Subd. 2. **All-terrain vehicle.** "All-terrain vehicle" has the meaning given in section 84.92, subdivision 8.

Subd. 3. **Application for registration; listing for taxation.** "Application for registration" shall have the same meaning as "listing for taxation," and when a motor vehicle is registered it is also listed.

Subd. 4. **Bus; intercity bus.** (a) "Bus" means (1) every motor vehicle designed for carrying

more than 15 passengers including the driver and used for transporting persons, (2) every motor vehicle that is (i) designed for carrying more than ten passengers including the driver, (ii) used for transporting persons, and (iii) owned by a nonprofit organization and not operated for hire or for commercial purposes, or (3) every motor vehicle certified by the Department of Transportation as a special transportation service provider vehicle and receiving reimbursement as provided in section 256B.0625, subdivision 17.

Trucks, truck-tractors, tractors, semitrailers, and trailers registered as "farm trucks" may be used by the owner thereof to occasionally transport unprocessed and raw farm products, not produced by the owner of the truck, from the place of production to market when the transportation constitutes the first haul of the products, and may be used by the owner thereof, either farmer or logger who harvests and hauls forest products only, to transport logs, pulpwood, lumber, chips, railroad ties and other raw and unfinished forest products from the place of production to an intermediate or

168.013 VEHICLE REGISTRATION TAXES.

Subdivision 1. **Imposition.** Motor vehicles, except as set forth in section 168.012, using the public streets or highways in the state, and park trailers taxed under subdivision 1j, shall be taxed in lieu of all other taxes thereon, except wheelage taxes, so-called, which may be imposed by any city as provided by law, and except gross earnings taxes paid by companies subject or made subject thereto, and shall be privileged to use the public streets and highways, on the basis and at the rate for each calendar year as hereinafter provided.

Subd. 1a. MS 1971 [Repealed, 1973 c 218 s 9]

Subd. 1a. **Passenger automobile; hearse.** (a) On passenger automobiles as defined in section 168.002, subdivision 24, and hearses, except as otherwise provided, the tax shall be \$10 plus an additional tax equal to 1.25 percent of the base value.

(b) Subject to the classification provisions herein, "base value" means the manufacturer's suggested retail price of the vehicle including destination charge using list price information published by the manufacturer or determined by the registrar if no suggested retail price exists, and shall not include the cost of each accessory or item of optional equipment separately added to the vehicle and the suggested retail price.

(c) If the manufacturer's list price information contains a single vehicle identification number followed by various descriptions and suggested retail prices, the registrar shall select from those listings only the lowest price for determining base value.

(d) If unable to determine the base value because the vehicle is specially constructed, or for any other reason, the registrar may establish such value upon the cost price to the purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales or use tax or any local sales or other local tax.

(e) The registrar shall classify every vehicle in its proper base value class as follows:

FROM	TO
\$ 0	\$ 199.99
\$ 200	\$ 399.99

and thereafter a series of classes successively set in brackets having a spread of \$200 consisting of such number of classes as will permit classification of all vehicles.

(f) The base value for purposes of this section shall be the middle point between the extremes of its class.

(g) The registrar shall establish the base value, when new, of every passenger automobile and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31, using list price information published by the manufacturer or any nationally recognized firm or association compiling such data for the automotive industry. If unable to ascertain the base value of any registered vehicle in the foregoing manner, the registrar may use any other available source or method. The registrar shall calculate tax using base value information available to dealers and deputy registrars at the time the application for registration is submitted. The tax on all previously registered vehicles shall be computed upon the base value thus determined taking into account the depreciation provisions of paragraph (h).

(h) The annual additional tax must be computed upon a percentage of the base value as follows: during the first year of vehicle life, upon 100 percent of the base value; for the second year, 90 percent of such value; for the third year, 80 percent of such value; for the fourth year, 70 percent of such value; for the fifth year, 60 percent of such value; for the sixth year, 50 percent of such value; for the seventh year, 40 percent of such value; for the eighth year, 30 percent of such value; for the ninth year, 20 percent of such value; for the tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of \$25.

(i) In no event shall the annual additional tax be less than \$25.

(j) For any vehicle previously registered in Minnesota, the annual additional tax due under this subdivision must not exceed the smallest amount of annual additional tax previously paid or due on the vehicle.

Subd. 1b. **Motorcycle.** On motorcycles the tax is \$10, which includes the surtax provided for in subdivision 14.

Subd. 1c. **Farm truck.** (a) On farm trucks having a gross weight of not more than 57,000 pounds, the tax shall be based on total gross weight and shall be 45 percent of the Minnesota base rate prescribed by subdivision 1e during each of the first eight years of vehicle life, but in no event less than \$35, and during the ninth and succeeding years of vehicle life the tax shall be 27 percent of the Minnesota base rate prescribed by subdivision 1e, but in no event less than \$21.

(b) On farm trucks having a gross weight of more than 57,000 pounds, the tax shall be 60 percent of the Minnesota base rate during each of the first eight years of vehicle life and 36 percent of the Minnesota base rate during the ninth and succeeding years.

(b) Farm trailers with a gross weight in excess of 10,000 pounds and as described in section 168.002, subdivision 8, are taxed as farm trucks as prescribed in subdivision 1c.

(c) Effective on and after July 1, 2001, trailers registered at a gross vehicle weight of 3,000 pounds or less must display a distinctive plate. The registration on the license plate is valid for the life of the trailer only if it remains registered at the same gross vehicle weight. The onetime registration tax for trailers registered for the first time in Minnesota is \$55. For trailers registered in Minnesota before July 1, 2001, and for which:

(1) registration is desired for the remaining life of the trailer, the registration tax is \$25; or

(2) permanent registration is not desired, the biennial registration tax is \$10 for the first renewal if registration is renewed between and including July 1, 2001, and June 30, 2003. These trailers must be issued permanent registration at the first renewal on or after July 1, 2003, and the registration tax is \$20.

For trailers registered at a gross weight of 3,000 pounds or less before July 1, 2001, but not renewed until on or after July 1, 2003, the registration tax is \$20 and permanent registration must be issued.

Subd. 1e. **Truck; tractor; combination; exceptions.** (a) On trucks and tractors except those in this chapter defined as farm trucks, on truck-tractor and semitrailer combinations except those defined as farm combinations, and on commercial zone vehicles, the tax based on total gross weight shall be graduated according to the Minnesota base rate schedule prescribed in this subdivision, but in no event less than \$120.

(g) The license plates issued for commercial zone vehicles shall be plainly marked. A person operating a commercial zone vehicle outside the zone or area in which its operation is authorized is guilty of a misdemeanor and, in addition to the misdemeanor penalty, the registrar shall revoke the registration of the vehicle as a commercial zone vehicle and shall require that the vehicle be registered at 100 percent of the full annual tax prescribed in the Minnesota base rate schedule, and no part of this tax may be refunded during the balance of the registration year.

(h) On commercial zone trucks the tax shall be based on the total gross weight of the vehicle and during each of the first eight years of vehicle life is 75 percent of the Minnesota base rate schedule. During the ninth and succeeding years of vehicle life the tax is 50 percent of the Minnesota base rate schedule.

(i) On trucks, truck-tractors and semitrailer combinations, except those defined as farm trucks and farm combinations, and except for those commercial zone vehicles specifically provided for in this subdivision, the tax for each of the first eight years of vehicle life is 100 percent of the tax imposed in the Minnesota base rate schedule, and during the ninth and succeeding years of vehicle life, the tax is 75 percent of the Minnesota base rate prescribed by this subdivision.

(j) For the purpose of registration, trailers coupled with a truck-tractor, semitrailer combination are semitrailers.

(b) During each of the third and fourth years of vehicle life, the tax shall be 75 percent of the foregoing scheduled tax; during the fifth year of vehicle life, the tax shall be 50 percent of the foregoing scheduled tax; during the sixth year of vehicle life, the tax shall be 37-1/2 percent of the foregoing scheduled tax; and during the seventh and each succeeding year of vehicle life, the tax shall be 25 percent of the foregoing scheduled tax; provided that the annual tax paid in any year of its life for an intercity bus shall be not less than \$175 for a vehicle of over 25-passenger seating capacity and not less than \$125 for a vehicle of 25-passenger and less seating capacity.

(c) On all intracity buses operated by an auto transportation company in the business of transporting persons for compensation as a common carrier and operating within the limits of cities, the tax during each year of the vehicle life of each such bus shall be \$2.

(d) On all other buses and commuter vans, as defined in section 168.126, the tax during each of the first three years of the vehicle life shall be based on the gross weight of the vehicle and graduated according to the following schedule: Where the gross weight of the vehicle is 6,000 pounds or less, \$25. Where the gross weight of the vehicle is more than 28,000 pounds, the tax shall be \$170 plus an additional tax of \$30 per ton for each ton or major portion in excess of 28,000 pounds.

(e) During the fourth and succeeding years of vehicle life, the tax shall be 80 percent of the foregoing scheduled tax but in no event less than \$20 per vehicle.

Subd. 1g. Recreational vehicle. (a) Self-propelled recreational vehicles shall be separately licensed and taxed annually on the basis of total gross weight and the tax shall be graduated according to the Minnesota base rate schedule prescribed in subdivision 1e, but in no event less than \$20, except as otherwise provided in this subdivision.

(b) For all self-propelled recreational vehicles, the tax for the ninth and succeeding years of vehicle life shall be 75 percent of the tax imposed in the Minnesota base rate schedule.

(c) Towed recreational vehicles shall be separately licensed and taxed annually on the basis of total gross weight at 30 percent of the Minnesota base rate prescribed in subdivision 1e but in no event less than \$5.

(d) Notwithstanding any law to the contrary, all trailers and semitrailers taxed pursuant to this section shall be exempt from any wheelage tax now or hereafter imposed by any political subdivision or political subdivisions.

Subd. 1i. [Repealed, 1985 c 291 s 27]

Subd. 1j. [Repealed, 1995 c 264 art 3 s 51]

Subd. 1k. **Commuter van.** A commuter van, as defined in section 168.126, must be separately licensed and taxed annually on the basis of total gross weight and the tax must be graduated according to the schedule prescribed in subdivision 1f.

Subd. 1l. **Concrete pumps and street-sweeping vehicles.** The tax on vehicle-mounted concrete pumps and street-sweeping vehicles that are not registered under section 168.187 is 15 percent of the Minnesota base rate schedule. Vehicles registered under this subdivision must display plates from a distinctive series.

Subd. 2. **Prorated fees.** When a motor vehicle first becomes subject to taxation during the registration period for which the tax is paid, or when a vehicle becomes subject to taxation upon transfer from a motor vehicle dealer, the tax shall be for the remainder of the period prorated on a monthly basis, 1/12 of the annual tax for each calendar month or fraction thereof; provided, however, that for a vehicle having an annual tax of \$10 or less there shall be no reduction until on and after September 1 when the annual tax shall be reduced one-half.

Subd. 3. **Application; cancellation; excessive gross weight forbidden.** (a) The applicant for all licenses based on gross weight shall state the unloaded weight of the motor vehicle, trailer, or semitrailer and the maximum load the applicant proposes to carry on it, the sum of which constitutes the gross weight upon which the license tax must be paid. However, the declared gross weight upon which the tax is paid must not be less than 1-1/4 times the declared unloaded weight of the motor vehicle, trailer, or semitrailer to be registered, except recreational vehicles taxed under subdivision 1g, school buses taxed under subdivision 18, and tow trucks or towing vehicles defined in section 169.011, subdivision 83. The gross weight of a tow truck or towing vehicle is the actual weight of the tow truck or towing vehicle fully equipped, but does not include the weight of a wrecked or disabled vehicle towed or drawn by the tow truck or towing vehicle.

(b) The gross weight of a motor vehicle, trailer, or semitrailer must not exceed the gross weight upon which the license tax has been paid by more than four percent or 1,000 pounds, whichever is greater; provided that, a vehicle transporting unfinished forest products on a highway, other than a highway that is part of the system of interstate and defense highways, unless a federal exemption is granted, in accordance with paragraph (d)(3):

(1) shall not exceed its gross vehicle weight upon which the license tax has been paid, or gross axle weight on any axle, by more than five percent and, notwithstanding other law to the contrary, is not subject to any fee, fine, or other assessment or penalty for exceeding a gross vehicle or axle weight by up to five percent; and

(2) between the dates set by the commissioner in accordance with section 169.826, subdivision 1, is not subject to any provision of paragraph (d) or chapter 169 limiting the gross axle weight of any individual axle unless the entire vehicle also exceeds its gross vehicle weight plus its weight allowance allowed in clause (1) and plus any weight allowance permitted under section 169.826, in which case the vehicle is subject to all applicable penalties for excess weight violations.

(c) The gross weight of the motor vehicle, trailer, or semitrailer for which the license tax is paid must be indicated by a distinctive character on the license plate or plates except as provided in subdivision 12 and the plate or plates must be kept clean and clearly visible at all times.

(d) The owner, driver, or user of a motor vehicle, trailer, or semitrailer, upon conviction for transporting a gross weight in excess of the gross weight for which it was registered or for operating a vehicle with an axle weight exceeding the maximum lawful axle load weight, is guilty of a misdemeanor and subject to increased registration or reregistration according to the following schedule:

(1) Upon conviction for transporting a gross weight in excess of the gross weight for which a motor vehicle, trailer, or semitrailer is registered by more than the allowance set forth in paragraph (b) but less than 25 percent, or for operating or using a motor vehicle, trailer, or semitrailer with an axle weight exceeding the maximum lawful axle load as provided in sections 169.822 to 169.829 by more than the allowance set forth in paragraph (b) but less than 25 percent, the owner, driver, or user of the motor vehicle, trailer, or semitrailer used to commit the violation, in addition to any penalty imposed for the misdemeanor, shall apply to the registrar to increase the authorized gross weight to be carried on the vehicle to a weight equal to or greater than the gross weight the owner, driver, or user was convicted of carrying. The increase is computed for the balance of the calendar year on the basis of 1/12 of the annual tax for each month remaining in the calendar year beginning with the first day of the month in which the violation occurred. If the additional registration tax computed upon that weight, plus the tax already paid, amounts to more than the regular tax for the maximum gross weight permitted for the vehicle under sections 169.822 to 169.829, that additional amount must nevertheless be paid into the highway fund, but the additional tax thus paid does not authorize or permit any person to operate the vehicle with a gross weight in excess of the maximum legal weight as provided by sections 169.822 to 169.829. Unless the owner within 30 days after a conviction applies to increase the authorized weight and

pays the additional tax as provided in this section, the registrar shall revoke the registration on the vehicle and demand the return of the registration card and plates issued on that registration.

(2) Upon conviction of an owner, driver, or user of a motor vehicle, trailer, or semitrailer for transporting a gross weight in excess of the gross weight for which the motor vehicle, trailer, or semitrailer was registered by 25 percent or more or for operating or using the vehicle or trailer with an axle weight exceeding the maximum lawful axle load as provided in sections 169.822 to 169.829 by 25 percent or more, and in addition to any penalty imposed for the misdemeanor, the registrar shall either (i) cancel the reciprocity privileges on the vehicle involved if the vehicle is being operated under reciprocity or (ii) if the vehicle is not being operated under reciprocity, cancel the certificate of registration on the vehicle operated and demand the return of the registration certificate and registration plates. The registrar may not cancel the registration or reciprocity privileges for any vehicle found in violation of seasonal load restrictions imposed under section 169.87 unless the axle weight exceeds the year-round weight limit for the highway on which the violation occurred. The registrar may investigate any allegation of gross weight violations and demand that the operator show cause why all future operating privileges in the state should not be revoked unless the additional tax assessed is paid.

