297B.01 DEFINITIONS.

Subdivision 1. **Scope.** The following words, terms and phrases when used in Laws 1971, chapter 853, shall have the meaning ascribed to them in this section except where the context clearly indicates a different meaning.

Subd. 2. **Person.** "Person" includes any individual, firm, partnership, joint adventure, association, corporation, estate, business trust, receiver, or any other group or combination acting as a unit and the plural as well as the singular number.

Subd. 3. **Motor vehicle registrar.** "Motor vehicle registrar" shall mean the registrar of motor vehicles who is the officer in charge of the motor vehicle division, department of public safety, of this state and who shall act as the agent of the commissioner of revenue in administering the provisions of this chapter.

Subd. 4. **Vehicle.** "Vehicle" shall include every device in, upon, or by which any person or property may be transported or drawn upon a public highway, except devices moved by human power or animal power or used exclusively upon stationary rails or tracks.

Subd. 5. **Motor vehicle.** "Motor vehicle" means any self-propelled vehicle not operated exclusively upon railroad tracks and any vehicle propelled or drawn by a self-propelled vehicle for which registration is required by chapter 168. Motor vehicle includes vehicles known as trackless trolleys which are propelled by electric power obtained from overhead trolley wires but not operated upon rails and motor vehicles that are purchased on Indian reservations where the tribal council has entered into a sales tax on motor vehicles refund agreement with the state of Minnesota. Motor vehicle does not include snowmobiles or manufactured homes.

Subd. 6. **Use.** "Use" shall mean the exercise by any person of any right or power over a motor vehicle incident to the ownership or possession of such a vehicle, except that it shall not include the sale or holding for sale of such a vehicle in the regular course of business. The term shall not include motor vehicles rented or leased.

Subd. 7. **Sale, sells, selling, purchase, purchased, or acquired.** (a) "Sale," "sells," "selling," "purchase," "purchased," or "acquired" means any transfer of title of any motor vehicle, whether absolutely or conditionally, for a consideration in money or by exchange or barter for any purpose other than resale in the regular course of business.

(b) Any motor vehicle utilized by the owner only by leasing such vehicle to others or by holding it in an effort to so lease it, and which is put to no other use by the owner other than resale after such lease or effort to lease, shall be considered property purchased for resale.

(c) The terms also shall include any transfer of title or ownership of a motor vehicle by other means, for or without consideration, except that these terms shall not include:

(1) the acquisition of a motor vehicle by inheritance from or by bequest of, a decedent who owned it;

(2) the transfer of a motor vehicle which was previously licensed in the names of two or more joint tenants and subsequently transferred without monetary consideration to one or more of the joint tenants;

(3) the transfer of a motor vehicle by way of gift between individuals, when the transfer is with no monetary or other consideration or expectation of consideration and the parties to the transfer submit an affidavit to that effect at the time the title transfer is recorded;

(4) the voluntary or involuntary transfer of a motor vehicle between a husband and wife in a divorce proceeding; or

(5) the transfer of a motor vehicle by way of a gift to an organization that is exempt from federal income taxation under section 501(c)(3) of the Internal Revenue Code, as amended through December 31, 1996, when the motor vehicle will be used exclusively for religious, charitable, or educational purposes.

Subd. 8. **Purchase price.** "Purchase price" means the total consideration valued in money for a sale, whether paid in money or otherwise. The purchase price excludes the amount of a manufacturer's rebate paid or payable to the purchaser. If a motor vehicle is taken in trade as a credit or as part payment on a motor vehicle taxable under this chapter, the credit or trade-in value allowed by the person selling the motor vehicle shall be deducted from the total selling price to establish the purchase price of the vehicle being sold and the trade-in allowance allowed by the seller shall constitute the purchase price of the motor vehicle accepted as a trade-in. The purchase price in those instances where the motor vehicle is acquired by gift or by any other transfer for a nominal or no monetary consideration shall also include the average value of similar motor vehicles, established by standards and guides as determined by the motor vehicle registrar. The purchase price in those instances where a motor vehicle is manufactured by a person who registers it under the laws of this state shall mean the manufactured cost of such motor vehicle and manufactured cost shall mean the amount expended for materials, labor and other properly allocable costs of manufacture, except that in the absence of actual expenditures for the manufacture of a part or all of the motor vehicle, manufactured costs shall mean the reasonable value of the completed motor vehicle.

The term "purchase price" shall not include the portion of the value of a motor vehicle due solely to modifications necessary to make the motor vehicle handicapped accessible. The term "purchase price" shall not include the transfer of a motor vehicle by way of gift between a husband and wife or parent and child, or to a nonprofit organization as provided under subdivision 7, paragraph (e), nor shall it include the transfer of a motor vehicle by a guardian to a ward when there is no monetary consideration and the title to such vehicle was registered in the name of the guardian, as guardian, only because the ward was a minor. There shall not be included in "purchase price" the amount of any tax imposed by the United States upon or with respect to retail sales whether imposed upon the retailer or the consumer.

The term "purchase price" shall not include the transfer of a motor vehicle as a gift between a foster parent and foster child. For purposes of this subdivision, a foster relationship exists, regardless of the age of the child, if (1) a foster parent's home is or was licensed as a foster family home under Minnesota Rules, parts 9545.0010 to 9545.0260, and (2) the county verifies that the child was a state ward or in permanent foster care.

