

609.35 COSTS OF MEDICAL EXAMINATION.

(a) Costs incurred by a county, city, or private hospital or other emergency medical facility or by a private physician for the examination of a victim of criminal sexual conduct when the examination is performed for the purpose of gathering evidence shall be paid by the county in which the criminal sexual conduct occurred. These costs include, but are not limited to, full cost of the rape kit examination, associated tests relating to the complainant's sexually transmitted disease status, and pregnancy status.

(b) Nothing in this section shall be construed to limit the duties, responsibilities, or liabilities of any insurer, whether public or private. However, a county may seek insurance reimbursement from the victim's insurer only if authorized by the victim. This authorization may only be sought after the examination is performed. When seeking this authorization, the county shall inform the victim that if the victim does not authorize this, the county is required by law to pay for the examination and that the victim is in no way liable for these costs or obligated to authorize the reimbursement.

(c) The applicability of this section does not depend upon whether the victim reports the offense to law enforcement or the existence or status of any investigation or prosecution.
