

356.22 INTERPRETATION.

Subdivision 1. **Provision of additional valuations.** No provision in sections 356.20 to 356.23 may be construed in any way to limit any of the enumerated pension and retirement funds from furnishing additional actuarial valuations or experience studies, or additional data and actuarial calculations, as may be requested by the legislature or any standing committee or by the Legislative Commission on Pensions and Retirement.

Subd. 2. **Accelerated amortization.** No provision in sections 356.20 to 356.23 may be construed to preclude any public pension and retirement fund enumerated in section 356.20, subdivision 2, from requesting, or the legislature from providing for, the amortization of any unfunded actuarial accrued liability in a shorter period of time than by the established date for full funding as determined under section 356.215, subdivision 11.

Subd. 3. **Additional required valuations.** The legislature or any committee or commission which has assigned to it the subject of public pensions or public retirement plans may require actuarial valuations and experience studies in conformity with the provisions of sections 356.20 to 356.23 from any public pension and retirement plan or fund, whether enumerated in sections 356.20 to 356.23 or otherwise.
