Subd. 1a. **General requirements.** A person may not operate or transport a snowmobile unless the snowmobile has been registered under this section. A person may not sell a snowmobile without furnishing the buyer a bill of sale on a form prescribed by the commissioner.

Subd. 2. **Application, issuance, reports, additional fee.** (a) Application for registration or reregistration shall be made to the commissioner or an authorized deputy registrar of motor vehicles in a format prescribed by the commissioner and shall state the legal name and address of every owner of the snowmobile.

(b) A person who purchases a snowmobile from a retail dealer shall make application for registration to the dealer at the point of sale. The dealer shall issue a dealer temporary 21-day registration permit to each purchaser who applies to the dealer for registration. The temporary permit must contain the dealer's identification number and phone number. Each retail dealer shall submit completed registration and fees to the deputy registrar at least once a week. No fee may be charged by a dealer to a purchaser for providing the temporary permit.

(c) Upon receipt of the application and the appropriate fee as hereinafter provided, the commissioner or deputy registrar shall issue to the applicant, or provide to the dealer, an assigned registration number or a commissioner or deputy registrar temporary 21-day permit. Once issued, the registration number must be affixed to the snowmobile in a clearly visible and permanent manner for enforcement purposes as the commissioner of natural resources shall prescribe. A dealer subject to paragraph (b) shall provide the registration materials or temporary permit to the purchaser within the temporary 21-day permit period. The registration is not valid unless signed by at least one owner. The temporary permit must indicate whether a snowmobile state trail sticker under section 84.8205 was purchased.

(d) Each deputy registrar of motor vehicles acting pursuant to section 168.33, shall also be a deputy registrar of snowmobiles. The commissioner of natural resources in agreement with the commissioner of public safety may prescribe the accounting and procedural requirements necessary to assure efficient handling of registrations and registration fees. Deputy registrars shall strictly comply with these accounting and procedural requirements.

(e) A fee of \$2 in addition to that otherwise prescribed by law shall be charged for:

(1) each snowmobile registered by the registrar or a deputy registrar and the additional fee shall be disposed of in the manner provided in section 168.33, subdivision 2; or

(2) each snowmobile registered by the commissioner and the additional fee shall be deposited in the state treasury and credited to the snowmobile trails and enforcement account in the natural resources fund.

Subd. 3. **Fees for registration.** (a) The fee for registration of each snowmobile, other than those used for an agricultural purpose, as defined in section 84.92, subdivision 1c, or those registered by a dealer or manufacturer pursuant to clause (b) or (c) shall be as follows: \$45 for three years and \$4 for a duplicate or transfer.
