

62J.49 AMBULANCE SERVICES FINANCIAL DATA.

Subdivision 1. **Establishment.** The Emergency Medical Services Regulatory Board established under chapter 144 shall establish a financial data collection system for all ambulance services licensed in this state. To establish the financial database, the Emergency Medical Services Regulatory Board may contract with an entity that has experience in ambulance service financial data collection.

Subd. 2. **Data classification.** All financial data collected by the Emergency Medical Services Regulatory Board shall be classified as nonpublic data under section 13.02, subdivision 9.

History: 1997 c 203 art 2 s 1
