275.011 MILL RATE LEVY LIMITATIONS; CONVERSION FROM MILLS TO DOLLARS.

Subdivision 1. **Determination of levy limit.** The property tax levied for any purpose under a special law that is not codified in Minnesota Statutes or a city charter provision and that is subject to a mill rate limitation imposed by the special law or city charter provision, excluding levies subject to mill rate limitations that use adjusted assessed values determined by the commissioner of revenue under section 124.2131, must not exceed the following amount for the years specified:

(a) for taxes payable in 1988, the product of the applicable mill rate limitation imposed by special law or city charter provision multiplied by the total assessed valuation of all taxable property subject to the tax as adjusted by the provisions of Minnesota Statutes 1986, sections 272.64; 273.13, subdivision 7a; and 275.49;

(b) for taxes payable in 1989, the product of (1) the property tax levy limitation for the taxes payable year 1988 determined under clause (a) multiplied by (2) an index for market valuation changes equal to the assessment year 1988 total market valuation of all taxable property subject to the tax divided by the assessment year 1987 total market valuation of all taxable property subject to the tax; and

(c) for taxes payable in 1990 and subsequent years, the product of (1) the property tax levy limitation for the previous year determined pursuant to this subdivision multiplied by (2) an index for market valuation changes equal to the total market valuation of all taxable property subject to the tax for the current assessment year divided by the total market valuation of all taxable property subject to the tax for the previous assessment year.

For the purpose of determining the property tax levy limitation for the taxes payable year 1988 and subsequent years under this subdivision, "total market valuation" means the total market valuation of all taxable property subject to the tax without valuation adjustments for fiscal disparities (chapters 276A and 473F), tax increment financing (sections 469.174 to 469.179), or powerline credit (section 273.425).

Subd. 2. **Construction of mill rate levy limit.** A mill rate levy limitation imposed by a special law or city charter provision that is presently in effect, excluding those mill rate levy limitations that use adjusted assessed values determined by the commissioner of revenue under section 124.2131, shall be construed to allow no more and no less property taxes than the amount determined under this section.

Subd. 3. **County capital improvement mill limits.** For purposes of determining the mill rate limits applicable to county capital improvement programs under section 373.40, the mill rate limit applicable to the county must be divided by 0.45 and multiplied by the county's assessed value for taxes payable in 1988. The resulting dollar amount must be used in determining the limitation under the procedures provided by this section.

275.02 STATE LEVY FOR BONDED DEBT; CERTIFICATION OF TAX RATE.

A state tax for bonded debt pursuant to the Minnesota Constitution, article XI, shall be levied on the tax capacity of all taxable property in the state. The rate of the tax shall be certified by the state auditor to each county auditor on or before November 1 annually. The tax under this section is not treated as a local tax rate under section 469.177.

275.025 STATE GENERAL TAX.

Subdivision 1. **Levy amount.** The state general levy is levied against commercial-industrial property and seasonal residential recreational property, as defined in this section. The state general levy base amount is \$592,000,000 for taxes payable in 2002. For taxes payable in subsequent years, the levy base amount is increased each year by multiplying the levy base amount for the prior year by the sum of one plus the rate of increase, if any, in the implicit price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau of Economic Analysts of the United States Department of Commerce for the 12-month period ending March 31 of the year prior to the year the taxes are payable. The tax under this section is not treated as a local tax rate under section 469.177 and is not the levy of a governmental unit under chapters 276A and 473F.

The commissioner shall increase or decrease the preliminary or final rate for a year as necessary to account for errors and tax base changes that affected a preliminary or final rate for either of the two preceding years. Adjustments are allowed to the extent that the necessary information is available to the commissioner at the time the rates for a year must be certified, and for the following reasons:

- (1) an erroneous report of taxable value by a local official;
- (2) an erroneous calculation by the commissioner; and
- (3) an increase or decrease in taxable value for commercial-industrial or seasonal residential recreational property reported on the abstracts of tax lists submitted under section 275.29 that was not reported on the abstracts of assessment submitted under section 270.11, subdivision 2, for the same year.

The commissioner may, but need not, make adjustments if the total difference in the tax levied for the year would be less than \$100,000.

Subd. 2. **Commercial-industrial tax capacity.** For the purposes of this section, "commercial-industrial tax capacity" means the tax capacity of all taxable property classified as class 3 or class 5(1) under section 273.13, except for electric generation attached machinery under class 3 and property described in section 473.625. County commercial-industrial tax capacity amounts are not adjusted for the captured net tax capacity of a tax increment financing district under section 469.177, subdivision 2, the net tax capacity of transmission lines deducted from a local government's total net tax

capacity under section 273.425, or fiscal disparities contribution and distribution net tax capacities under chapter 276A or 473F.

Subd. 3. **Seasonal residential recreational tax capacity.** For the purposes of this section, "seasonal residential recreational tax capacity" means the tax capacity of all class 4c(1) property under section 273.13, subdivision 25, except that the first \$76,000 of market value of each noncommercial class 4c(1) property has a tax capacity for this purpose equal to 40 percent of its tax capacity under section 273.13.

Subd. 4. **Apportionment and levy of state general tax.** The state general tax must be distributed among the counties by applying a uniform rate to each county's commercial-industrial tax capacity and its seasonal residential recreational tax capacity. Within each county, the tax must be levied by applying a uniform rate against commercial-industrial tax capacity and seasonal residential recreational tax capacity. On or before October 1 each year, the commissioner of revenue shall certify a preliminary state general levy rate to each county auditor that must be used to prepare the notices of proposed property taxes for taxes payable in the following year. By January 1 of each year, the commissioner shall certify the final state general levy rate to each county auditor that shall be used in spreading taxes.

275.065 PROPOSED PROPERTY TAXES; NOTICE.

Subdivision 1. **Proposed levy.** (a) Notwithstanding any law or charter to the contrary, on or before September 15, each taxing authority, other than a school district, shall adopt a proposed budget and shall certify to the county auditor the proposed or, in the case of a town, the final property tax levy for taxes payable in the following year.

