

60A.084 NOTIFICATION ON GROUP POLICIES.

An employer providing life or health benefits may not change benefits, limit coverage, or otherwise restrict participation until the certificate holder or enrollee has been notified of any changes, limitations, or restrictions. Notice in a format which meets the requirements of the Employee Retirement Income Security Act, United States Code Annotated, title 29, sections 1001 to 1461, is satisfactory for compliance with this section.

History: 1987 c 337 s 3
