal community work experience program that is approved by the commissioner and is operated by:

- (i) the county agency;
- (ii) the tribe;
- (iii) a department of the state; or

(iv) a community-based organization under contract, prior to April 1, 1997, with a county agency to provide a community work experience program or a food stamp community work experience program, provided the organization has not experienced any individual injury loss or claim greater than \$1,000.

(b) This determination method is available to the community-based organization under paragraph (a), clause (iv), only for claims incurred by participants in the community work experience program or the food stamp community work experience program.

(c) This determination method applies to work experience programs authorized by the commissioner for persons applying for or receiving cash assistance and food stamps, and to the Minnesota parent's fair share program and the community service program under section 518.551, subdivision 5a, in a county with an approved community investment program for obligors.

Subd. 2. **Investigation of the claim.** Claims that are subject to this section must be investigated by the county agency or the tribal program responsible for supervising the work to determine whether the claimed injury occurred, whether the claimed medical expenses are reasonable, and whether the loss is covered by the claimant's insurance. If insurance coverage is established, the county agency or tribal program shall submit the claim to the appropriate insurance entity for payment. The investigating county agency or tribal program shall submit all valid claims, in the amount net of any insurance payments, to the department of human services.

Subd. 3. **Submission of claim.** The commissioner shall submit all claims for permanent partial disability compensation to the commissioner of labor and industry. The commissioner of labor and industry shall review all submitted claims and recommend to the department of human services an amount of compensation comparable to that which would be provided under the permanent partial disability compensation schedule of section 176.101, subdivision 2a.

Subd. 4. **Claims less than \$1,000.** The commissioner shall approve a claim of \$1,000 or less for payment if appropriated funds are available, if the county agency or tribal program responsible for supervising the work has made the determinations required by this section, and if the work program was operated in compliance with the safety provisions of this section. The commissioner shall pay the portion of an approved claim of \$1,000 or less that is not covered by the claimant's insurance within three months of the date of submission. On or before February 1 of each year, the commissioner shall submit to the appropriate committees of the senate and the house of representatives a list of claims of \$1,000 or less paid during the preceding calendar year and shall be reimbursed by legislative appropriation for any claims that exceed the original appropriation provided to the commissioner to operate this program. Any unspent money from this appropriation shall carry over to the second year of the biennium, and any unspent money remaining at the end of the second year shall be returned to the state general fund.

Subd. 5. **Claims more than \$1,000.** On or before February 1 of each year, the commissioner shall submit to the appropriate committees of the senate and the house

of representatives a list of claims in excess of \$1,000 and a list of claims of \$1,000 or less that were submitted to but not paid by the commissioner, together with any recommendations of appropriate compensation. These claims shall be heard and determined by the appropriate committees of the senate and house of representatives and, if approved, must be paid under the legislative claims procedure.

Subd. 6. **Compensation for certain costs.** Compensation paid under this section is limited to reimbursement for reasonable medical expenses and permanent partial disability compensation for disability in like amounts as allowed in section 176.101, subdivision 2a. Compensation for injuries resulting in death shall include reasonable medical expenses and burial expenses in addition to payment to the participant's estate in an amount up to \$200,000. No compensation shall be paid under this section for pain and suffering, lost wages, or other benefits provided in chapter 176. Payments made under this section shall be reduced by any proceeds received by the claimant from any insurance policy covering the loss. For the purposes of this section, "insurance policy" does not include the medical assistance program authorized under chapter 256B or the general assistance medical care program authorized under chapter 256D.

Subd. 7. **Exclusive procedure.** The procedure established by this section is exclusive of all other legal, equitable, and statutory remedies against the state, its political subdivisions, or employees of the state or its political subdivisions. The claimant shall not be entitled to seek damages from any state, county, tribal, or reservation insurance policy or self-insurance program.

