

423C.16 RECOMPUTATION OF DISABLED BENEFIT PROHIBITED.

Notwithstanding section 423A.11, the Board of Trustees of the Minneapolis Firefighters Relief Association shall not recompute the disability benefit of a member who became permanently disabled as the result of a service-related disease or injury. Any prior recomputation of a disabled member's service-related disability pension shall be revoked upon the member's request and upon the member's signed and sworn agreement to waive any right to a recomputation of the benefit in the future. Non-service-related disability pension benefits that were recomputed at full 25-year service pensions shall remain in effect.
