

## CHAPTER 103B

WATER PLANNING AND PROJECT  
IMPLEMENTATION

103B.101 Board of Water and Soil Resources.

**103B.101 BOARD OF WATER AND SOIL RESOURCES.***[For text of subs 1 to 7, see M.S.2004]*

Subd. 9. **Powers and duties.** In addition to the powers and duties prescribed elsewhere, the board shall:

(1) coordinate the water and soil resources planning activities of counties, soil and water conservation districts, watershed districts, watershed management organizations, and any other local units of government through its various authorities for approval of local plans, administration of state grants, and by other means as may be appropriate;

(2) facilitate communication and coordination among state agencies in cooperation with the Environmental Quality Board, and between state and local units of government, in order to make the expertise and resources of state agencies involved in water and soil resources management available to the local units of government to the greatest extent possible;

(3) coordinate state and local interests with respect to the study in southwestern Minnesota under United States Code, title 16, section 1009;

(4) develop information and education programs designed to increase awareness of local water and soil resources problems and awareness of opportunities for local government involvement in preventing or solving them;

(5) provide a forum for the discussion of local issues and opportunities relating to water and soil resources management;

(6) adopt an annual budget and work program that integrate the various functions and responsibilities assigned to it by law; and

(7) report to the governor and the legislature by October 15 of each even-numbered year with an assessment of board programs and recommendations for any program changes and board membership changes necessary to improve state and local efforts in water and soil resources management.

The board may accept grants, gifts, donations, or contributions in money, services, materials, or otherwise from the United States, a state agency, or other source to achieve an authorized purpose. The board may enter into a contract or agreement necessary or appropriate to accomplish the transfer. The board may receive and expend money to acquire conservation easements, as defined in chapter 84C, on behalf of the state and federal government consistent with the Camp Ripley's Army Compatible Use Buffer Project.

Any money received is hereby appropriated and dedicated for the purpose for which it is granted.
