83.23 REGISTRATION REQUIREMENT.

Subdivision 1. **Registration.** It is unlawful for any person to offer or sell an interest in subdivided lands in this state unless the interest is registered under this section or the subdivided land or the transaction is exempt under section 83.26.

Subd. 2. **Notification.** Unless the method of offer or sale is adopted for the purpose of evasion of sections 83.20 to 83.42, 83.43 and 83.44, subdivided lands may be registered by notification provided that all of the following requirements have been met:

(a) the subdivision consists of not more than 100 separate lots, units, parcels, or interests;

(b) at least 20 days prior to any offer pursuant to this subdivision, the subdivider must supply the commissioner, on forms which the commissioner may by rule prescribe, at least the following information:

(1) the name and address of the subdivider and the form and date of its organization if other than an individual;

(2) the location and legal description of the subdivision and the total number of lots, parcels, units, or interests;

(3) either a title opinion prepared and signed by an attorney licensed to practice law in the state wherein the subdivided land is situated; or a certificate of title insurance or its equivalent acceptable to the commissioner;

(4) a copy of each instrument which will be delivered to a purchaser to evidence the purchaser's interest in the subdivided lands and a copy of each contract or other agreement which a purchaser will be required to agree to or sign, together with the range of selling prices, rates, or rentals at which it is proposed to offer the lots, units, parcels, or interests in the subdivision, a list of fees the purchaser may be required to pay for amenities or membership in groups including, but not limited to, homeowners' associations, country clubs, golf courses, and other community organizations; and

(5) a copy of a signed and approved plat map or its equivalent;

(c) a filing fee of \$150 has been paid;

(d) the subdivider is in compliance with the service of process provisions of section 83.39.

The commissioner may by rule or order withdraw or further condition registration by notification or increase or decrease the number of lots, units, parcels, or interests in subdivided lands permitted for registration by notification. If no stop order is in effect, no proceeding is pending, and no order has been issued under subdivision 4, a registration statement under this section automatically becomes effective at 5:00 in the afternoon on the 20th full business day after the filing of the registration statement or the last amendment, or at such earlier time as the commissioner by order determines.

Subd. 3. **Qualification.** Subdivided lands may be registered by qualification provided all of the following requirements have been met:

(a) an application for registration has been filed with the commissioner in a format which the commissioner may by rule prescribe;

(b) the commissioner has been furnished a proposed public offering statement complying with section 83.24;

(c) a filing fee of \$400 plus an additional registration fee of \$1 for each lot, unit, parcel, or interest included in the offering accompanies the application. The maximum combined filing and registration fees shall in no event be more than \$3,500;

An application for registration under this section becomes effective when the commissioner so orders.

Subd. 4. Consolidated registration. If additional subdivided lands of the same subdivider are subsequently to be offered for sale, the registration thereof may be consolidated with any earlier registration offering subdivided lands for sale if the additional subdivided lands are contiguous to those previously registered. An application for consolidation shall be accompanied by a consolidation fee of \$50. If the registration is pursuant to subdivision 3, an additional registration fee of \$1 shall be submitted for each lot, unit, parcel, or interest included in the consolidation if the maximum fees have not already been paid.

Subd. 5. Withdrawal of application. If no activity occurs with respect to an application for a period of 120 days, the commissioner may by order declare the application withdrawn. Subd. 5. Other law. 83.27 INQUIRY AND EXAMINATION.

The commissioner may investigate any subdivision required to be registered under sections 83.20 to 83.42, 83.43 and 83.44 for the purpose of verifying statements contained in the application for registration or the public offering statement. For the purpose of such investigation, the commissioner may:

History: 1973 c 413 s 8; 1984 c 452 s 11; 1986 c 444

83.28 SALES CONTRACT; RESCISSION.

Subdivision 1. Contract; form restrictions. Every contract for sale relating to subdivided land shall (1) state clearly the legal description of the lot, unit, parcel, or interest dis-

posed of; (2) contain the disclosure substantially similar to that required by the federal truth in lending act, and the rules promulgated thereunder; and (3) be in recordable form.

