

**353G.06 DISESTABLISHMENT OF PRIOR VOLUNTEER FIREFIGHTERS' RELIEF ASSOCIATION SPECIAL FUND UPON RETIREMENT COVERAGE CHANGE.**

Subdivision 1. **Special fund disestablishment.** (a) On the date immediately prior to the effective date of the coverage change, the special fund of the applicable volunteer firefighters' relief association, if one exists, ceases to exist as a pension fund of the association and legal title to the assets of the special fund transfers to the State Board of Investment, with the beneficial title to the assets of the special fund remaining in the applicable volunteer firefighters.

(b) If the market value of the special fund of the volunteer firefighters' relief association for which retirement coverage changed under this chapter declines in the interval between the date of the most recent financial report or statement, and the special fund disestablishment date, the applicable municipality shall transfer an additional amount to the State Board of Investment equal to that decline. If more than one municipality is responsible for the direct management of the fire department, the municipalities shall allocate the additional transfer amount among the various applicable municipalities one-half in proportion to the population of each municipality and one-half in proportion to the market value of each municipality.

Subd. 2. **Other relief association changes.** In addition to the transfer and disestablishment of the special fund under subdivision 1, notwithstanding any provisions of chapter 424A or 424B to the contrary, upon the effective date of the change in volunteer firefighter retirement coverage, if the relief association membership elects to retain the relief association after the benefit coverage election, the following changes must be implemented with respect to the applicable volunteer firefighters' relief association:

(1) the relief association board of trustees membership is reduced to five, comprised of the fire chief of the fire department and four trustees elected by and from the relief association membership;

(2) the relief association may only maintain a general fund, which continues to be governed by section 424A.06;

(3) the relief association is not authorized to receive the proceeds of any state aid or to receive any municipal funds; and

(4) the relief association may not pay any service pension or benefit that was not authorized as a general fund disbursement under the articles of incorporation or bylaws of the relief association in effect prior to the plan coverage election process.

Subd. 3. **Successor in interest.** Upon the disestablishment of the special fund of the volunteer firefighters' relief association under this section, the voluntary statewide lump-sum

volunteer firefighter retirement plan is the successor in interest of the special fund of the volunteer firefighters' relief association for all claims against the special fund other than a claim against the special fund, the volunteer firefighters' relief association, the municipality, the fire department, or any person connected with the volunteer firefighters' relief association in a fiduciary capacity under chapter 356A or common law that was based on any act or acts which were not performed in good faith and which constituted a breach of a fiduciary obligation. As the successor in interest of the special fund of the volunteer firefighters' relief association, the voluntary statewide lump-sum volunteer firefighter retirement plan may assert any applicable defense in any judicial proceeding which the board of trustees of the volunteer firefighters' relief association or the municipality would have been entitled to assert.
