

126C.17 REFERENDUM REVENUE.

Subdivision 1. **Referendum allowance.** (a) For fiscal year 2003 and later, a district's initial referendum revenue allowance equals the sum of the allowance under section 126C.16, subdivision 2, plus any additional allowance per resident marginal cost pupil unit authorized under subdivision 9 before May 1, 2001, for fiscal year 2002 and later, plus the referendum conversion allowance approved under subdivision 13, minus \$415. For districts with more than one referendum authority, the reduction must be computed separately for each authority. The reduction must be applied first to the referendum conversion allowance and next to the authority with the earliest expiration date. A district's initial referendum revenue allowance may not be less than zero.

(b) For fiscal year 2003, a district's referendum revenue allowance equals the initial referendum allowance plus any additional allowance per resident marginal cost pupil unit authorized under subdivision 9 between April 30, 2001, and December 30, 2001, for fiscal year 2003 and later.

(c) For fiscal year 2004 and later, a district's referendum revenue allowance equals the sum of:

(1) the product of (i) the ratio of the resident marginal cost pupil units the district would have counted for fiscal year 2004 under Minnesota Statutes 2002, section 126C.05, to the district's resident marginal cost pupil units for fiscal year 2004, times (ii) the initial referendum allowance plus any additional allowance per resident marginal cost pupil unit authorized under subdivision 9 between April 30, 2001, and May 30, 2003, for fiscal year 2003 and later, plus

(2) any additional allowance per resident marginal cost pupil unit authorized under subdivision 9 after May 30, 2003, for fiscal year 2005 and later.

Subd. 2. **Referendum allowance limit.** (a) Notwithstanding subdivision 1, for fiscal year 2007 and later, a district's referendum allowance must not exceed the greater of:

(1) the sum of: (i) a district's referendum allowance for fiscal year 1994 times 1.177 times the annual inflationary increase as calculated under paragraph (b) plus (ii) its referendum conversion allowance for fiscal year 2003, minus (iii) \$215;

(2) the greater of (i): 26 percent of the formula allowance or (ii) \$1,294 times the annual inflationary increase as calculated under paragraph (b); or

(3) for a newly reorganized district created after July 1, 2006, the referendum revenue authority for each reorganizing district in the year preceding reorganization divided by its resident marginal cost pupil units for the year preceding reorganization.

(b) For purposes of this subdivision, for fiscal year 2005 and later, "inflationary increase" means one plus the percentage change in the Consumer Price Index for urban consumers, as prepared by the United States Bureau of Labor Standards, for the current fiscal year to fiscal year 2004. For fiscal years 2009 and later, for purposes of paragraph (a), clause (1), the inflationary increase equals the inflationary increase for fiscal year 2008 plus one-fourth of the percentage increase in the formula allowance for that year compared with the formula allowance for fiscal year 2008.

Subd. 3. **Sparsity exception.** A district that qualifies for sparsity revenue under section 126C.10 is not subject to a referendum allowance limit.

Subd. 4. **Total referendum revenue.** The total referendum revenue for each district equals the district's referendum allowance times the resident marginal cost pupil units for the school year.

Subd. 5. **Referendum equalization revenue.** (a) For fiscal year 2003 and later, a district's referendum equalization revenue equals the sum of the first tier referendum equalization revenue and the second tier referendum equalization revenue.

(b) A district's first tier referendum equalization revenue equals the district's first tier referendum equalization allowance times the district's resident marginal cost pupil units for that year.

(c) For fiscal year 2006, a district's first tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or \$500. For fiscal year 2007, a district's first tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or \$600.

For fiscal year 2008 and later, a district's first tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or \$700.

(d) A district's second tier referendum equalization revenue equals the district's second tier referendum equalization allowance times the district's resident marginal cost pupil units for that year.

