221.0269 RELIEF FROM SAFETY REGULATION.

Subdivision 1. **Governor may grant relief.** The governor may declare an emergency and grant relief from any of the regulations incorporated in section 221.0314 to carriers and drivers operating motor vehicles in Minnesota to provide emergency relief during the emergency. The relief granted may not exceed the duration of the motor carrier's or driver's direct assistance in providing emergency relief, or 30 days from the date of the initial declaration of the emergency, whichever is less.

Subd. 2. **Extension of relief.** On request of a carrier or driver, the commissioner may extend the 30-day relief period in subdivision 1. A request for extension must be in writing and must give a detailed explanation of the reasons for requesting additional relief. The commissioner shall consider the severity of the ongoing emergency and the nature of the relief services to be provided by the motor carrier or driver in determining whether to grant an extension. If the commissioner decides to grant an extension, the extension must include a new time limit and may include any restrictions on the carrier or driver the commissioner considers necessary.

Subd. 3. **Termination of relief efforts.** (a) Upon termination of direct assistance to an emergency relief effort, a carrier or driver is subject to the requirements of section 221.0314, except that a driver may return empty to a carrier's terminal or the driver's normal work reporting location without complying with that section. A driver who informs the carrier that the driver needs immediate rest must be permitted at least eight consecutive hours off duty before the driver is required to return to the terminal or location. Having returned to the terminal or other location, the driver must be relieved of all duty and responsibilities.

(b) When a driver has been relieved of all duty and responsibilities upon termination of direct assistance to an emergency relief effort, no carrier shall permit or require any driver used by it to drive nor shall any such driver drive in commerce until the driver:

(1) has met the requirements of Code of Federal Regulations, title 49, section 395.3, paragraph (a); and

(2) has had at least 34 consecutive hours off duty if (i) the driver has been on duty for more than 60 hours in any seven consecutive days at the time the driver is relieved of all duty if the employing carrier does not operate every day in the week, or (ii) the driver has been on duty for more than 70 hours in any eight consecutive days at the time the driver is relieved of all duty if the employing carrier operates every day in the week.

the emergency relief effort, or when the carrier dispatches that driver or vehicle to another location to begin operations in commerce.

Subd. 3. General requirements; exceptions. Except as provided in subdivision 17, after October 1, 1994:

(a) No carrier, other than a public entity, may transport a hazardous material by motor vehicle in Minnesota unless it has complied with subdivision 4.

(b) No carrier, other than a public entity, may transport a hazardous waste in Minnesota unless it has complied with subdivisions 4 and 5.

(c) No shipper may offer a designated hazardous material for shipment or cause a designated hazardous material to be transported or shipped in Minnesota unless it has complied with subdivision 7.

(d) No carrier, other than a public entity, may transport a designated hazardous material by rail or water in Minnesota unless it has complied with subdivision 7a.

(e) No public entity may transport a hazardous material or hazardous waste by motor vehicle in Minnesota unless it has complied with subdivision 8.

(f) A carrier registered under this section, who exclusively offers designated materials for shipment only in vehicles controlled or operated by that carrier and who does not offer hazardous materials to other private or for-hire carriers, is not required to register as a shipper under subdivision 7.

Subd. 4. Hazardous material registration and permit. (a) A carrier with its principal place of business in Minnesota or that designates Minnesota as its base state, shall register its hazardous material transportation with and obtain a permit from the commissioner before transporting a hazardous material or hazardous waste in Minnesota. A carrier that designates

another participating state as its base state shall register its hazardous material transportation with and obtain a permit from that state before transporting a hazardous material or hazardous waste in Minnesota.

(b) A carrier who engages in the interstate transportation of a hazardous material and who is required to register its hazardous material transportation in Minnesota shall file parts I and II of the uniform application with the commissioner and pay an administrative processing fee of \$50 and an apportioned vehicle registration fee. The amount of the apportioned vehicle registration fee must be calculated under subdivision 6. A carrier who engages only in the intrastate transportation of a hazardous material, excluding hazardous waste, and who is required to register its hazardous material transportation in Minnesota shall file part I of the uniform application, pay a vehicle registration fee of \$15 for each vehicle it operates, and pay no apportioned fee.

(c) Upon a carrier's compliance with this subdivision, the commissioner shall issue a notice of registration form and a permit to the carrier. A notice of registration form must include a company registration number. A registration is valid for one year from the date a notice of registration form is issued and a permit is valid for three years from the date issued or until a carrier fails to renew its registration, whichever occurs first.

(d) A registered carrier shall maintain a copy of the notice of registration form and the permit in each vehicle it uses to transport a hazardous material or hazardous waste.

(e) A carrier with a permit shall annually certify that its current operations are not substantially different from its operations on the date it obtained its permit and shall recertify its compliance with applicable laws and regulations in part II of the uniform application when it renews its registration under this subdivision. Failure to comply with the certifications in part II is prohibited.

Subd. 5. Hazardous waste transporter. (a) A carrier with its principal place of business in Minnesota or who designates Minnesota as its base state shall file a disclosure statement with and obtain a permit from the commissioner that specifically authorizes the transportation of hazardous waste before transporting a hazardous waste in Minnesota. A carrier that designates another participating state as its base state shall file a disclosure statement with and obtain a permit from that state that specifically authorizes the transportation of hazardous waste before transporting a hazardous waste in Minnesota. A registration is valid for one year from the date a notice of registration form is issued and a permit is valid for three years from the date issued or until a carrier fails to renew its registration, whichever occurs first.

(b) A disclosure statement must include the information contained in part III of the uniform application. The commissioner shall not issue a notice of registration or permit to a hazardous waste transporter who has not made a full and accurate disclosure of the required information or paid the fees required by this subdivision. Making a materially false or misleading statement in a disclosure statement is prohibited.

(c) The commissioner shall assess a carrier the actual costs incurred by the commissioner for conducting the uniform program's required investigation of the information contained in a disclosure statement.

Subd. 6. Apportioned vehicle registration fee calculation. (a) An apportioned vehicle registration fee shall be equal to the percentage of Minnesota transportation multiplied by the percentage of hazardous material transportation multiplied by the total number of vehicles the carrier operates multiplied by a per-vehicle fee of \$30.

(b) A carrier shall calculate its percentage of Minnesota transportation and its percentage of hazardous material transportation as follows:

(1) A carrier shall determine its percentage of Minnesota transportation by dividing the number of miles it traveled in Minnesota under the international registration plan, pursuant to section 168.187, during the previous year, by the number of miles it traveled in the United States and Canada under the international registration plan during the previous year. If a carrier operated only in Minnesota, it must use 100 percent of the miles traveled as its percentage

of Minnesota transportation. If a carrier does not register its vehicles through the international registration plan, it must calculate the number of miles traveled in the manner required under the international registration plan. If a carrier operates more than one fleet under the international registration plan the carrier must add all miles traveled by all vehicles in all fleets to calculate its mileage. A Minnesota carrier who operates in an adjacent state under a reciprocal agreement with that state must include the miles operated under the agreement as miles traveled in Minnesota in calculating mileage under this clause.

(2) A carrier shall determine its percentage of hazardous material transportation as follows:

(i) for less-than-truckload shipments, it must divide the weight of the carrier's hazardous material and hazardous waste shipments transported during the previous year by the total weight of all shipments transported during the previous year; or

(ii) for truckload shipments, it must divide the number of shipments transported during the previous year for which placarding, marking, or manifesting, was required by Code of Federal Regulations, title 49, part 172, by the total number of all shipments transported during the previous year.

(c) A carrier that transports both truckload and less-than-truckload shipments of hazardous material or hazardous waste must determine its percentage of hazardous material transportation by calculating the absolute percentage of business that is hazardous material transportation on a proportional basis with the percentage of business that is not hazardous material transportation or by calculating its percentage within the ranges allowed following procedures under the uniform program.

(d) A carrier may use data from its most recent complete fiscal year or the most recent complete calendar year in calculating the percentages required in this subdivision for transportation conducted during the previous year.

Subd. 7. Shipper registration. (a) A shipper who maintains a distribution, terminal, warehouse, or other facility in Minnesota used to ship hazardous material or hazardous waste and who is required to comply with Code of Federal Regulations, title 49, sections 107.601 to 107.620, shall file, with the commissioner, a complete and accurate copy of its current registration statement, on the form described in Code of Federal Regulations, title 49, section 107.608, and a copy of its current federal certificate of registration. The fee for filing a shipper registration statement is \$250. If a shipper is required to pay a fee under section 299K.095, the commissioner shall credit the actual amount paid by the shipper during the previous 12 months toward payment of the fee required in this subdivision, not to exceed \$250 annually.

(b) Upon a shipper's compliance with this subdivision, the commissioner shall issue a certificate of registration to the shipper. A certificate of registration must bear an effective date and show the shipper's Minnesota hazardous material transportation registration number. A certificate of registration is valid for one year from the date it is issued and must be kept at the shipper's principal place of business.

(c) A shipper whose name, principal place of business, or business telephone number has changed during the time a certificate of registration is effective, shall notify the commissioner of the change by submitting an amended registration statement not later than 30 days after the change. Upon receiving an amended registration statement, the commissioner shall issue an amended certificate of registration. There is no fee for filing an amended registration statement or for issuing an amended certificate of registration.

Subd. 7a. Rail and water carriers. (a) A carrier of hazardous material by rail or water who is required to comply with Code of Federal Regulations, title 49, sections 107.601 to 107.620, shall file with the commissioner a complete and accurate copy of its current registration statement, on the form described in Code of Federal Regulations, title 49, section 107.608, and a copy of its current federal certificate of registration. The fee for filing the registration statement is \$250. If the carrier is required to pay a fee under section 299K.095, the

commissioner shall credit the actual amount paid by carrier during the previous 12 months toward payment of the fee required in this subdivision, not to exceed \$250 annually.

(b) Upon a carrier's compliance with this subdivision, the commissioner shall issue a certificate of registration to the carrier. A certificate of registration must bear an effective date and show the carrier's Minnesota hazardous material transportation registration number. A certificate of registration is valid for one year from the date it is issued and must be kept at the carrier's principal place of business.

(c) A carrier whose name, principal place of business, or business telephone number has changed during the time a certificate of registration is effective, shall notify the commissioner of the change by submitting an amended registration statement not later than 30 days after the change. Upon receiving an amended registration statement, the commissioner shall issue an amended certificate of registration. There is no fee for filing an amended registration statement or for issuing an amended certificate of registration.

Subd. 8. Public entity registration. (a) A public entity with its principal place of business in Minnesota or that designates Minnesota as its base state, shall register its hazardous material transportation with the commissioner before transporting a hazardous material or hazardous waste in Minnesota. A public entity that designates another participating state as its base state shall register its hazardous material transportation with that state before transporting a hazardous material or hazardous waste in Minnesota.

(b) A public entity that is required to register its hazardous material transportation in Minnesota shall file part I of the uniform application with the commissioner. There is no fee for the registration required in this subdivision.

(c) Upon a public entity's compliance with this subdivision, the commissioner shall issue a notice of registration form to the public entity. The notice of registration form must include a registration number. A registration is valid for one year from the date a notice of registration form is issued.

(d) A registered public entity shall maintain a copy of the notice of registration form in each vehicle it uses to transport hazardous material or hazardous waste.

Subd. 9. Application data. The following data submitted to the commissioner under subdivisions 4 and 5 are private data, with respect to data on individuals, and nonpublic data, with respect to data not on individuals: information contained in parts II and III of the uniform application relating to a carrier's customers and service provided to specific customers, financial balance sheet and income statement data, ownership and debt liability data, and information relating to a carrier's parent companies, affiliates, and subsidiaries. For the purpose of administering or enforcing the uniform program, the commissioner may disclose any information classified as private data on individuals or nonpublic data by this subdivision to the United States Department of Transportation, any other participating state or state agency, or to the national repository established under the uniform program.