(3) Clause (1) does not apply to the first haul of unprocessed or raw farm products or unfinished forest products, when the registered gross weight is not exceeded by more than ten percent. For purposes of this clause, "first haul" means (i) the first, continuous transportation of unprocessed or raw farm products from the place of production or on-farm storage site to any other location within 50 miles of the place of production or on-farm storage site, or (ii) the continuous or noncontinuous transportation of unfinished forest products from the place of production to the place of final processing or manufacture located within 200 miles of the place of production.

(4) When the registration on a motor vehicle, trailer, or semitrailer is revoked by the registrar according to this section, the vehicle must not be operated on the highways of the state until it is registered or reregistered, as the case may be, and new plates issued, and the registration fee is the annual tax for the total gross weight of the vehicle at the time of violation. The reregistration pursuant to this subdivision of any vehicle operating under reciprocity agreements pursuant to section 168.181 or 168.187 must be at the full annual registration fee without regard to the percentage of vehicle miles traveled in this state.

Subd. 4. **Gross earnings tax system.** Motor vehicles using the public streets and highways of this state, and owned by companies paying taxes under gross earnings system of taxation, shall be registered and taxed as provided for the registration and taxation of motor vehicles by this chapter, notwithstanding the fact that earnings from such vehicles may be included in the earnings of such companies upon which such gross earnings taxes are computed, and all provisions of this chapter are hereby made applicable to the enforcement and collection of

the tax herein provided for.

Subd. 5. **Certain vehicles subject to personal property tax.** Motor vehicles not subject to taxation as provided in section 168.012, but subject to taxation as personal property within the state under section 273.36 or 273.37, subdivision 1, have a class rate as provided in section 273.13, subdivision 24, provided, that if the person against whom any tax has been levied on the ad valorem basis because of any motor vehicle shall, during the calendar year for which such tax is levied, be also taxed under the provisions of this chapter, then and in that event, upon proper showing, the commissioner of revenue shall grant to the person against whom said ad valorem tax was levied, such reduction or abatement of net tax capacity or taxes as was occasioned by the so-called ad valorem tax imposed, and provided further that, if said ad valorem tax upon any motor vehicle has been assessed against a dealer in new and unused motor vehicles, and the tax imposed by this chapter for the required period is thereafter paid by the owner, then and in that event, upon proper showing, the commissioner of revenue, upon the application of said dealer, shall grant to such dealer against whom said ad valorem tax was levied such reduction or abatement of net tax capacity or taxes as was occasioned by the so-called ad valorem tax imposed. If such motor vehicle be registered and taxed under this chapter for a fractional part of the calendar year only, then such ad valorem tax shall be reduced in the percentage which such fractional part of the years bears to a full year.

Subd. 6. **Listing by dealers.** The owner of every motor vehicle not exempted by section 168.012 or 168.28, shall, so long as it is subject to taxation within the state, list and register the same and pay the tax herein provided annually; provided, however, that any dealer in motor vehicles, to whom dealer's plates have been issued as provided in this chapter, coming into the possession of any such motor vehicle to be held solely for the purpose of sale or demonstration or both, shall be entitled to withhold the tax becoming due on such vehicle for the following year. When, thereafter, such vehicle is otherwise used or is sold, leased, or rented to another person, firm, corporation, or association, the tax for the remainder of the year, prorated on a monthly basis, shall become payable immediately.

Subd. 7. **Agent.** Any act required herein of a registered owner may be performed in the registered owner's behalf by a duly authorized agent. Any person having a lien upon, or claim to, any motor vehicle may pay any tax due thereon to prevent the penalty for delayed registration from accruing, but the registration certificate and number plates shall not be issued until legal ownership is definitely determined.

Subd. 8. **Tax proceeds to highway user fund; fee proceeds to vehicle services account.**
(a) Unless otherwise specified in this chapter, the net proceeds of the registration tax imposed under this chapter must be collected by the commissioner, paid into the state treasury, and credited to the highway user tax distribution fund.

(b) All fees collected under this chapter, unless otherwise specified, must be deposited in the vehicle services operating account in the special revenue fund under section 299A.705.

Subd. 9. **Municipality not to impose tax; exceptions.** No city shall impose any tax or license fee or bond of any kind for the operation of any motor vehicle on its streets if the person or company owning or operating such vehicle holds a certificate or permit to operate such vehicle issued in accordance with the provisions of Minnesota Statutes 1945, chapter 221, provided, that this section shall not apply to vehicles transporting persons for hire which are operated exclusively within any city or contiguous cities.

Subd. 10. [Repealed, 1973 c 218 s 9]

Subd. 11. [Obsolete, 1951 c 123 s 2]

Subd. 12. **Additional tax for excessive gross weight.** Whenever an owner has registered a vehicle and paid the tax as provided in subdivisions 1 to 1g, on the basis of a selected gross weight of the vehicle and thereafter such owner desires to operate such vehicle with a greater gross weight than that for which the tax has been paid, such owner shall be permitted to reregister such vehicle by paying the additional tax due thereon for the remainder of the calendar year for which such vehicle has been reregistered, the additional tax computed pro rata by the month, 1/12 of the annual tax due for each month of the year remaining in the calendar year, beginning with the first day of the month in which such owner desires to operate the vehicle with the greater weight. In computing the additional tax as aforesaid, the owner shall be given credit for the unused portion of the tax previously paid computed pro rata by the month, 1/12 of the annual tax paid for each month of the year remaining in the calendar year beginning with the first day of the month in which such owner desires to operate the vehicle with the greater weight. An owner will be permitted one reduction of gross weight or change of registration per year, which will result in a refund. This refund will be prorated monthly beginning with the first day of the month after such owner applies to amend the registration. The application for amendment shall be accompanied by a fee of \$3, and all fees shall be deposited in the highway user tax distribution fund. Provided, however, the owner of a vehicle may reregister the vehicle for a weight of more than 81,000 pounds for one or more 30-day periods. For each 30-day period, the additional tax shall be equal to 1/12 of the difference between the annual tax for the weight at which the vehicle is registered and reregistered. When a vehicle is reregistered in accordance with this provision, a distinctive windshield sticker provided by the commissioner of public safety shall be permanently displayed.

Subd. 13. [Repealed, 1973 c 218 s 9]

Subd. 14. **Increase of tax rate.** Beginning in and for the first calendar year following the issuance and sale of bonds of the state of Minnesota under the provisions of the Constitution of the state of Minnesota, article 14, section 4, and after July 1, 1957, under the provisions of the

Constitution of the state of Minnesota, article 14, section 11, the proceeds of the sale of which are to be used in the construction of bridges and approaches thereto forming a part of the trunk highway system, all motor vehicle taxes imposed by section 168.013, subdivisions 1 to 1g shall be increased by 5 percent; such increased rate of tax shall remain in effect until and including the calendar year following the year in which all principal and interest on all of any such bonds shall be paid in full. Immediately upon the payment in full of all interest and principal on all of any such bonds, the commissioner of finance shall certify that fact to the registrar of motor vehicles and the registrar shall, for the second calendar year and thereafter following receipt of such certification, cease to collect motor vehicle taxes at the increased rate prescribed by this subdivision.

Subd. 15. **Adjustment of tax.** Whenever the tax on any vehicle as computed under the provisions of this section is found to be indivisible by \$1, the registrar is authorized to adjust such tax to the nearest even dollar.

Subd. 16. **Repair and servicing permit.** Upon the written application of the owner of a motor vehicle registered and taxed as a commercial zone truck, a truck-tractor, a semitrailer, or any combination thereof in accordance with this section, the registrar may grant permission in writing to such owner to operate such vehicle to and from a repair shop or service station outside of its licensed zone of operation for the limited purpose of repair or servicing. The application and any permit issued under this subdivision shall state the location of the repair or servicing facility, together with such other information and subject to such conditions as the registrar may specify. Any motor vehicle operated under such a permit shall carry no load.

Subd. 17. [Repealed, 1981 c 363 s 58]

Subd. 18. **School buses.** Notwithstanding the provisions of subdivision 1, school buses used exclusively for the transportation of students under contract with a school district, or used in connection with transportation for nonprofit educational institutions, shall be taxed during each year of the vehicle life of such bus the amount of \$25.

Subd. 19. **Limited rental of farm truck to governmental unit.** A motor vehicle licensed as a farm truck may be rented to any governmental unit for use in snow removal, flood, tornado, fire or other emergency or disaster situation without affecting its license status.

Subd. 20. **Federal heavy vehicle use tax; proof of payment.** No person may register a motor vehicle that, along with the trailers and semitrailers customarily used with the same type of motor vehicle, has a taxable gross weight of at least 55,000 pounds and is subject to the use tax imposed by the Internal Revenue Code of 1954, section 4481, unless proof of payment of the use tax, if required and in a form as may be prescribed by the secretary of the treasury, is presented.

Subd. 21. **Technology surcharge.** For every vehicle registration renewal required under this chapter, the commissioner shall collect a surcharge of \$1.75. Surcharges collected under this

subdivision must be credited to the driver and vehicle services technology account in the special revenue fund under section 299A.705.

168.017 MONTHLY SERIES REGISTRATION SYSTEM.

Subdivision 1. **Requirement generally.** All passenger automobiles, ambulances, hearses, and pickup trucks shall be registered by the registrar according to the monthly series system of registration prescribed by this section.

Subd. 2. **12 uniform registration periods.** There are established 12 registration periods, each to be designated by a calendar month and to start on the first day of such month and end on the last day of the 12th month from the date of commencing. The registrar shall administer the monthly series system of registration to distribute the work of registering vehicles described in subdivision 1 as uniformly as practicable through the calendar year.

Subd. 3. **Exceptions.** (a) The registrar shall register all vehicles subject to registration under the monthly series system for a period of 12 consecutive calendar months, unless:

(1) the application is an original rather than renewal application; or

(2) the applicant is a licensed motor vehicle lessor under section 168.27 and the vehicle is leased or rented for periods of time of not more than 28 days, in which case the applicant may apply for initial or renewed registration of a vehicle for a period of four or more months, the month of expiration to be designated by the applicant at the time of registration. However, to qualify for this exemption, the applicant must (1) present the application to the registrar at St. Paul, or a designated deputy registrar office, and (2) stamp in red, on the certificate of title, the phrase "The expiration month of this vehicle is" with the blank filled in with the month of expiration as if the vehicle is being registered for a period of 12 calendar months.

(b) In any instance except that of a licensed motor vehicle lessor, the registrar shall not approve registering the vehicle subject to the application for a period of less than three months, except when the registrar determines that to do otherwise will help to equalize the registration and renewal work load of the department.

Subd. 4. **Proportional registration payment system.** Except as otherwise provided in this subdivision, the applicant for registration of a vehicle under the monthly series system shall pay in full the calendar year registration fee prescribed by law during the 12 consecutive calendar months of registration under the monthly series system. If the registrar registers the vehicle for a period greater or less than a calendar year pursuant to subdivision 3, the calendar year registration fee shall be apportioned as follows: During the first period the fee is 1/12 of the first calendar year fee times the number of months in the period. During the first 12 consecutive months of registration under the monthly series system, the fee is the sum of the following: (a) 1/12 of the first calendar year fee times the months remaining after subtracting the months in the first period of issuance from 12 months, and (b) 1/12 of the second calendar year fee times the number of

months in the first period of issuance. The registration fee shall be computed in the same manner for second and subsequent periods of 12 consecutive months of registration under the monthly series system, subject to changes provided by law for registration fees under the calendar year system. If the registrar registers the vehicle for a part of a year pursuant to subdivision 3, the calendar year registration fee shall be apportioned as above in the case of an original registration for part of a year except that the computation shall begin with the second calendar year fee.

Subd. 5. Registration period extension for leased vehicle. (a) Notwithstanding subdivisions 3 and 4, a person leasing for at least one year a vehicle registered under this section may obtain an extension of the motor vehicle's registration period for the unexpired portion of the lease period, for a period not to exceed 11 months beyond the expiration of the registration period.

(b) In order to obtain an extension under this subdivision a lessee must

(1) apply to the registrar on a form the registrar prescribes;

(2) submit to the registrar a copy of the lease;

(3) pay an administrative fee of \$5; and

(4) pay a tax of 1/12 of the tax for the registration period being extended for each month of the extension.

(c) On an applicant's compliance with paragraph (b) the registrar shall issue the applicant a license plate tab or sticker designating the new month of expiration of the registration. The extended registration expires on the tenth day of the month following the month designated on the tab or sticker.

(d) All fees collected under paragraph (b), clause (3), must be deposited in the highway user tax distribution fund.

The expiration date of a registration shall be displayed on the license plate in such a manner as the registrar shall direct. No truck registered on a quarterly basis

the disability plates issued under this section and (2) two disability plates with attached emblems, one plate to be attached to the front, and one to the rear of the motor vehicle.

(b) The commissioner shall not issue more than one set of plates to any owner of a motor vehicle at the same time unless the state Council on Disability approves the issuance of a second set of plates to a motor vehicle owner.

(c) When the owner first applies for the disability plates, the owner must submit a medical statement in a format approved by the commissioner under section 169.345, or proof of physical disability provided for in that section.

(d) No medical statement or proof of disability is required when an owner of a motor vehicle applies for plates for one or more motor vehicles that are specially modified for and used exclusively by permanently physically disabled persons.

(e) The owner of a motor vehicle may apply for and secure (i) immediately, a permit valid for 30 days, if the applicant is eligible to receive the disability plates issued under this section, and (ii) a set of disability plates for a motor vehicle if:

(2) the owner furnishes the motor vehicle to the physically disabled person for the exclusive use of that person in the course of employment.

Subd. 1a. **Scope of privilege.** If a physically disabled person parks a motor vehicle displaying the disability plates described in this section, or a permit valid for 30 days and issued to an eligible person awaiting receipt of the disability plates described in this section, or any person parks the motor vehicle for a physically disabled person, that person is entitled to park the motor vehicle as provided in section 169.345.

The buyer of the motor vehicle is entitled to receive regular plates for the motor vehicle without further cost for the remainder of the registration period.

(b) Notwithstanding section 168.12, subdivision 1, the disability plates may be transferred to a replacement motor vehicle on notification to the commissioner. However, the disability

plates may not be transferred unless the replacement motor vehicle (1) is listed under section 168.012, subdivision 1, and (2) is owned or primarily operated by the permanently physically disabled person.

Subd. 2b. **When not eligible.** On becoming ineligible for the disability plates, the owner of the motor vehicle shall remove the disability plates. The owner may receive regular plates for the motor vehicle without further cost for the remainder of the registration period.

The court may destroy the surrendered registration plates. Except as provided in subdivision 6 or 7, no new registration plates may be issued to the violator or owner until the driver's license of the violator has been reissued or reinstated. The court shall notify the commissioner of public safety within ten days after issuing an impoundment order.

Subd. 4a. [Repealed, 1990 c 602 art 1 s 8]

Subd. 5. **Revocation rescinded.** If the driver's license revocation that is the basis for an impoundment order is rescinded, the registrar of motor vehicles shall issue new registration plates for the vehicle at no cost, when the registrar receives an application that includes a copy of the order rescinding the driver's license revocation.

