

17B.04 STATE INSPECTION AND WEIGHING.

Subdivision 1. **Furnishing service.** The commissioner, upon proper application for state inspection or weighing of grain by any person interested at any point within the state, may furnish such service, if the commissioner deems it expedient; provided, such person first agrees to pay all costs of the service. Rules governing state inspection and weighing at other terminals shall apply at such points.

Subd. 2. **Shipper to affix tags.** Every shipper of grain shall fasten upon the inside of each car shipped a card giving the number and initials or other distinctive mark of such car, the date of shipment, and the exact weight of the grain in such car, as claimed by the shipper. If the shipper fails to do so, the official weight shall be prima facie evidence of the quantity of grain shipped in such car.

Subd. 3. **Samples to be furnished; fees.** The commissioner is hereby authorized to furnish persons entitled thereto, when requested by them, samples of grain from any car from which samples are taken for inspection and grading. The fees for the furnishing of such samples shall be fixed by the commissioner.
