

CHAPTER 11A

INVESTMENT OF STATE AND PENSION ASSETS

11A.04 Duties and powers.
11A.07 Executive director.

11A.24 Authorized investments.

11A.04 DUTIES AND POWERS.

The state board shall:

- (1) Act as trustees for each fund for which it invests or manages money in accordance with the standard of care set forth in section 11A.09 if state assets are involved and in accordance with chapter 356A if pension assets are involved.
- (2) Formulate policies and procedures deemed necessary and appropriate to carry out its functions. Procedures adopted by the board must allow fund beneficiaries and members of the public to become informed of proposed board actions. Procedures and policies of the board are not subject to the Administrative Procedure Act.
- (3) Employ an executive director as provided in section 11A.07.
- (4) Employ investment advisors and consultants as it deems necessary.
- (5) Prescribe policies concerning personal investments of all employees of the board to prevent conflicts of interest.
- (6) Maintain a record of its proceedings.
- (7) As it deems necessary, establish advisory committees subject to section 15.059 to assist the board in carrying out its duties.
- (8) Not permit state funds to be used for the underwriting or direct purchase of municipal securities from the issuer or the issuer's agent.
- (9) Direct the commissioner of finance to sell property other than money that has escheated to the state when the board determines that sale of the property is in the best interest of the state. Escheated property must be sold to the highest bidder in the manner and upon terms and conditions prescribed by the board.
- (10) Undertake any other activities necessary to implement the duties and powers set forth in this section.
- (11) Establish a formula or formulas to measure management performance and return on investment. Public pension funds in the state shall utilize the formula or formulas developed by the state board.
- (12) Except as otherwise provided in article XI, section 8, of the Constitution of the state of Minnesota, employ, at its discretion, qualified private firms to invest and manage the assets of funds over which the state board has investment management responsibility. There is annually appropriated to the state board, from the assets of the funds for which the state board utilizes a private investment manager, sums sufficient to pay the costs of employing private firms. Each year, by January 15, the board shall report to the governor and legislature on the cost and the investment performance of each investment manager employed by the board.
- (13) Adopt an investment policy statement that includes investment objectives, asset allocation, and the investment management structure for the retirement fund assets under its control. The statement may be revised at the discretion of the state board. The state board shall seek the advice of the council regarding its investment policy statement. Adoption of the statement is not subject to chapter 14.
- (14) Adopt a compensation plan setting the terms and conditions of employment for unclassified board employees who are not covered by a collective bargaining agreement.

Subd. 4. **Duties and powers.** The director, at the direction of the state board, shall:

(1) plan, direct, coordinate, and execute administrative and investment functions in conformity with the policies and directives of the state board and the requirements of this chapter and of chapter 356A;

(2) employ professional and clerical staff as necessary. Employees whose primary responsibility is to invest or manage money or employees who hold positions designated as unclassified under section 43A.08, subdivision 1a, are in the unclassified service of the state. Other employees are in the classified service. Unclassified employees who are not covered by a collective bargaining agreement are employed under the terms and conditions of the compensation plan approved under section 43A.18, subdivision 3b;

(3) report to the state board on all operations under the director's control and supervision;

(4) maintain accurate and complete records of securities transactions and official activities;

(5) establish a policy relating to the purchase and sale of securities on the basis of competitive offerings or bids. The policy is subject to board approval;

(6) cause securities acquired to be kept in the custody of the commissioner of finance or other depositories consistent with chapter 356A, as the state board deems appropriate;

(7) prepare and file with the director of the Legislative Reference Library, by December 31 of each year, a report summarizing the activities of the state board, the council, and the director during the preceding fiscal year. The report must be prepared so as to provide the legislature and the people of the state with a clear, comprehensive summary of the portfolio composition, the transactions, the total annual rate of return, and the yield to the state treasury and to each of the funds whose assets are invested by the state board, and the recipients of business placed or commissions allocated among the various commercial banks, investment bankers, and brokerage organizations. The report must contain financial statements for funds managed by the board prepared in accordance with generally accepted accounting principles;

(8) require state officials from any department or agency to produce and provide access to any financial documents the state board deems necessary in the conduct of its investment activities;

(9) receive and expend legislative appropriations;

(10) undertake any other activities necessary to implement the duties and powers set forth in this subdivision consistent with chapter 356A.

11A.24 AUTHORIZED INVESTMENTS.

[For text of subs 1 to 5, see M.S.2004]

Subd. 6. **Other investments.** (a) In addition to the investments authorized in subdivisions 1 to 5, and subject to the provisions in paragraph (b), the state board may invest funds in:

(1) venture capital investment businesses through participation in limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations;

(2) real estate ownership interests or loans secured by mortgages or deeds of trust or shares of real estate investment trusts through investment in limited partnerships, bank sponsored collective funds, trusts, mortgage participation agreements, and insurance company commingled accounts, including separate accounts;

(3) regional and mutual funds through bank sponsored collective funds and open-end investment companies registered under the Federal Investment Company Act of 1940, and closed-end mutual funds listed on an exchange regulated by a governmental agency;

(4) resource investments through limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations; and

(5) international securities.

(b) The investments authorized in paragraph (a) must conform to the following provisions:

(1) the aggregate value of all investments made according to paragraph (a), clauses (1) to (4), may not exceed 35 percent of the market value of the fund for which the state board is investing;

(2) there must be at least four unrelated owners of the investment other than the state board for investments made under paragraph (a), clause (1), (2), (3), or (4);

(3) state board participation in an investment vehicle is limited to 20 percent thereof for investments made under paragraph (a), clause (1), (2), (3), or (4); and

(4) state board participation in a limited partnership does not include a general partnership interest or other interest involving general liability. The state board may not engage in any activity as a limited partner which creates general liability.

(c) All financial, business, or proprietary data collected, created, received, or maintained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are nonpublic data under section 13.02, subdivision 9. As used in this paragraph, "financial, business, or proprietary data" means data, as determined by the responsible authority for the state board, that is of a financial, business, or proprietary nature, the release of which could cause competitive harm to the state board, the legal entity in which the state board has invested or has considered an investment, the managing entity of an investment, or a portfolio company in which the legal entity holds an interest. As used in this section, "business data" is data described in section 13.591, subdivision 1. Regardless of whether they could be considered financial, business, or proprietary data, the following data received, prepared, used, or retained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are public at all times:

(1) the name and industry group classification of the legal entity in which the state board has invested or in which the state board has considered an investment;

(2) the state board commitment amount, if any;

(3) the funded amount of the state board's commitment to date, if any;

(4) the market value of the investment by the state board;

(5) the state board's internal rate of return for the investment, including expenditures and receipts used in the calculation of the investment's internal rate of return; and

(6) the age of the investment in years.
