

CHAPTER 290

INCOME AND FRANCHISE TAXES

290.01 DEFINITIONS.

290.06 RATES OF TAX; CREDITS.

290.01 DEFINITIONS.*[For text of subds 1 to 18, see M.S.2006]*

Subd. 19. **Net income.** The term “net income” means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating the federal effective dates of changes to the Internal Revenue Code and any elections made by the taxpayer in accordance with the Internal Revenue Code in determining federal taxable income for federal income tax purposes, and with the modifications provided in subdivisions 19a to 19f.

In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

(1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

(2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

(3) the deduction for dividends paid must also be applied in the amount of any undistributed capital gains which the regulated investment company elects to have treated as provided in section 852(b)(3)(D) of the Internal Revenue Code.

The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

The net income of a designated settlement fund as defined in section 468B(d) of the Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal Revenue Code.

The Internal Revenue Code of 1986, as amended through May 18, 2006, shall be in effect for taxable years beginning after December 31, 1996, and before January 1, 2006, and for taxable years beginning after December 31, 2006. The Internal Revenue Code of 1986, as amended through December 31, 2006, is in effect for taxable years beginning after December 31, 2005, and before January 1, 2007.

Except as otherwise provided, references to the Internal Revenue Code in subdivisions 19 to 19f mean the code in effect for purposes of determining net income for the applicable year.

Subd. 19b. **Subtractions from federal taxable income.** For individuals, estates, and trusts, there shall be subtracted from federal taxable income:

(1) net interest income on obligations of any authority, commission, or instrumentality of the United States to the extent includable in taxable income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) if included in federal taxable income, the amount of any overpayment of income tax to Minnesota or to any other state, for any previous taxable year, whether the amount is received as a refund or as a credit to another taxable year's income tax liability;

(3) the amount paid to others, less the amount used to claim the credit allowed under section 290.0674, not to exceed \$1,625 for each qualifying child in grades kindergarten to 6

and \$2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and transportation of each qualifying child in attending an elementary or secondary school situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a resident of this state may legally fulfill the state's compulsory attendance laws, which is not operated for profit, and which adheres to the provisions of the Civil Rights Act of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause, "textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. For purposes of the subtraction provided by this clause, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code;

(4) income as provided under section 290.0802;

(5) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491;

(6) to the extent not deducted or not deductible pursuant to section 408(d)(8)(E) of the Internal Revenue Code in determining federal taxable income by an individual who does not itemize deductions for federal income tax purposes for the taxable year, an amount equal to 50 percent of the excess of charitable contributions over \$500 allowable as a deduction for the taxable year under section 170(a) of the Internal Revenue Code and under the provisions of Public Law 109-1;

(7) for taxable years beginning before January 1, 2008, the amount of the federal small ethanol producer credit allowed under section 40(a)(3) of the Internal Revenue Code which is included in gross income under section 87 of the Internal Revenue Code;

(8) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

(9) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (7), or 19c, clause (15), in the case of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the delayed depreciation. For purposes of this clause, "delayed depreciation" means the amount of the addition made by the taxpayer under subdivision 19a, clause (7), or subdivision 19c, clause (15), in the case of a shareholder of an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. The resulting delayed depreciation cannot be less than zero;

(10) job opportunity building zone income as provided under section 469.316;

(11) the amount of compensation paid to members of the Minnesota National Guard or other reserve components of the United States military for active service performed in Minnesota, excluding compensation for services performed under the Active Guard Reserve (AGR) program. For purposes of this clause, "active service" means (i) state active service as defined in section 190.05, subdivision 5a, clause (1); (ii) federally funded state active service as defined in section 190.05, subdivision 5b; or (iii) federal active service as defined in section 190.05, subdivision 5c, but "active service" excludes services performed exclusively for purposes of basic combat training, advanced individual training, annual training, and period-

ic inactive duty training; special training periodically made available to reserve members; and service performed in accordance with section 190.08, subdivision 3;

(12) the amount of compensation paid to Minnesota residents who are members of the armed forces of the United States or United Nations for active duty performed outside Minnesota;

(13) an amount, not to exceed \$10,000, equal to qualified expenses related to a qualified donor's donation, while living, of one or more of the qualified donor's organs to another person for human organ transplantation. For purposes of this clause, "organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow; "human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person; "qualified expenses" means unreimbursed expenses for both the individual and the qualified donor for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses may be subtracted under this clause only once; and "qualified donor" means the individual or the individual's dependent, as defined in section 152 of the Internal Revenue Code. An individual may claim the subtraction in this clause for each instance of organ donation for transplantation during the taxable year in which the qualified expenses occur;

(14) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (8), or 19c, clause (16), in the case of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the addition made by the taxpayer under subdivision 19a, clause (8), or 19c, clause (16), in the case of a shareholder of a corporation that is an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. If the net operating loss exceeds the addition for the tax year, a subtraction is not allowed under this clause;

(15) to the extent included in federal taxable income, compensation paid to a nonresident who is a service member as defined in United States Code, title 10, section 101(a)(5), for military service as defined in the Service Member Civil Relief Act, Public Law 108-189, section 101(2); and

(16) international economic development zone income as provided under section 469.325.

Subd. 24. Credit for job creation. (a) A corporation that leases and operates a heavy maintenance base for aircraft that is owned by the state of Minnesota or one of its political subdivisions may take a credit against the tax due under this chapter.

(b) For the first taxable year when the facility has been in operation for at least three consecutive months, the credit is equal to \$5,000 multiplied by the number of persons employed by the corporation on a full-time basis at the facility on the last day of the taxable year, not to exceed the number of persons employed by the corporation on a full-time basis at the facility on the date 90 days before the last day of the taxable year. For each of the succeeding four taxable years, the credit is equal to \$5,000 multiplied by the number of persons

employed by the corporation on a full-time basis at the facility on the last day of the taxable year, not to exceed the number of persons employed by the corporation on a full-time basis at the facility on the date 90 days before the last day of the taxable year.

(c) For the first taxable year in which the credit is allowed for the facility, the credit must not exceed 80 percent of the wages paid to or incurred for persons employed by the taxpayer at the facility during the taxable year. For the succeeding four taxable years, the credit must not exceed 20 percent of the wages paid to or incurred for persons employed by the taxpayer at the facility during the taxable year. For purposes of this section, "wages" has the meaning given under section 3121(b) of the Internal Revenue Code, except the limitation to the contribution and benefit base does not apply.

(d) If the credit provided under this subdivision exceeds the tax liability of the corporation for the taxable year, the excess amount of the credit may be carried over to each of the 20 taxable years succeeding the taxable year. The entire amount of the credit must be carried to the earliest taxable year to which the amount may be carried. The unused portion of the credit must be carried to the following taxable year. No credit may be carried to a taxable year more than 20 years after the taxable year in which the credit was earned.

(e) If an unused portion of the credit remains at the end of the carryover period under paragraph (d), the commissioner shall refund the unused portion to the taxpayer. The provisions of this paragraph do not apply if the corporation that earned the credit under this subdivision or a successor in interest to the corporation filed for bankruptcy protection.
