This duty shall extend to all positions held by members of the classified service under sections 383B.26 to 383B.42. A title shall be established for each class. A copy of the statement charging the employee shall be filed with the director along with the employee's reply, if any.

Subd. 1a. **Appeal.** (a) Any permanent employee in the classified service who is discharged, demoted or suspended pursuant to rules promulgated hereunder, shall be notified by the effective date of the action of the right to appeal as provided for by the rules to the chief administrative law judge of the Office of Administrative Hearings. (b) A permanent employee who elects to challenge a discharge, demotion, or suspension through a grievance procedure under a collective bargaining agreement under sections

The employee or department head or their attorney may, within ten days after receipt of the notice of assignment, make and serve on the other party and file with the office of administrative hearings a notice to remove as provided in Rule 63.03 of the Rules of Civil Procedure. (e) If the administrative law judge finds, based on the record, that the action appealed was not taken by the department head for just cause, the employee shall be reinstated to the position, or an equal position within the same department, without loss of pay. If the administrative law judge finds that just cause exists for the disciplinary action, it shall affirm or uphold the action of the department head, or, if the employee has asserted and the hearing record establishes extenuating circumstances, the administrative law judge may reinstate the employee, with full, partial, or no pay, or may modify the department head's action by substituting a lesser disciplinary action. The administrative law judge's order is the final decision. The administrative law judge's order may be appealed according to sections 14.63 to 14.68 by the employee, or by the department head upon approval of the county board. Settlement of the entire dispute by mutual agreement is encouraged at any stage of the proceedings. Any settlement agreement is final and binding when agreed to by all parties.