(e) For fiscal year 2006, a district's second tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or 18.6 percent of the formula allowance, minus the district's first tier referendum equalization allowance. For fiscal year 2007 and later, a district's second tier referendum equalization allowance equals the lesser of the district's referendum allowance under subdivision 1 or 26 percent of the formula allowance, minus the district's first tier referendum equalization allowance.

(f) Notwithstanding paragraph (e), the second tier referendum allowance for a district qualifying for secondary sparsity revenue under section 126C.10, subdivision 7, or elementary sparsity revenue under section 126C.10, subdivision 8, equals the district's referendum allowance under subdivision 1 minus the district's first tier referendum equalization allowance.

Subd. 6. Referendum equalization levy. (a) For fiscal year 2003 and later, a district's referendum equalization levy equals the sum of the first tier referendum equalization levy and the second tier referendum equalization levy.

(b) A district's first tier referendum equalization levy equals the district's first tier referendum equalization revenue times the lesser of one or the ratio of the district's referendum market value per resident marginal cost pupil unit to \$476,000.

(c) A district's second tier referendum equalization levy equals the district's second tier referendum equalization revenue times the lesser of one or the ratio of the district's referendum market value per resident marginal cost pupil unit to \$270,000.

Subd. 7. Referendum equalization aid. (a) A district's referendum equalization aid equals the difference between its referendum equalization revenue and levy.

(b) If a district's actual levy for first or second tier referendum equalization revenue is less than its maximum levy limit for that tier, aid shall be proportionately reduced.

(c) Notwithstanding paragraph (a), the referendum equalization aid for a district, where the referendum equalization aid under paragraph (a) exceeds 90 percent of the referendum revenue, must not exceed 26 percent of the formula allowance times the district's resident marginal cost pupil units. A district's referendum levy is increased by the amount of any reduction in referendum aid under this paragraph.

Subd. 7a. Referendum tax base replacement aid. For each school district that had a referendum allowance for fiscal year 2002 exceeding \$415, for each separately authorized referendum levy, the commissioner of revenue, in consultation with the commissioner of education, shall certify the amount of the referendum levy in taxes payable year 2001 attributable to the portion of the referendum allowance exceeding \$415 levied against property classified as class 2, noncommercial 4c(1), or 4c(4), under section 273.13, excluding the portion of the tax paid by the portion of class 2a property consisting of the house, garage, and surrounding one acre of land. The resulting amount must be used to reduce the district's referendum levy amount otherwise determined, and must be paid to the district each year that the referendum authority remains in effect, is renewed, or new referendum authority is approved. The aid payable under this subdivision must be subtracted from the district's referendum equalization aid under subdivision 7. The referendum equalization aid after the subtraction must not be less than zero.

Subd. 8. **Unequalized referendum levy.** Each year, a district may levy an amount equal to the difference between its total referendum revenue according to subdivision 4 and its referendum equalization revenue according to subdivision 5.

Subd. 9. **Referendum revenue.** (a) The revenue authorized by section 126C.10, subdivision 1, may be increased in the amount approved by the voters of the district at a referendum called for the purpose. The referendum may be called by the board. The referendum must be conducted one or two calendar years before the increased levy authority, if approved, first becomes payable. Only one election to approve an increase may be held in a calendar year. Unless the referendum is conducted by mail under subdivision 11, paragraph (a), the referendum must be held on the first Tuesday after the first Monday in November. The ballot must state the maximum amount of the increased revenue per resident marginal cost pupil unit. The ballot may state a schedule, determined by the board, of increased revenue per resident marginal cost pupil unit that differs from year to year over the number of years for which the increased revenue is authorized or may state that the amount shall increase annually by the rate of inflation. For this purpose, the rate of inflation shall be the annual inflationary increase calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum levy authority is expiring. In this case, the ballot may also compare the proposed levy authority to the existing expiring levy authority, and express the proposed increase as the amount, if any, over the expiring referendum levy authority. The ballot must designate the specific number of years, not to exceed ten, for which the referendum authorization applies. The ballot, including a ballot on the question to revoke or reduce the increased revenue amount under paragraph (c), must abbreviate the term "per resident marginal cost pupil unit" as "per pupil." The notice required under section 275.60 may be modified to read, in cases of renewing existing levies at the same amount per pupil as in the previous year:

"BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING TO
EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED
TO EXPIRE."

