Subd. 2. **Representations of 911 service.** A person shall not advertise, market, or otherwise represent that the person furnishes a service capable of providing access to emergency services by dialing 911 unless the person provides a service that routes 911 calls through the 911 emergency telecommunications system.

The disclosure must be in capital letters, in 12-point font, and on the front page of the advertisement, marketing materials, and contracts.
