The cover page of the disclosure statement shall state, in a prominent location and in boldface type, the date of the disclosure statement, the last date through which that disclosure statement may be delivered if not earlier revised, and that delivery of the disclosure statement to a contracting party before the execution of a contract for the provision of continuing care is required by sections 80D.01 to 80D.16 but that the disclosure statement has

not been reviewed or approved by any government agency or representative to insure accuracy or completeness of the information set out.

Subd. 3. **Contract forms.** A copy of the standard form or forms of contract for continuing care used by the provider shall be attached as an exhibit to each disclosure statement. Each contract shall provide that:

(a) the party contracting with the provider may for any reason rescind the contract within ten days following the later of the execution of the contract or the receipt of the disclosure statement, in which event any money or property transferred to the provider shall be returned in full. The resident to whom the contract pertains is not required to move into the facility before the expiration of the ten-day period; and

(b) if a resident dies before occupying a living unit in the facility, or if on account of illness, injury or incapacity would be precluded from occupying a living unit in the facility under the terms of the contract for continuing care, the contract is automatically canceled and the resident or legal representative of the resident shall receive a refund of all money or property transferred to the provider, less (a) those costs specifically incurred by the provider or facility at the request of the resident and described in the contract or an addendum thereto signed by the resident; and (b) a reasonable service charge, if set out in the contract, not to exceed the greater of \$350 or two percent of the entrance fee.

Subd. 6. **Waivers of liability prohibited.** (a) A contract between a facility and resident or resident's representative must not include a waiver of facility liability for the health and safety or personal property of a resident while the resident is under the facility's supervision. A contract must not contain a provision that the facility knows or should know to be deceptive, unlawful, or unenforceable under state or federal law, nor any provision that requires or implies a lesser standard of care or responsibility than is required by law.

(b) This subdivision applies to new admissions to facilities on and after October 1, 1989. This subdivision does not require the execution of a new admission contract for a resident who was residing in a facility before August 1, 1989. However, provisions of the admission contract that are inconsistent with or in conflict with this subdivision are voidable at the sole option of the resident. Residents must be given notice of the changes in admission contracts according to this subdivision and must be given the opportunity to execute a new contract that conforms to this subdivision.
