

62I.15 EXTENSION OF COVERAGE.

If the association determines that the applicant meets the underwriting standards of the association as described in the plan of operation and there is no unpaid, uncontested premium due from the application for prior insurance, including failure to make written objections to premium charges within 30 days after billing, or if there is no other allowable reason as set forth in this chapter for denial of coverage, the association upon receipt of the premium or portion of it as described in the plan of operation shall issue a policy of insurance to the applicant.
