## **103D.345 PERMITS.**

Subdivision 1. **Application fee.** A person applying for a permit required by the managers under a rule controlling the use and development of land in the floodplain, greenbelt, and open space areas of the watershed district must accompany the application with a permit application fee to defray the cost of recording and processing the application. The managers may set the fee not to exceed \$10.

- Subd. 2. **Field inspection fee.** The managers may charge, in addition, a field inspection fee of at least \$35. The inspection fee must be used to cover actual costs related to a field inspection. Inspection costs include investigation of the area affected by the proposed activity, analysis of the proposed activity, services of a consultant, and any required subsequent monitoring of the proposed activity. Costs of monitoring an activity authorized by permit may be charged and collected as necessary after issuance of the permit.
- Subd. 3. **Government agencies exempt.** The fees in subdivisions 1 and 2 may not be charged to the federal government, the state, or a political subdivision.
- Subd. 4. **Bond.** The managers may require an applicant for a permit to file a bond with the managers in an amount set by the managers and conditioned on performance by the applicant of authorized activities in conformance with the terms of the permit.
- Subd. 5. **Applicability of permit requirements to state.** A rule adopted by the managers that requires a permit for an activity applies to the Department of Transportation.
- Subd. 6. **General permits.** A watershed district may issue general permits for public transportation projects for work on existing roads.