(b) On or before September 30, each school district shall certify to the county auditor the proposed property tax levy for taxes payable in the following year. The school district shall certify the proposed levy as:

(1) a specific dollar amount by school district fund, broken down between voter-approved and non-voter-approved levies and between referendum market value and tax capacity levies; or

(2) the maximum levy limitation certified by the commissioner of education according to section 126C.48, subdivision 1.

(c) If the board of estimate and taxation or any similar board that establishes maximum tax levies for taxing jurisdictions within a first class city certifies the maximum property tax levies for funds under its jurisdiction by charter to the county auditor by September 15, the city shall be deemed to have certified its levies for those taxing jurisdictions.

(d) For purposes of this section, "taxing authority" includes all home rule and statutory cities, towns, counties, school districts, and special taxing districts as defined in section 275.066. Intermediate school districts that levy a tax under chapter 124 or 136D, joint powers boards established under sections 123A.44 to 123A.446, and Common School Districts No. 323, Franconia, and No. 815, Prinsburg, are also special taxing districts for purposes of this section.

Subd. 1a. **Overlapping jurisdictions.** In the case of a taxing authority lying in two or more counties, the home county auditor shall certify the proposed levy and the

proposed local tax rate to the other county auditor by September 20. The home county auditor must estimate the levy or rate in preparing the notices required in subdivision 3, if the other county has not certified the appropriate information. If requested by the home county auditor, the other county auditor must furnish an estimate to the home county auditor.

Subd. 1b. [Repealed, 1992 c 511 art 3 s 9]

Subd. 1c. **Levy; shared, merged, consolidated services.** If two or more taxing authorities are in the process of negotiating an agreement for sharing, merging, or consolidating services between those taxing authorities at the time the proposed levy is to be certified under subdivision 1, each taxing authority involved in the negotiation shall certify its total proposed levy as provided in that subdivision, including a notification to the county auditor of the specific service involved in the agreement which is not yet finalized. The affected taxing authorities may amend their proposed levies under subdivision 1 until October 10 for levy amounts relating only to the specific service involved.

Subd. 2. [Repealed, 1Sp1989 c 1 art 9 s 85]

Subd. 3. **Notice of proposed property taxes.** (a) The county auditor shall prepare and the county treasurer shall deliver after November 10 and on or before November 24 each year, by first class mail to each taxpayer at the address listed on the county's current year's assessment roll, a notice of proposed property taxes.

(b) The commissioner of revenue shall prescribe the form of the notice.

(c) The notice must inform taxpayers that it contains the amount of property taxes each taxing authority proposes to collect for taxes payable the following year. In the case of a town, or in the case of the state general tax, the final tax amount will be its proposed tax. In the case of taxing authorities required to hold a public meeting under subdivision 6, the notice must clearly state that each taxing authority, including regional library districts established under section 134.201, and including the metropolitan taxing districts as defined in paragraph (i), but excluding all other special taxing districts and towns, will hold a public meeting to receive public testimony on the proposed budget and proposed or final property tax levy, or, in case of a school district, on the current budget and proposed property tax levy. It must clearly state the time and place of each taxing authority's meeting, a telephone number for the taxing authority that taxpayers may call if they have questions related to the notice, and an address where comments will be received by mail.

(d) The notice must state for each parcel:

(1) the market value of the property as determined under section 273.11, and used for computing property taxes payable in the following year and for taxes payable in the current year as each appears in the records of the county assessor on November 1 of the current year; and, in the case of residential property, whether the property is classified as homestead or nonhomestead. The notice must clearly inform taxpayers of the years to which the market values apply and that the values are final values;

(2) the items listed below, shown separately by county, city or town, and state general tax, net of the residential and agricultural homestead credit under section 273.1384, voter approved school levy, other local school levy, and the sum of the special taxing districts, and as a total of all taxing authorities:

(i) the actual tax for taxes payable in the current year; and

(ii) the proposed tax amount.

If the county levy under clause (2) includes an amount for a lake improvement district as defined under sections 103B.501 to 103B.581, the amount attributable for that purpose must be separately stated from the remaining county levy amount.

In the case of a town or the state general tax, the final tax shall also be its proposed tax unless the town changes its levy at a special town meeting under section 365.52. If a school district has certified under section 126C.17, subdivision 9, that a referendum will be held in the school district at the November general election, the county auditor must note next to the school district's proposed amount that a

referendum is pending and that, if approved by the voters, the tax amount may be higher than shown on the notice. In the case of the city of Minneapolis, the levy for the Minneapolis Library Board and the levy for Minneapolis Park and Recreation shall be listed separately from the remaining amount of the city's levy. In the case of the city of St. Paul, the levy for the St. Paul Library Agency must be listed separately from the remaining amount of the city's levy. In the case of a parcel where tax increment or the fiscal disparities areawide tax under chapter 276A or 473F applies, the proposed tax levy on the captured value or the proposed tax levy on the tax capacity subject to the areawide tax must each be stated separately and not included in the sum of the special taxing districts; and

(3) the increase or decrease between the total taxes payable in the current year and the total proposed taxes, expressed as a percentage.

For purposes of this section, the amount of the tax on homesteads qualifying under the senior citizens' property tax deferral program under chapter 290B is the total amount of property tax before subtraction of the deferred property tax amount.

(e) The notice must clearly state that the proposed or final taxes do not include the following:

- (1) special assessments;
- (2) levies approved by the voters after the date the proposed taxes are certified, including bond referenda and school district levy referenda;
- (3) a levy limit increase approved by the voters by the first Tuesday after the first Monday in November of the levy year as provided under section 275.73;
- (4) amounts necessary to pay cleanup or other costs due to a natural disaster occurring after the date the proposed taxes are certified;
- (5) amounts necessary to pay tort judgments against the taxing authority that become final after the date the proposed taxes are certified; and
- (6) the contamination tax imposed on properties which received market value reductions for contamination.

(f) Except as provided in subdivision 7, failure of the county auditor to prepare or the county treasurer to deliver the notice as required in this section does not invalidate the proposed or final tax levy or the taxes payable pursuant to the tax levy.