Subd. 8. **Invalid claims.** A claim is not valid for purposes of this section if the county agency responsible for supervising the work cannot verify to the commissioner:

(1) that appropriate safety training and information is provided to all persons being supervised by the agency under this section; and

(2) that all programs involving work by those persons comply with federal Occupational Safety and Health Administration and state department of labor and industry safety standards. A claim that is not valid because of failure to verify safety training or compliance with safety standards will not be paid by the department of human services or through the legislative claims process and must be heard, decided, and paid, if appropriate, by the local government unit or tribal program responsible for supervising the work of the claimant.

History: 1997 c 85 art 1 s 55

256J.69 GRANT DIVERSION.

Subdivision 1. **Establishing the grant diversion program.** (a) County agencies may develop grant diversion programs for MFIP-S participants participating in employment and training services. A county agency that chooses to provide grant diversion may divert to an employer part or all of the MFIP-S cash payment for the participant's assistance unit, in compliance with federal regulations and laws. Such payments to an employer are to subsidize employment for MFIP-S participants as an alternative to public assistance payments.

(b) In addition to diverting the MFIP-S grant to the employer, employment and training funds may be used to subsidize the grant diversion placement.

(c) Participants in grant diversion shall be compensated by the employer at the same rates, including periodic increases, as similarly situated employees or trainees and in accordance with applicable law, but in no event less than the federal or applicable state minimum wage, whichever is higher.

Subd. 2. **Training and placement.** (a) County agencies shall limit the length of training to nine months. Placement in a grant diversion training position with an employer is for the purpose of training and employment with the same employer who has agreed to retain the person upon satisfactory completion of training.

(b) Placement of any participant in a grant diversion subsidized training position must be compatible with the assessment and employment plan or employability

development plan established for the recipient under section 256J.52 or 256K.03, subdivision 8.

History: 1997 c 85 art 1 s 56

256J.72 NONDISPLACEMENT IN WORK ACTIVITIES.

Subdivision 1. **Nondisplacement protection.** For job assignments under jobs programs established under this chapter or chapter 256, 256D, or 256K, the county agency must provide written notification to and obtain the written concurrence of the appropriate exclusive bargaining representatives with respect to job duties covered under collective bargaining agreements and ensure that no work assignment under this chapter or chapter 256, 256D, or 256K results in:

- (1) termination, layoff, or reduction of the work hours of an employee for the purpose of hiring an individual under this section;
- (2) the hiring of an individual if any other person is on layoff, including seasonal layoff, from the same or a substantially equivalent job;
- (3) any infringement of the promotional opportunities of any currently employed individual;
- (4) the impairment of existing contract for services of collective bargaining agreements; or
- (5) a participant filling an established unfilled position vacancy, except for on-the-job training.

The written notification must be provided to the appropriate exclusive bargaining representatives at least 14 days in advance of placing recipients in temporary public service employment. The notice must include the number of individuals involved, their work locations and anticipated hours of work, a summary of the tasks to be performed, and a description of how the individuals will be trained and supervised.

Subd. 2. **Dispute resolution.** (a) If there is a dispute between an exclusive bargaining representative and a county provider or employer over whether job duties are within the scope of a collective bargaining unit, the exclusive bargaining representative, the county, the provider, or the employer may petition the bureau of mediation services to determine if the job duties are within the scope of a collective bargaining unit, and the bureau shall render a binding decision.

(b) In the event of a dispute under this section, the parties may:

- (1) use a grievance and arbitration procedure of an existing collective bargaining agreement to process a dispute over whether a violation of the nondisplacement provisions has occurred; or
- (2) if no grievance and arbitration procedure is in place, either party may submit the dispute to the bureau. The commissioner of the bureau of mediation services shall establish a procedure for a neutral, binding resolution of the dispute.

Subd. 3. **Status of participant.** A participant may not work in a temporary public service or community service job for a public employer for more than 67 working days or 536 hours, whichever is greater, as part of a work program established under this chapter, or chapter 256, 256D, or 256K. A participant who exceeds the time limits in this subdivision is a public employee, as that term is used in chapter 179A. Upon the written request of the exclusive bargaining representative, a county or public service employer shall make available to the affected exclusive bargaining representative a report of hours worked by participants in temporary public service or community service jobs.

