

204B.45 MAIL BALLOTING.

Subdivision 1. **Authorization.** A municipality having fewer than 400 registered voters on June 1 of an election year and not located in a metropolitan county as defined by section 473.121 may provide balloting by mail at any municipal, county, or state election with no polling place other than the office of the auditor or clerk or other locations designated by the auditor or clerk. The governing body may apply to the county auditor for permission to conduct balloting by mail. The county board may provide for balloting by mail in unorganized territory. The governing body of any municipality may designate for mail balloting any precinct having fewer than 50 registered voters, subject to the approval of the county auditor.

Voted ballots may be returned in person to any location designated by the county auditor or municipal clerk.

Subd. 1a. [Repealed, 2000 c 467 s 35]

Subd. 2. **Procedure.** Notice of the election and the special mail procedure must be given at least six weeks prior to the election. Not more than 30 days nor later than 14 days prior to the election, the auditor shall mail ballots by nonforwardable mail to all voters registered in the town or unorganized territory. No later than 14 days before the election, the auditor must make a subsequent mailing of ballots to those voters who register to vote after the initial mailing but before the 20th day before the election. Eligible voters not registered at the time the ballots are mailed may apply for ballots as provided in chapter 203B. Ballot return envelopes, with return postage provided, must be preaddressed to the auditor or clerk and the voter may return the ballot by mail or in person to the office of the auditor or clerk. The auditor or clerk may appoint election judges to examine the return envelopes and mark them "accepted" or "rejected" during the 30 days before the election. If an envelope has been rejected at least five days before the election, the ballots in the envelope must be considered spoiled ballots and the auditor or clerk shall provide the voter with a replacement ballot and return envelope in place of the spoiled ballot. The costs of the mailing shall be paid by the election jurisdiction in which the voter resides. Any ballot received by 8:00 p.m. on the day of the election must be counted.

Subd. 3. **Election Law applied; rules.** The Minnesota Election Law is applicable to mail balloting except as provided by this section or by rules adopted by the secretary of state, but only paper ballots may be used. The secretary of state shall adopt rules for the conduct of mail balloting, including instructions to voters, procedures for challenge of voters, public observation of the counting of ballots, and procedures for proper handling and safeguarding of ballots to ensure the integrity of the election.