(g) If the notice the taxpayer receives under this section lists the property as nonhomestead, and satisfactory documentation is provided to the county assessor by the applicable deadline, and the property qualifies for the homestead classification in that assessment year, the assessor shall reclassify the property to homestead for taxes payable in the following year.

(h) In the case of class 4 residential property used as a residence for lease or rental periods of 30 days or more, the taxpayer must either:

- (1) mail or deliver a copy of the notice of proposed property taxes to each tenant, renter, or lessee; or
- (2) post a copy of the notice in a conspicuous place on the premises of the property.

The notice must be mailed or posted by the taxpayer by November 27 or within three days of receipt of the notice, whichever is later. A taxpayer may notify the county treasurer of the address of the taxpayer, agent, caretaker, or manager of the premises to which the notice must be mailed in order to fulfill the requirements of this paragraph.

(i) For purposes of this subdivision, subdivisions 5a and 6, "metropolitan special taxing districts" means the following taxing districts in the seven-county metropolitan area that levy a property tax for any of the specified purposes listed below:

- (1) Metropolitan Council under section 473.132, 473.167, 473.249, 473.325, 473.446, 473.521, 473.547, or 473.834;
- (2) Metropolitan Airports Commission under section 473.667, 473.671, or 473.672; and
- (3) Metropolitan Mosquito Control Commission under section 473.711.

For purposes of this section, any levies made by the regional rail authorities in the county of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, or Washington under chapter 398A shall be included with the appropriate county's levy and shall be discussed at that county's public hearing.

Subd. 3a. [Repealed, 1Sp2003 c 21 art 4 s 13]

Subd. 4. **Costs.** If the reasonable cost of the county auditor's services and the cost of preparing and mailing the notice required in this section exceed the amount distributed to the county by the commissioner of revenue to administer this section, the taxing authority must reimburse the county for the excess cost. The excess cost must be apportioned between taxing jurisdictions as follows:

- (1) one-third is allocated to the county;
- (2) one-third is allocated to cities and towns within the county; and
- (3) one-third is allocated to school districts within the county.

The amounts in clause (2) must be further apportioned among the cities and towns in the proportion that the number of parcels in the city and town bears to the number of parcels in all the cities and towns within the county. The amount in clause (3) must be further apportioned among the school districts in the proportion that the number of parcels in the school district bears to the number of parcels in all school districts within the county.

Subd. 5. [Repealed, 1Sp1989 c 1 art 9 s 85]

Subd. 5a. **Public advertisement.** (a) A city that has a population of more than 2,500, county, a metropolitan special taxing district as defined in subdivision 3, paragraph (i), a regional library district established under section 134.201, or school district shall advertise in a newspaper a notice of its intent to adopt a budget and property tax levy or, in the case of a school district, to review its current budget and proposed property taxes payable in the following year, at a public hearing, if a public hearing is required under subdivision 6. The notice must be published not less than two business days nor more than six business days before the hearing.

The advertisement must be at least one-eighth page in size of a standard-size or a tabloid-size newspaper. The advertisement must not be placed in the part of the newspaper where legal notices and classified advertisements appear. The advertisement must be published in an official newspaper of general circulation in the taxing authority. The newspaper selected must be one of general interest and readership in the community, and not one of limited subject matter. The advertisement must appear in a newspaper that is published at least once per week.

For purposes of this section, the metropolitan special taxing district's advertisement must only be published in the Minneapolis Star and Tribune and the Saint Paul Pioneer Press.

In addition to other requirements, a county and a city having a population of more than 2,500 must show in the public advertisement required under this subdivision the current local tax rate, the proposed local tax rate if no property tax levy increase is adopted, and the proposed rate if the proposed levy is adopted. For purposes of this subdivision, "local tax rate" means the city's or county's net tax capacity levy divided by the city's or county's taxable net tax capacity.

(b) The advertisement for school districts, metropolitan special taxing districts, and regional library districts must be in the following form, except that the notice for a school district may include references to the current budget in regard to proposed property taxes.

"NOTICE OF

(g) The commissioner of revenue, subject to the approval of the chairs of the house and senate tax committees, shall prescribe the form and format of the advertisements required under this subdivision.

Subd. 6. Public hearing; adoption of budget and levy. (a) For purposes of this section, the following terms shall have the meanings given:

(1) "Initial hearing" means the first and primary hearing held to discuss the taxing authority's proposed budget and proposed property tax levy for taxes payable in the following year, or, for school districts, the current budget and the proposed property tax levy for taxes payable in the following year.

(2) "Continuation hearing" means a hearing held to complete the initial hearing, if the initial hearing is not completed on its scheduled date.

(3) "Subsequent hearing" means the hearing held to adopt the taxing authority's final property tax levy, and, in the case of taxing authorities other than school districts, the final budget, for taxes payable in the following year.

(b) Between November 29 and December 20, the governing bodies of a city that has a population over 500, county, metropolitan special taxing districts as defined in subdivision 3, paragraph (i), and regional library districts shall each hold an initial public hearing to discuss and seek public comment on its final budget and property tax levy for taxes payable in the following year, and the governing body of the school district shall hold an initial public hearing to review its current budget and proposed property tax levy for taxes payable in the following year. The metropolitan special taxing districts shall be required to hold only a single joint initial public hearing, the location of which will be determined by the affected metropolitan agencies. A city, county, metropolitan special taxing district as defined in subdivision 3, paragraph (i), regional library district established under section 134.201, or school district is not

required to hold a public hearing under this subdivision unless its proposed property tax levy for taxes payable in the following year, as certified under subdivision 1, has increased over its final property tax levy for taxes payable in the current year by a percentage that is greater than the percentage increase in the implicit price deflator for government consumption expenditures and gross investment for state and local governments prepared by the Bureau of Economic Analysts of the United States Department of Commerce for the 12-month period ending March 31 of the current year.

(c) The initial hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No initial hearing may be held on a Sunday.

(d) At the initial hearing under this subdivision, the percentage increase in property taxes proposed by the taxing authority, if any, and the specific purposes for which property tax revenues are being increased must be discussed. During the discussion, the governing body shall hear comments regarding a proposed increase and explain the reasons for the proposed increase. The public shall be allowed to speak and to ask questions. At the public hearing, the school district must also provide and discuss information on the distribution of its revenues by revenue source, and the distribution of its spending by program area.

