(2) have a current license from the equivalent licensing agency in another state or Canada and, if the examination in clause (1) was passed more than ten years ago, either:

(i) pass the Special Purpose Examination of the Federation of State Medical Boards with a score of 75 or better within three attempts; or

(ii) have a current certification by a specialty board of the American Board of Medical Specialties, of the American Osteopathic Association Bureau of Professional Education, the Royal College of Physicians and Surgeons of Canada, or of the College of Family Physicians of Canada; or

(3) if the applicant fails to meet the requirement established in section 147.02, subdivision 1, paragraph (c), clause (2), because the applicant failed to pass each of steps one, two, and three of the USMLE within the required three attempts, the applicant may be granted a license provided the applicant:

(i) has passed each of steps one, two, and three with passing scores as recommended by the USMLE program within no more than four attempts for any of the three steps;

If an applicant does not satisfy the requirements stated in this paragraph, the board may issue a license only on the applicant's showing that the public will be protected through issuance of a license with conditions or limitations the board considers appropriate.

(g) Upon the request of an applicant, the board may conduct the final interview of the applicant by teleconference.

Subd. 2. **Temporary permit.** The board may issue a temporary permit to practice medicine to a physician eligible for licensure under this section only if the application for licensure is complete, all requirements in subdivision 1 have been met, and a nonrefundable fee set by the board has been paid.
