Without excluding other activities which may not constitute transacting business in this state, and subject to the provisions of sections 5.25 and 543.19, a foreign corporation shall not be considered to be transacting business in this state for the purposes of this chapter solely by reason of carrying on in this state any one or more of the following activities:

(b) holding meetings of its directors or shareholders or carrying on other activities concerning its internal affairs;

Subd. 3. **Injunction.** If a foreign corporation does business in this state under a name prohibited by this section, the courts of this state having equity jurisdiction may, upon the application of the state or of any person, unincorporated association, or corporation interested or affected, enjoin such foreign corporation from doing business in this state under such name,

Subd. 2. **Time granted in which to cure ground for cancellation.** If the ground for the action is an act which the corporation has done or omitted to do, and it appears probable that correction can be made, then such action shall not be instituted, unless the attorney general shall give notice to such corporation, by certified mail, at its registered office in this state, that such default or violation exists, and that an action to cancel its certificate of authority will be begun unless such default shall be cured or such violation discontinued within 30 days after the mailing of such notice. If such assignee shall be a purchaser without actual notice of such violation by the corporation, recovery may be had to an amount not greater than the

303.25 FOREIGN TRUST ASSOCIATIONS, POWERS.

Subdivision 1. **Appointments.** Any foreign trust association may accept appointment and act as executor of the will or administrator of the estate of any decedent who was a resident of this state at the time of death, as trustee of any trust created by a resident of this state by will or otherwise, and as guardian of any resident of this state or conservator of the resident's estate, if banking or trust associations or corporations organized under the laws of this state or national banking associations maintaining their principal offices in this state are permitted to act as executors, administrators, trustees, guardians, or conservators in the state in which the foreign trust association maintains its principal office. Any foreign trust association may accept appointment and act as executor of the will or administrator of the estate of a decedent, who was a resident of the state in which the foreign trust association maintains its principal office at the time of death, in ancillary probate proceedings in this state, as trustee of any trust created by the decedent by will or otherwise of property situated in this state, and as guardian or conservator in ancillary proceedings in this state with respect to the property of a resident of the other state if banking or trust associations or corporations organized under the laws of this state and national banking associations maintaining their principal offices in this state are permitted to act as executors, administrators, trustees, guardians, or conservators in the state in which the foreign trust association maintains its principal office.

Subd. 2. **Designation of attorney for service of process.** Before accepting appointment or acting as executor, administrator, trustee, guardian, or conservator, a foreign trust association shall appoint the secretary of state, a successor or successors in office, its true and lawful attorney upon

whom may be served all legal process in any action or proceeding against it, or in which it may be a party, in relation to or involving any acts or defaults by it as executor, administrator, trustee, guardian, or conservator. This appointment is irrevocable. Service upon the attorney is as valid and binding as if due personal service had been made upon the foreign trust association.

Subd. 3. **Bond must be filed.** Before accepting appointment or acting as executor, administrator, trustee, guardian, or conservator, every foreign trust association shall file a bond with a court of competent jurisdiction in an amount as the court directs, with sufficient sureties, conditioned upon the faithful discharge of its duties as executor, administrator, trustee, guardian, or conservator, or, in lieu of the bond, shall deposit securities with the commissioner of management and budget in the same manner and in the same amount as would be required under section 48A.03, subdivision 2, of a trust company organized under the laws of this state. This deposit shall be maintained until the foreign trust association shall cease to act as an executor, administrator, trustee, guardian, or conservator under this section. However, except as otherwise ordered by a court of competent jurisdiction, the requirements of this subdivision do not apply to a trustee with respect to a trust created otherwise than by will if the trust instrument requests or directs that a bond need not be required of the trustee.

Subd. 4. **Rights and duties.** Any foreign trust association acting as executor, administrator, trustee, guardian, or conservator has the rights, authority, and duties that a natural person resident in this state duly acting as executor, administrator, trustee, guardian, or conservator has under the laws of this state.

Subd. 5. **Solicitation of business.** A foreign trust may solicit business within this state if banking or trust associations or corporations organized under the laws of this state or national banking associations maintaining their principal offices in this state may solicit business in the state in which the foreign trust association maintains its principal office. For purposes of this subdivision, solicitation of business includes the activities authorized for state or national banking associations exercising fiduciary powers maintaining their principal offices in this state considered a representative trust office established under section 48A.14. A foreign trust association must follow the procedures in section 48A.18 to establish a trust office and the procedures in section 48A.19 to establish a representative trust office.