Subd. 10. Enforcement. The commissioner may inspect or examine any motor vehicle or facility operated by a carrier or any facility operated by a person who ships, or offers for shipment, hazardous material or hazardous waste and may require the production of papers, books, records, documents, or other evidentiary material necessary to determine if a carrier or shipper is accurately reporting its hazardous material transportation operations and is otherwise complying with this section and the uniform program. The commissioner also may conduct investigations and audits necessary to determine if a carrier is entitled to a permit or to make suspension or revocation determinations.

Subd. 11. Administrative penalties. The commissioner may issue an order requiring violations of this section to be corrected. An order may include the administrative assessment of a monetary penalty up to a maximum of \$10,000 for all violations of this section identified during a single inspection, investigation, or audit. Section 221.036 applies to administrative penalty orders issued under this section. Penalties collected under this section must be deposited in the state treasury and credited to the trunk highway fund.

Subd. 12. **Suspension, revocation, and denial.** (a) The commissioner may suspend or revoke a permit issued under this section or order the suspension of the transportation of hazardous material or hazardous waste in Minnesota by a carrier who has obtained a permit from another participating state under the uniform program if the commissioner determines that a carrier:

(1) committed a violation of Code of Federal Regulations, title 49, parts 100 to 180, 383, 387, or 390 to 397, while engaging in hazardous materials transportation if the violation posed an imminent hazard to the public or the environment;

(2) made a knowing falsification of a material fact in a uniform application;

(3) has received an unsatisfactory safety rating from the state or the United States Department of Transportation; or

(4) has exhibited reckless disregard for the public and the environment.

(b) In determining if a carrier has exhibited reckless disregard for the public and the environment in violation of paragraph (a), clause (4), the commissioner shall consider:

(1) whether the carrier has engaged in a pattern of violations of Code of Federal Regulations, title 49, parts 100 to 180, 383, 387, or 390 to 397, or regulations governing the management of hazardous waste, while engaging in hazardous materials transportation, when the violations are viewed in relation to the number of truck-miles of hazardous material transportation and the number of vehicles in the carrier's fleet;

(2) the actual or potential level of environmental damage resulting from an incident or a violation of the federal regulations described in paragraph (a), clause (1);

(3) the response by the carrier to an incident or a violation of the federal regulations described in paragraph (a), clause (1);

(4) the carrier's history of violations for the past three years;

(5) any mitigating factors; and

(6) other factors as justice requires, if the commissioner specifically identifies the additional factors in the order of suspension or revocation.

(c) The commissioner may not issue a permit to a carrier if the commissioner determines that a carrier's conduct would constitute grounds for suspension or revocation under this subdivision. A carrier who wishes to contest a denial, suspension, or revocation is entitled to a hearing under chapter 14.

Subd. 13. **Base state agreement.** The commissioner may enter into agreements with federal agencies, a national repository, or other participating states as necessary to allow the reciprocal registration and permitting of carriers transporting hazardous material or hazardous waste. The agreements may include procedures for determining a base state, the collection and distribution of registration fees, dispute resolution, the exchange of information for reporting and enforcement purposes, and other provisions necessary to fully implement, administer, and enforce the uniform program.

Subd. 14. **Preemption.** This section preempts and supersedes any hazardous material or hazardous waste transportation registration or permitting program administered or enforced by any state agency, city, county, or other political subdivision of the state.

Subd. 15. [Repealed, 1998 c 310 s 4]

Subd. 16. **Revolving account.** (a) The commissioner shall deposit in a separate account in the trunk highway fund all federal funds received for implementing, administering, and enforcing this section. Money in the account is appropriated to the commissioner for those purposes.

(b) The commissioner shall accept and disburse federal funds available for the purpose of implementing, administering, and enforcing the uniform program.

Subd. 17. **Exemptions.** This section does not apply to the intrastate transportation described as follows:

(1) the transportation of hazardous material in a vehicle controlled by a farmer and operated by a farmer or farm employee when the hazardous material is to be used on the farm to which it is transported;

(2) the transportation of a hazardous waste jointly designated as a "special waste" by the commissioner of transportation and the commissioner of the Minnesota Pollution Control Agency; or

(3) transportation by fertilizer and agricultural chemical retailers while exclusively engaged in the delivery of fertilizer and agricultural chemicals when:

(i) the delivery is from the retailer's place of business directly to a farm within a 50-mile radius of the retailer's place of business; and

(ii) the fertilizer and agricultural chemicals are for use on the farm to which they are delivered.

Subd. 18. Deposit and use of fees. Fees received by the commissioner for administrative processing and investigating information in a disclosure statement must be deposited in the state treasury and credited to the trunk highway fund. Notwithstanding section 221.82, registration fees collected under subdivisions 4, 5, 7, and 7a must be deposited in the state treasury, credited to the general fund, and used to cover the costs of hazardous materials incident response capability under sections 299A.48 to 299A.52 and 299K.095.

221.036 ADMINISTRATIVE ORDERS; ENFORCEMENT, REMEDIES.

Subdivision 1. Order. The commissioner may issue an order requiring violations to be corrected and administratively assessing monetary penalties for a violation of (1) section 221.021; (2) section 221.033, subdivision 2b; (3) section 221.151; (4) section 221.171; (5) section 221.141; or (6) rules of the commissioner relating to the transportation of hazardous waste, motor carrier operations, insurance, or tariffs and accounting. An order must be issued as provided in this section.

Subd. 2. Election of penalties. The commissioner may not both assess an administrative penalty under this section and seek a criminal sanction under section 221.291, subdivision 3, for violations arising out of the same inspection or audit.

Subd. 3. Amount of penalty; considerations. (a) The commissioner may issue an order assessing a penalty of up to \$5,000 for all violations of section 221.021; 221.141; 221.151; or 221.171, or rules of the commissioner relating to motor carrier operations, insurance, or tariffs and accounting, identified during a single inspection, audit, or investigation.

(b) The commissioner may issue an order assessing a penalty up to a maximum of \$10,000 for all violations of section 221.033, subdivision 2b, identified during a single inspection or audit.

(c) In determining the amount of a penalty, the commissioner shall consider:

(1) the willfulness of the violation;

(2) the gravity of the violation, including damage to humans, animals, air, water, land, or other natural resources of the state;

(3) the history of past violations, including the similarity of the most recent violation and the violation to be penalized, the time elapsed since the last violation, the number of previous violations, and the response of the person to the most recent violation identified;

(4) the economic benefit gained by the person by allowing or committing the violation; and

(5) other factors as justice may require, if the commissioner specifically identifies the additional factors in the commissioner's order.

(d) The commissioner shall assess a penalty of not less than \$1,000 against a driver who is convicted of a violation of an out-of-service order. The commissioner shall assess a penalty of not more than \$10,000 against an employer who knowingly allows or requires an employee to operate a commercial motor vehicle in violation of an out-of-service order.

Subd. 4. Contents of order. An order assessing an administrative penalty under this section must include:

(1) a concise statement of the facts alleged to constitute a violation;

(2) a reference to the section of the statute, rule, order, or material term or condition of a license that has been violated;

(3) a statement of the amount of the administrative penalty to be imposed and the factors upon which the penalty is based; and

(4) a statement of the person's right to review of the order.

Subd. 5. Corrective order. (a) The commissioner may issue an order assessing a penalty and requiring the violations cited in the order to be corrected within 30 calendar days from the date the order was received.

(b) The person to whom the order was issued shall provide information to the commissioner before the 31st day after the order was received demonstrating that the violation has been corrected or that appropriate steps toward correcting the violation have been taken. The commissioner shall determine whether the violation has been corrected and notify the person subject to the order of the commissioner's determination.

Subd. 6. Penalty. (a) Except as provided in paragraph (b), if the commissioner determines that the violation has been corrected or appropriate steps have been taken to correct the action, the penalty must be forgiven. Unless the person requests review of the order under subdivision 7, 8, or 9 before the penalty is due, the penalty in the order is due and payable:

(1) on the 31st day after the order was received, if the person subject to the order fails to provide information to the commissioner showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation; or

(2) on the 20th day after the receipt of a notice by the person subject to the order of the commissioner's determination under subdivision 5, paragraph (b), that information supplied to the commissioner is not sufficient to show that the violation has been corrected or that appropriate steps have been taken toward correcting the violation.

(b) For a repeated or serious violation, the commissioner may issue an order with a penalty that will not be forgiven after the corrective action is taken. The penalty is due within 30 days after the order was received unless review of the order under subdivision 7, 8, or 9 has been sought.

(c) Interest at the rate established in section 549.09 begins to accrue on penalties on the date that the penalty is due and payable if no request for review is filed under subdivision 7, 8, or 9.

Subd. 7. Expedited administrative hearing. (a) Within 30 days after the date on which an order was received, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the person subject to an order under this section may request an expedited hearing. The person to whom the order is directed and the commissioner are the parties to the expedited hearing to review the order and the penalty. The commissioner must notify the person to whom the order is directed of the time and place of the hearing at least 20 days before the hearing. The expedited hearing must be held within 30 days after a request for hearing has been filed with the commissioner unless the parties agree to a later date.

(b) All written arguments must be submitted within ten days following the close of the hearing. The hearing must be conducted under the conference contested case rules of the Office of Administrative Hearings, as modified by this subdivision. The Office of Administrative Hearings may, in consultation with the commissioner, adopt rules specifically applicable to cases under this section.

(c) The administrative law judge shall issue a report making recommendations about the order to the commissioner within 30 days following the close of the record. The administrative law judge may not recommend a change in the amount of the proposed penalty unless the administrative law judge determines that, based on the factors in subdivision 3, the amount of the penalty is unreasonable.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to

the amount of the penalty the costs charged to the commissioner by the Office of Administrative Hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. The person subject to the order may, within those five days, comment to the commissioner on the recommendations and the commissioner shall consider the comments. The final order may be appealed in the manner provided in sections 14.63 to 14.69.

(f) If a hearing has been held and a final order issued by the commissioner, the penalty must be paid by the 15th day after the final order was mailed, together with interest accruing at the rate established in section 549.09 from 31 days after the original order was received.

Subd. 8. District court hearing. (a) Within 30 days after the receipt of an order, or within 20 days after the receipt of a notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the person subject to an order under this section may file a petition in district court for review of the order. The petition must be filed with the court administrator with proof of service on the commissioner. The petition must be captioned in the name of the person making the petition as petitioner and the commissioner as respondent. The petition must state with specificity the grounds upon which the petitioner seeks rescission of the order, including the facts upon which each claim is based.

(b) At trial, the commissioner must establish by a preponderance of the evidence that a violation subject to this section and for which the petitioner is responsible occurred, that the factors listed in subdivision 3 were considered when the penalty amount was determined, and that the penalty amount is justified by those factors. In addition, if the commissioner immediately assesses a penalty as provided for under subdivision 5, paragraph (a), the commissioner must establish by a preponderance of the evidence that the immediate imposition of the penalty was justified.

Subd. 9. Mediation. In addition to review under subdivision 6 or 7, the commissioner may enter into mediation concerning an order issued under this section if the commissioner and the person to whom the order is issued both agree to mediation.

Subd. 10. Election of remedies. A person subject to a corrective order under this section may not seek review of the order under both subdivisions 7 and 8.

Subd. 11. Enforcement by attorney general. (a) The attorney general may proceed on behalf of the state to enforce penalties that are due and payable under this section in any manner provided by law for the collection of debts.

(b) The attorney general may petition the district court to file the administrative order as an order of the court. At a court hearing, the only issues parties may contest are procedural and notice issues. Once entered, the administrative order may be enforced in the same manner as a final judgment of the district court.

