If the city or county uses this special levy, any amount levied by the city or county in the previous levy year for the purposes specified in this clause and included in the city's or county's previous year's levy limit computed under section 275.71, must be deducted from the levy limit base under section 275.71, subdivision 2, in determining the city's or county's current year levy limit;

For purposes of this paragraph, "foreclosure rate" means the number of foreclosures, as indicated by sheriff sales records, divided by the number of households in the city in 2007;

The levy limit base shall then be increased by an amount equal to the new facility's first full year's operating costs as described in this clause; and

(25) for the estimated amount of reduction to credits under section 273.1384 for credits payable in the year in which the levy is payable.

Subd. 6. **Levy aid base.** "Levy aid base" for a local governmental unit for a levy year means its total levy spread on net tax capacity, minus any amounts that would qualify as a special levy under this section, plus the sum of (1) the total amount of aids and reimbursements that the local governmental unit is certified to receive under sections 477A.011 to 477A.014 in the same year, (2) taconite aids under sections 298.28 and 298.282 in the same year, including any aid which was required to be placed in a special fund for expenditure in the next succeeding year, and (3) payments to the local governmental unit under section 272.029 in the same year, adjusted for any error in estimation in the preceding year.
