

11A.24 AUTHORIZED INVESTMENTS.

Subdivision 1. **Securities generally.** The state board shall have the authority to purchase, sell, lend or exchange the following securities for funds or accounts specifically made subject to this section including puts and call options and future contracts traded on a contract market regulated by a governmental agency or by a financial institution regulated by a governmental agency. These securities may be owned as units in commingled trusts that own the securities described in subdivisions 2 to 6. Any agreement to lend securities must be concurrently collateralized with cash or securities with a market value of not less than 100 percent of the market value of the loaned securities at the time of the agreement. Any agreement for put and call options and futures contracts may only be entered into with a fully offsetting amount of cash or securities. Only securities authorized by this section, excluding those under subdivision 6, paragraph (a), clauses (1) to (4), may be accepted as collateral or offsetting securities.

Subd. 2. **Government obligations.** The state board may invest funds in governmental bonds, notes, bills, mortgages, and other evidences of indebtedness provided the issue is backed by the full faith and credit of the issuer or the issue is rated among the top four quality rating categories by a nationally recognized rating agency. The obligations in which the board may invest under this subdivision include guaranteed or insured issues of (a) the United States, its agencies, its instrumentalities, or organizations created and regulated by an act of Congress; (b) Canada and its provinces, provided the principal and interest is payable in United States dollars; (c) the states and their municipalities, political subdivisions, agencies or instrumentalities; (d) the International Bank for Reconstruction and Development, the Inter-American Development Bank, the Asian Development Bank, the African Development Bank, or any other United States government sponsored organization of which the United States is a member, provided the principal and interest is payable in United States dollars.

Subd. 3. **Corporate obligations.** (a) The state board may invest funds in bonds, notes, debentures, transportation equipment obligations, or any other longer term evidences of indebtedness issued or guaranteed by a corporation organized under the laws of the United States or any state thereof, or the Dominion of Canada or any province thereof provided that:

(1) the principal and interest of obligations of corporations incorporated or organized under the laws of the Dominion of Canada or any province thereof shall be payable in United States dollars; and

(2) obligations shall be rated among the top four quality categories by a nationally recognized rating agency.

(b) The state board may invest in unrated corporate obligations or in corporate obligations that are not rated among the top four quality categories as provided in paragraph (a), clause (2), provided that:

(1) the aggregate value of these obligations may not exceed five percent of the market or book value, whichever is less, of the fund for which the state board is investing;

(2) the state board's participation is limited to 50 percent of a single offering subject to this paragraph; and

(3) the state board's participation is limited to 25 percent of an issuer's obligations subject to this paragraph.

Subd. 4. **Other obligations.** (a) The state board may invest funds in bankers acceptances, certificates of deposit, deposit notes, commercial paper, mortgage securities and asset backed securities, repurchase agreements and reverse repurchase agreements, guaranteed investment contracts, savings accounts, and guaranty fund certificates, surplus notes, or debentures of domestic mutual insurance companies if they conform to the following provisions:

(1) bankers acceptances and deposit notes of United States banks are limited to those issued by banks rated in the highest four quality categories by a nationally recognized rating agency;

(2) certificates of deposit are limited to those issued by (i) United States banks and savings institutions that are rated in the top four quality categories by a nationally recognized rating agency or whose certificates of deposit are fully insured by federal agencies; or (ii) credit unions in amounts up to the limit of insurance coverage provided by the National Credit Union Administration;

(3) commercial paper is limited to those issued by United States corporations or their Canadian subsidiaries and rated in the highest two quality categories by a nationally recognized rating agency;

(4) mortgage securities shall be rated in the top four quality categories by a nationally recognized rating agency;

(5) collateral for repurchase agreements and reverse repurchase agreements is limited to letters of credit and securities authorized in this section;

(6) guaranteed investment contracts are limited to those issued by insurance companies or banks rated in the top four quality categories by a nationally recognized rating agency or to alternative guaranteed investment contracts where the underlying assets comply with the requirements of this section;

(7) savings accounts are limited to those fully insured by federal agencies; and

(8) asset backed securities shall be rated in the top four quality categories by a nationally recognized rating agency.

(b) Sections 16A.58, 16C.03, subdivision 4, and 16C.05 do not apply to certificates of deposit and collateralization agreements executed by the state board under paragraph (a), clause (2).

(c) In addition to investments authorized by paragraph (a), clause (4), the state board may purchase from the Minnesota Housing Finance Agency all or any part of a pool of residential mortgages, not in default, that has previously been financed by the issuance of bonds or notes of the agency. The state board may also enter into a commitment with the agency, at the time of any issue of bonds or notes, to purchase at a specified future date, not exceeding 12 years from the date of the issue, the amount of mortgage loans then outstanding and not in default that have been made or purchased from the proceeds of the bonds or notes. The state board may charge reasonable fees for any such commitment and may agree to purchase the mortgage loans at a price sufficient to produce a yield to the state board comparable, in its judgment, to the yield available on similar mortgage loans at the date of the bonds or notes. The state board may also enter into agreements with the agency for the investment of any portion of the funds of the agency. The agreement must cover the period of the investment, withdrawal privileges, and any guaranteed rate of return.

Subd. 5. Corporate stocks. The state board may invest funds in stocks or convertible issues of any corporation organized under the laws of the United States or the states thereof, the Dominion of Canada or its provinces, or any corporation listed on an exchange regulated by an agency of the United States or Canadian national government, if they conform to the following provisions:

(a) The aggregate value of corporate stock investments, as adjusted for realized profits and losses, shall not exceed 85 percent of the market or book value, whichever is less, of a fund, less the aggregate value of investments according to subdivision 6;

(b) Investments shall not exceed five percent of the total outstanding shares of any one corporation, except that the state board may hold up to 20 percent of the shares of a real estate investment trust and up to 20 percent of the shares of a closed-end mutual fund.