(e) If the initial hearing is not completed on its scheduled date, the taxing authority must announce, prior to adjournment of the hearing, the date, time, and place for the continuation of the hearing. The continuation hearing must be held at least five business days but no more than 14 business days after the initial hearing. A continuation hearing may not be held later than December 20 except as provided in paragraphs (f) and (g). A continuation hearing must be held after 5:00 p.m. if scheduled on a day other than Saturday. No continuation hearing may be held on a Sunday.

(f) The governing body of a county shall hold its initial hearing on the first Thursday in December each year, and may hold additional initial hearings on other dates before December 20 if necessary for the convenience of county residents. If the county needs a continuation of its hearing, the continuation hearing shall be held on the third Tuesday in December. If the third Tuesday in December falls on December 21, the county's continuation hearing shall be held on Monday, December 20.

(g) The metropolitan special taxing districts shall hold a joint initial public hearing on the first Wednesday of December. A continuation hearing, if necessary, shall be held on the second Wednesday of December even if that second Wednesday is after December 10.

(h) The county auditor shall provide for the coordination of initial and continuation hearing dates for all school districts and cities within the county to prevent conflicts under clauses (i) and (j).

(i) By August 10, each school board and the board of the regional library district shall certify to the county auditors of the counties in which the school district or regional library district is located the dates on which it elects to hold its initial hearing and any continuation hearing. If a school board or regional library district does not certify these dates by August 10, the auditor will assign the initial and continuation hearing dates. The dates elected or assigned must not conflict with the initial and continuation hearing dates of the county or the metropolitan special taxing districts.

(j) By August 20, the county auditor shall notify the clerks of the cities within the county of the dates on which school districts and regional library districts have elected to hold their initial and continuation hearings. At the time a city certifies its proposed levy under subdivision 1 it shall certify the dates on which it elects to hold its initial hearing and any continuation hearing. Until September 15, the first and second Mondays of December are reserved for the use of the cities. If a city does not certify its hearing dates by September 15, the auditor shall assign the initial and continuation hearing dates. The dates elected or assigned for the initial hearing must not conflict with the initial hearing dates of the county, metropolitan special taxing districts, regional library districts, or school districts within which the city is located. To the extent possible, the dates of the city's continuation hearing should not conflict with the

continuation hearing dates of the county, metropolitan special taxing districts, regional library districts, or school districts within which the city is located. This paragraph does not apply to cities of 500 population or less.

(k) The county initial hearing date and the city, metropolitan special taxing district, regional library district, and school district initial hearing dates must be designated on the notices required under subdivision 3. The continuation hearing dates need not be stated on the notices.

(l) At a subsequent hearing, each county, school district, city over 500 population, and metropolitan special taxing district may amend its proposed property tax levy and must adopt a final property tax levy. Each county, city over 500 population, and metropolitan special taxing district may also amend its proposed budget and must adopt a final budget at the subsequent hearing. The final property tax levy must be adopted prior to adopting the final budget. A school district is not required to adopt its final budget at the subsequent hearing. The subsequent hearing of a taxing authority must be held on a date subsequent to the date of the taxing authority's initial public hearing. If a continuation hearing is held, the subsequent hearing must be held either immediately following the continuation hearing or on a date subsequent to the continuation hearing. The subsequent hearing may be held at a regularly scheduled board or council meeting or at a special meeting scheduled for the purposes of the subsequent hearing. The subsequent hearing of a taxing authority does not have to be coordinated by the county auditor to prevent a conflict with an initial hearing, a continuation hearing, or a subsequent hearing of any other taxing authority. All subsequent hearings must be held prior to five working days after December 20 of the levy year. The date, time, and place of the subsequent hearing must be announced at the initial public hearing or at the continuation hearing.

(m) The property tax levy certified under section 275.07 by a city of any population, county, metropolitan special taxing district, regional library district, or school district must not exceed the proposed levy determined under subdivision 1, except by an amount up to the sum of the following amounts:

(1) the amount of a school district levy whose voters approved a referendum to increase taxes under section 123B.63, subdivision 3, or 126C.17, subdivision 9, after the proposed levy was certified;

(2) the amount of a city or county levy approved by the voters after the proposed levy was certified;

(3) the amount of a levy to pay principal and interest on bonds approved by the voters under section 475.58 after the proposed levy was certified;

(4) the amount of a levy to pay costs due to a natural disaster occurring after the proposed levy was certified, if that amount is approved by the commissioner of revenue under subdivision 6a;

(5) the amount of a levy to pay tort judgments against a taxing authority that become final after the proposed levy was certified, if the amount is approved by the commissioner of revenue under subdivision 6a;

(6) the amount of an increase in levy limits certified to the taxing authority by the commissioner of education or the commissioner of revenue after the proposed levy was certified; and

(7) the amount required under section 126C.55.

(n) This subdivision does not apply to towns and special taxing districts other than regional library districts and metropolitan special taxing districts.

(o) Notwithstanding the requirements of this section, the employer is required to meet and negotiate over employee compensation as provided for in chapter 179A.

Subd. 6a. Approval of commissioner. (a) A taxing authority may appeal to the commissioner of revenue for authorization to levy an amount over the amount of the proposed levy. The taxing authority must provide evidence satisfactory to the commissioner that it has incurred costs for the purposes specified in paragraph (b). The commissioner may approve an increase in the taxing authority's levy of up to the

amount of costs incurred or a lesser amount determined by the commissioner. The commissioner's decision is final.

(b) A levy addition may be made under paragraph (a) for the following costs incurred after the proposed levy is certified: (1) the unreimbursed costs to satisfy judgments rendered against the taxing authority by a court of competent jurisdiction in a tort action in excess of \$50,000 or ten percent of the current year's proposed certified levy whichever is less; and (2) the costs incurred in clean up of a natural disaster. For purposes of this subdivision, "natural disaster" includes the occurrence or threat of widespread or severe damage, injury, or loss of life or property resulting from causes such as earthquake, fire, flood, windstorm, wave action, oil spill, water contamination, air contamination, or drought.