The ballot may contain a textual portion with the information required in this subdivision and a question stating substantially the following:

"Shall the increase in the revenue proposed by (petition to) the board of, School District No. ..., be approved?"

If approved, an amount equal to the approved revenue per resident marginal cost pupil unit times the resident marginal cost pupil units for the school year beginning in the year after the levy is certified shall be authorized for certification for the number of years approved, if applicable, or until revoked or reduced by the voters of the district at a subsequent referendum.

(b) The board must prepare and deliver by first class mail at least 15 days but no more than 30 days before the day of the referendum to each taxpayer a notice of the referendum and the proposed revenue increase. The board need not mail more than one notice to any taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be those shown to be owners on the records of the county auditor or, in any county where tax statements are mailed by the county treasurer, on the records of the county treasurer. Every property owner whose name does not appear on the records of the county auditor or the county treasurer is deemed to have waived this mailed notice unless the owner has requested in writing that the county auditor or county treasurer, as the case may be, include the name on the records for this purpose. The notice must project the anticipated amount of tax increase in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the school district.

The notice for a referendum may state that an existing referendum levy is expiring and project the anticipated amount of increase over the existing referendum levy in the first year, if any, in annual dollars for typical residential homesteads, agricultural homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum extends an existing operating referendum at the same amount per pupil as in the previous year."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke or reduce the revenue amount must state the amount per resident marginal cost pupil unit by which the authority is to be reduced. Revenue authority approved by the voters of the district pursuant to paragraph (a) must be available to the school district at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(e) At least 15 days before the day of the referendum, the district must submit a copy of the notice required under paragraph (b) to the commissioner and to the county auditor of each county in which the district is located. Within 15 days after the results of the referendum have been certified by the board, or in the case of a recount, the certification of the results of the recount by the canvassing board, the district must notify the commissioner of the results of the referendum.

Subd. 10. **School referendum levy; market value.** A school referendum levy must be levied against the referendum market value of all taxable property as defined in section 126C.01, subdivision 3. Any referendum levy amount subject to the requirements of this subdivision must be certified separately to the county auditor under section 275.07.

Subd. 11. **Referendum date.** (a) Except for a referendum held under paragraph (b), any referendum under this section held on a day other than the first Tuesday after the first Monday in November must be conducted by mail in accordance with section 204B.46. Notwithstanding subdivision 9, paragraph (b), to the contrary, in the case of a referendum conducted by mail under this paragraph, the notice required by subdivision 9, paragraph (b), must be prepared and delivered by first-class mail at least 20 days before the referendum.

(b) In addition to the referenda allowed in subdivision 9, clause (a), the commissioner may grant authority to a district to hold a referendum on a different day if the district is in statutory operating debt and has an approved plan or has received an extension from the department to file a plan to eliminate the statutory operating debt.

(c) The commissioner must approve, deny, or modify each district's request for a referendum levy on a different day within 60 days of receiving the request from a district.

Subd. 12. [Repealed, 1Sp2001 c 6 art 1 s 55 subd 1]

Subd. 13. **Referendum conversion allowance.** A school district that received supplemental or transition revenue in fiscal year 2002 may convert its supplemental revenue conversion allowance and transition revenue conversion allowance to additional referendum allowance under subdivision 1 for fiscal year 2003 and thereafter. A majority of the school board must approve the conversion at a public meeting before November 1, 2001. For a district with other referendum authority, the referendum conversion allowance approved by the board continues until the portion of the district's other referendum authority with the earliest expiration date after June 30, 2006, expires. For a district with no other referendum authority, the referendum conversion allowance approved by the board continues until June 30, 2012.
