- (4) allow the commissioner to track the type, cost, and quality of services provided for children placed out of the home;
- (5) conform existing special education and proposed regular education billing procedures;
- (6) provide a uniform reporting standard of per diem rates;
- (7) determine allowable expenses and maximum reimbursement rates for the state reimbursement of care and treatment services; and
- (8) provide a process for the district to appeal to the commissioner tuition bills submitted to districts and to the state.