(c) If a person fails to pay the penalty, the attorney general may bring a civil action in district court seeking payment of the penalties, injunctive, or other appropriate relief including monetary damages, attorney fees, costs, and interest.

Subd. 12. Failure to pay penalty. If a person fails to pay a penalty owed under this section, the commissioner has grounds to revoke or refuse to reissue or renew a license, permit, or certificate issued by the commissioner.

Subd. 13. Cumulative remedy. The authority of the commissioner to issue a corrective order assessing penalties is in addition to other remedies available under statutory or common law. Except as provided in subdivision 2, the payment of a penalty does not preclude the use of other enforcement provisions in connection with the violation for which the penalty was assessed.

Subd. 14. Credited to trunk highway fund. Penalties collected under this section must be deposited in the state treasury and credited to the trunk highway fund.

221.037 HAZARDOUS MATERIALS; INFORMATION, INSPECTION.

Subdivision 1. **Required to provide information.** A person who generates, stores, treats, transports, disposes of, or otherwise handles or has handled hazardous materials, hazardous substances, or hazardous waste shall (1) give to transportation representatives and hazardous material specialists of the department information relating to the materials, substances, or waste, or (2) permit them access to and copying of records relating to the materials, substances, or waste, or both.

Subd. 2. **Authority to inspect.** Transportation representatives and hazardous material specialists of the department have the authority to enter, at a reasonable time and place, any vehicle, cargo tank, or other container used to transport hazardous materials, hazardous substances, or hazardous waste and any treatment, storage, or disposal facility or other place where the materials, substances, or waste are or have been generated, stored, treated, disposed of, or transported from. They may inspect the vehicle, cargo tank, or container and obtain from any person samples of the materials, substances, or waste and samples of the containers or labeling of the materials, substances, or waste for enforcing sections 221.033 to 221.036. The authority granted under this subdivision includes the right to break and replace seals.

221.072 CLASS I CARRIER.

Subdivision 1. **Authority.** The board may issue a class I certificate only to a motor carrier who owns, leases, or otherwise controls more than one terminal. Except as provided in subdivision 2, a motor carrier may not own, operate, or otherwise control more than one terminal without having obtained a class I certificate from the board. For purposes of this section, utilization of a local cartage carrier by a class I carrier constitutes ownership, lease, or control of a terminal.

Subd. 2. **Exceptions.** This section does not apply to any carrier listed in section 221.111, clauses (3) to (10).

Subd. 3. **Operation.** A class I certificate authorizes the certificate holder to transport both truckload and less-than-truckload freight to and from points named in the certificate, over routes described in the certificate. A holder of a class I certificate may transfer freight to and from another class I carrier.

221.091 LOCAL GOVERNMENT AUTHORITY.

Subdivision 1. **Local authority over streets and highways.** Sections 221.011 to 221.291 do not authorize the use by a carrier of a public highway in a city of the first class in

violation of a charter provision or ordinance of the city in effect January 1, 1925, unless the charter provision or ordinance is repealed after that date. In addition, sections 221.011 to 221.291 do not (1) curtail the right of a city to reasonably regulate or control the routing, parking, speed, or safety of operation of a motor vehicle operated by a carrier under the terms of those sections, (2) curtail the general police power of the city over its highways, or (3) abrogate any provision of the city's charter requiring certain conditions to be complied with before a carrier can use the highways of the city; and these rights and powers are expressly reserved and granted to the city. However, no city shall prohibit or deny the use of the public highways within its territorial boundaries by a carrier for transporting passengers or property received within its boundaries to destinations beyond the city's boundaries, or for transporting passengers or property from points beyond the city's boundaries to destinations within the city's boundaries, or for transporting passengers or property from points beyond the city's boundaries through the city to points beyond the city's boundaries when the carrier is operating pursuant to a certificate of registration issued under this chapter or a permit issued by the commissioner under section 221.84.

Subd. 2. Local licensing of small vehicle passenger service. A city that licenses and regulates small vehicle passenger service must do so by ordinance. The ordinance must, at a minimum, provide for driver qualifications, insurance, vehicle safety, and periodic vehicle inspections. A city that has adopted an ordinance complying with this subdivision may enforce the registration requirement in section 221.021.

Subd. 3. Authority of Metropolitan Airports Commission. Notwithstanding any other law:

(a) The Metropolitan Airports Commission may regulate ground transportation to and from an airport under its jurisdiction, subject to paragraphs (b), (c), (d), and (e). The authority under this paragraph includes, but is not limited to, regulating the number and types of transportation services, making concession agreements, and establishing vehicle standards.

(b) The Metropolitan Airports Commission may regulate small passenger vehicles, including taxicabs, serving an airport under its jurisdiction only by ordinance. An ordinance adopted under this paragraph must at a minimum (1) define taxicabs, (2) provide for driver qualifications, insurance, and vehicle safety, and (3) provide for issuance of permits to taxicabs and other small passenger vehicles. An ordinance under this paragraph may limit the number of permits issued to taxicabs. An ordinance under this paragraph may not provide for making concession agreements relating to small passenger vehicle service, including taxicabs.

(c) If the Metropolitan Airports Commission determines that it is in the public interest to reduce the number of annual taxicab permits issued at the Minneapolis–St. Paul International Airport, the commission shall first reduce the number of permits in the following order:

(1) permits held by permit holders who have not picked up a passenger at the Minneapolis–St. Paul International Airport within three months immediately preceding the decision to reduce permits;

(2) permits issued to permit holders who have not continuously held an annual or semi-annual permit prior to and since January 1, 2005; and

(3) permits issued to corporations that have sold or transferred at least a majority of the shares of the corporation since January 1, 2005.

(d) In deciding whether it is in the public interest to reduce the number of taxicab permits, the commission shall consider, at a minimum, the following factors:

(1) the number of taxicab permits issued in relation to the number of taxicab customers at the Minneapolis–St. Paul International Airport;

(2) the wait times for taxicab drivers; and

(3) the impact to current permit holders, including, but not limited to, permit holders who have held a permit during a permitting period prior to January 1, 2005.

(e) If the Metropolitan Airports Commission allows for taxicab permit transfers, the commission shall not prohibit permit transfers between sole proprietors, individual owner

taxicab operators, or corporations, unless the commission also prohibits permit transfers from one corporation to another corporation.

221.101 ADDITIONAL AUTHORITY TO PETROLEUM CARRIER.

In addition to the specific authority granted to petroleum carriers, every petroleum carrier holding a certificate as such may transport petroleum products from an origin point the carrier is not authorized to serve when the needs of the shippers the carrier serves because of seasonal failure of supplies require service from such origin point, upon securing permission from the commissioner, provided that this provision shall not include the right to enlarge the carrier's destination area.

- (1) class II–T permits;
- (2) class II–L permits;
- (3) livestock carrier permits;
- (4) contract carrier permits;
- (5) charter carrier permits;
- (6) courier service carrier permits;
- (7) local cartage carrier permits;
- (8) household goods mover permits;
- (9) temperature–controlled commodities permits; and
- (10) armored carrier permits.

221.12 [Repealed, Ex1957 c 17 s 31]

221.121 PERMIT: APPROVAL PROCESS; OPERATING AUTHORITY; FEE.

Subdivision 1. **Petition; notice and hearing; scope.** (a) A person desiring to operate as a permit carrier, except as provided in subdivision 5 or section 221.296, shall file a petition with the commissioner specifying the kind of permit desired, the name and address of the petitioner and the names and addresses of the officers, if a corporation, and other information as the commissioner may require. Letters of shipper support must be filed with the petition. No person shall knowingly make a false or misleading statement in a petition.

(b) The commissioner, after notice to interested parties and a hearing, shall issue the permit upon compliance with the laws and rules relating to it, if it finds that petitioner is fit and able to conduct the proposed operations, that petitioner's vehicles meet the safety standards established by the department, that the area to be served has a need for the transportation services requested in the petition, and that existing permit and certificated carriers in the area to be served have failed to demonstrate that they offer sufficient transportation services to meet fully and adequately those needs, provided that no person who holds a permit at the

time sections 221.011 to 221.291 take effect may be denied a renewal of the permit upon compliance with other provisions of sections 221.011 to 221.291.

(c) A permit once granted continues in full force and effect until abandoned or unless suspended or revoked, subject to compliance by the permit holder with the applicable provisions of law and the rules of the commissioner governing permit carriers.

(d) No permit may be issued to a common carrier by rail permitting the common carrier to operate trucks for hire within this state, nor may a common carrier by rail be permitted to own, lease, operate, control, or have an interest in a permit carrier by truck, either by stock ownership or otherwise, directly, indirectly, through a holding company, or by stockholders or directors in common, or in any other manner. Nothing in sections 221.011 to 221.291 prevents the commissioner from issuing a permit to a common carrier by rail authorizing the carrier to operate trucks wholly within the limits of a municipality or within adjacent or contiguous municipalities or a common rate point served by the railroad and only as a service supplementary to the rail service now established by the carriers.

Subd. 2. Temporary permit. The commissioner may grant a temporary permit, *ex parte*, valid for a period not exceeding 180 days, upon a showing that there is an immediate and urgent need for the proposed service, pending prompt action by the permit holder to follow regular procedure in securing the permit, and that immediate and urgent authority from the commissioner is in the public interest. A copy of the order granting the temporary permit, *ex parte*, must be mailed immediately to interested parties.

Subd. 3. Cooperative association. The commissioner may issue a permit as a contract carrier to cooperative associations whose memberships are limited to bona fide farmers' cooperative associations, that transport and do business only with and for the associations, and who transport merely as an incident to other business. The commissioner may not limit the number of hauling contracts of a cooperative association.

Subd. 4. Extensions of authority. The commissioner may grant extensions of authority *ex parte* after due notice of a petition has been published. A party desiring to protest the petition shall file its protest by mail or in person within 20 days of the date of notice, except that no protest may be filed against an application submitted under subdivision 6f. If a timely filed protest is received, the matter must be placed on the calendar for hearing. If a timely protest is not received, the commissioner may issue its order *ex parte*.

Subd. 5. Livestock carrier. A person desiring to operate as a livestock carrier shall file a petition with the commissioner specifying the kind of permit desired, the name and address of the petitioner and the names and addresses of the officers, if a corporation, and other information as the commissioner may require.

The commissioner shall issue the permit upon compliance with laws and rules relating to the permit unless it finds that petitioner's vehicles do not meet the safety standards prescribed by the commissioner or that petitioner is not fit and able to conduct the proposed operations. A permit issued under Laws 1983, chapter 371, must be renewed upon compliance with the provisions of Laws 1959, chapter 376, and the rules of the commissioner. A livestock carrier, on the return trip after hauling livestock and delivering the livestock, may transport other commodities or property to the carrier's headquarters area. The livestock carrier may transport supplies and equipment used in farm work from the carrier's headquarters area to any point in the state or from any point in the state to the headquarters area.

Subd. 6. Courier services carrier. A person desiring to operate as a courier services carrier shall follow the procedure established in subdivision 1 and shall be granted a permit as a courier services carrier if the person meets the criteria established in subdivision 1. The commissioner shall not deny a permit for a courier services carrier on the grounds that operations performed by the applicant resemble operations of other types of carriers defined in section 221.011.

Subd. 6a. Household goods carrier. A person who desires to hold out or to operate as a carrier of household goods shall follow the procedure established in subdivision 1, and shall specifically request a household goods mover permit. The permit granted by the commissioner to a person who meets the criteria established in this subdivision and subdivision 1

shall authorize the person to hold out and to operate as a household goods mover. A person who provides or offers to provide household goods packing services and who makes any arrangement directly or indirectly by lease, rental, referral, or by other means to provide or to obtain drivers, vehicles, or transportation service for moving household goods, must have a household goods mover permit.