Subd. 2. Voidable. Any contract or agreement for the sale of a lot, parcel, unit, or interest in a subdivision not exempt under section 83.26, is voidable at the discretion of the purchaser, for a period of three years from the date of the contract or agreement, notwithstanding the delivery of a deed to the purchaser, if the subdivision was not registered under sections 83.20 to 83.42, 83.43 and 83.44 at the time of the sale, or if a current public offering statement was not given to the purchaser in accordance with section 83.24, unless subsequently thereto the subdivision is registered under this chapter and in connection therewith, the purchaser has received a written offer to repurchase the lot, parcel, unit, or interest for cash payable on closing of the repurchase, together with interest thereon from the date of purchase at the legal rate or at the rate charged on any lien paid by the purchaser, whichever is higher, less the amount of any income received from the lot, parcel, unit, or interest, and the purchaser has failed to accept the offer in writing within 30 days of its receipt. No offer of repurchase shall be effective unless a duplicate copy thereof has been filed with the commissioner at least 20 days prior to its delivery to the offeree and the commissioner has not objected to the offer within that time. The offer of repurchase shall be in the form and contain the information the commissioner by rule or order prescribes. If the purchaser no longer owns the lot, parcel, unit, or interest, the purchaser shall be entitled to maintain an action at law, and the damages shall be the consideration paid for the lot, parcel, unit, or interest together with interest thereon as specified above from the date of acquisition to the date of disposition, plus costs and reasonable attorney's fees, less the value received for the lot, parcel, unit, or interest at the date of disposition.

Subd. 3. Rescission. A purchaser has an unconditional right to rescind any contract, agreement, or other evidence of indebtedness, or revoke any offer, at any time prior to or within five days after the date the purchaser actually receives a legible copy of the binding contract, agreement, or other evidence of indebtedness or offer and the public offering statement as provided in section 83.24. Predating of a document does not affect the time in which the right to rescind may be exercised. The burden of proving that the document was not predated is upon the subdivider or lender.

Subd. 4. Document labeling. Each contract, agreement, or other evidence of indebtedness shall be prominently labeled and captioned that it is a document taken in connection with a sale or other disposition of lands under sections 83.20 to 83.42, 83.43 and 83.44.

Subd. 5. Notice to purchaser. The first contract, agreement, or other evidence of indebtedness shall prominently contain upon its face the following notice in bold type, which shall be at least 4 point type larger than the body of the document, stating, in one of the following forms:

(a) Registration by notification: "Notice to Purchaser" — "You are entitled to rescind this agreement for any reason within five days from the date you actually received a legible copy of this document signed by all parties. The rescission must be in writing and mailed to the subdivider or subdivider's agent or the lender at the address stated in this document. Upon rescission you will receive a refund of all money paid within 30 days after the subdivider receives notice of your rescission." or;

(b) Registration by qualification: "Notice to Purchaser" — "You are entitled to rescind this agreement for any reason within five days from the date you actually received a legible copy of this document signed by all parties and a public offering statement. The rescission must be in writing and mailed to the subdivider or subdivider's agent or the lender at the address stated in this document. Upon rescission you will receive a refund of all money paid within 30 days after the subdivider receives notice of your rescission."

The contract, agreement, or other evidence of indebtedness shall contain sufficient space upon its face in immediate proximity to the above notice for the signature of each purchaser obligated under such instrument, acknowledging that such purchaser has read the notice.

Subd. 6. **Rescission notice.** Rescission occurs when the purchaser gives written notice of rescission to the subdivider or subdivider's agent or the lender at the address stated in the contract, agreement, or other evidence of indebtedness. Notice of rescission, if given by mail is effective when it is deposited in a mailbox properly addressed and postage prepaid. A notice of rescission given by the purchaser need not take a particular form and is sufficient if it indicates by any form of written expression the intention of the purchaser not to be bound by the contract, agreement, or other evidence of indebtedness.

Subd. 7. **Waiver prohibited.** No act of a purchaser shall be effective to waive the right to rescind as provided in this section.

83.29 REGISTRATION.

Subdivision 1. **Commissioner's registration duties.** Upon compliance with all the provisions of sections 83.20 to 83.42 applicable to the application for registration and with the requirements of the commissioner, and if the commissioner finds no grounds for denial of the application, the commissioner shall register the subdivided lands. The commissioner shall have power to place such conditions, limitations, and restrictions on any registration as may be necessary to carry out the purposes of sections 83.20 to 83.42. Registration shall be by entry in a book called Register of Subdivided Lands, which entry shall show the subdivided lands registered and for whom registered, and shall specify the conditions, limitations, and restrictions upon such registration, if any, or shall make proper reference to a formal order of the commissioner on file showing such conditions, limitations, and restrictions.

Subd. 2. **Denials.** If the commissioner determines upon inquiry and examination:

- (1) that any of the requirements of sections 83.20 to 83.42 or the rules promulgated pursuant to sections 83.20 to 83.42 have not been met;