Subd. 6b. Joint public hearings. Notwithstanding any other provision of law, any city with a population of 10,000 and over, may conduct a more comprehensive public hearing than is contained in subdivision 6 by including a board member from the county, a board member from the school district located within the city's boundary, and a representative of the metropolitan council, if the city is in the metropolitan area, as defined in section 473.121, subdivision 2, at the city's public hearing. All provisions regarding the public hearings under subdivision 6 are applicable to the joint public hearings under this subdivision.

Upon the adoption of a resolution by the governing body of the city to hold a joint hearing, the city shall notify the county, the school district, and the Metropolitan Council if the city is in the metropolitan area, of the decision to hold a joint public hearing and request a board member from each of those taxing authorities, and the member or the designee of the Metropolitan Council if applicable, to be at the joint hearing. If the city is located in more than one county, the city may choose to request a county board member from each county or only from the county containing the majority of the city's market value. If more than one school district is partially or totally located within the city, the city may choose to request a school district board member from each school district, or a board member only from the school district containing the majority of the city's market value. If, as a result of requests under this subdivision, there are not sufficient board members in the county or the school district to attend the joint hearing, the county or school district may send a nonelected person working for its taxing authority to speak on the authority's behalf. The city may also invite each state senator and representative who represents the city, or a portion of the city, to come to the joint hearing.

The primary purpose of the joint hearing is to discuss the city's budget and property tax levy. The county and school district officials, and Metropolitan Council representative, if the city is in the metropolitan area, should be prepared to answer questions relevant to its budget and levy and the effect that its levy has on the property owners in the city.

If a city conducts a hearing under this subdivision, this hearing is in lieu of the initial hearing required under subdivision 6. However, the city is still required to adopt its proposed property tax levy at a subsequent hearing as provided under subdivision 6. The hearings under this subdivision do not relieve a county, school district, or the Metropolitan Council of the requirement to hold its individual hearing under subdivision 6.

Subd. 7. Certification of compliance. At the time the taxing authority certifies its tax levy under section 275.07, it shall certify to the commissioner of revenue its compliance with this section. The certification must contain the information required by the commissioner of revenue to determine compliance with this section. If the commissioner determines that the taxing authority has failed to substantially comply with the requirements of this section, the commissioner of revenue shall notify the county auditor. The decision of the commissioner is final. When fixing rates under section 275.08 for a taxing authority that has not complied with this section, the county auditor must use the taxing authority's previous year's levy, plus any additional amounts necessary to pay principal and interest on general obligation bonds of the taxing

authority for which its taxing powers have been pledged if the bonds were issued before 1989.

Subd. 8. **Hearing.** Notwithstanding any other provision of law, Ramsey County, the city of St. Paul, and Independent School District No. 625 are authorized to and shall hold their initial public hearing jointly. The hearing must be held on the second Tuesday of December each year. The advertisement required in subdivision 5a may be a joint advertisement. The hearing is otherwise subject to the requirements of this section.

Ramsey County is authorized to hold an additional initial hearing or hearings as provided under this section, provided that any additional hearings must not conflict with the initial or continuation hearing dates of the other taxing districts. However, if Ramsey County elects not to hold such additional initial hearing or hearings, the joint initial hearing required by this subdivision must be held in a St. Paul location convenient to residents of Ramsey County.

275.07 CITY, TOWN, COUNTY, AND SCHOOL DISTRICT TAXES.

Subdivision 1. **Certification of levy.** (a) Except as provided under paragraph (b), the taxes voted by cities, counties, school districts, and special districts shall be certified by the proper authorities to the county auditor on or before five working days after December 20 in each year. A town must certify the levy adopted by the town board to the county auditor by September 15 each year. If the town board modifies the levy at a special town meeting after September 15, the town board must recertify its levy to the county auditor on or before five working days after December 20. The taxes certified shall be reduced by the county auditor by the aid received under section 273.1398, subdivision 3. If a city, town, county, school district, or special district fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

(b)(i) The taxes voted by counties under sections 103B.241, 103B.245, and 103B.251 shall be separately certified by the county to the county auditor on or before five working days after December 20 in each year. The taxes certified shall not be reduced by the county auditor by the aid received under section 273.1398, subdivision 3. If a county fails to certify its levy by that date, its levy shall be the amount levied by it for the preceding year.

(ii) For purposes of the proposed property tax notice under section 275.065 and the property tax statement under section 276.04, for the first year in which the county implements the provisions of this paragraph, the county auditor shall reduce the county's levy for the preceding year to reflect any amount levied for water management purposes under clause (i) included in the county's levy.

Subd. 1a. [Repealed, 2004 c 228 art 3 s 18]

Subd. 2. **School district in more than one county.** In school districts lying in more than one county, the clerk shall certify the tax levied to the auditor of the county in which the administrative offices of the school district are located.

Subd. 3. [Repealed, 1993 c 375 art 4 s 21]

Subd. 4. **Report to commissioner.** (a) On or before October 8 of each year, the county auditor shall report to the commissioner of revenue the proposed levy certified by local units of government under section 275.065, subdivision 1. If any taxing authorities have notified the county auditor that they are in the process of negotiating an agreement for sharing, merging, or consolidating services but that when the proposed levy was certified under section 275.065, subdivision 1c, the agreement was not yet finalized, the county auditor shall supply that information to the commissioner when filing the report under this section and shall recertify the affected levies as soon as practical after October 10.

(b) On or before January 15 of each year, the county auditor shall report to the commissioner of revenue the final levy certified by local units of government under subdivision 1.

275.075 OMISSION BY INADVERTENCE; CORRECTION.

Whenever the amount of taxes as levied and certified by the tax levying body of any county, city, town, special taxing district, or school district has not been, as the result of error, inadvertence, or from the estimates as provided in section 275.08, by the county auditor extended and spread in conformity therewith, such tax levying body may include in its tax levy for the year following, the whole or any part of the amount so omitted through error, inadvertence, or from the estimates as provided in section 275.08, in addition to its current levy and in addition to and notwithstanding any limitations to the contrary.