Subd. 6. **Special series plates.** (a) A violator or owner may apply to the commissioner for new registration plates, which must bear a special series of numbers or letters so as to be readily identified by traffic law enforcement officers. The commissioner may authorize the issuance of special plates if a member of the violator's household has a valid driver's license, the violator or owner has a limited license issued under section 171.30, or the owner is not the violator and the owner has a valid or limited license or a member of the owner's household has a valid driver's license. The commissioner may issue the special plates on payment of a \$25 fee for each vehicle for which special plates are requested. The commissioner may not authorize the issuance of special plates unless the court that impounded the vehicle's plates gives written approval for

the issuance of the special plates.

(b) Until the driver's license of the violator is reinstated or reissued, the violator shall inform the commissioner that an impoundment order is in effect when requesting any new registration plates.

Subd. 7. **Transferring vehicle when plates impounded.** A registered owner may not sell a motor vehicle during the time its registration plates have been ordered surrendered or during the time its registration plates bear a special series number, unless the registered owner applies to the court that impounded the plates, for consent to transfer title to the motor vehicle. If the court is satisfied that the proposed sale is in good faith and for a valid consideration, that the registered owner will be deprived of the custody and control of the motor vehicle, and that the sale is not for the purpose of circumventing the provisions of this section, it may certify its consent to the registrar of motor vehicles. The registrar shall then transfer the certificate of title to the new owner upon proper application and issue new registration plates. After the registration plates have been ordered surrendered to the court under this section, if the title to the motor vehicle is transferred by the foreclosure of a chattel mortgage, the cancellation of a conditional sales contract, a sale upon execution, or by decree or order of a court of competent jurisdiction, the registrar of motor vehicles shall then transfer the certificate of title and issue new registration plates to the new registered owner.

Subd. 8. **Applicability to registration tax.** Nothing contained in this section or section 169A.60 is intended to change or modify any provision of this chapter, with respect to the taxation of motor vehicles or the time within which motor vehicle taxes must be paid.

Subd. 9. **Penalty.** A person who fails to surrender any registration plates to the court upon demand under this section, who operates a motor vehicle on a street or highway at a time when a court has ordered the surrender of its registration plates, or who fails to comply with subdivision 6, paragraph (b), is guilty of a misdemeanor.

Subd. 10. **Definition of rental motor vehicle.** "Rental motor vehicle" means a passenger vehicle, truck, motorcycle, or motorized bicycle:

(1) that is leased in the name of the violator, or leased jointly in the name of the violator and the violator's spouse; and

(2) that is one of a fleet of two or more vehicles rented for periods of 30 days or less.

Subd. 1c. **Collector's vehicle, collector plate.** (a) The owner of any self-propelled motor vehicle, including any truck, (1) that is (i) at least 20 model years old, or (ii) at least ten model years old and with a body or engine style of which not more than 500 were manufactured in or imported into the United States in any model year, (2) that was manufactured after 1935, and (3) that is owned and operated solely as a collector's vehicle, shall list the vehicle for taxation and registration as provided in paragraph (b).

(b) The owner shall execute an affidavit stating (1) the name and address of the person from whom purchased and of the new owner, (2) the make of the motor vehicle, (3) the year and number of the model, (4) the manufacturer's identification number, (5) in the case of a vehicle described in paragraph (a), clause (1)(ii), that the vehicle has a body or engine style of which not more than 500 were manufactured or imported into the United States in any model year, and (6) that the vehicle is owned and operated solely as a collector's item and not for general transportation purposes.

(c) The owner shall provide a statement of the manufacturer or importer regarding the number of vehicles manufactured or imported during the model year.

(d) The owner shall also prove that the owner also has one or more vehicles with regular license plates.

(e) If the commissioner is satisfied that the affidavit is true and correct and the owner pays a \$25 tax and the plate fee authorized under section 168.12, the commissioner shall list the vehicle for taxation and registration and shall issue a single number plate.

(f) The number plate issued shall bear the inscription "Collector," "Minnesota," and the registration number or other combination of characters authorized under section 168.12, subdivision 2a, but no date. The number plate is valid without renewal as long as the vehicle is

in existence in Minnesota. The commissioner has the power to revoke the plate for failure to comply with this subdivision.

Subd. 1d. **Collector's vehicle, street rod plate.** Any modernized motor vehicle manufactured prior to the year 1949 or designed and manufactured to resemble such vehicle shall be listed for taxation and registration as follows:

An affidavit shall be executed stating the name and address of the person from whom purchased and of the new owner, the make of the motor vehicle, year number of model, and the manufacturer's identification number. The affidavit shall further state that the vehicle is owned and operated solely as a street rod and not for general transportation purposes. The owner must also prove that the owner has one or more vehicles with regular license plates. If the commissioner is satisfied that the affidavit is true and correct and the owner pays a \$25 tax and the plate fee authorized under section 168.12, the commissioner shall list such vehicle for taxation and registration and shall issue a single number plate.

The number plate issued shall bear the inscription "Street Rod," "Minnesota," and the registration number or other combination of characters authorized under section 168.12, subdivision 2a, but no date. The number plate is valid without renewal as long as the vehicle is in existence in Minnesota. The commissioner has the power to revoke such plate for failure to comply with this subdivision.

Subd. 1e. **Outdoor storage.** Pioneer, classic, collector vehicles, collector military vehicles, or street rods, licensed or unlicensed, operable or inoperable, may be stored in compliance with local government zoning and ordinances on their owners' property, provided that the vehicles and any outdoor storage areas they may require are maintained in such a manner that they do not constitute a health or environmental hazard and are screened from ordinary public view by means of a fence, shrubbery, rapidly growing trees or other appropriate means. The appropriate local agency or authority may inform an owner of the owner's failure to comply with these requirements, and may order the vehicles removed from the outdoor storage area if the owner fails to comply with these requirements within 20 days after the warning.

Subd. 1f. **Equipment.** Any pioneer, classic, collector vehicle, collector military vehicle, or street rod shall have all equipment, in operating condition, which was specifically required by law as a condition for its first sale after manufacture.

No law requiring any particular equipment or specifying any standards to be met by motor vehicles shall apply to pioneer, classic, collector vehicles, collector military vehicles, or street rods unless it specifically so states.

Subd. 1g. **Original plates.** A vehicle registered pursuant to subdivision 1a, 1b, 1c or 1d may in lieu of being issued number plates by the commissioner display original Minnesota

number plates issued in the same year as the model year of the car on which they are displayed. The number of the original plates must be provided to the commissioner. The original plates must be in good condition. Original Minnesota number plates shall not be used if the number on the original plate is identical to a number on any current plate or any other plate in a numbering system used by the commissioner without written authorization from the commissioner. Any person currently using plates issued pursuant to subdivision 1a, 1b, 1c or 1d shall return those plates to the commissioner before substituting original plates. The commissioner shall charge a fee of \$10 for registering the number on original plates.

Subd. 1h. **Collector military vehicle.** (a) A motor vehicle, including a truck, shall be listed and registered under this section if it meets the following conditions:

(1) it is at least 20 years old;

(2) its first owner following its manufacture was a branch of the armed forces of the United States and it presently conforms to the vehicle specifications required during the time of military ownership, or it has been restored and presently conforms to the specifications required by a branch of the armed forces for the model year that the restored vehicle could have been owned by that branch of the armed forces; and

(3) it is owned by a nonprofit organization and operated solely as a collector's vehicle. For purposes of this subdivision, "nonprofit organization" means a corporation, society, association, foundation, or institution organized and operated exclusively for historical or educational purposes, no part of the net earnings of which inures to the benefit of a private individual.

(b) The owner of the vehicle shall execute an affidavit stating the name and address of the person from whom purchased and of the new owner; the make, year, and model number of the motor vehicle; the manufacturer's identification number; and the collector military vehicle identification number, if any, located on the exterior of the vehicle. The affidavit must affirm that the vehicle is owned by a nonprofit organization and is operated solely as a collector's item and not for general transportation purposes. If the commissioner is satisfied that the affidavit is true and correct and the owner pays a \$25 tax and the plate fee authorized under section 168.12, the commissioner shall list the vehicle for taxation and registration and shall issue number plates. The number plates shall bear the inscriptions "Collector" and "Minnesota" and the registration number, but no date. The number plates are valid without renewal as long as the vehicle is in existence in Minnesota. The commissioner may revoke the plates for failure to comply with this subdivision.

(c) Notwithstanding section 168.09, 168.12, or other law to the contrary, the owner of a registered collector military vehicle is not required to display registration plates on the exterior of the vehicle if the vehicle has an exterior number identification that conforms to the identifying system for military vehicles in effect when the vehicle was last owned by the branch of the armed forces of the United States or in effect in the year to which the collector military vehicle

has been restored. However, the state registration plates must be carried in or on the collector military vehicle at all times.

(d) The owner of a registered collector military vehicle that is not required to display registration plates under paragraph (c) may tow a registered trailer behind it. The trailer is not required to display registration plates if the trailer:

- (1) does not exceed a gross weight of 15,000 pounds;
- (2) otherwise conforms to registration, licensing, and safety laws and specifications;
- (3) conforms to military specifications for appearance and identification;
- (4) is intended to represent and does represent a military trailer; and
- (5) carries registration plates on or in the trailer or the collector military vehicle towing the trailer.

Subd. 1i. **Collector plate transfer.** Notwithstanding section 168.12, subdivision 1, on payment of a transfer fee of \$5, plates issued under this section may be transferred to another vehicle owned or jointly owned by the person to whom the special plates were issued or the plate may be assigned to another owner. In addition to the transfer fee a new owner must pay the \$25 tax and any fee required by section 168.12, subdivision 2a. The \$5 fee must be paid into the state treasury and credited to the highway user tax distribution fund. License plates issued under this section may not be transferred to a vehicle not eligible for the collector's vehicle license plates.

Subd. 2. **New body; application.** Upon the installation of a new body or the addition to or change of type of any body in or upon any registered motor vehicle, the owner shall file with the registrar a new application setting forth such change, together with the payment of any additional tax to which the motor vehicle by such change has become subject, and shall apply for a revision of the registration made.

Subd. 3. **Offenses.** It shall be unlawful for any person:

- (1) to display or cause to be displayed or to possess any canceled, revoked, suspended or fraudulently obtained or stolen registration plates;
- (2) to lend the person's registration plates to another or knowingly to permit the use thereof by another;
- (3) to display or represent as the person's own any registration plates not issued to that person; provided, however, this shall not apply to any legal change of ownership of the motor vehicle to which the plates are attached, nor shall this apply to any transfer of collector plates under subdivision 1i;
- (4) to fail or refuse to surrender to the department upon its lawful demand any registration plates which have been revoked, canceled, or suspended by proper authority;

(5) to use a false or fictitious name or address or description of the motor vehicle, identification number, or serial number in any application for registration of a motor vehicle or to knowingly make a false statement or to knowingly conceal a material fact or otherwise commit a fraud in any such application;

(6) to destroy, alter, remove, cover or deface the identification or serial number of any motor vehicle or to knowingly operate any motor vehicle the identification or serial number of which has been destroyed, altered, removed, covered or defaced without first making application for assignment of a special identification number as provided by law.

Subd. 4. **Violation.** It shall be a misdemeanor for any person to violate any of the provisions of this chapter unless such violation is by this chapter or other laws of this state declared to be a felony or gross misdemeanor.

Subd. 2. **Unlawful transfer to minor.** Any person who knowingly sells or in any manner knowingly transfers title of a passenger automobile or truck to a person who is prohibited from

owning a passenger automobile or truck under the provisions of subdivision 1 shall be guilty of a misdemeanor.

Subd. 2a. **Failure to send to registrar within ten days.** Any person who fails to mail in the application for registration or transfer with appropriate taxes and fees to the registrar of motor vehicles or otherwise fails to submit said forms and remittance to the registrar within ten days following date of sale shall be guilty of a misdemeanor.

Subd. 3. **Proof by registrant of eligibility to own vehicle.** The registrar of motor vehicles shall refuse to register a passenger automobile or truck unless the owner submits to the registrar, at the time the owner files the first application for registration or transfer of a passenger automobile or truck, a written and verified statement that the owner is 18 years of age or over or, if under the age 18, is permitted by the provisions of subdivision 1 to own a passenger automobile or truck. 168.12 PLATES.

Subdivision 1. **Plates; design, visibility, periods of issuance.** (a) The commissioner, upon approval and payment, shall issue to the applicant the plates required by this chapter, bearing the state name and an assigned vehicle registration number. The number assigned by the commissioner may be a combination of a letter or sign with figures. The color of the plates and the color of the abbreviation of the state name and the number assigned must be in marked contrast. The plates must be lettered, spaced, or distinguished to suitably indicate the registration of the vehicle according to the rules of the commissioner.

(b) When a vehicle is registered on the basis of total gross weight, the plates issued must clearly indicate by letters or other suitable insignia the maximum gross weight for which the tax has been paid.

(c) The plates must be so treated as to be at least 100 times brighter than the conventional painted number plates. When properly mounted on an unlighted vehicle, the plates, when viewed from a vehicle equipped with standard headlights, must be visible for a distance of not less than 1,500 feet and readable for a distance of not less than 110 feet.

(d) The commissioner shall issue plates for the following periods:

(1) New plates issued pursuant to section 168.012, subdivision 1, must be issued to a vehicle for as long as the vehicle is owned by the exempt agency and the plate shall not be transferable from one vehicle to another but the plate may be transferred with the vehicle from one tax-exempt agency to another.

(2) Plates issued for passenger automobiles must be issued for a seven-year period. All plates issued under this paragraph must be replaced if they are seven years old or older at the time of registration renewal or will become so during the registration period.

(3) Plates issued under sections 168.053 and 168.27, subdivisions 16 and 17, must be for a seven-year period.

(4) Plates issued under subdivisions 2c and 2d and section 168.123 must be issued for the life of the veteran under section 169.79.

(5) Plates for any vehicle not specified in clauses (1) to (3) must be issued for the life of the vehicle.

(e) In a year in which plates are not issued, the commissioner shall issue for each registration a sticker to designate the year of registration. This sticker must show the year or years for which the sticker is issued, and is valid only for that period. The plates and stickers issued for a vehicle may not be transferred to another vehicle during the period for which the sticker is issued, except when issued for a vehicle registered under section 168.187.

(f) Despite any other provision of this subdivision, plates issued to a vehicle used for behind-the-wheel instruction in a driver education course in a public school may be transferred to another vehicle used for the same purpose without payment of any additional fee. The public school shall notify the commissioner of each transfer of plates under this paragraph. The commissioner may prescribe a format for notification.

Subd. 2. Amateur radio licensee; special plates, rules. (a) The commissioner shall issue amateur radio plates to an applicant who:

(1) is an owner of a passenger automobile or recreational motor vehicle;

(2) is a resident of this state;

(3) holds an official amateur radio station license or a citizens radio service class D license, in good standing, issued by the Federal Communications Commission;

(4) pays the registration tax required under section 168.013;

(5) pays a fee of \$10 for each set of special plates and any other fees required by this chapter; and

(6) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers;

(b) In lieu of the registration number required for identification under subdivision 1, the plates must indicate the official amateur call letters of the applicant, as assigned by the Federal Communications Commission, and the words "AMATEUR RADIO."

(c) This provision for the issue of special plates applies only if the applicant's motor vehicle is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that motor vehicle under which to operate it during the time that it will take to have the necessary special plates made.

(d) If owning more than one motor vehicle of the type specified in this subdivision, the applicant may apply for special plates for each motor vehicle and, if each application complies with this subdivision, the commissioner shall furnish the applicant with the special plates, indicating the official amateur call letters and other distinguishing information as the commissioner considers necessary, for each of the motor vehicles.

