

221.153 ARMORED CARRIER; CONVERSION OF OPERATING AUTHORITY.

Subdivision 1. **Expiration of operating authority.** All operating authority under certificates or permits granted by the board that authorizes armored carrier service expires on March 1, 1994. After February 28, 1994, no person may provide armored carrier service unless the person holds a valid armored carrier permit issued by the board. This subdivision does not require the expiration of any operating authority other than authority for armored carrier service. This subdivision does not limit the right of carriers to transport items of exceptional value in nonarmored vehicles that are not protected by at least one armed person exclusive of the driver.

Subd. 2. **Conversion.** A motor carrier holding operating authority that expires on March 1, 1994, under subdivision 1 who wishes to continue providing the service authorized by that operating authority must convert that operating authority into an armored carrier permit before that date.