History: *1947 c 71 s 1; 1973 c 123 art 5 s 7; 1Sp1981 c 1 art 8 s 9; 1997 c 84 art 1 s 1*

275.077 ERRORS BY COUNTY AUDITOR AFFECTING TOWNSHIP LEVY.

Subdivision 1. **Error in recording levy.** If an error is made by a county auditor in recording the levy of a township lower than the levy certified by the township, the governing body of the county in which the error was made shall appropriate and disburse to the affected township sufficient funds to make up for the difference created by the error within 30 days of notification of the error.

Subd. 2. **Correction of levy amount.** The difference between the correct levy and the erroneous levy shall be added to the township levy for the subsequent levy year; provided that if the amount of the difference exceeds 0.12089 percent of taxable market value, the excess shall be added to the township levy for the second and later subsequent levy years, not to exceed an additional levy of 0.12089 percent of taxable market value in any year, until the full amount of the difference has been levied. The funds collected from the corrected levies shall be used to reimburse the county for the payment required by subdivision 1.

275.078 [Repealed, 1Sp2001 c 5 art 3 s 96]

275.08 AUDITOR TO FIX RATE.

Subdivision 1. **Generally.** The rate percent of all taxes, except the state tax and taxes the rate of which may be fixed by law, shall be calculated and fixed by the county auditor according to the limitations in this chapter hereinafter prescribed; provided, that if any county, city, town, or school district shall return a greater amount than the prescribed rates will raise, the auditor shall extend only such amount of tax as the limited rate will produce.

Subd. 1a. **Computation of tax capacity.** For taxes payable in 1989, the county auditor shall compute the gross tax capacity for each parcel according to the class rates specified in section 273.13. The gross tax capacity will be the appropriate class rate multiplied by the parcel's market value. For taxes payable in 1990 and subsequent years, the county auditor shall compute the net tax capacity for each parcel according to the class rates specified in section 273.13. The net tax capacity will be the appropriate class rate multiplied by the parcel's market value.

Subd. 1b. **Computation of tax rates.** The amounts certified to be levied against net tax capacity under section 275.07 by an individual local government unit shall be divided by the total net tax capacity of all taxable properties within the local government unit's taxing jurisdiction. The resulting ratio, the local government's local tax rate, multiplied by each property's net tax capacity shall be each property's net tax capacity tax for that local government unit before reduction by any credits.

Any amount certified to the county auditor to be levied against market value shall be divided by the total referendum market value of all taxable properties within the taxing district. The resulting ratio, the taxing district's new referendum tax rate, multiplied by each property's referendum market value shall be each property's new referendum tax before reduction by any credits. For the purposes of this subdivision, "referendum market value" means the market value as defined in section 126C.01, subdivision 3.

Subd. 1c. **Adjustment of local tax rates.** After the local tax rate of a local government has been determined pursuant to subdivision 1b, the auditor shall adjust the local government's local tax rate within each unique taxing jurisdiction as defined in section 273.1398, subdivision 1, in which the local government exercises taxing authority. The adjustment shall equal the unique taxing jurisdiction's disparity reduction aids allocated to the local government pursuant to section 273.1398, subdivision 3, divided by the total tax capacity of all taxable property within the unique taxing jurisdiction. The adjustment shall reduce the local tax rate of the local government within the unique taxing jurisdiction for which the adjustment was calculated.

Subd. 1d. **Additional adjustment.** If, after computing each local government's adjusted local tax rate within a unique taxing jurisdiction pursuant to subdivision 1c, the auditor finds that the total adjusted local tax rate of all local governments combined is less than 90 percent of gross tax capacity for taxes payable in 1989 and 90 percent of net tax capacity for taxes payable in 1990 and thereafter, the auditor shall increase each local government's adjusted local tax rate proportionately so the total adjusted local tax rate of all local governments combined equals 90 percent. The total amount of the increase in tax resulting from the increased local tax rates must not exceed the amount of disparity aid allocated to the unique taxing district under section 273.1398. The auditor shall certify to the Department of Revenue the difference between the disparity aid originally allocated under section 273.1398, subdivision 3, and the amount necessary to reduce the total adjusted local tax rate of all local governments combined to 90 percent. Each local government's disparity reduction aid payment under section 273.1398, subdivision 6, must be reduced accordingly.

Subd. 1e. [Repealed, 1Sp2001 c 5 art 3 s 96]

Subd. 2. **Estimates.** If, by January 15 of any year, the county auditor has not received from another county auditor the local tax rate or gross tax capacity applicable to any taxing district lying in two or more counties, the county auditor who has not received the necessary information may levy taxes for the overlapping district by estimating the local tax rate or the gross tax capacity.

Subd. 3. **Assistance of county auditor.** A county auditor who has not furnished the local tax rate or gross tax capacity of property in the county by January 15 shall, on request, furnish the county auditor of a county in the overlapping district an estimate of the tax capacities or the local tax rate. The auditor may request the assistance of the county assessor in determining the estimate.

Subd. 4. **Subsequent adjustment.** After the correct local tax rate or net tax capacity has been certified, the amount of taxes over or under levied shall be computed and notice sent to each affected taxing district. If the estimated tax levy exceeds the correct tax levy based on actual net tax capacity and local tax rate, the county treasurer shall remit any amount of excess collected to the affected taxing district. In the following levy year, the estimating county auditor shall adjust the levy of the affected taxing district to compensate for the amount of variance.

In the event that the estimated tax levy is less than the correct tax levy based on actual net tax capacity and local tax rate, the auditor shall adjust the levy of the affected taxing district as provided in section 275.075.

275.14 CENSUS.

For the purposes of sections 275.124 to 275.16, the population of a city shall be that established by the last federal census, by a special census taken by the United

States Bureau of the Census, by an estimate made by the Metropolitan Council, or by the state demographer made according to section 4A.02, whichever has the latest stated date of count or estimate, before July 2 of the current levy year. The population of a school district must be as certified by the Department of Education from the most recent federal census.