Subd. 6b. [Repealed, 1999 c 238 art 2 s 92]

Subd. 6c. **Class II carrier.** (a) A person desiring to operate as a permit carrier, other than as a carrier listed in section 221.111, clauses (3) to (9), shall follow the procedure established in subdivision 1 and shall specify in the petition whether the person is seeking a class II-T or class II-L permit. If the person meets the criteria established in subdivision 1, the board shall grant the class II-T or class II-L permit or both. A class II permit holder may not own, lease, or otherwise control more than one terminal. The board may not issue a class II permit to a motor carrier who owns, leases, or otherwise controls more than one terminal.

(b) For purposes of this section: (1) utilization of a local cartage carrier by a class II carrier constitutes ownership, lease, or control of a terminal; and (2) "terminal" does not include (i) a terminal used exclusively for handling bulk commodities, and (ii) a terminal used by a permit holder who also holds a class I certificate, household goods permit, or temperature-controlled commodities permit for the unloading, docking, handling, and storage of freight transported under the certificate, household goods permit, or temperature-controlled commodities permit.

Subd. 6d. **Temperature-controlled commodities carrier.** A person who desires to hold out or to operate as a carrier of temperature-controlled commodities shall follow the procedure established in subdivision 1 and shall specifically request a temperature-controlled commodities permit. The permit granted by the board to a person who meets the criteria established in subdivision 1 shall authorize the person to hold out and to operate as a carrier of temperature-controlled commodities.

Subd. 6e. **Class II-T permit.** A holder of a class II-T permit may transport truckload freight to and from any point named in the permit without restriction as to routes, schedules, or frequency of service.

Subd. 6f. **Class II-L permit.** (a) A motor carrier with a class II-L permit may transport less-than-truckload freight as provided in this subdivision.

(b) A motor carrier with a class II-L permit may transport less-than-truckload freight to and from any point named in the permit, without restriction as to routes, schedules, or frequency of service.

(c) A motor carrier with a class II-L permit may transport less-than-truckload freight to and from points within the geographic area the carrier was authorized to serve on December 31, 1992, that were not listed in the carrier's permit. Service by a carrier under this paragraph may be provided no more often than on 24 days in a 12-month period.

(d) A motor carrier described in paragraph (c) may amend the carrier's permit to add points within the geographic area the carrier was authorized to serve on December 31, 1992. The carrier must submit to the commissioner an application on a form provided by the commissioner; the application must name the points proposed to be served and include evidence of need for the proposed service. Evidence of need may consist of a letter from a consignor attesting to need for the proposed service and intent to use the proposed service. The commissioner shall transmit the application to the board. The board shall publish notice of an approved application in the board's weekly calendar. Failure by the board to deny the application within ten days after receipt of the application from the commissioner constitutes approval of the application.

Subd. 6h. [Repealed, 1999 c 238 art 2 s 92]

Subd. 7. **Fee.** The petitioner shall pay a fee of \$150 into the treasury of the state of Minnesota for each kind of permit or extension of authority for which a petition is filed under this section.

221.122 ORDER GRANTING PERMIT OR CERTIFICATE; COMPLIANCE.

Subdivision 1. **Registration, insurance, and filing requirements.** (a) An order issued by the commissioner which grants a certificate or permit must contain a service date.

(b) The person to whom the order granting the certificate or permit is issued shall do the following within 45 days from the service date of the order:

(1) register vehicles which will be used to provide transportation under the permit or certificate with the commissioner and pay the vehicle registration fees required by law;

(2) file and maintain insurance or bond as required by sections 221.141 and 221.296 and rules of the commissioner; and

(3) file rates and tariffs as required by section 221.161 and rules of the commissioner.

Subd. 2. **Time extension.** The commissioner may extend the time for compliance with the requirements of subdivision 1. The person to whom the order was issued shall request the extension in writing and shall state the reasons for requesting the extension. The commissioner may not grant an extension of more than 45 days.

Subd. 3. **Failure to comply.** An order of the commissioner granting a certificate or permit to operate as a motor carrier takes effect on the date of compliance with the requirements of subdivision 1. Failure of the person to whom the order was issued to comply with the requirements of subdivision 1 within 45 days from the service date of the order, or within the extended time for compliance if an extension was granted by the commissioner, makes the order null and void upon the expiration of the time for compliance.

221.123 EFFECT OF DEATH OF PERMIT HOLDER.

This section governs the transfer of a permit in the event of the death of the permit holder. Within one year after the transfer of a permit of a deceased permit holder by the deceased permit holder's personal representative, or within one year after the date of a decree or order issued by the district court transferring the permit of a deceased permit holder, the distributee, as defined in section 524.1–201, who received the permit shall apply to the commissioner to have the permit transferred under the provisions of section 221.151, subdivision 2.

If an application to transfer the permit is not filed within the time prescribed above, the permit is revoked and the commissioner shall so notify the person who had received the permit.

221.124 INITIAL MOTOR CARRIER CONTACT PROGRAM.

Subdivision 1. **Initial motor carrier contact.** The initial motor carrier contact program consists of an initial contact, for educational purposes, between a motor carrier required to participate and representatives of the Department of Transportation. The initial contact may be through an educational seminar or, at the discretion of the department, through a personal contact with a representative of the department. The initial contact must consist of a discussion of the statutes, rules, and regulations that apply to motor carriers. Topics discussed must include: insurance requirements; accident reporting; accident countermeasures; identification of vehicles; driver qualifications; maximum hours of service of drivers; the safe operation of vehicles; equipment, parts, and accessories; and inspection, repair, and maintenance. The department shall provide written documentation of proof of compliance with the requirements of subdivision 2 and shall give a copy of the document to the motor carrier.

Subd. 2. **Participation required.** A motor carrier that first registers with or receives a permit from the commissioner after January 1, 2000, shall participate in the initial motor car-

rier contact program. A motor carrier required to participate in the program must have in attendance at least one motor carrier official having a substantial interest or control, directly or indirectly, in or over the operations conducted or to be conducted under the carrier's registration or permit.

Subd. 3. **Time for compliance.** A motor carrier required by subdivision 2 to participate in the program must do so within 90 days of the service date of the order granting the permit or within 90 days of registering, unless the commissioner extends the time for compliance. Failure to comply with the requirement of subdivision 2 makes the order granting the permit or the carrier's registration void upon expiration of the time for compliance.

221.13 [Repealed, Ex1957 c 17 s 31]

221.131 CARRIER VEHICLE REGISTRATION; FEES, IDENTIFICATION CARD.

Subdivision 1. **Permit renewal.** Permits issued under section 221.121 are effective for a 12-month period. A permit holder must renew the permit annually by registration of the vehicles operated under authority of that permit as required by subdivision 2. A permit holder has one annual renewal date encompassing all of the permits held by the holder.

Subd. 2. **Annual vehicle registration; fee.** (a) This subdivision applies only to holders of household goods mover permits and motor carriers of passengers.

(b) A permit holder or motor carrier of passengers shall pay an annual registration fee of \$75 on each vehicle, including pickup and delivery vehicles, operated by the carrier under authority of the permit or certificate of registration during the 12-month period or fraction of the 12-month period. Trailers and semitrailers used by a permit holder in combination with power units may not be counted as vehicles in the computation of fees under this section if the permit holder pays the fees for power units.

(c) The commissioner shall furnish a distinguishing annual identification card for each vehicle or power unit for which a fee has been paid. The identification card must at all times be carried in the vehicle or power unit to which it has been assigned. An identification card may be reassigned to another vehicle or power unit upon application of the carrier and payment of a transfer fee of \$10. An identification card issued under this section is valid only for the period for which the permit or certificate of registration is effective.

(d) A fee of \$10 is charged for the replacement of an unexpired identification card that has been lost.

(e) The proceeds of the fees collected under this subdivision must be deposited in the trunk highway fund.

Subd. 2a. **Vehicle identification.** The permit holder must be identified on the power unit of each registered vehicle operated under the permit. Vehicles must show the name or the "doing business as" name of the permit holder operating the vehicle and the community and abbreviation of the state in which the permit holder maintains its principal office or in which the vehicle is customarily based. If the permit holder operates a leased vehicle, it may show its name and the name of the lessor on the vehicle, if the lease relationship is clearly shown. If the name of a person other than the operating permit holder appears on the vehicle, the words "operated by" must immediately precede the name of the permit holder. The name and address must be in letters that contrast sharply in color with the background, be readily legible during daylight hours from a distance of 50 feet while the vehicle is stationary, and be maintained in a manner that retains the legibility of the markings. The name and address may be shown by use of a removable device if that device meets the identification and legibility requirements of this subdivision.

Subd. 3. **Certificate carrier; annual vehicle registration.** Certificated passenger carriers shall pay an annual registration fee of \$40 for each vehicle, including pickup and delivery vehicles, operated during a calendar year. The commissioner shall issue distinguishing identification cards as provided in subdivision 2.

Subd. 4. **Floater card; fee.** The department may issue to carriers subject to subdivision 2 or 3 special "floater" identification cards up to a maximum of five per motor carrier. Floater cards may be freely transferred between vehicles that have evidence of being inspected under section 221.0252, subdivision 3, paragraph (a), clause (2), within the previous 12 months, or have a current Commercial Vehicle Safety Alliance decal, and that are used under short-term leases by the motor carrier. The motor carrier shall pay a fee of \$100 for each floater card issued.

Subd. 5. **Limitation.** The provisions of this section are limited by applicable federal law.

221.132 PREPAID TEMPORARY VEHICLE IDENTIFICATION CARD.

For special or extraordinary events, the commissioner may issue a prepaid temporary vehicle identification card to a permit or certificate holder subject to section 221.131, subdivision 2 or 3, for a fee of \$5 per card. The card must be preprinted by the commissioner with the carrier's name, address, and permit or certificate number. The card may be used by the motor carrier to whom it is issued to identify a vehicle temporarily added to its fleet, if the vehicle has evidence of being inspected under section 221.0252, subdivision 3, paragraph (a), clause (2), within the previous 12 months, or has a current Commercial Vehicle Safety Alliance decal. The card must be executed by the motor carrier by dating and signing the card and describing the vehicle in which it will be carried. The identification card is valid for a period of ten days from the date the motor carrier places on the card when the card is executed. The card must be used within one year from the date of issuance by the commissioner. The card may not be used if the permit or certificate is not in full force and effect. The card may not be transferred. The commissioner may not refund the cost of unused prepaid temporary vehicle identification cards.

221.141 INSURANCE OR BOND.

Subdivision 1. **Financial responsibility of carriers.** (a) No motor carrier and no interstate carrier shall operate a vehicle until it has obtained and has in effect the minimum amount of financial responsibility required by this section. Policies of insurance, surety bonds, other types of security, and endorsements must be continuously in effect and must remain in effect until canceled. Before providing transportation, the motor carrier or interstate carrier shall secure and cause to be filed with the commissioner and maintain in full effect, a certificate of insurance in a form required by the commissioner, evidencing public liability insurance in the amount prescribed. The insurance must cover injuries and damage to persons or property resulting from the operation or use of motor vehicles, regardless of whether each vehicle is specifically described in the policy. This insurance does not apply to injuries or death to the employees of the motor carrier or to property being transported by the carrier.

(b) Notwithstanding any other provision of this chapter, the insurance required of a motor carrier of passengers must be at least that amount required of interstate carriers under Code of Federal Regulations, title 49, section 387.33, as amended.

Subd. 1a. **Cancellation.** Insurance, bonds, endorsements, certificates, and other evidence of financial responsibility issued to satisfy the requirements of this section may be canceled on not less than 30 days' written notice to the insured and to the commissioner.