Subd. 9. **Purchaser.** "Purchaser" shall mean any person owning or in possession of a motor vehicle who makes application to the motor vehicle registrar for registration plates for such vehicle or for transfer of ownership of a vehicle previously registered in this state.

The amount of the refund is the tax paid by the purchaser less an amount equal to the tax paid multiplied by a fraction, the denominator of which is the purchase price of the vehicle and the numerator of which is the allowance deducted from the refund for the consumer's use of the vehicle. The refund must be paid to the manufacturer, dealer, or lessor only upon filing of a written application, in a form and providing information as prescribed by the commissioner. Subdivision 1. **Ordinary course of business.** Except as provided in this section, motor vehicles purchased for resale in the ordinary course of business or used by any motor vehicle dealer, as defined in section 168.011, subdivision 21, who is licensed under section 168.27, subdivision 2 or 3, which bear dealer plates as authorized by section 168.27, subdivision 16, shall be exempt from the provisions of this chapter.

Subd. 2. **Annual tax for dealer plate.** Motor vehicles which satisfy the definitions of subdivision 1, shall be taxed at a yearly rate of \$15 per dealer plate. This tax shall be paid when dealer plates, tabs, or stickers are purchased and shall be deposited in the state treasury and credited as provided in section 297B.09. Subd. 3. **Sale in violation of licensing requirement.** Motor vehicles sold in contravention of section 168.27, subdivision 2, paragraph (a); 3; 6; or 10, paragraph (a), clause (1)(ii), shall not be considered to have been acquired or purchased for resale in the ordinary or regular course of business for the purposes of this chapter, and the seller shall be required to pay the excise tax due on the purchase of those vehicles. The sale by a lessor of a new motor vehicle under lease within 120 days of the commencement of the lease is deemed a sale in contravention of section 168.27, subdivision 10, paragraph (a), clause (1)(ii), unless the lessor holds a valid contract or franchise with the manufacturer or distributor of the vehicle. History: 1995 c 74 s 3

297B.04 PURCHASER'S CERTIFICATE FURNISHED TO REGISTRAR.

All persons who apply for registration of any motor vehicle shall complete a motor vehicle purchaser's certificate in such form and manner as may be prescribed by the motor vehicle registrar, showing a complete description of the motor vehicle, the seller's name and address, the buyer's name and address, the full purchase price of the vehicle, trade-in allowance if any, whether the vehicle was the subject of a gift, and any other information that the motor vehicle registrar may require.

History: 1971 c 853 s 4

297B.05 PRESENTATION OF PURCHASER'S CERTIFICATE TO REGISTRAR.

No registration plates or certificate shall be issued by the motor vehicle registrar for a motor vehicle unless and until the applicant therefor shall attach a properly executed motor vehicle purchaser's certificate to the application for license registration. If an application for registration or transfer is made for a motor vehicle that has been previously registered in this state and the applicant is the same person in whose name the registration had previously been issued, the motor vehicle purchaser's certificate need not be submitted to the motor vehicle registrar.

History: 1971 c 853 s 5

297B.06 NO REGISTRATION UNLESS TAX PAID.

No registration plates or certificate shall be issued by the motor vehicle registrar for the ownership or operation of any motor vehicle to any applicant for registration other than for those vehicles which have been previously registered and the applicant for registration is the same person in whose name the registration had previously been issued or other than for those vehicles exempt from the tax under other sections of Laws 1971, chapter 853, unless the tax imposed by section 297B.02 shall be paid by the applicant to the motor vehicle registrar. The provisions of this section shall apply only to the immediate transaction and if the applicant pays the tax due with respect to the application, this section shall not constitute grounds for refusal to issue plates or a certificate because the tax imposed by this chapter was not paid by a previous applicant in a prior transaction involving the same motor vehicle so long as the present applicant had no actual knowledge of the failure to pay the tax prior to acquiring the vehicle and the previous applicant held a certificate of title indicating the previous applicant was the owner of the vehicle.

(a) Evidence that a motor vehicle was sold for delivery in this state shall be prima facie evidence that it was sold for use in this state.

(b) When an application for registration plates for a motor vehicle is received by the motor vehicle registrar within 30 days of the date it was purchased or acquired by the purchaser, it shall be presumed, until the contrary is shown by the purchaser, that it was purchased or acquired for use in this state. This presumption shall apply whether or not such vehicle was previously titled or registered in another state.

History: 1971 c 853 s 7

297B.08 TAX PAID IN OTHER STATE; CREDIT, RECIPROCITY.

If any motor vehicle has been or is subject to a tax by any other state in respect to its sale or use, in an amount less than the tax imposed by this chapter and chapter 297A, the provisions of this chapter and chapter 297A, shall apply, but at a rate measured by the difference only between the rate fixed in chapter 297A, and the rate by which the previous tax paid in the other state upon the sale or use was computed. If the rate of tax imposed in such other state is the same or more than the rate of tax imposed by chapter 297A, then no tax shall be due on such motor vehicle. The provisions of this section shall apply only if such other state allows a credit with respect to the excise tax imposed by this chapter and chapter 297A, which is substantially similar in effect to the credit allowed by this section.