In any year in which no federal census is taken pursuant to law in any school district affected by sections 275.124 to 275.16 a population estimate may be made and submitted to the state demographer for approval as hereinafter provided. The school board of a school district, in case it desires a population estimate, shall pass a resolution by July 1 containing a current estimate of the population of the school district and shall submit the resolution to the state demographer. The resolution shall describe the criteria on which the estimate is based and shall be in a form and accompanied by the data prescribed by the state demographer. The state demographer shall determine whether or not the criteria and process described in the resolution provide a reasonable basis for the population estimate and shall inform the school district of that determination within 30 days of receipt of the resolution. If the state demographer determines that the criteria and process described in the resolution do not provide a reasonable basis for the population estimate, the resolution shall be of no effect. If the state demographer determines that the criteria and process do provide a reasonable basis for the population estimate, the estimate shall be treated as the population of the school district for the purposes of sections 275.124 to 275.16 until the population of the school district has been established by the next federal census or until a more current population estimate is prepared and approved as provided herein, whichever occurs first. The state demographer shall establish guidelines for acceptable population estimation criteria and processes. The state demographer shall issue advisory opinions upon request in writing to cities or school districts as to proposed criteria and processes prior to their implementation in an estimation. The advisory opinion shall be final and binding upon the demographer unless the demographer can show cause why it should not be final and binding.

In the event that a census tract employed in taking a federal or local census overlaps two or more school districts, the county auditor shall, on the basis of the best information available, allocate the population of said census tract to the school districts involved.

The term "council," as used in sections 275.124 to 275.16, means any board or body, whether composed of one or more branches, authorized to make ordinances for the government of a city within this state.

275.16 COUNTY AUDITOR TO FIX AMOUNT OF LEVY.

If any such municipality shall return to the county auditor a levy greater than permitted by chapters 123A, 123B, 126C, 136C, and 136D, sections 275.124 to 275.16, and 275.70 to 275.74, such county auditor shall extend only such amount of taxes as the limitations herein prescribed will permit; provided, if such levy shall include any levy for the payment of bonded indebtedness or judgments, such levies for bonded indebtedness or judgments shall be extended in full, and the remainder of the levies

shall be reduced so that the total thereof, including levies for bonds and judgments, shall not exceed such amount as the limitations herein prescribed will permit.

275.28 TAX LISTS.

Subdivision 1. **Auditor to make.** The county auditor shall make out the tax lists according to the prescribed form, and to correspond with the assessment districts. The rate percent necessary to raise the required amount of the various taxes shall be calculated on the net tax capacity of property as determined by the state Board of Equalization, but, in calculating such rates, no rate shall be used resulting in a fraction other than a decimal fraction, or less than a gross local tax rate of .01 percent or a net local tax rate of .01 percent; and, in extending any tax, whenever it amounts to the

fractional part of a cent, it shall be made one cent. The tax lists shall also be made out to correspond with the assessment books in reference to ownership and description of property, with columns for the valuation and for the various items of tax included in the total amount of all taxes set down opposite each description. The auditor shall enter both the state tax determined under sections 275.02 and 275.025, and the local tax determined under section 275.08, on the tax lists. The total ad valorem property tax for each description of property before credits is the sum of the amounts of the various local taxes that apply to the parcel plus the amount of any applicable state tax. Opposite each description which has been sold for taxes, and which is subject to redemption, but not redeemed, shall be placed the words "sold for taxes." The amount of all special taxes shall be entered in the proper columns, but the general taxes may be shown by entering the rate percent of each tax at the head of the proper columns, without extending the same, in which case a schedule of the rates percent of such taxes shall be made on the first page of each tax list. If the auditor fails to enter on any such list before its delivery to the treasurer any tax levied, the tax may be subsequently entered. The tax lists shall be deemed completed, and all taxes extended thereon, as of January 1 annually.

Subd. 2. **Certificate of auditor.** The auditor shall make in each assessment book or list a certificate in the following form:

I, A.B., auditor of county, and the state of Minnesota, do hereby certify that the following is a correct list of the taxes levied on the real and personal property in the (town or district, as the case may be) of for the year (being the same year the property was assessed and the tax levied), to become payable in the year

Witness my hand and official seal this day of,

.....

County Auditor.

Subd. 3. **Designation of year of tax.** Taxes on real and personal property shall be related to and designated on the property tax statement by the year in which they become payable but the liens shall relate back to the assessment date preceding except as otherwise provided. For cash basis taxpayers, taxes on real and personal property shall relate to the year in which they become payable. For accrual basis taxpayers, taxes on real and personal property shall relate to the year in which the lien arose.

Subd. 4. **Unit card ledger counties.** In any county in this state in which the county auditor has elected to come under the provisions of section 273.03, subdivision 2, the auditor shall cause to be prepared a record to be known as "Real estate assessment and tax list for the year" In addition to the information provided for in subdivision 1, to be shown in tax lists, there shall also be included the amount of market value of land, building, and machinery, if any, and the total market value assessed against each parcel of real estate contained in such lists.

In such counties the auditor shall make in each list a certificate in the following form:

"I,, auditor of county and State of Minnesota, do hereby certify that the following is a correct list of the taxes levied on the real property, based on the total market value indicated therein, in the (town or district, as the case may be) of for the year

275.295 WETLANDS EXEMPTION; REPLACEMENT OF REVENUE.

Subdivision 1. **Certification.** The total amount of revenue lost as a result of the exemption provided in section 272.02, subdivision 11, clause (iii), must be certified by the county auditor to the commissioner of revenue and submitted to the commissioner as part of the abstract of tax lists to be filed with the commissioner under the provisions of section 275.29. The amount of revenue lost as a result of the exemption must be computed each year by applying the current local tax rates of the taxing jurisdictions in which the wetlands are located to the net tax capacity of the wetlands. Payment to the county for lost revenue must not be less than the revenue that would have been received in taxes if the wetlands had a net tax capacity of 50 cents per acre. The commissioner of revenue shall review the certification for accuracy and may make necessary changes or return the certification to the county auditor for corrections.

