

326B.187 RULES.

The commissioner may adopt rules for the following purposes:

(1) to establish minimum qualifications for elevator inspectors that must include possession of a current elevator constructor electrician's license issued by the department and proof of successful completion of the national elevator industry education program examination or equivalent experience;

(2) to establish minimum qualifications for limited elevator inspectors;

(3) to establish criteria for the qualifications of elevator contractors;

(4) to establish elevator standards under sections 326B.106, subdivisions 1 and 3, and 326B.13;

(5) to establish procedures for appeals of decisions of the commissioner under chapter 14 and procedures allowing the commissioner, before issuing a decision, to seek advice from the elevator trade, building owners or managers, and others knowledgeable in the installation, construction, and repair of elevators; and

(6) to establish requirements for the registration of all elevators.