Subd. 1b. **Amount.** Except as provided in subdivision 1d, the amount of insurance, bond, or other security required for motor carriers is the amount prescribed by order of the commissioner. The amount prescribed may from time to time be reduced or increased by order of the commissioner. The commissioner may, if desired by the petitioner, prescribe in lieu of the bond or insurance some other form of security as may be satisfactory. Each policy of insurance, surety bond, or other evidence of financial responsibility issued to a motor carrier or to an interstate carrier must be amended by attachment to the policy of the Uniform Motor Carrier Bodily Injury and Property Damage Liability Insurance Endorsement (Form F) prescribed in Code of Federal Regulations, title 49, part 1023, or must by its terms provide coverage that conforms to the terms and conditions of that endorsement.

Subd. 1c. **Interstate carrier.** An interstate carrier must obtain insurance or bond in the minimum amounts prescribed in Code of Federal Regulations, title 49, section 1043.2, paragraphs (a) and (b).

Subd. 1d. **Motor carrier of hazardous cargo.** A motor carrier that transports property described under (2) and (3) of the schedule of limits in Code of Federal Regulations, title 49, section 387.9, must obtain insurance or bond in the amounts prescribed in those regulations.

Subd. 1e. **Insurer must be authorized.** A policy of insurance, bond, or other evidence of financial responsibility does not satisfy the requirements of this section unless the insurer or surety furnishing the evidence of financial responsibility is authorized or registered by the Department of Commerce to issue the policies, bonds, or certificates in this state.

Subd. 1f. **Financial responsibility defined.** "Financial responsibility" means a policy of insurance, surety bond, or other financial undertaking sufficient to pay liability amounts required by this section.

Subd. 2. [Repealed, 1983 c 371 s 44]

Subd. 3. **Replacement certificate of insurance; effective date.** Certificates of insurance which have been accepted by the commissioner under subdivision 1 may be replaced by other certificates of insurance and the liability of the retiring insurer under the certificate of insurance is considered terminated as of the effective date of the replacement certificate, provided the replacement certificate is acceptable to the commissioner.

Subd. 4. **Household goods mover.** A household goods mover shall maintain in effect cargo insurance or cargo bond in the amount of \$50,000 and shall file with the commissioner a cargo certificate of insurance or cargo bond. A cargo certificate of insurance must conform to Form H, Uniform Motor Cargo Certificate of Insurance, described in Code of Federal Regulations, title 49, part 1023. A cargo bond must conform to Form J, described in Code of Federal Regulations, title 49, part 1023. Both Form H and Form J are incorporated by reference. The cargo certificate of insurance or cargo bond must be issued in the full and correct name of the person, corporation, or partnership to whom the household goods mover permit was issued and whose operations are being insured.

Subd. 5. **Passenger transportation.** For purposes of this section, "motor carrier" includes any person who transports passengers for hire in intrastate commerce. This section does not apply to an entity or person included in section 221.031, subdivision 3b, paragraph (b).

Subd. 6. **Armored carrier.** An armored carrier must maintain in effect cargo insurance, cargo bond, or moneys and securities insurance coverage in a minimum amount of \$300,000 per incident and must file, or its insurer must file, with the commissioner a cargo certificate of insurance, cargo bond, or certificate of moneys and securities coverage. A cargo certificate of insurance must conform to Form H, Uniform Motor Cargo Certificate of Insurance, described in Code of Federal Regulations, title 49, part 1023. A cargo bond must conform to Form J described in Code of Federal Regulations, title 49, part 1023. A certificate of moneys and securities coverage must conform to either Form H or Form J with such variances as the commissioner may allow to accommodate industry practice. Form H and Form J are incorporated by reference. The cargo certificate of insurance, cargo bond, or certificate of moneys and securities coverage must be issued in the full and correct name of the person, corporation,

or partnership to whom the armored carrier permit was issued and whose operations are being insured.

Subd. 7. Electronic filing of form. The commissioner may permit the electronic filing of insurance, bonds, endorsements, certificates, and other evidence of financial responsibility required in this section or rules adopted under this section. The electronic filing of a document imposes the same obligations on the person filing the document and has the same legal effect as if the document had been filed on a prescribed form.

221.15 [Repealed, Ex1957 c 17 s 31]

221.151 PERMIT ASSIGNABLE OR TRANSFERABLE.

Subdivision 1. **Petition.** Permits, except livestock permits, issued under section 221.121 may be assigned or transferred but only upon the order of the commissioner approving the transfer or assignment after notice and hearing.

The proposed seller and buyer or lessor and lessee of a permit, except for livestock carrier permits, shall file a joint notarized petition with the commissioner setting forth the name and address of the parties, the identifying number of the permit, and the description of the authority which the parties seek to sell or lease, a short statement of the reasons for the proposed sale or lease, a statement of outstanding claims of creditors which are directly attributable to the operation to be conducted under the permit, a copy of the contract of sale or lease, and a financial statement with a balance sheet and an income statement, if existent, of the buyer or lessee. If it appears to the commissioner, after notice to interested parties and a hearing, from the contents of the petition, from the evidence produced at the hearing, and from the department's records, files, and investigation that the approval of the sale or lease of the permit will not adversely affect the rights of the users of the service and will not have an adverse effect upon other competing carriers, the commissioner may make an order granting the sale or lease. Provided, however, that the commissioner shall make no order granting the sale or lease of a permit to a person or corporation or association which holds a certificate or permit other than local cartage carrier permit from the commissioner under this chapter or to a common carrier by rail.

Provided further that the commissioner shall make no order approving the sale or lease of a permit if the commissioner finds that the price paid for the sale or lease of a permit is disproportionate to the reasonable value of the permit considering the assets and goodwill involved. The commissioner shall approve the sale or lease of a permit only after a finding that the transferee is fit and able to conduct the operations authorized under the permit and that the vehicles the transferee proposes to use in conducting the operations meet the safety standards of the commissioner. In determining the extent of the operating authority to be conducted by the transferee under the sale or lease of the permit, the past operations of the transferor within the two-year period immediately preceding the transfer must be considered. Only such operating authority may be granted to the transferee as was actually exercised by the transferor under the transferor's authority within the two-year period immediately preceding the transfer as evidenced by bills of lading, company records, operation records, or other relevant evidence. For purposes of determining the two-year period, the date of divesting of interest or control is the date of the sale. The commissioner shall look to the substance of the transaction rather than the form. An agreement for the transfer or sale of a permit must be reported and filed with the commissioner within 30 days of the agreement.

If an authority to operate as a permit carrier is held by a corporation, a sale, assignment, pledge, or other transfer of the stock interest in the corporation which will accomplish a substantial or material change or transfer of the majority ownership of the corporation, as exer-

cised through its stockholders, must be reported in the manner prescribed in the rules of the commissioner within 30 days after the sale, assignment, pledge, or other transfer of stock. The commissioner shall then make a finding whether or not the stock transfer does, in fact, constitute a sale, lease, or other transfer of the permit of the corporation to a new party or parties and, if they so find, then the continuance of the permit issued to the corporation may only be upon the corporation's complying with the standards and procedures otherwise imposed by this section.

Subd. 2. MS 1974 [Repealed, 1973 c 710 s 2; 1974 c 406 s 93]

Subd. 2. **Ex parte transfer.** (a) The commissioner shall allow a bona fide transfer of a permit, except a livestock carrier permit, ex parte without hearing if the transferee of the permit is in fact a member or members of the transferor's immediate family. For the purpose of this subdivision immediate family consists only of the lawful spouse, adult child or children, brother, or sister of the transferor. Provided further that the immediate family as defined in this subdivision does not include a person under legal disability or a member of the family regardless of relationship who holds any other permit or certificate under this chapter either as an individual or in partnership or as owner of an interest in a corporation holding a permit or a certificate under this chapter.

(b) Provided further that the transfer under this subdivision must include:

(1) transfer to a corporation the stock of which is wholly owned by the transferor or immediate family members;

(2) transfer to a partnership or partner consisting solely of the immediate family as defined in this subdivision.

(c) Provided further that the transfer of a permit under this subdivision must comply with the standards set forth in this section based upon the contents of the petition of petitioners, pertinent information available to the commissioner, and their records and files. No determination of the extent of the operating authority previously exercised is required.

(d) If it appears to the commissioner that the petition and exhibits do not reasonably comply with the standards set forth in this section, then after notice to interested parties and the petitioners, the commissioner shall assign the matter for hearing to determine compliance with this section. A user of the service, competing carrier, or interested party shall have the right to file a protest on the transfer as provided in this subdivision by filing a sworn statement with the commissioner within six months from the date of the transfer, whereupon the commissioner shall assign the matter for hearing and the continuance of the permit may only be upon the transferee's compliance with the standards and procedures otherwise imposed by this section.

Subd. 3. **Transfer of certain authority.** Operating authority described in section 221.121, subdivision 6f, paragraph (c), that has not been added to the motor carrier's permit under section 221.121, subdivision 6f, paragraph (d), may not be transferred to any person except a member of the transferor's immediate family as defined in subdivision 2.

History: *Ex*1957 c 17 s 15; 1965 c 523 s 4; 1971 c 25 s 67; 1973 c 710 s 1; 1975 c 313 s 11,12; 1976 c 166 s 83; 1980 c 534 s 69; 1983 c 371 s 30; 1986 c 444; 1988 c 544 s 16; 1992 c 600 s 30; 2001 c 213 s 30

221.152 CONVERSION OF PERMIT.

Subdivision 1. **Expiration of operating authority.** Except as provided in subdivision 3, paragraph (c), the following certificates and permits in effect on January 1, 1993, and all operating authority granted by those certificates and permits, expire on January 1, 1993:

(1) all certificates authorizing operation as a regular route common carrier of property, other than petroleum carrier certificates; and

(2) all permits authorizing operation as an irregular route common carrier, except those carriers listed in section 221.111, clauses (3) to (9).

Subd. 2. **Conversion.** All holders of certificates and permits that expire on January 1, 1993, under subdivision 1, who wish to continue providing the service authorized by those

certificates and permits, must convert the certificates and permits into class I or class II certificates or permits by that date.

Subd. 3. Issuance of new certificate or permit. (a) By September 1, 1992, a motor carrier described in subdivision 2 must submit to the commissioner an application for conversion. The application must be on a form prescribed by the commissioner and must be accompanied by an application fee of \$50. The application must state: (1) the name and address of the applicant; (2) the identifying number of the expiring certificates or permits the applicant wishes to convert; and (3) other information the commissioner deems necessary. An applicant for a class II-L permit must also submit a statement of the extent of operating authority that the applicant holds under the applicant's existing permit or permits and wishes to include in the new permit or permits, and evidence of the operating authority actually exercised as described in section 221.151, subdivision 1.

(b) The commissioner shall transmit to the board all applications that meet the requirements of paragraph (a). The board shall develop an expedited process for hearing and ruling on applications submitted under this subdivision. Within 60 days after receiving an application under this subdivision, the board shall issue an order approving or denying the issuance of a new certificate or permit. The board shall issue the certificate or permit requested in the application if it finds that the issuance is authorized under this section. An application submitted to the commissioner under this subdivision by September 1, 1992, is deemed approved by the board unless by November 1, 1992, or a later date determined under paragraph (c), the board has issued an order denying the application.

(c) If the board determines that a conversion of a certificate or permit under this subdivision requires a longer period of deliberation than that provided in paragraph (b), the board may prescribe a date: (1) on which a class I certificate or class II permit becomes effective; (2) on which the application for conversion becomes effective unless denied by the board; and (3) on which the certificate or permit being converted expires. The board may not prescribe a date under clauses (1) to (3) that is later than June 30, 1993.

