(a) This document gives your health care providers or your designated proxy the power and guidance to make health care decisions according to your wishes when you are in a terminal condition and cannot do so. This document may include what kind of treatment you want or do not want and under what circumstances you want these decisions to be made. You may state where you want or do not want to receive any treatment.

(b) If you name a proxy in this document and that person agrees to serve as your proxy, that person has a duty to act consistently with your wishes. If the proxy does not know your wishes, the proxy has the duty to act in your best interests. If you do not name a proxy, your health care providers have a duty to act consistently with your instructions or tell you that they are unwilling to do so.

(e) If there is anything in this document that you do not understand, you should ask for professional help to have it explained to you.