History: 1997 c 85 art 1 s 57

256J.74 RELATIONSHIP TO OTHER PROGRAMS.

Subdivision 1. **Social services.** The county agency shall refer a participant for social services that are offered in the county of financial responsibility according to the criteria established by that county agency under Minnesota Rules, parts 9550.0010 to 9550.0092. A payment issued from federal funds under title XX of the Social Security

MINNESOTA STATUTES 2002

Act, state funds under the Community Social Services Act, federal or state child welfare funds, or county funds in a payment month must not restrict MFIP-S eligibility or reduce the monthly assistance payment for that participant.

Subd. 2. **Concurrent eligibility, limitations.** (a) An individual whose needs have been otherwise provided for in another state, in whole or in part by county, state, or federal dollars during a month, is ineligible to receive MFIP for the month.

(b) A county agency must not count an applicant or participant as a member of more than one assistance unit in this state in a given payment month, except as provided in clauses (1) and (2).

(1) A participant who is a member of an assistance unit is eligible to be included in a second assistance unit the month after the month the participant joins the second unit.

(2) An applicant whose needs are met through federal, state, or local foster care payments for the first part of an application month is eligible to receive assistance for the remaining part of the month in which the applicant returns home. Foster care payments must be considered prorated payments rather than a duplication of MFIP need.

Subd. 3. **Emergency assistance, assistance unit with a minor child.** An MFIP-S assistance unit with a minor child or a pregnant woman without a minor child is eligible for emergency assistance when the assistance unit meets the requirements in section 256J.48, subdivision 2.

Subd. 4. **Medical assistance.** Medical assistance eligibility for MFIP-S participants shall be determined as described in chapter 256B.

Subd. 5. **Food stamps.** For any month an individual receives Food Stamp Program benefits, the individual is not eligible for the MFIP-S food portion of assistance, except as provided under section 256J.28, subdivision 5.

256J.75 COUNTY OF FINANCIAL RESPONSIBILITY POLICIES.

Subdivision 1. **County of financial responsibility.** The county of financial responsibility is the county in which a minor child or pregnant woman lives on the date the application is signed, unless subdivision 4 applies. When more than one county is financially responsible for the members of an assistance unit, financial responsibility must be assigned to a single county beginning the first day of the calendar month after the assistance unit members are required to be in a single assistance unit. Financial responsibility must be assigned to the county that was initially responsible for the assistance unit member with the earliest date of application. The county in which the assistance unit is currently residing becomes financially responsible for the entire assistance unit beginning two full calendar months after the month in which financial responsibility was consolidated in one county.

Subd. 2. **Change in residence.** (a) When an assistance unit moves from one county to another and continues to receive assistance, the new county of residence becomes the county of financial responsibility when that assistance unit has lived in that county in nonexcluded status for two full calendar months. "Nonexcluded status" means the period of residence that is not considered excluded time under section 256G.02, subdivision 6. When a minor child moves from one county to another to reside with a different caregiver, the caregiver in the former county is eligible to receive assistance for that child only through the last day of the month of the move. The caregiver in the new county becomes eligible to receive assistance for the child the first day of the month following the move or the date of application, whichever is later.

(b) When an applicant moves from one county to another while the application is pending, the county where application first occurred is the county of financial responsibility until the applicant has lived in the new county for two full calendar months, unless the applicant's move is covered under section 256G.02, subdivision 6.

