

97C.341 CERTAIN AQUATIC LIFE PROHIBITED FOR BAIT.

(a) A person may not use live minnows imported from outside of the state, game fish, goldfish, or carp for bait.

(b) A person may not import or possess live, frozen, or processed bait from known waters where viral hemorrhagic septicemia has been identified as being present. For purposes of this paragraph, "bait" includes fish, aquatic worms, amphibians, invertebrates, and insects used for angling.

History: 1986 c 386 art 3 s 30; 2008 c 307 s 14