(e) The commissioner may make reasonable rules governing the use of the special plates as will assure the full compliance by the owner of the special plates, with all existing laws governing the registration of motor vehicles and the transfer and use of the plates.

(f) Despite any contrary provision of subdivision 1, the special plates issued under this subdivision may be transferred by an owner to another motor vehicle listed in paragraph (a) and registered to the same owner, upon the payment of a fee of \$5. The commissioner must be notified before the transfer and may prescribe a format for the notification.

Subd. 2a. Personalized plates; rules. (a) The commissioner may issue personalized plates or, if requested for special plates issued under section 168.123 for veterans, 168.124 for medal of honor recipients, or 168.125 for former prisoners of war, applicable personalized special veterans plates, to an applicant who:

(1) is an owner of a passenger automobile including a passenger automobile registered as a classic car, pioneer car, collector car, or street rod; any truck with a manufacturer's nominal rated capacity of one ton or less and resembling a pickup truck; a motorcycle, including a classic motorcycle; a motorized bicycle; a commuter van as defined in section 168.126; or a recreational vehicle;

(2) pays a onetime fee of \$100 and any other fees required by this chapter;

(3) pays the registration tax required by this chapter for the motor vehicle; and

(4) complies with this chapter and rules governing registration of motor vehicles and licensing of drivers.

(b) The commissioner shall charge a replacement fee for personalized license plates and personalized special veterans plates issued under section 168.123 as specified in subdivision 5. This fee must be paid by the applicant whenever the personalized plates are required to be replaced by law, except that as provided in section 168.124, subdivision 3, and 168.125, subdivision 1b, no fee may be charged to replace plates issued under those sections.

(c) In lieu of the registration number assigned as provided in subdivision 1, personalized plates and personalized special veterans plates must have imprinted on them a series of not more than seven numbers and letters, or five numbers and letters for personalized special veterans plates, in any combination and, as applicable, satisfy the design requirements of section 168.123, 168.124, or 168.125. When an applicant has once obtained personalized plates or personalized special veterans plates, the applicant shall have a prior claim for similar personalized plates or personalized special veterans plates in the next succeeding year as long as current motor vehicle registration is maintained.

(d) The commissioner shall adopt rules in the manner provided by chapter 14, regulating the issuance and transfer of personalized plates and personalized special veterans plates. No words or combination of letters placed on these plates may be used for commercial advertising, be of an obscene, indecent, or immoral nature, or be of a nature that would offend public morals or decency. The call signals or letters of a radio or television station are not commercial advertising for the purposes of this subdivision.

(e) Despite the provisions of subdivision 1, personalized plates and personalized special veterans plates issued under this subdivision may be transferred to another motor vehicle listed in paragraph (a) and owned by the applicant, upon the payment of a fee of \$5.

(f) The commissioner may by rule specify the format for notification.

(g) A personalized plate or personalized special veterans plate issued for a classic car, pioneer car, collector car, street rod, or classic motorcycle may not be transferred to a vehicle not eligible for such a plate.

(h) Despite any law to the contrary, if the personalized license plates are lost, stolen, or destroyed, the applicant may apply and must be issued duplicate license plates bearing the same combination of letters and numbers and the same design as (1) the former personalized plates or personalized special veterans plates under section 168.123 upon the payment of the fee required by section 168.29 or (2) the former personalized special veterans plates issued under section 168.124 or 168.125, without charge.

Subd. 2b. Firefighters; special plates, rules. (a) The commissioner shall issue special

plates, or a single license plate in the case of a motorcycle plate, to any applicant who:

(1) is a member of a fire department receiving state aid under chapter 69, has a letter from the fire chief, and is an owner of a passenger automobile, a truck with a manufacturer's nominal rated capacity of one ton and resembling a pickup truck, or a motorcycle;

(2) pays a fee of \$10 and any other fees required by this chapter;

(3) pays the registration tax required by this chapter for the motor vehicle; and

(4) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers.

(b) In lieu of the identification required under subdivision 1, the special plates must bear an emblem of a Maltese Cross together with any numbers or characters prescribed by the commissioner.

(c) Special plates issued under this subdivision may only be used during the period that the owner of the motor vehicle is a member of a fire department as specified in this subdivision. When the individual to whom the special plates were issued is no longer a member of a fire department or when the motor vehicle ownership is transferred, the owner shall remove the special plates from the motor vehicle. If the commissioner receives written notification that an individual is no longer qualified for these special plates, the commissioner shall invalidate the plates and notify the individual of this action. The individual may retain the plate only upon demonstrating compliance with the qualifications of this subdivision. Upon removal or invalidation of the special plates, or special motorcycle plate, either the owner or purchaser of the motor vehicle shall obtain regular plates or a regular motorcycle plate for the proper registration classification for the motor vehicle.

(d) A special motorcycle license plate issued under this subdivision must be the same size as a standard motorcycle license plate.

(e) Upon payment of a fee of \$5, plates issued under this subdivision for a passenger automobile or truck may be transferred to another passenger automobile or truck owned or jointly owned by the person to whom the plates were issued. On payment of a fee of \$5, a plate issued under this subdivision for a motorcycle may be transferred to another motorcycle owned or jointly owned by the person to whom the plate was issued.

(f) The commissioner may adopt rules under the Administrative Procedure Act, sections 14.001 to 14.69, to govern the issuance and use of the special plates authorized in this subdivision.

Subd. 2c. **National Guard; special plates, rules.** (a) The commissioner shall issue special plates to any applicant who:

(1) is a regularly enlisted, commissioned, or retired member of the Minnesota National Guard, other than an inactive member who is not a retired member, and is an owner of a passenger automobile;

- (2) pays a fee of \$10 and any other fees required by this chapter;
- (3) pays the registration tax required by this chapter; and
- (4) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers.

168.181 NONRESIDENT OWNERS, RECIPROCITY AGREEMENTS OR ARRANGEMENTS.

Subdivision 1. **Authority; conditions and limitations.** Notwithstanding any provision of law to the contrary or inconsistent herewith, the registrar of motor vehicles with the approval of the attorney general is hereby empowered to make agreements with the duly authorized representatives of the other states, District of Columbia, territories and possessions of the United States, or arrangements with foreign countries or provinces exempting the residents of such other states, districts, territories and possessions, and foreign countries or provinces using the public streets and highways of this state from the payment of any or all motor vehicle taxes or fees imposed by this chapter, subject to the following conditions and limitations:

(1) upon condition that the exemption provided herein shall be operative as to a motor vehicle owned by a nonresident only to the extent that under the laws of the state, district, territory

or possession, or foreign country or province of residence like exemptions are granted to motor vehicles registered under the laws and owned by residents of Minnesota;

(2) upon condition that any such motor vehicle so operated in this state by any such nonresident shall at all times carry and display all license number plates or like insignia required by the laws of the state, district, territory or possession, or foreign country or province of residence;

(3) upon condition that the exemptions provided herein shall not apply to a passenger automobile or travel trailer owned by a resident of any state, district, territory or possession, or foreign country or province temporarily residing in this state while gainfully employed on the same job for a period of six months or more;

(4) upon condition that the exemptions provided herein shall not apply to motor vehicles owned by nonresidents including any foreign corporation and used for carrying on intrastate commerce within this state. Such nonresident or foreign corporation shall be required to register each such vehicle and pay the same tax and penalties if any therefor as is required with reference to like vehicles owned by residents of Minnesota;

(5) upon condition that the exemption provided herein shall not apply to a truck, tractor, truck-tractor, or semitrailer, except two-wheeled trailers of less than 3,000 pounds carrying capacity, if (i) the class of its registration does not permit to it a statewide operation in the state of its registration, or if (ii) the registration fee or tax for which it is registered is computed on a mileage basis, or if (iii) its gross weight exceeds the gross weight for which it is registered in the state, district, territory or possession, or foreign country or province of its registration;

(6) upon condition that nonresident owners of commercial vehicles, including trucks, truck-tractors, trailers, semitrailers, and buses domiciled in a foreign state, district, territory or possession, or foreign country or province, and bringing such vehicles into the state of Minnesota for the purpose of doing interstate business shall be required to comply with all the laws and regulations as to payment of taxes applicable to like vehicles owned by Minnesota residents unless the state, district, territory or possession, or foreign country or province grants full reciprocity privileges comparable to that extended by this section and sections 168.183 to 168.221. In the event a state, district, territory or possession, or foreign country or province is not fully reciprocal as to taxes or fees on commercial vehicles or buses operated in interstate commerce, then in that event such owners of foreign commercial vehicles or buses shall be required to pay a tax in an amount similar to the tax of whatever character assessed by such other state, district, territory or possession, or foreign country or province against vehicles registered in Minnesota and operated in interstate commerce in that state, district, territory or possession, or foreign country or province. It is further provided that such owners of foreign commercial vehicles and buses subject to registration under the provisions of this clause shall make application for a permit in which shall be set forth the conditions for operation of such vehicles in this state.

Subd. 2. **Exemption from tax or fee.** Agreements made pursuant to this section may also include exemption from taxes or fees on a vehicle owned by a person, firm, or corporation licensed as a motor vehicle dealer or motor vehicle manufacturer in another state or country when such vehicle is operated displaying the dealer plates or manufacturer plates issued to such dealer or manufacturer by the jurisdiction of residence; provided, however, that such operation is not for the purpose of soliciting the sale of vehicles within this state other than at an auction conducted by a motor vehicle auctioneer licensed under section 168.27. Greater privileges shall not be granted to such dealer or manufacturer than permitted by the laws of the jurisdiction of residence. Nothing contained herein shall be construed to apply to or vary the terms and conditions of sections 168.053 to 168.057.

Subd. 3. **Vehicle in foreign state and owned by Minnesotan.** The provisions of this section shall be operative as to motor vehicles actually domiciled in a foreign state, district, territory or possession or foreign country or province and legally licensed in that state, district, territory or possession or foreign country or province and owned by a Minnesota resident.

168.183 MOTOR VEHICLES OF CERTAIN NONRESIDENTS.

Subdivision 1. **Payment of taxes.** All trucks, truck-tractors, trailers and semitrailers, which comply with all of the provisions of section 168.181 but are excluded from the exemptions provided therein solely because of the intrastate nature of their movement in this state, owned by nonresidents owning or operating circuses, carnivals or similar amusement attractions or concessions shall be required to comply with all laws and rules as to the payment of taxes applicable to like vehicles owned by Minnesota residents but such nonresidents may make application to pay such tax for each vehicle proportionate to the number of months or fraction thereof such vehicles are in this state.

Subd. 2. **Contents of application.** The application shall contain such information and shall be executed in such manner as the registrar may require and shall include a complete itinerary of the applicant and shall be accompanied by such evidence of ownership as the registrar shall deem necessary.

Subd. 3. **Permit.** Upon payment of the required tax the registrar shall issue, in lieu of registration plates, a permit for each vehicle so taxed. The permit shall contain the name and address of the owner, the make, type, serial number and year model of the vehicle, the expiration date and any other information deemed necessary by the registrar. The permit must be carried in the vehicle at all times while being operated in this state.

168.185 USDOT NUMBERS.

(a) Except as provided in paragraph (d), an owner of a truck or truck-tractor having a gross vehicle weight of more than 10,000 pounds, as defined in section 169.011, subdivision 32, shall report to the commissioner at the time of registration its USDOT carrier number. A person subject to this paragraph who does not have a USDOT number shall apply for the number at the time of registration by completing a form MCS-150 Motor Carrier Identification Report, issued by the Federal Motor Carrier Safety Administration, or comparable document as determined by the commissioner. The commissioner shall not assign a USDOT carrier number to a vehicle owner who is not subject to this paragraph.

(b) Assigned USDOT numbers need not be displayed on the outside of the vehicle, but must be made available upon request of an authorized agent of the commissioner, peace officer, other employees of the State Patrol authorized in chapter 299D, or employees of the Minnesota Department of Transportation. The vehicle owner shall notify the commissioner if there is a change to the owner's USDOT number.

(c) If an owner fails to report or apply for a USDOT number, the commissioner shall suspend the owner's registration.

(d) This section does not apply to (1) a farm truck that is not used in interstate commerce, (2) a vehicle that is not used in intrastate commerce or interstate commerce, or (3) a vehicle that is owned and used solely in the transaction of official business by the federal government, the state, or any political subdivision.

168.187 INTERSTATE REGISTRATION AND RECIPROCITY.

Subdivision 1. **Declaration of policy.** It is the policy of this state to promote and encourage the fullest possible use of its highway system by authorizing the making of agreements, arrangements, and declarations with other jurisdictions, for reciprocal recognition of vehicle registrations and/or for proportional registration, with respect to vehicles registered in this state and such other jurisdictions, thus contributing to the economic and social development and growth of this state. It is the policy of this state to agree with other states that no vehicle shall pay more than the equivalent of one full registration fee per annum.

Subd. 2. **Definitions.** (1) The words, terms and phrases defined in section 168.002, when used in this section, shall have the same meanings herein as is ascribed to them in section 168.002, unless the context otherwise requires, or unless a different definition is given in this section.

(2) The words and phrases hereafter defined in this section shall have the meanings respectively ascribed to them when used in this section, except when the context otherwise requires.

Subd. 3. **State.** "State" means a state, territory or possession of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a foreign country and a state or province of a foreign country.

Subd. 4. **Proratable vehicle.** "Proratable vehicle" means any vehicle which is operated in more than one state and used for the transportation of persons for hire, or designed, used or maintained primarily for the transportation of property.

Subd. 5. **Fleet.** "Fleet" means three or more proratable vehicles, at least two of which are motor-powered vehicles. The motor vehicle reciprocity commission may by agreement with another state provide that a fleet of this state and another state may consist of a lesser number of vehicles.

Subd. 6. [Repealed, 1976 c 149 s 63]

Subd. 7. **Authority for registration agreements, arrangements or declarations.** The commissioner of public safety may enter into any agreement or arrangement with the duly authorized representatives of other states or make any independent declaration, granting to vehicles or to owners of vehicles which are properly registered or licensed in another state, benefits, privileges, and exemptions from the payment, wholly, or partially, of any registration taxes, fees, or other charges imposed upon such vehicles or owners with respect to the operation or ownership of such vehicles under the laws of this state, upon such conditions as are specified therein, provided the terms or conditions of such agreement, arrangement, or declaration are not inconsistent with any law of this state.

Any such agreement or arrangement shall be made in writing and shall provide that vehicles properly registered or licensed in this state, when operated upon highways of the other state, shall receive exemptions, benefits, and privileges of a similar kind or to a similar degree as are extended to vehicles properly registered or licensed in such state when operated in this state. Any such declaration shall contemplate and provide for mutual benefits, reciprocal privileges or equitable treatment of the owners of vehicles registered in this and the other state. Each such agreement, arrangement, or declaration shall, in the judgment of the commissioner of public safety, be in the best interest of this state and the citizens thereof and shall be fair and equitable with respect to the benefits which the agreement brings to the economy of this state.

Subd. 8. **Base state reciprocity.** (a) Any agreement, arrangement, or declaration made under the authority of this section may contain provisions authorizing the registration or licensing in another state of vehicles based in the other state, which vehicles otherwise would be required to be registered or licensed in this state, except that those provisions shall not apply to passenger cars.

(b) For the purpose of this section, the owner of a vehicle shall declare the state in which it is based, but the commissioner of public safety shall make the final determination of the state

in which the vehicle is based for the purpose of determining liability for registration and other fees and penalties due this state. The commissioner of public safety is governed, to the extent possible, by the criteria specified in this section, and agreement with the administrator of any other interested state.

