

469.302 DESIGNATIONS OF ENTERPRISE ZONES.

Subdivision 1. **Process.** The commissioner shall designate an area as an enterprise zone if:

(1) the application is made by the governing body of the city as prescribed by section 469.304;

(2) the area is determined by the commissioner to be eligible for designation under section 469.303.

Subd. 2. **Duration.** The designation of an area as an enterprise zone is effective for ten years after the date of designation.

Subd. 3. **Date of designation.** Designation is effective immediately following approval of the enterprise zone application by the commissioner.
