After the board has given written notice to an individual who is the subject of a background investigation, the agencies shall assist the board with the investigation by giving the board criminal conviction data, reports about substantiated maltreatment of minors and vulnerable adults, and other information specified in the rules. The board may contract with the commissioner of human services to obtain criminal history data from the Bureau of Criminal Apprehension.

Subd. 2. **Appeal; restoring a license.** If a license is denied, suspended, restricted, or revoked, an applicant or licensee may request a hearing under the contested case provisions of chapter 14. The board may, for good cause demonstrated by the applicant or counselor, grant a license previously refused, restore a license that has been revoked, or reduce a period of suspension or restriction of a license. The board may impose any conditions or limitations as the board deems reasonable.
