

136A.65 APPROVAL OF DEGREES AND NAME.

Subdivision 1. **Prohibition.** No school subject to registration shall grant a degree unless such degree and its underlying curriculum are approved by the office, nor shall any school subject to registration use the name "college" or "university" in its name without approval by the office.

Subd. 1a. **Accreditation; requirement.** A school must not be registered or authorized to offer any degree at any level unless the school is accredited by an agency recognized by the United States Department of Education for purposes of eligibility to participate in Title IV federal financial aid programs. Any registered school undergoing institutional accreditation shall inform the office of site visits by the accrediting agency and provide office staff the opportunity to attend the visits, including any exit interviews. The institution must provide the office with a copy of the final report upon receipt.

Subd. 2. **Procedures.** The office shall establish procedures for approval, including notice and an opportunity for a hearing pursuant to chapter 14 if such approval is not granted. If a hearing is requested, no disapproval shall take effect until after such hearing.

Subd. 3. **Application.** A school subject to registration shall be granted approval to use the term "college" or "university" in its name if it was organized, operating, and using such term in its name on or before August 1, 2007, and if it meets the other policies and standards for approval established by the office.

Subd. 4. **Criteria for approval.** (a) A school applying to be registered and to have its degree or degrees and name approved must substantially meet the following criteria:

(1) the school has an organizational framework with administrative and teaching personnel to provide the educational programs offered;

(2) the school has financial resources sufficient to meet the school's financial obligations, including refunding tuition and other charges consistent with its stated policy if the institution is dissolved, or if claims for refunds are made, to provide service to the students as promised, and to provide educational programs leading to degrees as offered;

(3) the school operates in conformity with generally accepted budgeting and accounting principles;

(4) the school provides an educational program leading to the degree it offers;

(5) the school provides appropriate and accessible library, laboratory, and other physical facilities to support the educational program offered;

(6) the school has a policy on freedom or limitation of expression and inquiry for faculty and students which is published or available on request;

(7) the school uses only publications and advertisements which are truthful and do not give any false, fraudulent, deceptive, inaccurate, or misleading impressions about the school, its personnel, programs, services, or occupational opportunities for its graduates for promotion and student recruitment;

(8) the school's compensated recruiting agents who are operating in Minnesota identify themselves as agents of the school when talking to or corresponding with students and prospective students; and

(9) the school provides information to students and prospective students concerning:

(i) comprehensive and accurate policies relating to student admission, evaluation, suspension, and dismissal;

(ii) clear and accurate policies relating to granting credit for prior education, training, and experience and for courses offered by the school;

(iii) current schedules of fees, charges for tuition, required supplies, student activities, housing, and all other standard charges;

(iv) policies regarding refunds and adjustments for withdrawal or modification of enrollment status; and

(v) procedures and standards used for selection of recipients and the terms of payment and repayment for any financial aid program.

(b) An application for degree approval must also include:

(i) title of degree and formal recognition awarded;

(ii) location where such degree will be offered;

(iii) proposed implementation date of the degree;

(iv) admissions requirements for the degree;

(v) length of the degree;

(vi) projected enrollment for a period of five years;

(vii) the curriculum required for the degree, including course syllabi or outlines;

(viii) statement of academic and administrative mechanisms planned for monitoring the quality of the proposed degree;

- (ix) statement of satisfaction of professional licensure criteria, if applicable;
- (x) documentation of the availability of clinical, internship, externship, or practicum sites, if applicable; and
- (xi) statement of how the degree fulfills the institution's mission and goals, complements existing degrees, and contributes to the school's viability.

Subd. 5. Requirements for degree and nondegree program approval. For each degree and nondegree program a school offers to a student, where the student does not leave Minnesota for the major portion of the program or course leading to the degree or nondegree award, the school must have:

- (1) for degree programs:
 - (i) qualified teaching personnel to provide the educational programs for each degree for which approval is sought;
 - (ii) appropriate educational programs leading to each degree for which approval is sought;
 - (iii) appropriate and accessible library, laboratory, and other physical facilities to support the educational program for each degree for which approval is sought; and
 - (iv) a rationale showing that degree programs are consistent with the school's mission and goals; and
- (2) for nondegree programs:
 - (i) qualified teaching personnel to provide the educational programs for which approval is sought;
 - (ii) appropriate educational programs leading to each award for which approval is sought;
 - (iii) appropriate and accessible library, laboratory, and other physical facilities to support the educational program for which approval is sought; and
 - (iv) a rationale showing that programs are consistent with the school's mission and goals.

Nondegree programs that are a part of an approved degree shall not require additional review or approval; they shall be considered approved as a part of the degree approval. Any nondegree program offered by a degree-granting school that is not a part of an approved degree shall be subject to clause (2), items (i) to (iv).

Subd. 6. Name. A degree-granting school may use the term "academy" or "institute" in its name without meeting any additional requirements. A school may use the term "college" in its

name if it offers at least one program leading to an associate degree. A school may use the term "university" in its name if it offers at least one program leading to a master's or doctorate degree.

Subd. 7. **Conditional approval.** The office may grant conditional approval for a degree or use of a term in its name for a period of less than one year if doing so would be in the best interests of currently enrolled students or prospective students. New schools may be granted conditional approval for degrees or names annually for a period not to exceed five years to allow them the opportunity to apply for and receive accreditation as required in subdivision 1a.

Subd. 8. **Disapproval of registration appeal.** (a) If a school's degree or use of a term in its name is disapproved by the office, the school may request a hearing under chapter 14. The request must be in writing and made to the office within 30 days of the date the school is notified of the disapproval.

(b) The office may refuse to renew, revoke, or suspend registration, approval of a school's degree, or use of a regulated term in its name by giving written notice and reasons to the school. The school may request a hearing under chapter 14. If a hearing is requested, no revocation or suspension shall take effect until after the hearing.

(c) Reasons for revocation or suspension of registration or approval may be for one or more of the following reasons:

- (1) violating the provisions of sections 136A.61 to 136A.71;
- (2) providing false, misleading, or incomplete information to the office;
- (3) presenting information about the school which is false, fraudulent, misleading, deceptive, or inaccurate in a material respect to students or prospective students; or
- (4) refusing to allow reasonable inspection or to supply reasonable information after a written request by the office has been received.