Subd. 4. Authority converted. (a) The board shall not issue any certificate or permit under this subdivision that authorizes the carrier to serve any geographic area or transport any commodities that the carrier was not authorized to serve or transport under the expiring certificate or permit.

(b) Notwithstanding paragraph (a), the board shall not grant a class II-L permit to an applicant under this subdivision that names points that the permit holder did not serve at any time in the two years before April 30, 1992.

(c) When a person who had been issued before January 1, 1993, an irregular route common carrier permit with authority to transport household goods applies for conversion of that permit to a class II permit under subdivision 3, the board shall issue the applicant, along with a class II permit, a household goods mover permit with the same operating authority to transport household goods as was granted under the person's irregular route common carrier permit.

(d) When a person who, before January 1, 1993, held an irregular route common carrier permit under which the person transported temperature-controlled commodities applies for conversion of that permit to a class II permit under subdivision 3, the board shall issue the applicant a temperature-controlled commodities permit with authority to operate in the same geographic area authorized under the person's irregular route common carrier permit and a class II permit.

(e) A permit holder that received its permit less than 24 months prior to the effective date of Laws 1992, chapter 600, shall be authorized by the board to operate for a period of up to 24 months or December 31, 1993, whichever occurs first. Prior to January 1, 1994, the permit holder shall follow the procedures for conversion of permits contained in this section. The board shall extend the permit up to June 30, 1994, as required to convert the permit.

221.153 ARMORED CARRIER; CONVERSION OF OPERATING AUTHORITY.

Subdivision 1. **Expiration of operating authority.** All operating authority under certificates or permits granted by the board that authorizes armored carrier service expires on March 1, 1994. After February 28, 1994, no person may provide armored carrier service unless the person holds a valid armored carrier permit issued by the board. This subdivision does not require the expiration of any operating authority other than authority for armored carrier service. This subdivision does not limit the right of carriers to transport items of exceptional value in nonarmored vehicles that are not protected by at least one armed person exclusive of the driver.

Subd. 2. **Conversion.** A motor carrier holding operating authority that expires on March 1, 1994, under subdivision 1 who wishes to continue providing the service authorized by that operating authority must convert that operating authority into an armored carrier permit before that date.

221.161 SCHEDULE OF RATES AND CHARGES.

Subdivision 1. **Filing; hearing upon board initiative; armored carrier exemption.** (a) Except as provided in paragraph (b), a permit carrier, including a livestock carrier but not including a local cartage carrier, shall file and maintain with the commissioner a tariff showing rates and charges for transporting persons or property. Tariffs must be prepared and filed in accordance with the rules of the commissioner. When tariffs are filed in accordance with the rules and accepted by the commissioner, the filing constitutes notice to the public and interested parties of the contents of the tariffs. The commissioner shall not accept for filing tariffs that are unjust, unreasonable, unjustly discriminatory, unduly preferential or prejudicial, or otherwise in violation of this section or rules adopted under this section. If the tariffs appear to be unjust, unreasonable, unjustly discriminatory, unduly preferential or prejudicial, or otherwise in violation of this section or rules adopted under this section, after notification and investigation by the department, the board may suspend and postpone the effective date of the tariffs and assign the tariffs for hearing upon notice to the permit carrier filing the proposed tariffs and to other interested parties, including users of the service and competitive carriers by motor vehicle and rail. At the hearing, the burden of proof is on the permit carrier filing the proposed tariff to sustain the validity of the proposed schedule of rates and charges. Tariffs for transporting livestock are not subject to rejection, suspension, or postponement by the board, except as provided in subdivisions 2 and 3. The tariffs and subsequent supplements to them or reissues of them must state the effective date, which may not be less than ten days following the date of filing, unless the period of time is reduced by special permission of the commissioner.

(b) A holder of an armored carrier permit is not required to file a tariff under this subdivision for the service authorized by the armored carrier permit.

Subd. 2. **Hearing upon complaint.** Tariffs, supplements, and reissues must be prepared and filed in accordance with rules of the commissioner. Rates or charges, including pickup charges named therein, are subject to complaint to the commissioner by an interested party. The commissioner, after investigation by the department, by order on not less than ten days' notice, may assign the complaint for hearing, and if at the hearing, the complainant submits facts and evidence sufficient to establish proof that the rates or charges complained of are excessive or noncompensatory, the commissioner may order the rates or charges canceled, and require the filing of alternative and reasonable rates and charges, the reasonable level of which at that time must be indicated by the commissioner in the order.

Subd. 3. **Hearing upon petition by another carrier.** Upon the filing of a tariff or subsequent supplement or reissue, any other carrier has the right to petition the commissioner to suspend it from taking effect until opportunity is had for a hearing on the reasonableness of

the rates or charges, and the commissioner may suspend the rates or charges if in its judgment the rates or charges complained of are so unreasonably low as to create destructive competitive practices among or jeopardize the economic position of competing carriers. In determining whether the rates or charges are excessive or noncompensatory, the commissioner shall include in consideration, among other things, the reasonable cost of the services rendered for the transportation, including a reasonable return on the money invested in the business and an adequate sum for maintenance and depreciation of the property used.

Subd. 4. Hearing on merits of rates and charges. The commissioner. (1) after a suspension and hearing upon a schedule of rates and charges, or upon complaint, or upon the commissioner's own initiative, either in extension of an existing complaint or without a complaint whatever, (2) after department investigation and petition, (3) upon notice to the permit carrier or tariff agent proposing, maintaining, or charging a schedule of rates and charges on a single group of related commodities, and (4) upon notice to the users of the service and competitive carriers by motor vehicle and rail, may assign for hearing the schedule of rates and charges proposed, maintained, or charged by any or all permit carriers. Upon a finding, after a hearing, that the schedule of rates and charges are unjust or unreasonable or unjustly discriminatory or unduly preferential or prejudicial or otherwise in violation of this section, the commissioner may prescribe minimum rates and charges and the rates, rules, and practices thereafter to be maintained and applied by the permit carrier or tariff agent. In the hearing the burden of proof is upon the permit carrier or tariff agent whose schedules of rates and charges are under investigation to show that the schedules are not below a minimum reasonable level or are not noncompensatory. Schedules of rates and charges for the transportation of livestock are not subject to rejection, suspension, postponement, or investigation by the commissioner except as provided in subdivisions 2 and 3.

221.171 COMPENSATION OF PERMIT CARRIER FIXED.

Subdivision 1. Compensation fixed by schedule on file. No permit carrier shall charge or receive a greater, lesser, or different compensation for the transportation of persons or property or for related service, than the rates and charges named in the carrier's schedule on file and in effect with the commissioner including any rate fixed by the commissioner under section 221.161; nor shall a permit carrier refund or remit in any manner or by any device, directly or indirectly, the rates and charges required to be collected by the carrier under the carrier's schedules or under the rates, if any, fixed by the commissioner.

Subd. 2. Exemptions; household goods. (a) A person engaged in the transportation of household goods for the federal government or an agency of the federal government or the transportation of household goods for the state government or an agency of the state government where competitive bids are required by law is exempt from subdivision 1.

(b) A person engaged in the transportation of household goods at the request of a non-profit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code is exempt from subdivision 1 when the transportation is in furtherance of the organization's charitable purpose. A person engaged in the transportation of household goods for a charitable organization may conduct the transportation without restriction to the geographic area the carrier is authorized to serve under section 221.121.

221.185 OPERATING AUTHORITY; SUSPENSION, CANCELLATION.

Subdivision 1. **Grounds for suspension.** Despite the provisions of section 221.021, a household goods mover permit or a motor carrier registration issued under section 221.0251 or 221.0252 is suspended without a hearing, by order of the commissioner, if the permit holder or carrier fails to maintain and file with the commissioner, the insurance or bond required by section 221.141 and rules adopted under that section or the carrier or permit holder fails to pay annual vehicle registration fees or renew permits as required by section 221.131, or the permit holder or carrier fails to pay an administrative penalty under section 221.036.

Subd. 2. **Notice of suspension.** (a) Failure to file and maintain insurance, renew permits under section 221.131, or to pay annual vehicle registration fees or renew permits under section 221.131 or 221.296, or to maintain in good standing a protective agent's or private detective's license required under section 221.121, subdivision 6g, or 221.153, subdivision 3, suspends a motor carrier's permit or certificate two days after the commissioner sends notice of

the suspension by certified mail, return receipt requested, to the last known address of the motor carrier.

(b) In order to avoid permanent cancellation of the permit or certificate, the motor carrier must do one of the following within 45 days from the date of suspension:

(1) comply with the law by filing insurance or bond, renewing permits, or paying vehicle registration fees; or

(2) request a hearing before the commissioner regarding the failure to comply with the law.

Subd. 2a. Notice of suspension; effective date. The commissioner shall issue a notice of suspension if one of the conditions described in subdivision 1 occurs. The notice must give the reason for suspension and must be sent to the last known address of the carrier by certified mail, return receipt requested. A suspension is effective two days after a notice is mailed.

Subd. 3. Suspension rescission. If the motor carrier complies with the requirements of this chapter within 45 days after the date of suspension and pays the required fees, including a late vehicle registration fee of \$5 for each vehicle registered, the commissioner shall rescind the suspension unless the carrier's registration has expired. If a registered carrier fails to comply within one year of the effective date of a suspension, the carrier's registration is canceled.

Subd. 3a. Hearing. If the motor carrier requests a hearing within 45 days after the date of suspension, the commissioner shall review the suspension and:

(1) determine that the carrier has complied with the law and rescind the suspension;

(2) for just cause, grant an extension which must not exceed 20 days; or

(3) schedule a hearing to ascertain whether the carrier has failed to comply with the law.

If it is determined after the hearing that the carrier has failed to comply with the law, the commissioner shall cancel the carrier's suspended permit or certificate.

Subd. 4. Grounds for cancellation. Except as provided in subdivision 5a, failure to comply with the requirements of sections 221.141 and 221.296 relating to bonds and insurance, 221.131 relating to permit renewal, 221.131 or 221.296 relating to annual vehicle registration or permit renewal, 221.121, subdivision 6g, or 221.153, subdivision 3, relating to protective agent or private detective licensure, or to request a hearing within 45 days of the date of suspension, is deemed an abandonment of the motor carrier's permit or certificate and the permit or certificate must be canceled by the commissioner.

Subd. 5. Notice of cancellation. The commissioner shall notify the motor carrier by certified mail, return receipt requested, that the permit or certificate is canceled effective on the date of mailing the notice of cancellation.

Subd. 5a. Reinstatement after cancellation. A motor carrier whose permit or certificate is canceled for failure to comply with sections 221.141 and 221.296 relating to bonds and insurance may ask the commissioner to review the cancellation. Upon review, the commissioner shall rescind the cancellation if (1) the motor carrier presents evidence showing that before the effective date of the notice of cancellation issued under subdivision 5, the motor carrier had obtained and paid for the insurance required by sections 221.141 and 221.296, and the rules of the commissioner, and (2) the commissioner is satisfied that the motor carrier has complied with the requirements of sections 221.141 and 221.296 and the rules of the commissioner.

221.296 LOCAL CARTAGE CARRIER.

Subdivision 1. [Repealed, 1983 c 371 s 44]

Subd. 2. [Repealed, 1985 c 299 s 43]

Subd. 3. **Permit required.** No person shall operate a local cartage carrier without a permit in full force and effect with respect to the operation. The commissioner may revoke or suspend the permit of a local cartage carrier after notice and hearing for violating a provision of this section or a rule of the commissioner governing local cartage carriers. The commissioner may by order suspend or cancel the permit under section 221.185.

