

268.196 ADMINISTRATION ACCOUNT.

Subdivision 1. **Administration account.** (a) There is created in the state treasury a special account to be known as the administration account. All money that is deposited or paid into this account is continuously available to the commissioner for expenditure to administer the Minnesota unemployment insurance program, and does not lapse at any time. The administration account consists of:

(1) all money received from the federal government to administer the Minnesota unemployment insurance program;

(2) five percent of any money recovered on overpaid unemployment benefits as provided for in section 268.194, subdivision 1, clause (7), which must be used for deterring, detecting, and collecting overpaid unemployment benefits;

(3) any money received as compensation for services or facilities supplied to the federal government or any other state;

(4) any amounts received for losses sustained by this account or by reason of damage to equipment or supplies; and

(5) any proceeds from the sale or disposition of any equipment or supplies that may no longer be necessary for the proper administration of those sections.

(b) All money in this account must be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as are provided by law for the other special accounts in the state treasury. The commissioner of finance, as treasurer and custodian of this account, is liable for the faithful performance of duties in connection with this account.

(c) All money in this account must be spent for the purposes and in the amounts found necessary by the United States Secretary of Labor for the proper and efficient administration of the Minnesota unemployment insurance program.

Subd. 2. **State to replace money wrongfully used.** If any money received under United States Code, title 42, section 501 of the Social Security Act or the Wagner-Peyser Act, is found by the United States Secretary of Labor to have been spent for purposes other than, or in amounts in excess of, those necessary for the proper administration of the Minnesota unemployment insurance program, the commissioner may replace the money from the contingent account. If the money is not replaced from the contingent account, it is the policy of this state that the money be replaced by money appropriated for that purpose from the general funds of this state. If not replaced from the contingent account, the commissioner shall, at the earliest opportunity, submit to the legislature a request for the appropriation of that amount.
