

256L.07 ELIGIBILITY FOR MINNESOTACARE.

Subdivision 1. **General requirements.** (a) Children enrolled in the original children's health plan as of September 30, 1992, children who enrolled in the MinnesotaCare program after September 30, 1992, pursuant to Laws 1992, chapter 549, article 4, section 17, and children who have family gross incomes that are equal to or less than 150 percent of the federal poverty guidelines are eligible without meeting the requirements of subdivision 2 and the four-month requirement in subdivision 3, as long as they maintain continuous coverage in the MinnesotaCare program or medical assistance. Children who apply for MinnesotaCare on or after the implementation date of the employer-subsidized health coverage program as described in Laws 1998, chapter 407, article 5, section 45, who have family gross incomes that are equal to or less than 150 percent of the federal poverty guidelines, must meet the requirements of subdivision 2 to be eligible for MinnesotaCare.

Families enrolled in MinnesotaCare under section 256L.04, subdivision 1, whose income increases above 275 percent of the federal poverty guidelines, are no longer eligible for the program and shall be disenrolled by the commissioner. Beginning January 1, 2008, individuals enrolled in MinnesotaCare under section 256L.04, subdivision 7, whose income increases above 200 percent of the federal poverty guidelines or 250 percent of the federal poverty guidelines on or after July 1, 2009, are no longer eligible for the program and shall be disenrolled by the commissioner. For persons disenrolled under this subdivision, MinnesotaCare coverage terminates the last day of the calendar month following the month in which the commissioner determines that the income of a family or individual exceeds program income limits.

(b) Notwithstanding paragraph (a), children may remain enrolled in MinnesotaCare if ten percent of their gross individual or gross family income as defined in section 256L.01, subdivision 4, is less than the annual premium for a policy with a \$500 deductible available through the Minnesota Comprehensive Health Association. Children who are no longer eligible for MinnesotaCare under this clause shall be given a 12-month notice period from the date that ineligibility is determined before disenrollment. The premium for children remaining eligible under this clause shall be the maximum premium determined under section 256L.15, subdivision 2, paragraph (b).

(c) Notwithstanding paragraphs (a) and (b), parents are not eligible for MinnesotaCare if gross household income exceeds \$57,500 for the 12-month period of eligibility.

Subd. 2. **Must not have access to employer-subsidized coverage.** (a) To be eligible, a family or individual must not have access to subsidized health coverage through an employer and must not have had access to employer-subsidized coverage through a current employer for 18

months prior to application or reapplication. A family or individual whose employer-subsidized coverage is lost due to an employer terminating health care coverage as an employee benefit during the previous 18 months is not eligible.

(b) This subdivision does not apply to a family or individual who was enrolled in MinnesotaCare within six months or less of reapplication and who no longer has employer-subsidized coverage due to the employer terminating health care coverage as an employee benefit.

(c) For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee or dependent, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans and any other employer benefits intended to pay health care costs as qualified employer subsidies toward the cost of health coverage for employees for purposes of this subdivision.

Subd. 2a. [Repealed, 2007 c 147 art 5 s 41]

Subd. 3. **Other health coverage.** (a) Families and individuals enrolled in the MinnesotaCare program must have no health coverage while enrolled or for at least four months prior to application and renewal. Children enrolled in the original children's health plan and children in families with income equal to or less than 150 percent of the federal poverty guidelines, who have other health insurance, are eligible if the coverage:

(1) lacks two or more of the following:

- (i) basic hospital insurance;
- (ii) medical-surgical insurance;
- (iii) prescription drug coverage;
- (iv) dental coverage; or
- (v) vision coverage;

(2) requires a deductible of \$100 or more per person per year; or

(3) lacks coverage because the child has exceeded the maximum coverage for a particular diagnosis or the policy excludes a particular diagnosis.

The commissioner may change this eligibility criterion for sliding scale premiums in order to remain within the limits of available appropriations. The requirement of no health coverage does not apply to newborns.

(b) Medical assistance, general assistance medical care, and the Civilian Health and Medical Program of the Uniformed Service, CHAMPUS, or other coverage provided under United States Code, title 10, subtitle A, part II, chapter 55, are not considered insurance or health coverage for purposes of the four-month requirement described in this subdivision.

(c) For purposes of this subdivision, an applicant or enrollee who is entitled to Medicare Part A or enrolled in Medicare Part B coverage under title XVIII of the Social Security Act, United States Code, title 42, sections 1395c to 1395w-152, is considered to have health coverage. An applicant or enrollee who is entitled to premium-free Medicare Part A may not refuse to apply for or enroll in Medicare coverage to establish eligibility for MinnesotaCare.

(d) Applicants who were recipients of medical assistance or general assistance medical care within one month of application must meet the provisions of this subdivision and subdivision 2.

(e) Cost-effective health insurance that was paid for by medical assistance is not considered health coverage for purposes of the four-month requirement under this section, except if the insurance continued after medical assistance no longer considered it cost-effective or after medical assistance closed.

Subd. 4. Families with children in need of chemical dependency treatment. Premiums for families with children when a parent has been determined to be in need of chemical dependency treatment pursuant to an assessment conducted by the county under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212, who are eligible for MinnesotaCare under section 256L.04, subdivision 1, may be paid by the county of residence of the person in need of treatment for one year from the date the family is determined to be eligible or if the family is currently enrolled in MinnesotaCare from the date the person is determined to be in need of chemical dependency treatment. Upon renewal, the family is responsible for any premiums owed under section 256L.15. If the family is not currently enrolled in MinnesotaCare, the local county human services agency shall determine whether the family appears to meet the eligibility requirements and shall assist the family in applying for the MinnesotaCare program.

Subd. 5. Voluntary disenrollment for members of military. Notwithstanding section 256L.05, subdivision 3b, MinnesotaCare enrollees who are members of the military and their families, who choose to voluntarily disenroll from the program when one or more family members are called to active duty, may reenroll during or following that member's tour of active duty. Those individuals and families shall be considered to have good cause for voluntary termination under section 256L.06, subdivision 3, paragraph (d). Income and asset increases reported at the time of reenrollment shall be disregarded. All provisions of sections 256L.01 to 256L.18 shall apply to individuals and families enrolled under this subdivision upon 12-month renewal.

Subd. 6. **Exception for certain adults.** Single adults and households with no children formerly enrolled in general assistance medical care and enrolled in MinnesotaCare according to section 256D.03, subdivision 3, are eligible without meeting the requirements of this section until renewal.

Subd. 7. **Exception for certain children.** Children formerly enrolled in medical assistance and automatically deemed eligible for MinnesotaCare according to section 256B.057, subdivision 2c, are exempt from the requirements of this section until renewal.
