

84.48 TWO-WAY RADIO SYSTEM.

No aircraft shall fly into or over any such area except at the altitudes authorized in section 84.46, without being equipped with a two-way radio system, provided that this requirement shall not become effective until prescribed by order of the commissioner of transportation and provided further that when it has been so prescribed, the operator of each such aircraft shall report the operator's presence and location by radio to such station as may be designated by the commissioner of transportation and at such times during the operator's stay within the area as the commissioner of transportation may prescribe. Orders of the commissioner of transportation under this section shall be prescribed by rules adopted, modified, or rescinded as may be necessary for the purposes of sections 84.43 to 84.52 in accordance with the laws relating to the commissioner's rules in other cases.