Subd. 6. Other investments. (a) In addition to the investments authorized in subdivisions 1 to 5, and subject to the provisions in paragraph (b), the state board may invest funds in:

(1) venture capital investment businesses through participation in limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations;

(2) real estate ownership interests or loans secured by mortgages or deeds of trust or shares of real estate investment trusts through investment in limited partnerships, bank sponsored collective funds, trusts, mortgage participation agreements, and insurance company commingled accounts, including separate accounts;

(3) regional and mutual funds through bank sponsored collective funds and open-end investment companies registered under the Federal Investment Company Act of 1940, and closed-end mutual funds listed on an exchange regulated by a governmental agency;

(4) resource investments through limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations; and

(5) international securities.

(b) The investments authorized in paragraph (a) must conform to the following provisions:

(1) the aggregate value of all investments made according to paragraph (a), clauses (1) to (4), may not exceed 35 percent of the market value of the fund for which the state board is investing;

(2) there must be at least four unrelated owners of the investment other than the state board for investments made under paragraph (a), clause (1), (2), (3), or (4);

(3) state board participation in an investment vehicle is limited to 20 percent thereof for investments made under paragraph (a), clause (1), (2), (3), or (4); and

(4) state board participation in a limited partnership does not include a general partnership interest or other interest involving general liability. The state board may not engage in any activity as a limited partner which creates general liability.

(c) All financial, business, or proprietary data collected, created, received, or maintained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are nonpublic data under section 13.02, subdivision 9. As used in this paragraph, "financial, business, or proprietary data" means data, as determined by the responsible authority for the state board, that is of a financial, business, or proprietary nature, the release of which could cause competitive harm to the state board, the legal entity in which the state board has invested or has considered an investment, the managing entity of an investment, or a portfolio company in which the legal entity holds an interest. As used in this section, "business data" is data described in section 13.591, subdivision 1. Regardless of whether they could be considered financial, business, or proprietary data, the following data received, prepared, used, or retained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are public at all times:

- (1) the name and industry group classification of the legal entity in which the state board has invested or in which the state board has considered an investment;
- (2) the state board commitment amount, if any;
- (3) the funded amount of the state board's commitment to date, if any;
- (4) the market value of the investment by the state board;
- (5) the state board's internal rate of return for the investment, including expenditures and receipts used in the calculation of the investment's internal rate of return; and
- (6) the age of the investment in years.

Subd. 7. **Appropriation.** There is annually appropriated to the state board, from the assets of the funds for which the state board invests pursuant to subdivision 6, clause (a), sums sufficient to pay the costs for the management of these funds by private management firms.

NOTE: Subdivision 6 was also amended by Laws 2005, chapter 163, section 2, to read as follows:

"Subd. 6. **Other investments.** (a) In addition to the investments authorized in subdivisions 1 to 5, and subject to the provisions in paragraph (b), the state board may invest funds in:

(1) venture capital investment businesses through participation in limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations;

(2) real estate ownership interests or loans secured by mortgages or deeds of trust or shares of real estate investment trusts through investment in limited partnerships, bank sponsored collective funds, trusts, mortgage participation agreements, and insurance company commingled accounts, including separate accounts;

(3) regional and mutual funds through bank sponsored collective funds and open-end investment companies registered under the Federal Investment Company Act of 1940, and closed-end mutual funds listed on an exchange regulated by a governmental agency;

(4) resource investments through limited partnerships, trusts, private placements, limited liability corporations, limited liability companies, limited liability partnerships, and corporations; and

(5) international securities.

(b) The investments authorized in paragraph (a) must conform to the following provisions:

(1) the aggregate value of all investments made according to paragraph (a), clauses (1) to (4), may not exceed 35 percent of the market value of the fund for which the state board is investing;

(2) there must be at least four unrelated owners of the investment other than the state board for investments made under paragraph (a), clause (1), (2), (3), or (4);

(3) state board participation in an investment vehicle is limited to 20 percent thereof for investments made under paragraph (a), clause (1), (2), (3), or (4); and

(4) state board participation in a limited partnership does not include a general partnership interest or other interest involving general liability. The state board may not engage in any activity as a limited partner which creates general liability.

(c) All financial, business, or proprietary data collected, created, received, or maintained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are nonpublic data under section 13.02, subdivision 9. As used in this section, "financial, business, or proprietary data" means data, as determined by the responsible authority for the state board: (i) that is of a financial, business, or proprietary nature; and (ii) the release of which could cause competitive harm to the state board, the legal entity in which the state board has invested or has considered an investment, the managing entity of an investment, or a portfolio company in which the legal entity holds an interest. As used in this section, "business data" is data described in section 13.591, subdivision 1. Regardless of whether they could be considered financial, business, or proprietary data, the following data received, prepared, used, or retained by the state board in connection with investments authorized by paragraph (a), clause (1), (2), or (4), are public at all times:

(1) the name and industry group classification of the legal entity in which the state board has invested or in which the state board has considered an investment;

(2) the state board commitment amount, if any;

(3) the funded amount of the state board's commitment to date, if any;

(4) the market value of the investment by the state board;

(5) the state board's internal rate of return for the investment, including expenditures and receipts used in the calculation of the investment's internal rate of return; and

(6) the age of the investment in years."