Subd. 3. **Responsibility for incorrect assistance payments.** A county of residence, when different from the county of financial responsibility, will be charged by the commissioner for the value of incorrect assistance payments and medical assistance paid to or on behalf of a person who was not eligible to receive that amount. Incorrect payments include payments to an ineligible person or family resulting from decisions, failures to act, miscalculations, or overdue recertification. However, financial responsibility does not accrue for a county when the recertification is overdue at the time the referral is received by the county of residence or when the county of financial responsibility does not act on the recommendation of the county of residence. When federal or state law requires that medical assistance continue after assistance ends, this subdivision also governs financial responsibility for the extended medical assistance.

Subd. 4. **Excluded time.** When an applicant or participant resides in an excluded time facility as described in section 256G.02, subdivision 6, the county that is financially responsible for the applicant or participant is the county in which the applicant or participant last resided outside such a facility immediately before entering the facility. When an applicant or participant has not resided in this state for any time other than excluded time as defined in section 256G.02, subdivision 6, the county that is financially responsible for the applicant or participant is the county in which the applicant or participant resides on the date the application is signed.

256J.751 COUNTY PERFORMANCE MANAGEMENT.

Subdivision 1. **Quarterly county caseload report.** The commissioner shall report quarterly to each county on the county's performance on the following measures:

- (1) number of cases receiving only the food portion of assistance;
 - (2) number of child-only cases;
 - (3) number of minor caregivers;
 - (4) number of cases that are exempt from the 60-month time limit by the exemption category under section 256J.42;
 - (5) number of participants who are exempt from employment and training services requirements by the exemption category under section 256J.56;
 - (6) number of assistance units receiving assistance under a hardship extension under section 256J.425;
 - (7) number of participants and number of months spent in each level of sanction under section 256J.46, subdivision 1;
 - (8) number of MFIP cases that have left assistance;
 - (9) federal participation requirements as specified in title 1 of Public Law Number 104-193;
 - (10) median placement wage rate; and
 - (11) of each county's total MFIP caseload less the number of cases in clauses (1) to (6):
 - (i) number of one-parent cases;
 - (ii) number of two-parent cases;
 - (iii) percent of one-parent cases that are working more than 20 hours per week;
 - (iv) percent of two-parent cases that are working more than 20 hours per week;
- and
- (v) percent of cases that have received more than 36 months of assistance.

Subd. 2. **Quarterly comparison report.** The commissioner shall report quarterly to all counties on each county's performance on the following measures:

- (1) percent of MFIP caseload working in paid employment;
- (2) percent of MFIP caseload receiving only the food portion of assistance;
- (3) number of MFIP cases that have left assistance;

(4) federal participation requirements as specified in Title 1 of Public Law Number 104-193;

- (5) median placement wage rate; and
 (6) caseload by months of TANF assistance.

Subd. 3. **Annual report.** The commissioner must report to all counties and to the legislature on each county's annual performance on the measures required under subdivision 1 by racial and ethnic group and, to the extent consistent with state and federal law, must include each county's performance on:

- (1) the number of out-of-wedlock births and births to teen mothers; and
 (2) number of cases by racial and ethnic group.

The report must be completed by January 1, 2002, and January 1 of each year thereafter and must comply with sections 3.195 and 3.197.

Subd. 4. **Development of performance measures.** By January 1, 2002, the commissioner shall, in consultation with counties, develop measures for county performance in addition to those in subdivisions 1 and 2. In developing these measures, the commissioner must consider:

- (1) a measure for MFIP cases that leave assistance due to employment;
 (2) job retention after participants leave MFIP;
 (3) participant's earnings at a follow-up point after the participant has left MFIP;
 and
 (4) the appropriateness of services provided to minority groups.

Subd. 5. **Failure to meet federal performance standards.** (a) If sanctions occur for failure to meet the performance standards specified in title 1 of Public Law Number 104-193 of the Personal Responsibility and Work Opportunity Act of 1996, the state shall pay 88 percent of the sanction. The remaining 12 percent of the sanction will be paid by the counties. The county portion of the sanction will be distributed across all counties in proportion to each county's percentage of the MFIP average monthly caseload during the period for which the sanction was applied.

