

## CHAPTER 424A

## VOLUNTEER FIREFIGHTERS' RETIREMENT

424A.10 STATE SUPPLEMENTAL BENEFIT;  
VOLUNTEER FIREFIGHTERS.

**424A.10 STATE SUPPLEMENTAL BENEFIT; VOLUNTEER FIREFIGHTERS.**

**Subdivision 1. Definitions.** For purposes of this section:

(1) "qualified recipient" means an individual who receives a lump sum distribution of pension or retirement benefits from a firefighters' relief association for service that the individual has performed as a volunteer firefighter;

(2) "survivor of a deceased active or deferred volunteer firefighter" means the legally married spouse of a deceased volunteer firefighter, or, if none, the surviving minor child or minor children of a deceased volunteer firefighter;

(3) "active volunteer firefighter" means a person who regularly renders fire suppression service for a municipal fire department or an independent nonprofit firefighting corporation, who has met the statutory and other requirements for relief association membership, and who has been a fully qualified member of the relief association for at least one month; and

(4) "deferred volunteer firefighter" means a former active volunteer firefighter who terminated active firefighting service, has sufficient service credit from the applicable relief association to be entitled to a service pension, but has not applied for or has not received the service pension.

**Subd. 2. Payment of supplemental benefit.** (a) Upon the payment by a firefighters' relief association of a lump sum distribution to a qualified recipient, the association must pay a supplemental benefit to the qualified recipient. Notwithstanding any law to the contrary, the relief association must pay the supplemental benefit out of its special fund. The amount of this benefit equals ten percent of the regular lump sum distribution that is paid on the basis of the recipient's service as a volunteer firefighter. In no case may the amount of the supplemental benefit exceed \$1,000. A supplemental benefit under this paragraph may not be paid to a survivor of a deceased active or deferred volunteer firefighter in that capacity.

(b) Upon the payment by a relief association of a lump sum survivor benefit or funeral benefit to a survivor of a deceased active volunteer firefighter or of a deceased deferred volunteer firefighter, the association may pay a supplemental survivor benefit to the survivor of the deceased active or deferred volunteer firefighter from the special fund of the relief association if its articles of incorporation or bylaws so provide. The amount of the supplemental survivor benefit is 20 percent of the survivor benefit or funeral benefit, but not to exceed \$2,000.

(c) An individual may receive a supplemental benefit under paragraph (a) or under paragraph (b), but not under both paragraphs with respect to one lump sum volunteer firefighter benefit.

**Subd. 3. State reimbursement.** (a) By February 15 of each year, the treasurer of the relief association shall apply to the commissioner of revenue for state reimbursement of the amount of supplemental benefits paid under subdivision 2 during the preceding calendar year. By March 15, the commissioner shall reimburse the relief association for the amount of the supplemental benefits paid to qualified recipients and to survivors of deceased active or deferred volunteer firefighters.

(b) The commissioner of revenue shall prescribe the form of and supporting information that must be supplied as part of the application for state reimbursement.

(c) The reimbursement payment must be deposited in the special fund of the relief association.

(d) A sum sufficient to make the payments is appropriated from the general fund to the commissioner of revenue.
