

**103G.211 DRAINAGE OF PUBLIC WATERS GENERALLY PROHIBITED WITHOUT REPLACEMENT.**

Except as provided in sections 103G.221 to 103G.235, public waters may not be drained, and a permit authorizing drainage of public waters may not be issued, unless the public waters to be drained are replaced by public waters that will have equal or greater public value.

**History:** *1990 c 391 art 7 s 15*
