Subdivision 1. **Financial report and audit.** The board of each salaried firefighters relief association, police relief association, and volunteer firefighters relief association as defined in section 424A.001, subdivision 4, with assets of at least \$200,000 or liabilities of at least \$200,000 in the prior year or in any previous year, according to the applicable actuarial valuation or financial report if no valuation is required, shall:

(1) prepare a financial report covering the special and general funds of the relief association for the preceding fiscal year on a form prescribed by the state auditor. The financial report must contain financial statements and disclosures which present the true financial condition of the relief association and the results of relief association operations in conformity with generally accepted accounting principles and in compliance with the regulatory, financing and funding provisions of this chapter and any other applicable laws. The financial report must be countersigned by the municipal clerk or clerk-treasurer of the municipality in which the relief association is located if the relief association is a firefighters relief association which is directly associated with a municipal fire department or is a police relief association, or countersigned by the secretary of the independent nonprofit firefighting corporation and by the municipal clerk or clerk-treasurer of the largest municipality in population which contracts with the independent nonprofit firefighting corporation if the volunteer firefighter relief association is a subsidiary of an independent nonprofit firefighting corporation;

(2) file the financial report in its office for public inspection and present it to the city council after the close of the fiscal year. One copy of the financial report must be furnished to the state auditor after the close of the fiscal year; and

(3) submit to the state auditor audited financial statements which have been attested to by a certified public accountant, public accountant, or the state auditor within 180 days after the close of the fiscal year. The state auditor may accept this report in lieu of the report required in clause (2).

Subd. 1a. **Financial statement.** (a) The board of each volunteer firefighters relief association, as defined in section 424A.001, subdivision 4, that is not required to file a financial report and audit under subdivision 1 must prepare a detailed statement of the financial affairs for the preceding fiscal year of the relief association's special and general funds in the style and form prescribed by the state auditor. The detailed statement must show the sources and amounts of all money received; all disbursements, accounts payable and accounts receivable; the amount of money remaining in the treasury; total assets including a listing of all investments; the accrued liabilities; and all items necessary to show accurately the revenues and expenditures and financial position of the relief association.

(b) The detailed financial statement required under paragraph (a) must be certified by an independent public accountant or auditor or by the auditor or accountant who regularly examines or audits the financial transactions of the municipality. In addition to certifying the financial condition of the special and general funds of the relief association, the accountant or auditor conducting the examination shall give an opinion as to the condition of the special and general funds of the relief association, and shall comment upon any exceptions to the report. The independent accountant or auditor must have at least five years of public accounting, auditing, or similar experience, and must not be an active, inactive, or retired member of the relief association or the fire or police department.

(c) The detailed statement required under paragraph (a) must be countersigned by the municipal clerk or clerk-treasurer of the municipality, or, where applicable, by the secretary of the independent nonprofit firefighting corporation and by the municipal clerk or clerk-treasurer of the largest municipality in population which contracts with the independent nonprofit firefighting corporation if the relief association is a subsidiary of an independent nonprofit firefighting corporation.

(d) The volunteer firefighters' relief association board must file the detailed statement required under paragraph (a) in the relief association office for public inspection and present it to the city council within 45 days after the close of the fiscal year, and must submit a copy of the detailed statement to the state auditor within 90 days of the close of the fiscal year.

Subd. 1b. **Qualification.** The state auditor may, upon a demonstration by a relief association of hardship or inability to conform, extend the deadline for reports under subdivisions 1 or 1a, but not beyond November 30th following the due date. If the reports are not received by November 30th, the municipality or relief association will forfeit its current year state aid, and until the state auditor receives the required information, the relief or municipality will be ineligible to receive any future state aid. A municipality or police or firefighters' relief association shall not qualify initially to receive, or be entitled subsequently to retain, state aid pursuant to this chapter if the financial reporting requirement or the applicable requirements of this chapter or any other statute or special law have not been complied with or are not fulfilled.
