

122A.628 SCHOOLS MENTORING SCHOOLS REGIONAL SITES.

Subdivision 1. **Program.** The commissioner of education shall select up to four school districts, or partnerships of school districts, for the purpose of assisting other school districts in the region with the development of thorough and effective teacher mentoring programs. The commissioner shall use geographic balance and proven teacher induction programs as criteria when selecting the sites. One site must include the Brainerd teacher support system, which has been cited by the Minnesota Board of Teaching as a model program and was one of only six programs in the nation to be recognized for the 2004 NEA-Saturn/UAW partnership award. The sites shall be known as schools mentoring schools regional sites.

The sites shall provide high quality mentoring assistance programs and services to other nearby school districts for the development of effective systems of support for new teachers. The sites shall offer coaching/mentor training, in-class observation training, and train-the-teacher opportunities for teams of participating teachers. The sites shall use their recognized experience and methods to equip schools to work with their own new and beginning teachers. The commissioner shall review and report annually to the legislature on the operation of each training center.

Subd. 2. **Revenue.** A school district that is selected to participate in the schools mentoring schools program under this section may utilize its professional compensation revenue under section 122A.414, subdivision 4, to pay regional training sites for staff development and training services.