(c) Any agreement, arrangement, or declaration made under this section may grant exemptions, benefits, and privileges for vehicles in accordance with its terms.

Subd. 9. **Required provisions.** (1) Every agreement, arrangement, and declaration, and amendment thereto and cancellation thereof, shall be in writing and shall be filed in the office of the commissioner of public safety. A copy of each agreement, arrangement or declaration, and of each amendment thereto and cancellation thereof, shall be filed in the office of the commissioner of public safety within ten days after execution or the effective date of the instrument, whichever is later. The commissioner of public safety shall provide copies for public distribution upon request and the payment of a reasonable charge.

(2) Every agreement, arrangement and declaration made under authority of this section shall contain a provision authorizing the commissioner of public safety to cancel and revoke the agreement with respect to this state upon 30 days' notice to the other party or parties thereto.

(3) All agreements, arrangements, and declarations made under authority of this section shall contain a provision specifying that no registration, permit privilege or exemption issued or accruing thereunder, shall excuse the operator or owner of any vehicle from compliance with the laws of this state, except those requiring registration.

Subd. 10. **Fees for proportional registration.** (1) "Total fleet miles" means the total number of miles operated in all states during the preceding year by the motor vehicles in a fleet during such year.

(2) "In-state miles" means the total number of miles operated in this state during the preceding year by the motor vehicles in a fleet during such year.

(3) The registration fees for proratable vehicles of a fleet based in another state shall be determined as follows:

(A) Divide in-state miles by total fleet miles.

(B) Determine the total amount which would be required under the laws of this state for full registration of each and every vehicle in the fleet, at the regular annual or applicable fees, for the unexpired portion of the registration year.

(C) Multiply the sum obtained under clause (3)(B) by the quotient obtained under clause (3)(A).

(4) The registration fees for proratable vehicles of a fleet based in this state shall be determined as follows:

(A) Divide in-state miles plus all other fleet miles not subjected to charges in other states nor declared for other prorated agreement states by total fleet miles.

(B) Determine the total amount which would be required under the laws of this state for full registration of each and every vehicle in the fleet, at the regular annual or applicable fees for the unexpired portion of the registration year.

(C) Multiply the sum obtained under clause (4)(B) by the quotient under clause (4)(A).

(5) The provisions of this section shall constitute complete authority for the registration of the proratable vehicles of a fleet upon a proportional registration basis without reference to or application of any other statutes of this state except as in this section expressly provided.

Subd. 11. Application for proportional registration. (1) Any owner of one or more fleets may file an application for proportional registration of the vehicles of one or more of such fleets with the commissioner of public safety, in lieu of registration of such vehicles under other sections of this chapter. The application shall be in such form and shall contain such information as the commissioner shall require.

(2) Applications for proportional registration shall be filed annually at such time or times as the commissioner establishes by rule. Every application for proportional registration shall at the time and in the manner required by the commissioner be supported by the payment of the registration fees in the amount determined in the manner provided in subdivision 10.

Subd. 12. Registration of proratable vehicles. (1) The commissioner of public safety shall register proratable vehicles of a fleet upon application and payment of registration fees as provided in subdivision 11. Payment of an additional fee for each vehicle so registered may be required by the commissioner in an amount not to exceed \$5 per motor powered vehicle, for issuance of a plate, sticker, or other suitable identification for each vehicle. A registration card shall be issued for each vehicle registered, which shall appropriately identify the vehicle for which it is issued. Such registration card shall be carried in or upon the vehicle for which it has been issued, at all times, except that the registration cards for all vehicles in a combination of vehicles may be carried in or upon the vehicle supplying the motive power.

(2) Fleet vehicles registered as provided in (1) shall be deemed fully registered in this state for any type of movement or operation, except that when a state grant of authority is required for any movement or operation, no such vehicle shall be operated in this state unless the owner or operator thereof has been granted authority or rights therefor by the state and unless said vehicle is being operated in conformity with such authority or rights. No registration under this section shall excuse the owner or operator of any vehicle from compliance with the laws of this state, except those requiring registration and licensing.

Subd. 13. No proportional registration in only one state. The right of proportional

registration of fleet vehicles authorized by this section, or by any agreement, arrangement, or declaration made under the authority of this section, shall be subject to the condition that each vehicle proportionally registered shall be proportionally or otherwise properly registered in at least one other state during the period for which it is proportionally registered in this state.

Subd. 14. **Registration of additional fleet vehicles.** Vehicles acquired by the owner after the commencement of the registration year and added to a proportionally registered fleet shall be proportionally registered by applying the mileage percentage used in the original application for such fleet for such registration period to the regular registration fees due with respect to such vehicles for the remainder of the registration year.

Subd. 15. **Withdrawal of fleet vehicle; credits, accounting.** If any vehicle is withdrawn from a proportionally registered fleet during the period for which it is registered, the owner of such fleet shall so notify the commissioner of public safety. The commissioner of public safety may require the owner to surrender cab cards and such other identification devices with respect to such vehicle. If a vehicle is permanently withdrawn from a proportionally registered fleet because it has been destroyed, sold or otherwise completely removed from the service of the owner, the unused portion of the fees paid with respect to such vehicle shall be applied against liability of such owner for subsequent additions to such fleet during such registration year or for additional fees upon audit. If at the end of such registration year there remains an unused portion of fees paid with respect to such permanently withdrawn vehicles, such unused fees shall be applied against registration fees for the registration year immediately following the year during which such vehicles were permanently withdrawn. The unused portion of fees of a vehicle permanently withdrawn from a fleet shall be a sum equal to the amount paid with respect to such vehicle when it was first proportionally registered in such registration year, reduced by 1/12 of the total annual proportional registration fee applicable to such vehicle for each calendar month of the registration year including the month the notice of withdrawal is received by the commissioner of public safety, except that no unused portion of fees of less than \$5 shall be considered or applied. If an unused portion of fees cannot be applied against registration fees for the registration year immediately following, an application for refund of the unused portion may be made to the commissioner, who shall make such rules as may be required for payment of such refund.

Subd. 16. **New fleets.** The initial application for proportional registration of a fleet shall state the mileage data with respect to such fleet for the preceding year in this and other states. If no operations were conducted with such fleet during the preceding year, the application shall contain a full statement of the proposed method of operation and estimates of annual mileage in this and other states. The commissioner of public safety shall determine the in-state and total fleet miles to be used in computing the proportional registration fee for the fleet. The commissioner of public safety may adjust the estimate in the application if the commissioner is not satisfied

with its correctness.

Subd. 17. **Trip permit.** Subject to agreements or arrangements made or entered into pursuant to subdivision 7, the commissioner may issue trip permits for use of Minnesota highways by individual vehicles, on an occasional basis, for periods not to exceed 120 hours in compliance with rules promulgated pursuant to subdivision 23 and upon payment of a fee of \$15.

Subd. 18. **Refusal of proportional registration.** The commissioner of public safety may refuse proportional registration of vehicles based in another state on finding that such other state does not grant similar registration privileges to fleet vehicles based in this state and that such refusal is in the best interest of this state.

Subd. 19. **Preservation of records; audit.** Any owner whose application for proportional registration has been accepted shall preserve the records on which it is based for a period of four years following the date of its filing. Each acceptance shall be conditioned upon agreement of the owner to make such records available to the commissioner of public safety, at the commissioner's request, for audit as to accuracy of computations and payments and assessments of deficiencies or allowances for credit. If any owner fails to make records available to the commissioner of public safety upon request or fails to maintain records from which the owner's true liability may be determined, the commissioner may, 30 days after a written demand for availability of records or notification of insufficient records, impose an arbitrary assessment of liability based on the commissioner's estimate of the true liability of such owner as determined from information furnished by the owner, information gathered by the commissioner at the commissioner's own instance, information available to the commissioner concerning operations by similar owners and such other pertinent information as may be available to the commissioner.

Subd. 20. **Joint or reciprocal audits.** The commissioner of public safety may make arrangements with the commissioner of transportation and with agencies of other states administering motor vehicle registration laws for joint or reciprocal audits of any owner.

Subd. 21. **Assessment or claim upon audit.** Upon audit, the commissioner of public safety shall assess for any deficiencies found to be due. No assessment for deficiency or claim for credit may be made for any period for which records are no longer required. Any sums found to be due and owing upon audit shall bear annual interest of six percent from the date when they should have been paid until the date of actual payment. If in the judgment of the commissioner of public safety the deficiencies are the result of bad faith or an attempt to evade payment under this section, a penalty of 25 percent shall be added to the deficiency.

Subd. 22. **Relation to other state laws.** The provisions of this section shall constitute complete authority for the registration of fleet vehicles upon a proportional registration basis without reference to or application of any other statutes of this state except as in this section

expressly provided.

Subd. 23. **Proportional registration not exclusive.** Nothing contained in this section relating to proportional registration of fleet vehicles shall be construed as requiring any vehicle to be proportionally registered; if it is otherwise registered in this state for the operation in which it is engaged including, but not by way of limitation, regular registration, temporary registration, or trip permit or registration.

Subd. 24. **Proportional registration; administrative agreement or arrangement.** The commissioner of public safety may enter into agreements or arrangements with other states on behalf of this state for proportional registration of proratable vehicles in the manner provided in this section for the purpose of facilitating the administration thereof. In addition, the commissioner may make arrangements or agreements with other states for the exchange of information for audit and enforcement activities in connection with such proportional registration. The registration of fleet vehicles under this section shall be subject to the rights, terms and conditions granted or contained in any applicable agreement or arrangement made by the commissioner under the authority of this section.

Subd. 25. **Appeal procedure.** Any fleet owner operating under license and fee procedures of this section, upon disagreement with the commissioner of public safety in the commissioner's administration of this section, may petition in writing to the commissioner stating clearly the rationale for disagreement with any procedure or decision. The commissioner shall rule on the reconsideration petition after a hearing held as a contested case pursuant to chapter 14.

Subd. 26. **Delinquent filing or payment.** If a fleet owner or owner-operator licensed under this section and chapter 168D is delinquent in either filing or paying the international fuel tax agreement reports for more than 30 days, or paying the international registration plan billing for more than 30 days, the fleet owner or owner-operator, after ten days' written notice, is subject to suspension of the apportioned license plates and the international fuel tax agreement license.

Subd. 27. **Prohibited operation.** The commissioner of public safety shall refuse to issue a vehicle registration, license plate, or permit to a vehicle licensed under this section if the vehicle is assigned to a commercial motor carrier who has been prohibited from operating in interstate commerce by a federal agency with authority to do so under federal law.

The commissioner of public safety may revoke the registration of a vehicle licensed under this section if the vehicle is assigned to a commercial motor carrier who has been prohibited from operating in interstate commerce by a federal agency with authority to do so under federal law.

If the prohibition by the federal agency is rescinded, the commissioner of public safety may reinstate a vehicle registration under this section if registration taxes and fees have been paid.

Subdivision 1. **Plates.** The registrar shall, on request, issue to a first-stage manufacturer of motor vehicles one or more manufacturer test plates that display a general distinguishing number. The fee for each of the first four plates is \$40 per calendar year, of which \$25 must be paid to the registrar and the remaining \$15 is payable as sales tax on motor vehicles under section 297B.035. For each additional plate, the manufacturer shall pay the registrar a fee of \$10 and a tax on motor vehicles under section 297B.035 of \$15 per calendar year. The registrar shall deposit the tax in the state treasury to be credited under section 297B.09.

Subd. 2. **Permitted uses.** A motor vehicle owned by a first-stage manufacturer and bearing the number plate issued under subdivision 1 may be operated on public streets and highways by the manufacturer or an employee or agent of the manufacturer, for the purpose of conducting specialized cold weather testing, and for transportation to and from a bona fide cold weather testing station.

168.27 MOTOR VEHICLE DEALERS; VIOLATIONS, PENALTIES.

Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms in paragraphs (b) to (o) have the meanings given them.

(b) "Auctioning motor vehicles" means arranging for and handling the sale of motor vehicles, not the property of the auctioneer, to the highest bidder.

(c) "Brokering motor vehicles" means arranging sales or leases between buyers and sellers, or lessees and lessors, of motor vehicles and receiving a fee for those services.

(d) "Commercial building" means a permanent, enclosed building that is on a permanent foundation and connected to local sewer and water facilities or otherwise complying with local sanitary codes, is adapted to commercial use, and conforms to local government zoning requirements. "Commercial building" may include strip office malls or garages if a separate entrance and a separate address are maintained and the dealership is clearly identified as a separate business.

(e) "Commercial office space" means office space occupying all or part of a commercial building.

(f) "Dealer" includes licensed new motor vehicle dealers, used motor vehicle dealers, motor vehicle brokers, wholesalers, auctioneers, lessors of new or used motor vehicles, scrap metal processors, used vehicle parts dealers, and salvage pools.

(g) "Horse trailer" is a trailer designed and used to carry horses and other livestock, which has not more than three axles and a maximum gross weight capacity of not more than 24,000 pounds.

(h) "Junked vehicle" means a vehicle that is declared unrepairable under section 168A.151.

(i) "Leasing motor vehicles" means furnishing a motor vehicle for a fee under a bailor-bailee relationship where no incidences of ownership are intended to be transferred other than the right to use the vehicle for a stated period of time.

(j) "Motor vehicle" has the meaning given it in section 168.002, subdivision 18, and also includes a park trailer as defined in section 168.002, subdivision 23.

(k) "Motor vehicle broker" means a person who arranges the sale of a motor vehicle between a buyer and a seller, or the lease of a motor vehicle between a lessee and a lessor, for which service the broker receives a fee.

(l) "New motor vehicle" means a motor vehicle other than described in paragraph (j).

(m) "Registration year" means the 12-month period for which a dealer license is issued.

(n) "Used motor vehicle" means a motor vehicle for which title has been transferred from the person who first acquired it from the manufacturer, distributor, or dealer. A new motor vehicle will not be considered a used motor vehicle until it has been placed in actual operation and not held for resale by an owner who has been granted a certificate of title on the motor vehicle and has registered the motor vehicle in accordance with this chapter and chapters 168A and 297B, or the laws of the residence of the owner.

(o) "Wholesaling motor vehicles" means selling new or used motor vehicles to dealers for resale to the public.

Subd. 1a. **Dealer license categories.** (a) No person shall engage in the business of selling new motor vehicles or shall offer to sell, solicit, deliver, or advertise the sale of new motor vehicles without first acquiring a new motor vehicle dealer license.

(b) No person shall engage in the business of selling used motor vehicles or shall offer to sell, solicit, deliver, or advertise the sale of used motor vehicles without first acquiring a used motor vehicle dealer license.

(c) No person shall engage in the business of buying or otherwise acquiring vehicles other than hulks; or offering to buy or otherwise acquire, or soliciting or advertising the buying or acquiring of, vehicles other than hulks for processing and selling the metal for remelting without first acquiring a scrap metal processor license.

For purposes of this paragraph, a "hulk" is a motor vehicle that is incapable, under its own power, of moving and is incapable of transporting persons or property and has had valuable used parts removed. Its sole value is its metallic content.

(d) No person shall be primarily engaged in the business of buying or otherwise acquiring vehicles for the purpose of dismantling the vehicles and selling used parts and the remaining scrap metals without first acquiring a used vehicle parts dealer license.

