The commissioner shall review the documents submitted and, if necessary, request additional documentation to verify the accuracy of the cost computations. If, within 15 days of submission of the documentation, the commissioner has not notified the wholesaler of any deficiencies in the cost computations, the wholesaler may begin selling at actual cost. The cost computations are effective for a period of not more than 12 months beginning 15 days after submission of the documentation. Fifteen days before expiration of the 12-month period, the wholesaler must submit new cost documentation for review by the commissioner to continue selling at less than the price presumed by law.