Subd. 4. **Petition for permit.** A person desiring to operate as a local cartage carrier shall file a petition with the commissioner specifying the service offered, the name and address of the petitioner, the names and addresses of the officers, if a corporation, and other information as the commissioner may require. The commissioner, after notice to interested parties and a hearing, shall issue the permit upon compliance with laws and rules relating to it unless it finds that the area to be served has a sufficient number of local cartage carriers to fully and adequately meet the needs of the area, that the petitioners' vehicles do not meet the safety standards adopted by rule by the commissioner, or that petitioner is not fit and able to conduct the proposed operations. A permit once granted continues in full force and effect until abandoned or unless suspended or revoked, subject to compliance by the permit holder with the applicable provisions of law and rules of the commissioner governing local cartage carriers.

Subd. 5. **Permit fees.** Upon filing a petition for a permit the petitioner shall pay to the commissioner as a fee for the issuance of the permit, the sum of \$150, and shall thereafter pay

an annual renewal fee of \$75 plus \$5 per motor vehicle if the local cartage carrier operates less than five motor vehicles, or \$100 plus \$5 per motor vehicle if the local cartage carrier operates at least five but less than 15 motor vehicles, or \$150 plus \$5 per motor vehicle if the local cartage carrier operates 15 or more vehicles. Upon issuance of the permit the commissioner shall assign the carrier a permit number, which must be painted or prominently displayed on both sides of vehicles used by the local cartage carrier under authority of the permit.

The commissioner shall issue a distinguishing annual identification card for each vehicle or power unit for which a permit has been issued. The identification card must be carried in the vehicle or power unit to which it has been assigned. An identification card may be reassigned to another vehicle or power unit upon application of the permit holder and payment of a transfer fee of \$10. An identification card issued under this section is effective only for the period for which the permit is effective.

Subd. 6. Bond. Local cartage carriers shall comply with the requirements of section 221.141.

Subd. 7. Limitations. Nothing in this section shall be construed in any manner as taking from or curtailing the right of any city to reasonably regulate or control the routing, parking, speed or the safety of operation of any motor vehicle operated by local cartage carriers, nor the general police powers of any city of its highways, nor as abrogating any provision of the charter of any city requiring conditions to be complied with before such local cartage carrier can use the highways of such city, and such rights and powers hereby stated are reserved and granted to such city; but no city shall prohibit or deny the use of the public highways within its territorial boundaries by any local cartage carrier for the transportation of property received within its boundaries to destinations beyond such boundaries, or for the transportation of property from points beyond such boundaries to destinations within the same, or for transporting property from points beyond such boundaries through such municipality to points beyond the boundaries of such municipality, where such operation is pursuant to a permit issued by the department pursuant to an order of the commission.

Subd. 8. Permit transferable. (a) Permits, issued under the provisions of this section may be transferred but only upon the order of the commissioner approving same after notice and hearing.

(b) The proposed seller and buyer of a permit, shall file a joint verified petition with the commissioner setting forth the legal name and address of the parties, the permit number and the description of the authority which the parties seek to sell, a verified statement of the reasons for the proposed sale, a verified statement of all outstanding claims of creditors which are attributable to the business conducted under said permit, a copy of the contract of sale and financial statement with balance sheet and income statement, if existent, of the buyer and the seller.

(c) After notice to interested parties and a hearing the commissioner shall not make an order approving and allowing the sale unless the commissioner finds that the buyer is fit and able to conduct the business authorized under said permit, that the vehicles the buyer proposes to use in conducting such business meet the safety standards of the commissioner, that the price paid for the purchase of the permit is not disproportionate to the reasonable value of the permit considering all assets and goodwill sold, that the proposed sale is in the best interest of the shipping public, and that the seller has legally engaged in the transportation of property or freight for hire on a meaningful basis as determined by the commissioner within the two-year period immediately preceding the sale as proven by accurate and complete bills of lading, company records, operation records, or other relevant evidence. For purposes of determining said two-year period, any divesting of interest or control shall be deemed the date of the sale and the commissioner shall look to the substance of the transaction rather than the form. Any agreement for the transfer or sale of a permit shall be reported and filed with the commissioner within 30 days of such agreement.

(d) If any authority to operate as a local cartage carrier, is held by a corporation, any sale, assignment, pledge or other transfer of such stock interest in the corporation which will ac-

complete a substantial or material change or transfer of the majority ownership of said corporation, as exercised through its stockholders, shall be reported in the manner prescribed by the rules of the commissioner within 30 days after said sale, assignment, pledge or other transfer of stock. The commissioner shall then make a finding whether or not said stock transfer does, in fact, constitute a sale, or other transfer of the permit of said corporation to a new party or parties and, if they so find, then the continuance of the permit issued to said corporation shall only be upon the corporation's complying with the standards and procedures otherwise imposed by this section.

(e) The commissioner shall allow a bona fide transfer of a permit, ex parte without hearing where the transferee of said permit is in fact a member or members of the transferor's immediate family. For the purpose of this paragraph immediate family shall consist only of the lawful spouse, adult child or children, brother or sister of the transferor. A transfer pursuant to this paragraph shall include:

(1) transfer to a corporation the stock of which is wholly owned by the transferor or immediate family members;

(2) transfer to a partnership or partner consisting solely of the immediate family as defined in this paragraph.

INTERSTATE MOTOR CARRIER OPERATIONS

221.60 REGISTRATION OF INTERSTATE CARRIER.

Subdivision 1. **Procedure.** A motor carrier may transport persons or property for hire in interstate commerce in Minnesota only if it first:

(1) complies with section 221.141;

(2) either registers with the commissioner the federal operating authority that it intends to exercise, or registers and describes the transportation it performs under an exemption contained in United States Code, title 49; and

(3) purchases an interstate identification stamp or an interstate registration trip permit for each vehicle to be used in interstate transportation in Minnesota.

Subd. 2. **Form and fees.** A motor carrier engaged in interstate commerce shall register its interstate transportation authority or exemption before February 1 of each year on a form prescribed by the commissioner. The fee for the initial registration is \$25. The fee for each identification stamp is \$5; however, a lesser fee may be collected pursuant to a reciprocal agreement authorized by section 221.65. In addition to the fees required by this subdivision, a motor carrier shall pay a service charge of 45 cents for each stamp or card issued.

Subd. 3. **Failure to register.** Failure to register for three consecutive years cancels the carrier's registration. The commissioner must give 30-days' notice of the cancellation to the carrier at the carrier's last known address.

Subd. 3a. **Failure to maintain insurance.** If a carrier fails to maintain and file with the commissioner the insurance or bond required by section 221.141 and the rules of the commissioner, the commissioner shall suspend and cancel the carrier's interstate registration according to the procedure in section 221.185, subdivisions 2, paragraphs (a) and (b), clause (1); and 3. If the carrier fails to comply with section 221.141 within 45 days of the date of suspension, the commissioner shall cancel the carrier's interstate registration until the carrier files and maintains insurance as required by section 221.141 and rules of the commissioner. The commissioner shall notify the carrier of the cancellation.

Subd. 4. **Cab card.** A carrier required to register under this section shall obtain the National Association of Regulatory Utility Commissioners cab card described in Code of Federal Regulations, title 49, section 1023.36, and affix the stamp to the cab card. A cab card bearing a current Minnesota interstate identification stamp must be carried in the cab of a vehicle operated for hire in interstate commerce in Minnesota.

Subd. 5. **Temporary interstate registration.** An interstate registration trip permit valid for ten days from the date of issue may be issued to a motor carrier engaged in interstate commerce that:

(1) complies with section 221.141;

(2) either registers its interstate operating authority or registers and describes the transportation it performs under an exemption contained in the Interstate Commerce Act, United States Code, title 49; and

(3) pays a state fee of \$5 for each permit.

Subd. 6. **Transfer of authorization document.** A motor carrier engaged in interstate commerce may not transfer or sell or allow another carrier to use its interstate identification

stamp, its interstate registration trip permit, or its cab card. However, a cab card and identification stamp may be transferred to a leased vehicle operated under the authority of the motor carrier to whom the cab card and identification stamp were issued.

221.601 AGREEMENT WITH ANOTHER STATE.

Subdivision 1. **Authority.** The commissioner may enter into agreements with representatives of other states to allow the cooperative registration of motor carriers transporting property or passengers for hire in interstate commerce. The agreement may authorize representatives of other states to issue interstate registration stamps and trip permits; accept the filing of insurance certificates, insurance cancellation notices, and orders of the former Interstate Commerce Commission or a successor agency; issue suspension and reinstatement orders or notices; and collect and disburse fees prescribed by this chapter. The agreement may allow the exchange of information for audit, reporting, and enforcement purposes, and the collection and disbursement of fees provided under this chapter and the laws of other states that participate in the agreement. The agreement and all amendments must be in writing. The agreement may provide for the gradual adoption of a base state registration system. It may provide that a motor carrier based in another state participating in the agreement, that has filed evidence of financial responsibility in that state that meets the requirements of this chapter and of the agreement, need not file evidence of financial responsibility with the commissioner for its interstate operations in this state.

Subd. 2. **Definition.** For purposes of this section, "state" means a state, the District of Columbia, or a state or province of a foreign country.

History: 1989 c 318 s 17; 1990 c 462 s 6; 2003 c 2 art 4 s 9

221.602 INTERSTATE CARRIER REGISTRATION.

Subdivision 1. **Procedure; nonexempt carrier.** A motor carrier subject to the jurisdiction of the U.S. Department of Transportation or Surface Transportation Board under United States Code, title 49, chapter 135, subchapter I, with its principal place of business in Minnesota or that designates Minnesota as its base state, may transport persons or property for hire in Minnesota only if it first complies with the insurance regulations described in Code of Federal Regulations, title 49, part 387, and registration regulations described in Code of Federal Regulations, title 49, parts 356 and 365, adopted by the Interstate Commerce Commission or a successor agency under United States Code, title 49, section 14504 or former section 11506. The registration fee is \$5; however, a lesser fee may be collected pursuant to a reciprocal agreement authorized by section 221.65. A motor carrier shall pay a service charge of 45 cents for each registration receipt issued in addition to the fee required by this subdivision.

Subd. 2. **Procedure; exempt carrier.** (a) A motor carrier that is exempt from federal jurisdiction under United States Code, title 49, may transport persons or property for hire in interstate commerce in Minnesota only if it first:

- (1) complies with section 221.141;
 - (2) registers and describes the transportation it performs under an exemption contained in United States Code, title 49; and
 - (3) pays the fee required in subdivision 1.
- (b) A motor carrier that complies with subdivision 1 is not also required to comply with this subdivision.

Subd. 3. **Registration period.** The registration period is that provided in regulations adopted under United States Code, title 49, section 14504 or former section 11506.

Subd. 4. **Receipt.** On compliance with subdivision 1 or 2, the commissioner shall issue a receipt showing that the motor carrier has complied with the regulations applicable to it. Proof of registration must be kept in each of the carrier's vehicles.

221.605 COMPLIANCE BY CARRIER.

Subdivision 1. **Federal regulations and state rules.** (a) Interstate carriers and private carriers engaged in interstate commerce shall comply with the federal motor carrier regulations in Code of Federal Regulations, title 49, parts 40, 382, 383, 387, and 390 through 398 and with the rules of the commissioner concerning inspections, vehicle and driver out-of-service restrictions and requirements, and vehicle, driver, and equipment checklists. For purposes of regulating commercial motor vehicles as defined in section 169.781, subdivision 1, the exemption provided in Code of Federal Regulations, title 49, section 396.11, paragraph (d), applies in Minnesota only to driveaway-towaway operations.

