Subd. 2. **Term and scope of registration.** A registration is effective until 11:59 p.m. on December 31 of the year for which the application for registration is filed or until it is surrendered by the registrant or revoked or suspended by the commissioner. The registration is limited solely to the business of providing debt management services.

Subd. 3. **Fees.** The registration application must be accompanied by payment of \$1,000 as a registration fee.

Subd. 4. **Bond.** The registration application must be accompanied by a surety bond in which the applicant shall be the obligor, in a sum to be determined by the commissioner but not less than \$5,000, and in which an insurance company, which is duly authorized by the state of Minnesota to transact the business of fidelity and surety insurance, shall be a surety. However, the commissioner may accept a deposit in cash, or securities that may legally be purchased by savings banks or for trust funds of an aggregate market value equal to the bond requirement, in lieu of the surety bond. The cash or securities must be deposited with the commissioner of finance. The commissioner may also require a fidelity bond in an appropriate amount covering employees of any applicant. Each branch office or additional place of business in this state of an applicant must be bonded as provided in this subdivision. In determining the bond amount necessary for the maintenance of any office, whether it is a surety bond, fidelity bond, or both, the commissioner shall consider the financial responsibility, experience, character, and general fitness of the debt management services provider and its operators and owners; the volume of business handled or proposed to be handled; the location of the office and the geographical area served or proposed to be served; and other information the commissioner may deem pertinent based upon past performance, previous examinations, annual reports, and manner of business conducted in other states.

Subd. 5. **Condition of bond.** The bond must run to the state of Minnesota for the use of the state and of any person or persons who may have a cause of action against the obligor arising out of the obligor's activities as a debt management services provider to a debtor domiciled in this state. The bond must be conditioned that the obligor will not commit any fraudulent act and will faithfully conform to and abide by the provisions of this chapter and of all rules lawfully made by the commissioner under this chapter and pay to the state and to any such person or persons any and all money that may become due or owing to the state or to such person or persons from the obligor under and by virtue of this chapter.

Subd. 6. **Right of action on bond.** If the registrant has failed to account to a debtor or distribute to the debtor's creditors the amounts required by this chapter and the debt management services agreement between the debtor and registrant, the debtor or the debtor's legal representative or receiver, the commissioner, or the attorney general, shall have, in addition to all other legal remedies, a right of action in the name of the debtor on the bond or the security given under this section, for loss suffered by the debtor, not exceeding the face amount of the bond or security, and without the necessity of joining the registrant in the suit or action.

Subd. 7. **Registrant list.** The commissioner must maintain a list of registered debt management services providers. The list must be made available to the public in written form upon request and on the Department of Commerce Web site.