(b) If a county fails to meet the performance standards specified in title 1 of Public Law Number 104-193 of the Personal Responsibility and Work Opportunity Act of 1996 for any year, the commissioner shall work with counties to organize a joint state-county technical assistance team to work with the county. The commissioner shall coordinate any technical assistance with other departments and agencies including the departments of economic security and children, families, and learning as necessary to achieve the purpose of this paragraph.

256J.76 COUNTY ADMINISTRATIVE AID.

Subdivision 1. **Administrative functions.** Beginning July 1, 1997, counties will receive federal funds from the TANF block grant for use in supporting eligibility, fraud control, and other related administrative functions. The federal funds available for distribution, as determined by the commissioner, must be an amount equal to federal administrative aid distributed for fiscal year 1996 under titles IV-A and IV-F of the Social Security Act in effect prior to October 1, 1996. This amount must include the amount paid for local collaboratives under sections 245.4932 and 256F.13, but must not include administrative aid associated with child care under section 119B.05, with emergency assistance intensive family preservation services under section 256F.05, with administrative activities as part of the employment and training services under this chapter or chapter 256K, or with fraud prevention investigation activities under section 256.983. Before July 15, 1999, a county may ask for a review of the commissioner's determination when the county believes fiscal year 1996 information was inaccurate or incomplete. By August 15, 1999, the commissioner must adjust that county's base when the commissioner has determined that inaccurate or incomplete information was used to develop that base. The commissioner shall adjust the county's 1999 allocation amount to reflect the base change.

Subd. 2. **Allocation of county funds.** (a) The commissioner shall determine and allocate the funds available to each county, on a calendar year basis, proportional to the amount paid to each county for fiscal year 1996, excluding the amount paid for local collaboratives under sections 245.4932 and 256F.13. For the period beginning July 1, 1997, and ending December 31, 1998, each county shall receive 150 percent of its base year allocation.

(b) Beginning January 1, 2000, the commissioner shall allocate funds made available under this section on a calendar year basis to each county first, in amounts equal to each county's guaranteed floor as described in clause (1), second, to provide an allocation of up to \$2,000 to each county as provided for in clause (2), and third, any remaining funds shall be allocated in proportion to the sum of each county's average monthly MFIP cases plus ten percent of each county's average monthly MFIP recipients with budgeted earnings as determined by the most recent calendar year data available.

(1) Each county's guaranteed floor shall be calculated as follows:

(i) 90 percent of that county's allocation in the preceding calendar year; or
 (ii) when the amount of funds available is less than the guaranteed floor, each county's allocation shall be equal to the previous calendar year allocation reduced by the same percentage that the statewide allocation was reduced.

(2) Each county shall be allocated up to \$2,000. If, after application of the guaranteed floor, funds are insufficient to provide \$2,000 per county, each county's allocation under this clause shall be an equal share of remaining funds available.

Subd. 3. **Monthly payments to counties.** The commissioner shall pay counties monthly as federal funds are available. The commissioner may certify the payments for the first three months of a calendar year.

Subd. 4. **Reporting requirement and reimbursement.** The commissioner shall specify requirements for reporting according to section 256.01, subdivision 2, paragraph (17). Each county shall be reimbursed at a rate of 50 percent of eligible expenditures up to the limit of its allocation. The commissioner shall regularly review each county's eligible expenditures compared to its allocation. The commissioner may reallocate funds at any time, from counties which have not or will not have expended their allocations, to counties that have eligible expenditures in excess of their allocation.

256J.77 AGING OF CASH BENEFITS.

Cash benefits under chapters 256D, 256J, and 256K by warrants or electronic benefit transfer that have not been accessed within 90 days of issuance shall be canceled. Cash benefits may be replaced after they are canceled, for up to one year after the date of issuance, if failure to do so would place the client or family at risk. For purposes of this section, "accessed" means cashing a warrant or making at least one withdrawal from benefits deposited in an electronic benefit account.