(b) An interstate carrier or private carrier engaged in interstate commerce who complies with federal regulations governing testing for controlled substances and alcohol is exempt from the requirements of sections 181.950 to 181.957 unless the carrier's drug testing program provides for testing for controlled substances in addition to those listed in Code of Federal Regulations, title 49, section 40.85. Persons subject to this section may test for drugs, in addition to those listed in Code of Federal Regulations, title 49, section 40.85, only in accordance with sections 181.950 to 181.957 and rules adopted under those sections.

Subd. 2. **Investigation, prosecution, and enforcement.** The commissioner shall investigate the operations of carriers engaged in interstate commerce in Minnesota and their compliance with federal regulations, this chapter, and the rules of the commissioner, and may institute and prosecute proceedings in the proper district court for their enforcement.

Subd. 3. **Out-of-service criteria adopted by reference.** The North American Uniform Driver, Vehicle, and Hazardous Materials Out-Of-Service Criteria developed and adopted by the Federal Highway Administration and the Commercial Vehicle Safety Alliance are adopted in Minnesota.

221.65 RECIPROCAL AGREEMENT.

Nothing in this chapter shall be construed to impair the authority of the commissioner to enter into reciprocal agreements with the regulatory bodies of other states and the provinces of the Dominion of Canada, as provided in section 221.231.

For the purposes of section 221.231, the commissioner shall be deemed to be the successor of the Department of Public Service. The commissioner may exercise any power, duty or function heretofore conferred by law or agreement upon the Department of Public Service to the extent necessary to preserve any reciprocal agreement heretofore concluded under the provisions of section 221.231. Nothing in this section shall be construed to prevent the negotiation of new or replacement agreements as conditions and circumstances may warrant.

221.67 SERVICE OF PROCESS.

The use of any of the public highways of this state for the transportation of persons or property for compensation by a motor carrier in interstate commerce shall be deemed an irrevocable appointment by the carrier of the secretary of state to be the carrier's true and lawful attorney upon whom may be served all legal process in any action or proceeding brought under this chapter against the carrier or the carrier's executor, administrator, personal represen-

tative, heirs, successors or assigns. This use is a signification of agreement by the interstate motor carrier that any process in any action against the carrier or the carrier's executor, administrator, personal representative, heirs, successors, or assigns which is so served shall be of the same legal force and validity as if served upon the carrier personally. Service shall be made according to section 5.25 and the plaintiff's affidavit of compliance with the provisions of this section and sections 221.60, 221.65, and 221.68 must be attached to the summons.

221.68 REGISTRATION VIOLATIONS; PENALTIES.

Any person who violates or procures, aids, or abets violation of, or fails to comply with, the provisions of Laws 1985, chapter 299, sections 27 to 29 or any valid order or rule of the commissioner issued hereunder shall be guilty of a misdemeanor; and, additionally, shall be subject to a penalty of \$50 for each and every day of such failure to so comply, to be recovered for the state in a civil action. MISCELLANEOUS

221.71 COMMUTER VAN; DRIVER LIABILITY.

Subdivision 1. **Employment relationship.** Notwithstanding any other law to the contrary, the services performed by a driver of a commuter van shall be deemed to be those of an independent contractor and not those of an employee acting within the scope of employment, unless provided in writing to the contrary.

Subd. 2. **Standard of care.** A driver or owner of a commuter van shall not be held to the standard of care applicable to drivers or owners of common carriers, nor shall they be subject to ordinances or rules which relate exclusively to the regulation of drivers or owners of automobiles for hire or other common carriers or public transit carriers.

221.81 BUILDING MOVER.

Subdivision 1. **Definitions.** For the purposes of this section, the terms used in this section have the meanings given them in this subdivision.

(a) "Building mover" means a person, corporation, or other entity who raises, supports off the foundation, and moves buildings on and over public streets and highways. Building mover does not include a person who moves manufactured homes or modular homes, farmers moving their own farm buildings, or persons moving buildings which are less than 16 feet wide by 20 feet long.

(b) "Political subdivision" means a city, town, or county.

(c) "Road authority" has the meaning given it in section 160.02, subdivision 25.

Subd. 2. **License.** No person may operate as a building mover in this state unless licensed by the commissioner. The commissioner may inspect a building mover's vehicles or records to determine compliance with this section.

Subd. 3. **License application.** To obtain a license to operate as a building mover an applicant shall file an application with the commissioner specifying the name and address of its officers and other information as the commissioner may reasonably require. The commissioner shall issue the license upon compliance by the applicant with insurance requirements and payment of an initial \$150 filing fee. A license once granted continues in full force and effect, subject to a \$100 annual renewal fee and compliance with insurance requirements, unless revoked or suspended.

The commissioner, upon approval of a license for a building mover, shall issue a sufficient number of cab cards to each licensed mover to provide one cab card for each power unit

used in moving buildings. The fee is \$10 for each cab card issued. The cab card must be carried at all times in a readily available place in the cab of the power unit for which it was issued. The building mover may also purchase up to five floater cab cards for a fee of \$100 for each floater card issued. Cab cards are effective for a 12-month period and continue from year to year thereafter upon payment of the required fee. Cab cards are only good for the period for which the license is effective.

Subd. 3a. **Insurance.** (a) Each building mover shall have in effect the following:

(1) comprehensive general liability insurance including completed operations, underground property damage, and collapse coverage in the amount of at least \$500,000 for bodily injury or property damage; and

(2) motor vehicle liability insurance in the amount of at least \$500,000 for bodily injury or property damage.

(b) The insurance must be written by an insurer licensed to do business in the state of Minnesota. Each building mover shall file with the commissioner a certificate evidencing the insurance. The insurance policy must provide that the policy may not be canceled without the insurer first giving 30 days' written notice to the commissioner of the impending cancellation.

(c) On request of the commissioner, the insurer must furnish a duplicate original of the policy and all endorsements to the policy.

Subd. 3b. **Local permit.** A building mover may not move a building on or across a street or highway without first obtaining a permit from the road authority having jurisdiction over the street or highway. A permit for the movement of a building may not be granted to a building mover who does not possess a current license issued by the commissioner.

Subd. 3c. **Local regulation.** No license to move buildings or bond, cash deposit, or insurance coverage may be required by a political subdivision of the state other than the license and insurance coverage required by the commissioner. A road authority may charge a fee for services performed and may require a permit which reasonably regulates the hours, routing, movement, parking, or speed limit for a building mover operating on streets or highways under its jurisdiction. A building mover shall comply with the State Building Code in jurisdictions which have adopted the State Building Code, and with local ordinances which regulate the moving or removing of buildings. A building mover may not be required to pay a route approval fee to, or obtain a permit for the movement of a building on streets or highways from, a political subdivision which is not also the road authority. This section does not prohibit a political subdivision from charging a permit fee for regulation of activities which do not involve the use of public streets or highways. Neither the state nor a political subdivision may regulate rates charged by building movers.

Subd. 3d. **Identification.** (a) A building mover's name and address must be displayed on the power unit of a vehicle used to move buildings and on buildings being moved.

(b) Vehicles and buildings must show the name or "doing business as" name of the license holder operating the vehicle and the community and abbreviation of the state in which the license holder maintains its principal office or in which the vehicle is customarily based. If the building mover operates a leased vehicle, it may show its name and the name of the lessor on the vehicle, if the lease relationship is clearly shown. If the name of a person other than the building mover appears on the vehicle, the words "operated by" must immediately precede the name of the building mover.

(c) The name and address must be in letters that contrast sharply in color with the background, be readily legible during daylight hours from a distance of 50 feet while the vehicle or building is stationary, and be maintained in a manner that retains the legibility of the markings. The name and address may be shown by use of a removable device if that device meets the identification and legibility requirements of this subdivision.

Subd. 3e. **Safety rules.** (a) A building mover must comply with the rules adopted in section 221.0314: (1) subdivision 6 for driving of motor vehicles; (2) subdivision 7 for parts and accessories necessary for the safe operation, except as provided in paragraph (b); (3) subdivi-

sion 10 for inspection, repair, and maintenance; (4) subdivision 8 for accident reporting; and, (5) on and after August 1, 1994, subdivisions 2 to 5 for driver qualifications.

(b) A towed vehicle, other than a full trailer, pole trailer, or semitrailer, as those terms are defined in Code of Federal Regulations, title 49, section 390.5, used by a building mover to move a building on a highway is not required to comply with rules for parts and accessories necessary for safe operation.

Subd. 4. License revocation, suspension, denial. The commissioner, after notice and a hearing, may revoke, suspend, or deny a license for:

(1) failure of the applicant or license holder to reimburse the road authority for damage to public highways, roads, streets, or utilities that are not paid for by the license holder's insurer;

(2) conduct of the applicant or license holder that endangers the health and safety of users of the public highways, roads, streets, or utilities;

(3) conduct of the applicant or license holder that obstructs traffic in a manner other than as authorized in the permit;

(4) violation of this section;

(5) failure to obtain or comply with required local moving permits or permits required by section 169.86;

(6) placing or leaving a building on property without the permission of the owner of the property or in violation of local ordinances; or

(7) abandoning a building after it is first moved under the road permit. For purposes of this subdivision, "abandon" means conduct that shows that a building mover has failed to use reasonable diligence in moving a building to the location described in the road permit.

Subd. 5. Suspension by commissioner. (a) The commissioner shall suspend a license without a hearing for the following reasons:

(1) failure to pay the renewal fee; or

(2) failure to comply with insurance requirements.

(b) The suspension continues until the fees are paid and the insurance requirements are satisfied.

Subd. 6. Misdemeanor. A person who violates, or aids or abets the violation of, any of the provisions of this section is guilty of a misdemeanor. Every distinct violation is a separate offense.

221.84 LIMOUSINE.

Subdivision 1. **Definition.** "Limousine service" means a service that:

(1) is not provided on a regular route;

(2) is provided in a luxury passenger automobile that is not a van or station wagon and has a seating capacity of not more than 12 persons, excluding the driver;

(3) provides only prearranged pickup; and

(4) charges more than a taxicab fare for a comparable trip.

Subd. 2. **Permit required; rules.** (a) No person may operate a for-hire limousine service without a permit from the commissioner.

(b) The commissioner shall adopt rules governing the issuance of permits for for-hire operation of limousines that include:

(1) annual inspections of limousines;

(2) driver qualifications, including requiring a criminal history check of drivers;

(3) insurance requirements;

(4) advertising regulation, including requiring a copy of the permit to be carried in the limousine and use of the words "licensed and insured";

(5) provisions for agreements with political subdivisions for sharing enforcement costs;

(6) issuance of temporary permits and temporary permit fees; and

(7) other requirements deemed necessary by the commissioner.

(c) This section does not apply to limousines operated by persons meeting the definition of private carrier in section 221.011, subdivision 26.

Subd. 3. **Administrative penalties.** The commissioner may issue an order requiring violations of statutes, rules, and local ordinances governing operation of limousines to be corrected and assessing monetary penalties up to \$1,000. The commissioner may suspend or revoke a permit for violation of applicable statutes and rules and, upon the request of a political subdivision, may immediately suspend a permit for multiple violations of local ordinances. The commissioner shall immediately suspend a permit for failure to maintain required insurance and shall not restore the permit until proof of insurance is provided. A person whose permit is revoked or suspended or who is assessed an administrative penalty may appeal the commissioner's action in a contested case proceeding under chapter 14.

Subd. 4. **Permit; decal; fees.** (a) The commissioner shall design a distinctive decal to be issued to permit holders under this section. Each decal is valid for one year from the date of issuance. No person may operate a limousine that provides limousine service unless the limousine has such a decal conspicuously displayed.

(b) During the period July 1, 1991, to June 30, 1992, the fee for each decal issued under this section is \$150. After June 30, 1992, the fee for each decal is \$80. The fee for each permit issued under this section is \$150. The commissioner shall deposit all fees under this section in the trunk highway fund.
