

125A.33 SERVICE COORDINATION.

(a) The team developing the IFSP under section 125A.32 must select a service coordinator to carry out service coordination activities on an interagency basis. Service coordination must actively promote a family's capacity and competency to identify, obtain, coordinate, monitor, and evaluate resources and services to meet the family's needs. Service coordination activities include:

- (1) coordinating the performance of evaluations and assessments;
- (2) facilitating and participating in the development, review, and evaluation of individualized family service plans;
- (3) assisting families in identifying available service providers;
- (4) coordinating and monitoring the delivery of available services;
- (5) informing families of the availability of advocacy services;
- (6) coordinating with medical, health, and other service providers;
- (7) facilitating the development of a transition plan at least 90 days before the time the child is no longer eligible for early intervention services or, at the discretion of all parties, not more than nine months prior to the child's eligibility for preschool services, if appropriate;
- (8) managing the early intervention record and submitting additional information to the local primary agency at the time of periodic review and annual evaluations; and
- (9) notifying a local primary agency when disputes between agencies impact service delivery required by an IFSP.

(b) A service coordinator must be knowledgeable about children and families receiving services under this section, requirements of state and federal law, and services available in the interagency early childhood intervention system.
