

**16E.15 SOFTWARE SALES.**

Subdivision 1. **Authorization.** The chief information officer may sell or license computer software products or services developed by state agencies or custom developed by a vendor, through whatever sales method the chief information officer considers appropriate. Prices for the software products or services may be based on market considerations.

Subd. 2. **Software sale fund.** (a) Except as provided in paragraphs (b) and (c), proceeds of the sale or licensing of software products or services by the chief information officer must be credited to the enterprise technology revolving fund. If a state agency other than the Office of Enterprise Technology has contributed to the development of software sold or licensed under this section, the chief information officer may reimburse the agency by discounting computer services provided to that agency.

(b) Proceeds of the sale or licensing of software products or services developed by the Pollution Control Agency, or custom developed by a vendor for the agency, must be credited to the environmental fund.

(c) Proceeds of the sale or licensing of software products or services developed by the Department of Education, or custom developed by a vendor for the agency, to support the achieved savings assessment program, must be appropriated to the commissioner of education and credited to the weatherization program to support weatherization activities.