(e) No person shall engage in the business of storing and displaying, offering to store or display, or soliciting or advertising the storing or displaying, for sale, of damaged or junked vehicles as an agent or escrow agent of an insurance company without first acquiring a vehicle salvage pool license.

(f) No person shall engage in the business of leasing motor vehicles or shall offer to lease, solicit or advertise to lease motor vehicles without first acquiring a motor vehicle lessor license.

(g) No person shall engage in the business of wholesaling motor vehicles to dealers for resale or shall offer to sell, solicit or advertise the sale of motor vehicles to dealers for resale without first acquiring a motor vehicle wholesaler license.

(h) No person shall engage in the business of auctioning motor vehicles for more than one owner at an auction or shall offer to sell, solicit or advertise the sale of motor vehicles at auction without first acquiring a motor vehicle auctioneer license.

(i) No person shall engage in the business of brokering motor vehicles without first acquiring a motor vehicle broker's license.

Subd. 2. **New motor vehicle dealer.** (a) A new motor vehicle dealer licensee may sell, broker, wholesale, or auction and solicit and advertise the sale, brokerage, wholesale, or auction of new motor vehicles covered by the franchise and any used motor vehicles, and may lease and solicit and advertise the lease of new motor vehicles and any used motor vehicles. New motor vehicle dealer sales or leases may be either for consumer use at retail or for resale to a dealer. A new motor vehicle dealer may engage in the business of buying or otherwise acquiring vehicles for dismantling the vehicles and selling used parts and remaining scrap materials under chapter 168A, except that a new motor vehicle dealer may not purchase a junked vehicle from a salvage pool, insurance company, or its agent unless the dealer is also licensed as a used vehicle parts dealer. Nothing in this subdivision requires an applicant for a dealer license who proposes to deal in: (1) new and unused motor vehicle bodies; or (2) type A, B, or C motor homes as defined in

section 168.002, subdivision 27, to have a bona fide contract or franchise in effect with either the first-stage manufacturer of the motor home or the manufacturer or distributor of any motor vehicle chassis upon which the new and unused motor vehicle body is mounted. The modification or conversion of a new van-type vehicle into a multipurpose passenger vehicle which is not a motor home does not constitute dealing in new or unused motor vehicle bodies, and a person engaged in the business of selling these van-type vehicles must have a bona fide contract or franchise with the appropriate manufacturer under subdivision 10. A van converter or modifier who owns these modified or converted van-type vehicles may sell them at wholesale to new motor vehicle dealers having a bona fide contract or franchise with the first-stage manufacturer of the vehicles.

(b) The requirements pertaining to franchises do not apply to persons who remodel or convert motor vehicles for medical purposes. For purposes of this subdivision, "medical purpose" means certification by a licensed physician that remodeling or conversion of a motor vehicle is necessary to enable a disabled person to use the vehicle.

(c) A new motor vehicle dealer shall not deliver a manufacturer's or importer's certificate of origin for a passenger automobile, pickup truck, or van requiring a certificate of title according to chapter 168A to any person in conjunction with the sale of a vehicle except to the department, another new motor vehicle dealer licensed to sell the same line or make, or a person whose primary business is picking up and delivering motor vehicle title documents.

(d) If a new motor vehicle dealer agrees to sell or lease a new motor vehicle using the services of a motor vehicle broker, the new motor vehicle dealer may not refuse to deliver possession of the vehicle to the buyer or lessee. This paragraph does not require delivery unless all arrangements have been properly completed for payment, insurance required by law, titling, transfer, and registration of the new vehicle and any trade-in vehicle. Delivery may take place at or away from the dealership.

Subd. 3. **Used motor vehicle dealer.** A used motor vehicle dealer licensee may sell, lease, broker, wholesale, or auction and solicit and advertise the sale, lease, brokerage, wholesale, or auction of any used motor vehicles for consumer use at retail or for resale to a dealer. A used motor vehicle dealer may engage in the business of buying or otherwise acquiring vehicles for dismantling the vehicles and selling used parts and remaining scrap materials under chapter 168A, except that a used motor vehicle dealer may not acquire a junked vehicle from a salvage pool, insurance company, or its agent, unless the dealer is also licensed as a used vehicle parts dealer.

Subd. 3a. **Scrap metal processor.** A scrap metal processor licensee may buy or otherwise acquire vehicles and solicit and advertise the buying or acquiring of vehicles for processing and selling the metal for remelting. A scrap metal processor licensee may not acquire a junked vehicle for the purpose of dismantling and selling used vehicle parts and remaining scrap materials unless the scrap metal processor is also licensed as a used vehicle parts dealer.

Subd. 3b. [Repealed by amendment, 2002 c 371 art 1 s 9]

Subd. 3c. **Vehicle salvage pool.** A vehicle salvage pool licensee may store and display and may solicit and advertise the storing and displaying, for sale, of damaged or junked vehicles as an agent or escrow agent of an insurance company. A vehicle salvage pool licensee shall not sell junked vehicles to any party other than a licensed used parts dealer.

Subd. 4. **Motor vehicle lessor.** A motor vehicle lessor licensee may lease or rent either by the hour, day, or longer period for a fee and may solicit and advertise the lease or rental of motor vehicles. A motor vehicle lessor having leased motor vehicles, may sell the vehicles upon their return to the lessor after termination or expiration of the lease without obtaining a used motor vehicle dealer license.

Subd. 4a. **Limited used vehicle license.** (a) A limited used vehicle license shall be provided to a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code whose primary business in the transfer of vehicles is to raise funds for the corporation, who acquires vehicles for sale through donation, and who uses a licensed motor vehicle auctioneer to sell vehicles to individuals, or who sells and reassigns vehicles to a licensed motor vehicle dealer. This license does not apply to educational institutions whose primary purpose is to train students in the repair, maintenance, and sale of motor vehicles. A limited used vehicle license allows the organization to accept assignment of vehicles without the requirement to transfer title as provided in section 168A.10 until sold or donated to an individual or licensed motor vehicle dealer. Limited used vehicle license holders are not entitled to dealer plates, and shall report all vehicles held for resale to the Department of Public Safety in a manner and time prescribed by the department.

(b) A nonprofit charitable organization with a limited used vehicle license shall, within 90 days after a vehicle donation, send a donor a receipt for the donated vehicle which states its model; age; level of use, including, but not limited to, the mileage; its condition, and whether a visual inspection disclosed any readily apparent defects that would materially reduce the value of the property. The receipt must include the date of the donation and must state whether the vehicle was operable or inoperable at the time of the donation.

Subd. 5. MS 1961 [Repealed, 1965 c 681 s 4]

Subd. 5. MS 1982 [Repealed, 1984 c 549 s 34; 1984 c 654 art 3 s 153]

Subd. 5a. **Consignment sales.** No person may solicit, accept, offer for sale, or sell motor vehicles for consignment sale unless licensed as a new or used motor vehicle dealer, a motor vehicle wholesaler, or a motor vehicle auctioneer. This requirement does not apply to a licensed auctioneer selling motor vehicles at an auction if, in the ordinary course of the auctioneer's business, the sale of motor vehicles is incidental to the sale of other real or personal property.

Incidental means up to a total of ten but no more than ten percent of the items in the posted auction bill are motor vehicles.

Subd. 6. **Motor vehicle wholesaler.** A motor vehicle wholesaler licensee may sell, solicit or advertise the sale of motor vehicles at wholesale for resale; provided that a wholesaler may sell, solicit, or advertise the sale of new motor vehicles only to dealers duly licensed to sell the same make of motor vehicles.

Subd. 7. **Motor vehicle auctioneer.** A motor vehicle auctioneer licensee may sell, solicit and advertise the sale of used motor vehicles belonging to others at auction.

Subd. 7a. **Motor vehicle broker.** (a) A motor vehicle broker shall provide each buyer or lessee with a written disclosure stating whether the motor vehicle broker receives a fee from the dealers with whom the broker does business. The new or used motor vehicle dealer is the seller of record in all such transactions. The motor vehicle dealer may pay the motor vehicle broker a fee for brokering services rendered. A motor vehicle broker may:

(1) advertise and solicit the brokering of new motor vehicles. A motor vehicle broker shall not advertise or make any representations which state, imply, or suggest that the motor vehicle broker itself sells vehicles, is authorized to sell vehicles, or obtains vehicles directly from the motor vehicle manufacturer. All advertising or other solicitations by a motor vehicle broker shall disclose that sales of new motor vehicles are arranged through franchised motor vehicle dealers;

(2) negotiate or quote the sale price or lease terms of motor vehicles;

(3) prepare and deliver documents necessary to the transaction;

(4) accept a down payment not to exceed \$500, but otherwise may not accept payment in full or in part for a motor vehicle unless the payment is in the form of a negotiable instrument payable to the vehicle dealer;

(5) accompany a motor vehicle purchaser or lessee at the time of delivery by the selling dealer of a new motor vehicle; and

(6) be present when warranties and safety features are described by the selling dealer in conjunction with the delivery of a new motor vehicle.

(b) A motor vehicle broker shall not:

(1) engage in the business of selling new or used motor vehicles as described in subdivisions 2 and 3;

(2) execute contracts or official documents for the sale or lease of a new motor vehicle;

(3) describe a new vehicle's warranties or safety features in conjunction with the delivery of a new motor vehicle;

(4) display motor vehicles available for sale or lease; or

(5) perform any dealer preparation of new motor vehicles.

All dealer preparation shall be performed only by a licensed new motor vehicle dealer.

(c) This subdivision does not apply to licensed motor vehicle lessors and shall not be construed to restrict licensed motor vehicle lessors from brokering motor vehicle leases or otherwise engaging in the leasing of motor vehicles in accordance with subdivisions 1 and 4.

Subd. 8. **Exemptions.** (a) Salespeople and other employees of licensed dealers under this section are not required to obtain individual licenses.

(b) Isolated or occasional sales or leases of new or used motor vehicles are exempt from this section. A person who makes only isolated or occasional sales or leases is not required to be licensed under this section, is not considered to be in the business of selling or leasing motor vehicles, and does not qualify to receive dealer plates under subdivision 16. "Isolated or occasional sales or leases" means: (1) the sale or lease of a motor vehicle with an actual cash value of \$1,000 or less made by a charitable organization; (2) the sale, purchase, or lease of not more than five motor vehicles in a 12-month period, other than pioneer or classic motor vehicles as defined in section 168.10, subdivisions 1a and 1b, or (3) sales by a licensed auctioneer selling motor vehicles at an auction if, in the ordinary course of the auctioneer's business, the sale of motor vehicles is incidental to the sale of other real or personal property. For purposes of this subdivision, charitable organization means a nonprofit charitable organization that qualifies for tax exemption under section 501(c)(3) of the Internal Revenue Code.

(c) A person whose sales of new and used motor vehicles consist solely of sales to political subdivisions and their agencies of vehicles used solely as fire-fighting equipment is not required to obtain a license under this section. The person may apply for and receive in-transit plates under subdivision 17 in the same manner as licensed motor vehicle dealers for the purpose of allowing fire-fighting equipment to be transported from the dealer's source of supply or other place of storage to the dealer's place of business, to another place of storage, or directly to the purchaser.

Subd. 9. **Application.** All license applications under this section and all license renewals must be made to the registrar of motor vehicles and duly verified by oath. The applicant shall submit such information as the registrar may require to administer this section in a manner and format prescribed by the registrar.

Subd. 10. **Place of business.** (a) All licensees under this section shall have an established place of business which shall include as a minimum:

(1) For a new motor vehicle dealer, the following:

(i) a commercial building owned or under lease by the licensee. The lease must be for a minimum term of one year. The building must contain office space where the books, records, and files necessary to conduct the business are kept and maintained with personnel available during

normal business hours. Dealership business hours must be conspicuously posted on the place of doing business and readily viewable by the public;

(ii) a bona fide contract or franchise (A) in effect with a manufacturer or distributor of the new motor vehicles the dealer proposes to sell, broker, wholesale, or auction, or (B) in effect with the first-stage manufacturer or distributor of new motor vehicles purchased from a van converter or modifier which the dealer proposes to sell, broker, wholesale, or auction, or (C) in effect with the final-stage manufacturer of the new type A, B, or C motor homes which the dealer proposes to sell, broker, wholesale, or auction;

(iii) a facility for the repair and servicing of motor vehicles and the storage of parts and accessories, not to exceed ten miles distance from the principal place of business. The service may be provided through contract with bona fide operators actually engaged in the services;

(iv) an area either indoors or outdoors to display motor vehicles that is owned or under lease by the licensee; and

(v) a sign readily viewable by the public that clearly identifies the dealership by name.

(2) For a used motor vehicle dealer, the following:

(i) a commercial building owned or under lease by the licensee. The lease must be for a minimum term of one year. The building must contain office space where the books, records, and files necessary to conduct the business are kept and maintained with personnel available during normal business hours or automatic telephone answering service during normal business hours. Dealership business hours must be conspicuously posted on the place of doing business and readily viewable by the public;

(ii) an area either indoors or outdoors to display motor vehicles which is owned or under lease by the licensee; and

(iii) a sign readily viewable by the public that clearly identifies the dealership by name.

(3) For a motor vehicle lessor, the following: a commercial office space where the books, records, and files necessary to conduct the business are kept and maintained with personnel available during normal business hours or an automatic telephone answering service during normal business hours. Business hours must be conspicuously posted on the place of doing business and readily viewable by the public. The office space must be owned or under lease for a minimum term of one year by the licensee.

(4) For a motor vehicle wholesaler, the following: a commercial office space where the books, records, and files necessary to conduct the business are kept and maintained with personnel available during normal business hours or an automatic telephone answering service during normal business hours. The office space must be owned or under lease for a minimum term of one year by the licensee.

(5) For a motor vehicle auctioneer, the following: a permanent enclosed commercial building, within or without the state, on a permanent foundation, owned or under lease by the licensee. The lease must be for a minimum term of one year. The building must contain office space where the books, records, and files necessary to conduct the business are kept and maintained with personnel available during normal business hours or an automatic telephone answering service during normal business hours.

(6) For a motor vehicle broker, the following: a commercial office space where books, records, and files necessary to conduct business are kept and maintained with personnel available during normal business hours, or an automatic telephone answering service available during normal business hours. A sign, clearly identifying the motor vehicle broker by name and listing the broker's business hours, must be posted in a location and manner readily viewable by a member of the public visiting the office space. The office space must be owned or under lease for a minimum term of one year by the licensee.

(b) If a new or used motor vehicle dealer maintains more than one place of doing business in a county, the separate places must be listed on the application. If additional places of business are maintained outside of one county, separate licenses must be obtained for each county.

(c) If a motor vehicle lessor, wholesaler, auctioneer, or motor vehicle broker maintains more than one permanent place of doing business, either in one or more counties, the separate places must be listed in the application, but only one license is required. If a lessor proposes to sell previously leased or rented vehicles or if a broker proposes to establish an office at a location outside the seven-county metropolitan area, as defined in section 473.121, subdivision 2, other than cities of the first class, the lessor or broker must obtain a license for each nonmetropolitan area county in which the lessor's sales are to take place or where the broker proposes to locate an office.

(d) If a motor vehicle dealer, lessor, wholesaler, or motor vehicle broker does not have direct access to a public road or street, any privately owned roadway providing access to a public road or street must be clearly identified and adequately maintained.

(e) A new or used motor vehicle dealer may establish a temporary place of business outside the county where it maintains its licensed location to sell horse trailers exclusively without obtaining an additional license.