Subd. 2. **Payment.** Based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall annually determine the taxing district distribution of the amounts certified under subdivision 1. The commissioner shall pay to each taxing district, other than school districts, its total payment for the year at the time distributions are made under section 473H.10.

Subd. 3. **Appropriation.** There is appropriated from the general fund to the commissioner of revenue the amount necessary to make the payments required in subdivision 2. There is appropriated from the general fund to the commissioner of education the amount necessary to make the payments determined under subdivisions 1 and 2 for school districts.

275.48 ADDITIONAL TAX LEVIES IN CERTAIN TAXING DISTRICTS.

When by virtue of chapter 278, sections 270.07, 375.192, or otherwise, the net tax capacity of a city or township for a taxable year is reduced after the taxes for the year have been spread by the county auditor, and when the local tax rate determined by the county auditor based on the original net tax capacity is applied on the reduced net tax capacity and does not produce the full amount of taxes actually levied and certified for that taxable year on the original net tax capacity, the city or township may include an additional amount in its tax levy made following final determination and notice of the reduction in net tax capacity. The amount shall equal the difference between the total amount of taxes actually levied and certified for that taxable year upon the original net tax capacity, not exceeding the maximum amount which could be raised on the net tax capacity as reduced, within existing local tax rate limitations, if any, and the amount of taxes collected for that taxable year on the reduced net tax capacity.

The amount of taxes so included shall be levied separately and shall be levied in addition to all limitations imposed by law; and further shall not result in any penalty in the nature of a reduction in state aid of any kind.

Any levy amount subject to the requirements of this section shall be certified separately to the county auditor under section 275.07.

The ballot shall state the maximum amount of the increased levy as a percentage of market value and the amount that will be raised by the new referendum tax rate in the first year it is to be levied.

Subd. 4. **Penalty for late reporting.** If a local government unit fails to submit the report required in subdivision 1 by January 30 of the year after the year in which the tax was levied, aid payments to the local governmental unit in the year after the year in which the tax was levied shall be reduced as follows:

(b) For taxes levied in 2003 only, the adjusted levy limit base is increased by 60 percent of the difference between a jurisdiction's market value credit in 2003 before any reductions under Laws 2003, First Special Session chapter 21, articles 5 and 6, and its market value credit in 2004 after reductions in Laws 2003, First Special Session chapter 21, articles 5 and 6.

Subd. 5. MS 1998 [Expired]

Subd. 5. **Property tax levy limit.** For taxes levied in 2003, the property tax levy limit for a local governmental unit is equal to its adjusted levy limit base determined under subdivision 4 plus any additional levy authorized under section 275.73, which is levied against net tax capacity, reduced by the sum of (i) the total amount of aids and reimbursements that the local governmental unit is certified to receive under sections

477A.011 to 477A.014, except for the increases in city aid bases in calendar year 2002 under section 477A.011, subdivision 36, paragraphs (l), (n), and (o), (ii) homestead and agricultural aids it is certified to receive under section 273.1398, (iii) taconite aids under sections 298.28 and 298.282 including any aid which was required to be placed in a special fund for expenditure in the next succeeding year, (iv) temporary court aid under section 273.1398, subdivision 4a, and (v) estimated payments to the local governmental unit under section 272.029, adjusted for any error in estimation in the preceding year.

275.72 LEVY LIMIT ADJUSTMENTS FOR CONSOLIDATION AND ANNEXATION.

Subdivision 1. **Adjustments for consolidation.** If all of the area included in two or more local governmental units is consolidated, merged, or otherwise combined to constitute a single governmental unit, the levy limit base for the resulting governmental unit in the first levy year in which the consolidation is effective shall be equal to (1) the highest tax rate in any of the merging governmental units in the previous year multiplied by the net tax capacity of all the merging governmental units in the previous year, minus (2) the sum of all levies in the merging governmental units in the previous year that qualify as special levies under section 275.70, subdivision 5.

Subd. 2. **Adjustments for annexation.** If a local governmental unit increases its tax base through annexation of an area which is not the area of an entire local governmental unit and the area of annexation contains a population of 50 or more, the levy limit base of the local governmental unit in the first year in which the annexation is effective shall be equal to its levy limit base established before the adjustment under section 275.71, subdivision 3, for the current levy year multiplied by the ratio of the net tax capacity in the local governmental unit after the annexation compared to its net tax capacity before the annexation.

Subd. 3. **Adjustments for changes in service levels.** If a local governmental unit, as a result of an annexation agreement, has different tax rates in various parts of the jurisdiction due to different service levels, it may petition the commissioner of revenue to adjust its levy limits established under section 275.71. The commissioner shall adjust the levy limits to reflect scheduled changes in tax rates related to increasing service levels in areas currently receiving less city services. The local governmental unit shall provide the commissioner with any information the commissioner deems necessary in making the levy limit adjustment.

Subd. 4. **Transfer of governmental functions.** If a function or service of one local governmental unit is transferred to another local governmental unit, the levy limits established under section 275.71 must be adjusted by the commissioner of revenue in such manner so as to fairly and equitably reflect the reduced or increased property tax burden resulting from the transfer. The aggregate of the adjusted limitations must not exceed the aggregate of the limitations prior to adjustment.

Subd. 5. **Effective date for levy limits purposes.** Annexations, mergers, and shifts in services and functional responsibilities that are effective by June 30 of the levy year are included in the calculation of the levy limit for that levy year. Annexations, mergers, and shifts in services and functional responsibilities that are effective after June 30 of a levy year are not included in the calculation of the levy limit until the subsequent levy year.

Notwithstanding section 275.61, any levy authorized under this section must be levied against net tax capacity unless the levy required voter approval under another general or special law or any charter provisions. Subd. 3. **Information necessary to calculate levy limit base.** A local governmental unit must provide the commissioner with the information required to calculate the amount under section 275.71, subdivision 2, by July 20 of the levy year. If the information is not received by the commissioner by that date, or is not deemed

sufficient to make the calculation under that clause, the commissioner has the discretion to set the local governmental unit's levy limit for all purposes including those purposes for which special levies may be made, equal to the amount of the local governmental unit's certified levy for the prior year.