(f) A new or used motor vehicle dealer may establish a temporary place of business outside the county where it maintains its licensed location to sell recreational vehicles exclusively without obtaining an additional license if:

(1) the dealer establishes a temporary place of business for the sale of recreational vehicles not more than four times during any calendar year;

(2) each temporary place of business other than an official county fair or the Minnesota State Fair within the seven-county metropolitan area, as defined in section 473.121, subdivision 2, is established jointly with at least four other recreational vehicle dealers;

(3) each temporary place of business other than an official county fair outside the seven-county metropolitan area, as defined in section 473.121, subdivision 2, is established jointly with at least one other recreational vehicle dealer;

(4) each establishment of a temporary place of business for the sale of recreational vehicles is for no more than 12 consecutive days; and

(5) the dealer notifies the registrar of motor vehicles of each temporary place of business for the sale of recreational vehicles.

Subd. 11. Dealers' licenses; location change notice; fee. (a) Application for a dealer's license or notification of a change of location of the place of business on a dealer's license must include a street address, not a post office box, and is subject to the commissioner's approval.

(b) Upon the filing of an application for a dealer's license and the proper fee, unless the application on its face appears to be invalid, the commissioner shall grant a 90-day temporary license. During the 90-day period following issuance of the temporary license, the commissioner shall inspect the place of business site and insure compliance with this section and rules adopted under this section.

(c) The commissioner may extend the temporary license 30 days to allow the temporarily licensed dealer to come into full compliance with this section and rules adopted under this section.

(d) In no more than 120 days following issuance of the temporary license, the dealer license must either be granted or denied.

(e) A license must be denied under the following conditions:

(1) The license must be denied if within the previous ten years the applicant was enjoined due to a violation of section 325F.69 or convicted of violating section 325E.14, 325E.15, 325E.16, or 325F.69, or convicted under section 609.53 of receiving or selling stolen vehicles, or convicted of violating United States Code, title 15, sections 1981 to 1991 or pleaded guilty, entered a plea of nolo contendere or no contest, or has been found guilty in a court of competent jurisdiction of any charge of failure to pay state or federal income or sales taxes or felony charge of forgery, embezzlement, obtaining money under false pretenses, theft by swindle, extortion, conspiracy to defraud, or bribery.

(2) The license must also be denied if within the previous year the applicant has been denied a dealer license.

(3) A license must also be denied if the applicant has had a dealer license revoked within the previous ten years.

(f) If the application is approved, the commissioner shall license the applicant as a dealer for one year from the date the temporary license is granted and issue a certificate of license that must include a distinguishing number of identification of the dealer. The license must be displayed in a prominent place in the dealer's licensed place of business.

(g) Each initial application for a license must be accompanied by a fee of \$100 in addition to the annual fee. The annual fee is \$150. The initial fees and annual fees must be paid into the state treasury and credited to the general fund except that \$50 of each initial and annual fee must be paid into the vehicle services operating account in the special revenue fund under section 299A.705.

Subd. 12. Grounds for suspension and revocation. (a) A license may be suspended or revoked by the registrar of motor vehicles upon proof satisfactory to the registrar of any of the following:

- (1) violations of any of the provisions of this chapter or chapter 168A, 297B, 325E, or 325F;
- (2) violation of or refusal to comply with the requests and order of the registrar;
- (3) failure to make or provide to the registrar all listings, notices, and reports required by the registrar;
- (4) failure to pay to the registrar all taxes, fees, and arrears due from and by such dealer;
- (5) failure to duly apply for renewal of license provided for in this section;
- (6) revocation of previous license, of which the records of the registrar relating to the revocation are prima facie evidence of the previous revocation;
- (7) failure of continued occupancy of an established place of business;
- (8) sale of a new and unused current model motor vehicle other than the make of motor vehicle described in the franchise or contract filed with the original application or renewal thereof, without permission from the registrar;
- (9) sale of a new and unused current model motor vehicle to anyone except for consumer use, or to a dealer duly licensed to sell the same make of motor vehicle;
- (10) material misstatement or misrepresentation in application for license or renewal;
- (11) having advertised, printed, displayed, published, distributed, broadcast, or televised or caused or permitted to be advertised, printed, displayed, published, distributed, broadcast, or televised in any manner whatsoever, or having made orally any statement or representation with regard to the sale, lease, or financing of motor vehicles that is false, deceptive, or misleading;
- (12) having been convicted of violating section 325F.69, or having been enjoined due to a violation of section 325F.69;

(13) having been convicted of violating the Minnesota Odometer Law, section 325E.14, 325E.15, or 325E.16, or the federal odometer law, United States Code, title 15, sections 1981 to 1991;

(14) having been convicted of violating the sale of motor vehicles on Sunday law, section 168.275;

(15) having been convicted under section 609.53 of receiving or selling stolen vehicles; or

(16) having pleaded guilty, entered a plea of nolo contendere or no contest, or having been found guilty in a court of competent jurisdiction of any charge of failure to pay state or federal income or sales taxes or felony charge of forgery, embezzlement, obtaining money under false pretenses, theft by swindle, extortion, conspiracy to defraud, or bribery.

(b) With respect to paragraph (a), clauses (12), (13), (15), and (16), the registrar may suspend or revoke a license immediately upon receiving certification of conviction or permanent injunction. A hearing is required under subdivision 13 within 30 days following a summary suspension or revocation under this paragraph, if a hearing is requested by the licensee.

Subd. 12a. Grounds for cancellation; notice required. (a) A license may be canceled by the registrar after notice to the dealer, upon satisfactory proof that the dealer (1) has failed to provide or maintain the required surety bond, (2) has failed to provide or maintain the insurance required under chapter 65B, or (3) is no longer operating at the dealer's licensed location.

(b) Surety companies and insurers providing required coverages shall promptly notify the registrar upon canceling any surety bond or required insurance. The registrar shall notify the dealer of the reason or reasons for cancellation before the cancellation occurs.

Subd. 13. Suspension and revocation; hearing. (a) The registrar of motor vehicles, upon the registrar's own motion or upon the complaint of another, shall prepare and cause to be served upon the licensee complained of, a written notice or complaint setting forth, in substance, the violations charged, a statement of the deficiencies which exist and any corrective action deemed appropriate. The notice must include a statement that in the event corrective action is deemed appropriate and corrective action is not taken, the dealer's license may be suspended or revoked. The notice must require the licensee to appear at the time and place fixed in the notice before the registrar, and show cause why the license should not be suspended or revoked.

(b) The registrar shall, at the time and place fixed in the notice, proceed to hear and determine the matter on its merits. All hearings must be conducted according to chapter 14, except that the provisions of section 14.50, do not apply. The registrar may subpoena witnesses and administer oaths. If the registrar finds the existence of any of the causes for suspension or revocation as set forth in subdivision 12 and determines that corrective action has not been taken or that corrective action will not prevent repetition of the violations charged or that the public

interest will not be served by corrective action and the licensee's license should be suspended or revoked, the registrar shall issue a written order setting out the decision. A copy of the order must be served upon the licensee in the manner provided by law for the service of summons in a civil action. On finding that the dealer has violated any of the provisions of this section but that the nature of the violation or the circumstances are such that a suspension of the license would be adequate, the registrar may, instead of revoking the license suspend it for a period not exceeding 90 days. On finding that the violation does not justify a suspension only, the registrar shall revoke the license. Upon a suspension or revocation of the license of a new or used motor vehicle dealer, the licensee shall immediately return to the registrar all number plates, including any "in-transit" plates and temporary permits, in its possession and its dealer's license certificate.

Subd. 14. **Appeal.** Any party or person aggrieved by an order of suspension, revocation or imposition of a penalty may seek judicial review according to chapter 14.

Subd. 15. **Enforcement.** The registrar shall enforce this section and may appoint at least seven of the registrar's employees as inspectors and investigators. The inspectors and investigators have full authority to enforce this section throughout the state. The registrar, the registrar's inspectors or investigators, when traveling or otherwise pursuing their duties outside the office of the registrar, shall be paid for their actual expenses incurred out of the same funds as other employees of the registrar of motor vehicles. The inspectors shall assist licensees in compliance with laws governing licensees.

Subd. 16. **Dealer plates: distinguishing number, fee, tax, use.** (a) The registrar shall issue to every motor vehicle dealer, upon a request from the motor vehicle dealer licensed as provided in subdivision 2 or 3, one or more plates displaying a general distinguishing number. This subdivision does not apply to a scrap metal processor, a used vehicle parts dealer, or a vehicle salvage pool. The fee for each of the first four plates is \$75 per registration year, of which \$60 must be paid to the registrar and the remaining \$15 is payable as sales tax on motor vehicles under section 297B.035. For each additional plate, the dealer shall pay the registrar a fee of \$25 and a sales tax on motor vehicles of \$15 per registration year. The registrar shall deposit the tax in the state treasury to be credited as provided in section 297B.09. Motor vehicles, new or used, owned by the motor vehicle dealership and bearing the number plate, except vehicles leased to the user who is not an employee of the dealer during the term of the lease, held for hire, or customarily used by the dealer as a tow truck, service truck, or parts vehicle, may be driven upon the streets and highways of this state:

(1) by the motor vehicle dealer or dealer's spouse, or any full-time employee of the motor vehicle dealer for either private or business purposes;

(2) by a part-time employee when the use is directly related to a particular business transaction of the dealer;

(3) for demonstration purposes by any prospective buyer for a period of 48 hours or in the case of a truck, truck-tractor, or semitrailer, for a period of seven days; or

(4) in a promotional event that lasts no longer than four days in which at least three motor vehicles are involved.

(b) A new or used motor vehicle sold by the motor vehicle dealer and bearing the motor vehicle dealer's number plate may be driven upon the public streets and highways for a period of 72 hours by the buyer for either of the following purposes: (1) removing the vehicle from this state for registration in another state, or (2) permitting the buyer to use the motor vehicle before the buyer receives number plates pursuant to registration. Use of a motor vehicle by the buyer under clause (2) before the buyer receives number plates pursuant to registration constitutes a use of the public streets or highways for the purpose of the time requirements for registration of motor vehicles.

Subd. 17. **In-transit plates; fee.** Every licensed dealer in motor vehicles may make application upon a blank provided by the registrar for that purpose for dealer in-transit license plates for use upon all new or used motor vehicles being transported from the dealer's source of supply, or other place of storage, to the dealer's place of business, or to another place of storage, or from one dealer to another. The registrar shall then issue to the dealer the number of plates as the dealer may request, upon the payment by the dealer to the registrar of the sum of \$5 per plate per registration year. The registrar may issue in-transit plates, upon the payment of the sum of \$5 to the registrar, to dealers duly licensed in other states or provinces upon information furnished in the manner as the registrar may prescribe, and which satisfies the registrar that persons or companies applying for the plates are duly licensed dealers under the laws of the states or provinces.

Subd. 18. **Testimonial powers.** The registrar may issue subpoenas requiring the attendance of witnesses before the registrar, production of books, papers, and other documents, articles, or instruments, and compel the disclosure by witnesses of all facts known to them relative to the matter under investigation, and may administer oaths and to take testimony. All parties disobeying the orders of subpoenas of the registrar are guilty of contempt, as in proceedings in district courts of the state and may be punished in like manner.

Subd. 19. **Violations.** Any person, copartnership, or corporation, domestic or foreign, and any officer, or director, or employee of a corporation, domestic or foreign, who violates this section is guilty of a misdemeanor.

Subd. 19a. **Injunction.** The commissioner or a county attorney may institute a civil action in the name of the state in district court for an injunction prohibiting a violation of this section and for civil penalties not to exceed \$1,000 for each violation of subdivision 2, 3, 4, 5a, 6, 7, or 7a. The court, upon proper proof that the defendant has engaged in a practice prohibited by this

section, may enjoin the future commission of that practice and award civil penalties for violations of subdivision 2, 3, 4, 5a, 6, 7, or 7a. It is not a defense to an action that the state may have adequate remedies at law. Service of process must be as in any other civil suit, except that where a defendant in the action is a natural person or firm residing outside the state, or is a foreign corporation, service of process may also be made by personal service outside the state; in the manner provided by section 5.25; or as the court may direct. Process is valid if it satisfies the requirements of due process of law, whether or not the defendant is doing business in Minnesota regularly or habitually. Nothing in this subdivision limits the rights or remedies otherwise available to persons under common law or other statutes of this state.

Subd. 20. **Application to sale of other vehicles.** (a) This section does not apply:

(1) to any person, copartnership, or corporation engaged in the business of selling vehicles designed to operate exclusively over snow, motor scooters, motorized wheelchairs, utility trailers, farm wagons, farm trailers, or farm tractors or other farm implements, whether self-propelled or not and even though a vehicle listed in this clause may be equipped with a trailer hitch; or

(2) to any person licensed as a real estate broker or salesperson pursuant to chapter 82, who engages in the business of selling, who offers to sell, or who solicits or advertises the sale of manufactured homes affixed to land.

(b) However, this section does apply to a person, copartnership, or corporation described in paragraph (a) who is also engaged in the business of selling other motor vehicles or manufactured homes within the provisions of this section.

(c) As used in this subdivision, "utility trailer" means a motorless vehicle, other than a boat trailer or snowmobile trailer, equipped with one or two wheels, having a gross vehicle weight of 4,000 pounds or less, and used for carrying property on its own structure while being drawn by a motor vehicle.

Subd. 21. [Repealed, 1981 c 59 s 20]

Subd. 22. **Dealer license for trailers, motorized bicycles; plates, fees; exemptions.**

Any person, copartnership, or corporation having a permanent enclosed commercial building or structure either owned in fee or leased and engaged in the business, either exclusively or in addition to any other occupation, of selling motorized bicycles, boat trailers, horse trailers, or snowmobile trailers, may apply to the registrar for a dealer's license. Upon payment of a \$10 fee the registrar shall license the applicant as a dealer for the remainder of the calendar year in which the application was received. The license may be renewed on or before the second day of January of each succeeding year by payment of a fee of \$10. The registrar shall issue to each dealer, upon request of the dealer, dealer plates as provided in subdivision 16 upon payment of \$5 for each plate, and the plates may be used in the same manner and for the same purposes as is

provided in subdivision 16. Except for motorized bicycle dealers, the registrar shall also issue to the dealer, upon request of the dealer, "in-transit" plates as provided in subdivision 17 upon payment of a fee of \$5 for each plate. This subdivision does not abrogate any of the provisions of this section relating to the duties, responsibilities, and requirements of persons, copartnerships, or corporations engaged in the business, either exclusively or in addition to other occupations, of selling motor vehicles or manufactured homes, except that a seller of boat trailers, utility trailers, or snowmobile trailers who is licensed under this subdivision is not required to have a contract or franchise with a manufacturer or distributor of new boat trailers, utility trailers, or new snowmobile trailers the seller proposes to sell, broker, wholesale, or auction. This section does not require a manufacturer of snowmobile trailers whose manufacturing facility is located outside of the metropolitan area as defined in section 473.121 to have a dealer's license to transport the snowmobile trailers to dealers or retail outlets in the state.

Subd. 23. **Registrar may file charges.** The registrar or the registrar's appointed inspectors may file charges with the county attorney against any licensee who violates any of the provisions of this section, including but not limited to, the grounds for suspension or revocation set out in subdivision 12.

Subd. 24. **Bonds.** (a) Except as otherwise provided in this subdivision, all persons licensed according to this section shall keep in full force and effect a bond with a corporate surety to be approved by the registrar of motor vehicles in the following amounts; in the case of boat trailer, snowmobile trailer, horse trailer or motorized bicycle dealers, or dealers in trailers with a manufacturer's rated carrying capacity under 15,000 pounds designed to transport small construction or farm equipment, in the amount of \$5,000; and as to all other persons in the amount of \$50,000. The bond must be conditioned on the faithful performance by the licensee of the obligations imposed on persons engaged in motor vehicle transactions by the laws of this state, including the conduct required of a licensee by this section and other sections governing the sale or transfer of motor vehicles, and the payment of all taxes, license fees, and penalties. The bond must be for the benefit of the state of Minnesota and any transferor, seller, or purchaser of a motor vehicle for any monetary loss caused by failure of the licensee to meet the obligations enumerated above. Proceedings on the forfeiture of the bonds must be commenced in the district court of the county wherein the business of the licensed person was carried on, or if in more than one county, the county in which the offense occurred. This subdivision does not apply to a used vehicle parts dealer or a scrap metal processor.

When a motor vehicle lessor, licensed under section 168.27, subdivision 2, 3, or 4, is issued a traffic violation citation for a violation committed by a lessee while operating the leased or rented vehicle, the lessor shall convey to the issuing authority within 15 days of the lessor receiving knowledge of the traffic violation, information to the extent available, including the driver's full name, home address, local address, if any, license number, employer's name and address, post office box, and form of payment. Upon compliance with this section, the lessor is not liable for the amount of fine, penalty assessment, late payment penalty, or cost of warrants issued in connection with the violation. This section does not relieve the lessor of any liability, penalty, or damages arising out of its own acts or omissions.

168.31 REGISTRATION TAX PAYMENT.

Subdivision 1. **When due and payable.** The tax required under this chapter to be paid upon a motor vehicle for each calendar year becomes due when the vehicle first uses the public streets or highways in the state, and upon January 1 each year thereafter, except those vehicles which are taxed under section 168.017 and vehicles registered under 168.09, subdivision 3. Subd. 3. [Repealed, 1984 c 549 s 34]

Subd. 4. **Installments.** If the tax for a vehicle assessed under section 168.013, subdivision 1c, 1d, 1e, or 1g, amounts to more than \$400, the owner may pay the tax by installments. The owner shall tender with the application for registration one-third of the annual tax due or \$400, whichever is greater, plus any penalties or arrears, plus a fee of \$10. Instead of this fee, the applicant may furnish a bond, bank letter of credit, or certificate of deposit approved by the registrar of motor vehicles, for the total of the tax still due. The amount of the bond, letter of credit, or certificate of deposit may include any penalties assessed. The bond, letter of credit, or certificate of deposit must be for the benefit of the state for monetary loss caused by failure of the vehicle owner to pay delinquent license fees and penalties. The remainder of the tax due must be paid in two equal installments; the due date of the first installment is the first day of the fifth month of the registration period for which the tax is assessed and the second installment is due on the first day of the ninth month of the registration period for which the tax is assessed. When the applicant elects to pay the administrative fee, the registrar shall issue to the applicant validation stickers indicating the expiration date of a registration. When the applicant elects to furnish a bond, bank letter, or letter of deposit, the registrar shall issue regular validation stickers for the registration year. If an owner of a vehicle fails to pay an installment on or before its due date, the vehicle must not be used on the public streets or highways in this state until the installment or installments of the tax remaining due on the vehicle have been paid in full for the licensed year together with a penalty at the rate of \$1 per day for the remainder of the month in which the balance of the tax becomes due and \$4 a month for each succeeding month or fraction of a month during which the balance of the tax remains unpaid. Upon the payment of the balance of the tax

and the penalties, the registrar shall issue a registration certificate to the owner of the vehicle in the manner provided by law. The registrar shall deny installment payment privileges provided in this subdivision in the subsequent year to any owner on any or all vehicles of the owner who during the current year fails to pay any installment due within one month after the due date.

Subd. 4a. **Installments.** If the tax for a vehicle assessed under section 168.187 amounts to more than \$400, the owner may pay the tax by installments. The owner shall submit with the application for registration, no later than January 1, one-third of the Minnesota annual tax due or \$400, whichever is greater. The applicant shall furnish a bond, bank letter of credit, or certificate of deposit approved by the registrar of motor vehicles, for the total of the tax still due. The amount of the bond, letter of credit, or certificate of deposit may include any penalties assessed. The bond, letter of credit, or certificate of deposit must be for the benefit of the state for monetary loss caused by failure of the vehicle owner to pay delinquent license fees and penalties. The remainder of the tax due must be paid in two equal installments; the due date of the first installment is May 1 and the second installment is due on September 1. If an owner of a vehicle fails to pay an installment on or before the due date, the vehicle must not be used on the public streets or highways in this state until the installment or installments of the tax remaining due on the vehicle has been paid in full for the licensed year, together with a penalty at the rate of \$1 per day for the remainder of the month in which the balance of the tax becomes due and \$4 a month for each succeeding month or fraction of it during which the balance of the tax remains unpaid. The registrar shall deny installment payment privileges provided in this subdivision in the subsequent year to any owner on any or all vehicles of an owner who during the current year fails to pay any installment and penalties due within one month after the due date.

Subd. 5. **Refund.** For the registration tax paid on any vehicle before the registration period for which that tax was assessed, the owner of the vehicle who paid the tax is entitled to full refund if the registration stickers are surrendered before the first day of the new registration period.

Subd. 6. **Tax delinquency; remedies.** All taxes imposed under the provisions of this chapter shall be deemed the personal obligation of the registered owner and the amount of such tax, including added penalties for the nonpayment thereof, shall be a first lien upon the vehicle taxed, paramount and superior to all other liens thereon whether previously or subsequently accruing thereon; and, in addition to any other remedy herein prescribed, the state shall have a right of action against the owner for the recovery of the amount of any delinquent tax thereon, including the penalties accruing because of the nonpayment thereof, or for the enforcement of the tax lien thereon hereby declared, or both, in any court of competent jurisdiction. The county attorney of the county in which such motor vehicle is owned shall perform such service in the matter of the commencement and prosecution of such suit or in the prosecution of any other remedy for the enforcement of such tax as the attorney general may require.

The filing fee must be shown as a separate item on all registration renewal notices sent out by the commissioner. No filing fee or other fee may be charged for the permanent surrender of a title for a vehicle.

168.61 INTERCITY BUS.

Subdivision 1. **Definition.** The term "intercity bus" as used in sections 168.61 to 168.65 means a motor bus as defined in section 168.002, subdivision 4, which is owned or operated by either a resident or nonresident of Minnesota in interstate commerce under authority of the former Interstate Commerce Commission, or a successor agency, or in combined interstate and intrastate commerce under authority of the former Interstate Commerce Commission, or a successor agency, and the Department of Transportation of Minnesota, as a result of which operation such bus operates both within and without the territorial limits of the state of Minnesota.

Subd. 2. **Registration and taxation.** For the calendar year 1958 and during each year thereafter intercity buses shall be subject to registration and taxation as motor vehicles on an apportionment basis.

168.62 INTERCITY BUS REGISTRATION.

Subdivision 1. **Registration of percentage of buses; determination.** An owner or operator of more than one intercity bus shall register a percentage of those intercity buses of the owner or operator in Minnesota. The percentage of the intercity buses so registered shall be determined by dividing the total number of miles traveled by such intercity buses within the state of Minnesota by the total number of miles traveled by such intercity buses both within and without the state of Minnesota. Such percentage figure so arrived at is the percentage of intercity motor buses which the owner or operator thereof shall register in Minnesota. A fractional intercity bus shall be registered as one intercity bus. The number of intercity buses so registered in the state of Minnesota are deemed to be domiciled in Minnesota and subject to motor vehicle taxation in this state.

Subd. 2. **Tax determination.** When the number of intercity buses to be registered in Minnesota is determined as herein provided, the owner or operator thereof shall select the particular intercity buses to be so registered. The motor vehicle tax to be paid thereon for each calendar year shall be determined by the registrar of motor vehicles, who shall compute the amount of motor vehicle tax on each intercity bus of the owner or operator thereof as though all of such intercity buses were required to be registered in Minnesota. The amount so arrived at shall then be divided by the total number of intercity buses of such owner or operator to obtain the average motor vehicle tax due on an intercity bus registered in Minnesota. Such average tax shall be paid on each intercity bus registered in Minnesota in the same manner and at the same time as other motor vehicles using the streets and highways of Minnesota are taxed and the taxes paid thereon. The registrar of motor vehicles shall issue number plates for the intercity buses registered in Minnesota.

Subd. 3. **Special plates or certificate; fee; proceeds to highway user fund.** At the same time that an owner or operator of intercity buses registers them in Minnesota and obtains number plates therefor, the owner or operator shall apply for special identification plates or certificates for the remainder of that fleet of intercity buses. The registrar of motor vehicles shall design an appropriate plate or identification certificate for this purpose which shall be issued upon the payment of a fee of \$10 covering each intercity bus so identified. The proceeds of such fees shall be deposited to the credit of the highway user tax distribution fund. No intercity bus shall at any time be operated in the state of Minnesota without either Minnesota number plates or special identification plates or certificates issued as herein provided.

168.63 INTERCITY BUS; REGISTRAR DUTIES.

Subdivision 1. **Administration and enforcement.** It shall be the duty of the registrar of motor vehicles to administer and to enforce the terms and conditions of sections 168.61 to 168.65.

Subd. 2. **Registration determinations.** The registrar of motor vehicles shall determine the percentage of intercity buses to be registered in Minnesota by an owner or operator thereof. The registrar shall determine the total number of miles traveled by each intercity bus within the state of Minnesota and the total number of miles such intercity bus traveled both within and without the state of Minnesota. In making such determinations the registrar may use mileage records of operation of each owner or operator of intercity buses for such period of time as the registrar deems appropriate and during which operation existed. If there are no operations in Minnesota for any period of time so as to determine the mileage records of operation the registrar shall use such estimates as will fairly determine the percentage of intercity buses which any owner or operator thereof shall register in Minnesota.

Subd. 3. **Notice of fleet increase.** When increasing the fleet of intercity buses after the beginning of a calendar year in which a percentage of the fleet has been registered in Minnesota, the owner or operator of those intercity buses shall notify the registrar of motor vehicles thereof.

Subd. 4. **Notice of bus substitution.** Whenever substituting an intercity bus in the fleet as a result of new purchase or otherwise, the owner or operator of intercity buses shall likewise notify the registrar of motor vehicles thereof.

Subd. 5. **Annual recomputation and tax adjustment.** At the close of each calendar year and not later than February 15th of the next succeeding year, beginning with 1959, the registrar of motor vehicles shall recompute and redetermine the number of intercity buses required to have been registered in Minnesota for the prior year and the actual amount of tax liability for such previous year shall likewise be redetermined. Any additional tax which may be due by any owner or operator of intercity buses shall be paid forthwith. If it is determined as a result of such recomputation that there has been an overpayment of tax, the amount of such overpayment shall be credited to the amount of tax which may be due by the owner or operator of intercity buses in any subsequent year. In the event any owner or operator of intercity buses discontinues operations in Minnesota and has a tax credit due as a result of overpayment of motor vehicle taxes for any year, the amount of such overpayment shall be refunded. Such sums as are necessary to make the refunds herein are hereby appropriated annually from the highway user tax distribution fund.

168.64 INTERCITY BUS RULES, REQUIREMENTS.

The registrar of motor vehicles shall:

(1) promulgate such rules as the registrar may deem necessary in order to fully administer and carry out the terms and provisions of sections 168.61 to 168.65;

(2) require owners and operators of intercity buses to furnish such information and to make and file such reports as the registrar deems necessary in order to administer sections 168.61 to 168.65;

(3) require recomputation of the percentage of intercity buses of any owner or operator at any time the registrar has reason to believe that an insufficient number of such intercity buses of such owner or operator are registered in Minnesota. If as a result of any such recomputation, the registrar of motor vehicles determines that additional intercity buses should be registered in Minnesota, the registrar shall require the owner or operator thereof to so register such additional buses and pay the taxes thereon in accordance with the standards required by this section. All intercity buses registered under the terms of this provision shall be registered for a full calendar year. All taxes computed on the percentage of intercity buses to be registered in the state of Minnesota shall likewise be computed on the basis of a full calendar year. If additional taxes are required to be paid by an owner or operator of intercity buses under this provision, such owner or operator shall also pay interest at the rate of six percent per annum on the amount so paid with interest computed from January 1st of the calendar year in which the taxes are due to the date of payment.

168.65 INTERCITY BUS VIOLATIONS.

Subdivision 1. **Unlawful acts.** It shall be unlawful for any owner or operator of intercity buses to willfully violate any provision of sections 168.61 to 168.65 or to willfully furnish false information or reports to the registrar of motor vehicles which such registrar may require.

Subd. 2. **Appeal.** If after a public hearing, upon due notice, the registrar of motor vehicles determines that any owner or operator of intercity buses has violated any term or provisions of sections 168.61 to 168.65 or willfully furnished false information or reports, the registrar shall cancel all number plates and all special identification plates or certificates issued to the owner or operator of intercity buses. The intercity buses, during such calendar year, shall not operate upon the streets and highways of the state unless the owner's or operator's entire fleet of intercity buses is then registered in the state of Minnesota and the motor vehicle taxes paid on them for the full calendar year in which the offense occurs. Any determination by the registrar of motor vehicles is subject to appeal in accordance with chapter 14.

168.841 DEFINITION OF RENTAL TRUCK.

As used in sections 168.841 to 168.846, "rental truck" means a truck or truck-tractor and "rental trailer" means a trailer or semitrailer as these terms are defined in section 168.002, which is one of a fleet of two or more such vehicles owned and operated for hire for periods of 30 days or less both within and without the state of Minnesota, which are clearly identified as belonging to a particular owner, and which are not otherwise required to be registered in the state.

History: 1971 c 49 s 1

168.842 REGISTRATION AND TAXATION OF RENTAL TRUCK.

An owner of rental trucks shall annually register a percentage of the owner's rental trucks in Minnesota. The number of rental trucks required to be registered in the state shall be determined by dividing the total number of miles traveled within the state during the next preceding calendar year by all rental trucks owned by an owner by the total number of miles traveled both within and without the state during the next preceding calendar year by all rental trucks owned by that owner and applying the percentage figure thus arrived at to the total number of rental trucks owned by that owner. The number of rental trucks thus determined shall be the number of rental trucks deemed to be domiciled within the state and subject to registration and taxation in a calendar year.

History: 1971 c 49 s 2; 1986 c 444

168.843 REGISTRATION AND TAXATION OF RENTAL TRAILER.

An owner or operator of rental trailers shall annually register a percentage of the rental trailers of that owner or operator in Minnesota. The number of rental trailers required to be registered in Minnesota shall be a number equal to the average number of rental trailers operated in and through the state during the preceding calendar year. The number of rental trailers thus determined shall be the number of rental trailers deemed to be domiciled within the state and subject to registration and taxation in a calendar year.

History: 1971 c 49 s 3; 1986 c 444

168.844 OTHER FLEET RENTAL VEHICLES.

Upon registration of the number of rental trucks or rental trailers required by sections 168.841 to 168.846 to be registered in this state and upon payment of all registration fees, all rental trucks or rental trailers owned by an owner and identified as being a part of the owner's fleet and currently licensed in any state, territory, province, country or the District of Columbia shall be permitted to operate in this state in both interstate and intrastate commerce.

168.845 RULES FOR RENTAL TRUCKS AND TRAILERS.

The registrar may establish dates for the submission of required forms and reports and may, for good cause shown, waive any deadline established.
